Since the same sources are used for the debt service for more than one revenue bond issue, the coverage for the related issues (by department) has been combined in a single presentation.

(1) Adjusted net revenues include operating revenues minus operating expenses adjusted by certain items stipulated in the Bond Ordinance.

(2) Adjusted net revenues are operating revenues plus intergovernmental revenue, less operating expenses prior to depreciation and expense for assumption of liability of closure and post closure costs, adjusted certain items defined in the debt instruments.

(3) Adjusted net revenues include operating revenues minus operating expenses adjusted by certain items stipulated in the Bond Ordinance.

(4) Adjusted net revenues are calculated in accordance with the requirements of the Trust Agreement.

(5) Adjusted net revenues include operating revenues minus operating expenses adjusted by certain items stipulated in the Bond Ordinance.
