

**MIAMI-DADE COUNTY, FLORIDA**  
**Aviation Revenue Bonds**

**SECURITY FOR THE BONDS**

**Pledge of Net Revenues**

The Aviation Revenue Bonds (the "Bonds") issued under the provisions of the Amended and Restated Trust Agreement (the "Trust Agreement") entered as of December 15, 2002 with JPMorgan Chase Bank, New York, New York, as Trustee and Wachovia Bank, National Association, as Co-Trustee and accrued interest, are payable solely from and are secured, by a pledge of the Net Revenues of the Port Authority Properties ("PAP") under the provisions of the Trust Agreement. The Trust Agreement does not convey or mortgage any or all of PAP as a pledge or security for the Bonds. The Trust Agreement amended and restated a trust agreement entered into on October 1, 1954, as amended, with the Trustee and the Co-Trustee (the "Prior Trust Agreement"). For a brief description of such amendments, see "Amendments to the Prior Trust Agreement" below.

"Net Revenues" is defined in the Trust Agreement as the amount of the excess of the Revenues of PAP over the total of the Current Expenses of PAP. "Revenues" is defined in the Trust Agreement as all monies received or earned by the County for the use of, and for the services and facilities furnished by, the Port Authority Properties and all other income derived by the County from the operation or ownership of said Port Authority Properties, including any ground rentals for land on which buildings or structures may be constructed, whether such buildings or structures shall be financed by Bonds issued under the provisions of the Trust Agreement or otherwise, and Hedge Receipts. "Revenues" do not, however, include any monies received as a grant or gift from the United States of America or the State of Florida (the "State") or any department or agency of either of them or any monies received from the sale of property. "Current Expenses" are defined in part as the County's reasonable and necessary current expenses of maintenance, repair and operation of the Port Authority Properties and shall include, without limiting the generality thereof, amounts payable to any bank or other financial institution for the issuance of a Credit Facility, Liquidity Facility or Reserve Facility, but shall not include any reserves for extraordinary maintenance or repair, or any allowance for depreciation, or any Hedge Obligations or Hedge Charges.

For purposes of the Trust Agreement, unless otherwise provided by resolution of the Board, the proceeds of Passenger Facility Charges and interest earned thereon do not fall within the definition of Revenues and therefore are not included in Net Revenues. The Board has not provided by resolution for the Passenger Facility Charges to be part of Revenues. However, the County plans to transfer Passenger Facility Charges revenue into the Sinking Fund at the beginning of each Fiscal Year and the amount of such deposit will be credited against the Principal and Interest Requirements on the Bonds for that fiscal year.

**Limited Obligations**

**The Bonds are special, limited obligations of the County payable solely from the Net Revenues pledged to the Bonds. Neither the faith and credit of the State of Florida (the "State") nor the faith and credit of any agency or political subdivision of the State or of the County are pledged to the payment of the principal of or the interest or premium, if any, of the Bonds. The issuance of the Bonds shall not directly or indirectly, or contingently, obligate the State or any agency or political subdivision of the State or the County, to levy any taxes for the payment of the Bonds or to make any appropriation for their payment except from the Net Revenues pledged and provided for the payment of the Bonds under the Trust Agreement.**

## Amendments to the Prior Trust Agreement

In accordance with the provisions of the Prior Trust Agreement and agreements entered into between the County, the Trustee and the Co-Trustee, for the benefit of bond insurers as the issuers of Credit Facilities securing certain outstanding Bonds issued under the Prior Trust Agreement, to which agreements the holders of such Bonds consented by their purchase of such Bonds. The County, the Trustee and the Co-Trustee entered into the Trust Agreement upon delivery by the County to the Trustee and the Co-Trustee of instruments executed by bond insurers as issuers of Credit Facilities securing not less than two-thirds in the aggregate principal amount of Bonds then outstanding.

The Trust Agreement amends the Prior Trust Agreement by incorporating provisions commonly found in more current bond issuance instruments. Among other things, the Trust Agreement (i) includes provisions regarding the issuance of capital appreciation bonds, capital appreciation and income bonds, convertible bonds and put bonds, (ii) includes provisions regarding the use of Hedge Agreements, (iii) permits the use of Reserve Facilities, (iv) amends the test for the issuance of additional bonds by providing an alternate historical coverage test and modifying the existing projected coverage test, (v) removes certain requirements and restrictions relating to Projects financed with proceeds of Bonds and the operation of the Port Authority Properties, (vi) amends the rate covenant requirement by including required deposits into the Reserve Account and providing a credit for certain amounts on deposit in the Sinking Fund, (vii) permits the County to direct investments of monies, and (viii) amends certain provisions relating to defaults and remedies and to the execution of supplemental agreements.

## Management's Discussion of Financial Information

The most significant change to the financial results for Fiscal Year 2004 was the addition of a full year of ADF Facilities financial activity to the Port Authority Properties, which resulted in significant increases in aviation fees, rentals and current expenses.

Other significant items affecting the financial results were:

- Higher Net Revenues plus a higher retainage amount allowed under the AUA has enabled the Aviation Department to increase its discretionary cash reserves. As of September 30, 2004, the Aviation Department's operating cash position was:

Revenue Fund <sup>(a)</sup>	\$53,665,657
Reserve Maintenance Fund	\$34,518,407
Improvement Fund <sup>(b)</sup>	\$99,694,011

<sup>(a)</sup> Includes the operating reserve requirement of ten percent (13.5%) of the Current Expense amount included in the annual operating budget.

<sup>(b)</sup> Includes \$47.2 million to be transferred to the Revenue Fund during Fiscal Year 2005 as required in the AUA.

- The airline industry has been in financial turmoil in recent years resulting in a number of bankruptcies. As of December 2004, the Aviation Department had approximately \$4.44 million in receivables in pre-petition debt from bankrupt carriers. These revenues are not reflected in the annual financial results because they are presented on a cash basis.
- The Aviation Department increased the deposit to the Reserve Maintenance Fund during FY 2004 by \$10 million (from \$14.5 million to \$24.5 million) to cover the renovations to the MIA Hotel. These additional monies will be used to pay the refurbishment costs

being incurred during FY 2004 and 2005.

In September 2004, the Board approved the Aviation Department's Fiscal Year 2005 budget. This budget reflects the Aviation Department's expectation of limited growth in enplaned passenger traffic (1.0 percent); the receipt of approximately \$9 million in FDOT monies as reimbursement for revenues lost due to the airline industry downturn after the 9/11 incident (which was received in October 2004); the completion of the Central Chiller plant expansion that will provide additional air conditioning capacity to the passenger terminal, and implementation of some of the projects proposed in the Wayfinding and Landscaping Master Plan.

During Fiscal Years 2005 and 2006, the Aviation Department, in conjunction with another County department, plans to implement a new ERP or Enterprise Resource Planning financial system. This system represents an integrated software platform that runs on a single database, which will enable the Aviation Department to replace its legacy financial systems with a fully integrated suite of financial applications, resulting in more timely and valuable financial data. In addition, the system will give the Department more flexibility in producing financial reports and make the data more readily available via the web to all authorized users.

### **Commercial Operations Revenues at the Airport**

The Aviation Department received \$177.6 million in commercial revenues in FY 2004, which represents a \$16.9 million or 10.5 percent increase over FY 2003. The primary revenues include \$31.4 million in parking revenues and \$23 million in rental car revenues. Food and beverage operations generated over \$11.6 million; and retail concessions generated approximately \$42.9 million in sales under a management agreement type structure, but the Department only netted approximately \$11 million in revenues. The management agreement structure is explained below. Although passenger services are considered a passenger convenience, they generated \$24.6 million in revenues, which includes over \$12.3 million of revenues from the MIA Hotel and associated restaurant operations.

The two prime food and beverage concessionaires at MIA are HMS Host, Inc. and Global Concessions, Inc. Host increased its gross sales by \$3.8 million in FY 2004 representing an 8.3 percent increase over gross sales compared to FY 2003. Global increased its gross sales by \$3.8 million in FY 2004, representing a 26.1% increase over sales from FY 2003.

The MIA Hotel generated \$8.9 million in revenues in Fiscal Year 2004 and the Top of the Port Restaurant generated over \$3.5 million in revenues during that same period. These revenues resulted from some hotel renovation work that was performed during the Fiscal Year. The renovations will continue in FY 2005. The North Tower of the Hotel was closed to allow the renovation and refurbishment, and is expected to be operational by the spring of 2005. The South Tower will then close so that it too can be renovated and refurbished, and is scheduled to reopen in October 2005.

The Department has three "Club Americas" that generate revenue and are available for the airlines without their own designated airline club. This concession is operated by the Department under a management agreement that generates \$2.0 million in sales and over \$0.5 million in net revenue. Two additional clubs are used for dignitaries only and are not revenue-producing under the "Club America" management.

Miami International Airport's retail concessions have been transitioning from management agreements to concession agreements similar to what has already transpired with the duty free, and food & beverage concessions. This transition means a decrease in revenues since the Department only receives a percentage of the concession's gross revenues as opposed to recording all the gross revenues and then paying the related expenses (e.g., labor and merchandise) accordingly. The net

revenue amount for these retail concessions in the near term is expected to decrease but as the number of new locations open in the South and North Terminals, revenues are expected to, once again, increase.

- <sup>(1)</sup> Due to a new accounting treatment by the Aviation Department's External Auditors, the October 1 payment is no longer being recorded as made on September 30, the date it is transferred to the Trustee by the Aviation Department. Thereby, for this year the amount of Outstanding Bonds will not reflect payment to be made on October 1, 2004 and will result in the same amount of Outstanding Bonds as of September 30, 2003.

- <sup>(2)</sup> Denotes refunding bonds outstanding in the aggregate principal amount of \$732,220,000.

- (1) Represents the first eight months of the fiscal year of Port Authority Properties activity and the final four months (June through September) of combined Port Authority Properties and ADF Facilities post-merger activity.
- (2) At the beginning of each Fiscal Year and in accordance with the terms of the Airline Agreements, monies from the previous Fiscal Year remaining in the Improvement Fund are deposited, unless determined otherwise under the terms of the Airline Agreements, in the Revenue Fund. The amount of such deposit is Revenue and is required by the Airline Agreements to be taken into account in determining the amount or amounts of the Supplemental Landing Charge, if any, for the next succeeding Fiscal Year.
- (3) Calculated in accordance with the Trust Agreement, as amended, by dividing Net Revenues After Deposits by the required Debt Service.

**Series 2003E (AMT)**  
**(Taxable)**

**Dated:** May 28, 2003

**Final Maturity:** 2024

**Purpose:**

The Series 2003E Bonds were issued pursuant to Ordinance Nos. 95-38, 96-31 and 97-207 and Resolution No. R-417-03 to provide funds, together with other monies of the Aviation Department, to accomplish the advance refunding of the Dade County, Florida Aviation Facilities Revenue Bonds, 1994 Series C outstanding in the aggregate amount of \$130,410,000.

**Security:**

The Series 2003E Bonds are payable solely from and are secured by a pledge of the Net Revenues derived from the Port Authority Properties ("PAP") under the provisions of the Trust Agreement.

**Form:**

The Series 2003E Bonds were issued as fully registered bonds without coupons in denominations of \$25,000 or any integral multiples of \$25,000. The Series 2003E Bonds are book-entry only bonds initially registered in the name of The Depository Trust Company, New York, New York. The initial interest rate for the Series 2003E Bonds will apply to the period commencing on their date of delivery to, but not including October 1, 2004. Thereafter, unless converted to a different Auction Rate Period or a Fixed Rate Mode, the Series 2003E Bonds will bear interest at SAVRS Rate in a 35-day Auction Rate Period resulting from an Auction conducted on each Auction Date, in accordance with the Auction Procedures (copies of the Auction Procedures can be found in the Official Statement for the Series 2003E Bonds in Appendix D - Description of Auction Procedures). The first Auction Date is September 30, 2004. Interest on the Series 2003E Bonds was payable during the Initial Period on October 1, 2003, April 1, 2004 and October 1, 2004 and thereafter, while the Series 2003E Bonds are in the 35-day Auction Rate Period, on each Business Day succeeding the last day of the Auction Rate Period.
