

MIAMI-DADE COUNTY, FLORIDA
General Obligations Bonds
(Parks Program)

SECURITY FOR AND SOURCES OF PAYMENT OF THE BONDS

General Obligation Pledge

The Parks Program General Obligation Bonds (the "Bonds") are general obligations of the County and are payable from unlimited ad valorem taxes on all taxable real and tangible personal property within the County (excluding exempt property as required by Florida law). The full faith, credit and taxing power of the County are irrevocably pledged to the prompt payment of both principal of and interest on the Bonds as the same become due and payable. Pursuant to the Florida Constitution, there is no limit on the amount of ad valorem taxes a county may levy for the payment of general obligation bonds.

THE PARKS PROGRAM

Purposes

On November 5, 1996, a referendum authorized the issuance of the Bonds in the amount of \$200,000,000 to provide funds which are to be used for the purpose of paying the following projects. As of September 30, 2003, \$141,470,000 of Bonds have been issued.

- (1) \$37,268,000 to 14 municipalities in the County for application to 76 specific parks projects;
- (2) \$50,732,000 to the County to be spent in the unincorporated municipal services areas of the County on 33 specific park projects throughout the unincorporated area;
- (3) \$77,050,000 to the County Park and Recreation Department (the "Department") for development, improvement, restoration, rehabilitation or acquisition of real property for (a) beaches and Biscayne Bay access consisting of eight specific projects; and (b) for regional parks, regional recreation or heritage facilities and natural preserves consisting of 24 specific projects, including four specific projects totaling \$14,000,000 of park development to promote juvenile crime prevention;
- (4) \$9,700,000 to be divided among the incorporated municipalities on a per capita basis;
- (5) \$10,250,000 to the County as its per capita municipal share; and
- (6) \$15,000,000 for challenge grants to public agencies and not-for-profit organizations to be used for (a) land acquisition, construction and development of youth recreation and service facilities (\$7,000,000) and (b) natural areas, recreation and open space land acquisition and development (\$8,000,000).

Pursuant to Ordinance No. 96-115 (the "Bond Referendum"), the Board created the Citizen Oversight Committee (the "Committee") consisting of 13 members one each appointed from the 13 respective County Commission districts. The chief functions of the Committee are to designate the portions of the Parks Program to be financed from each Series of Bonds and to monitor the application of Bond proceeds to ensure that the Bond proceeds are being spent in accordance with the Bond Referendum.

The Committee has allocated the proceeds of the Bonds to the categories as stated below:
