

**Miami-Dade County  
Finance Department  
September 30, 2014**

**Closing Procedures**

In order to prepare the County's annual financial statements for the fiscal year ending September 30, 2014, the following "cut-off" procedures must be observed by **all** departments:

**Cash Collections and Bank Deposits**

Cash collections must be "cut-off" at midnight on September 30, 2014. This means that collections on hand at midnight, September 30, 2014 must be:

1. Deposited intact before 2:00 p.m., Wednesday, October 1, 2014 on a Deposit Receipt dated September 30, 2014.
2. Entered on a Report of Collection dated September 30, 2014 and with fiscal period 12/2014. (For all departments in FAMIS.)

These reports of collection (paper or Interface) should be received by the Finance Department no later than Wednesday, October 1, 2014 for processing with fiscal month 12/2014.

All collections received after midnight September 30, 2014 must be deposited, recorded on a Deposit Receipt and entered in a Report of Collection dated October 1, 2014 or later for processing with a fiscal month 01 for fiscal year **2015**.

Those departments using Approval Path ("RIMS") to process Report of Collections must input September 30, 2014 deposits with fiscal period 12/2014 no later than **Wednesday, October 1, 2014**.

**Invoices and Construction Payables**

All purchase and **change** orders including construction work orders pertaining to fiscal 2014 must be released/created on or prior to September 30, 2014. Otherwise, subsequent to September 30, you will not be able to process the corresponding fiscal 2014 invoices.

All outside vendor invoices for goods and services received on or before September 30, 2014, will be charged to the 2013-14 budget. Departments using ADPICS A/P Module must have the invoices delivered to the Accounts Payable Section of the Finance Department by **noon, Friday, October 3, 2014**. In order to facilitate this, **departments in receipt of goods or services** on or prior to September 30, 2014 should request "early" invoicing from these vendors. Departments processing invoices via IWA, please refer to **IWA Invoices and Construction Payables section**.

All **construction-related invoices** for work performed on or before September 30, 2014 will be charged to the 2013-14 budget. Departments, using ADPICS Construction Payables module must assure POs are created and needed modifications are completed by September 30, in order to post the expenditure to FY2014. Invoices must be delivered to the Construction Payables Unit of the Finance Department by **noon, Friday, October 3, 2014**. In order to facilitate this, departments in receipt of work performed on or prior to September 30, should request "early" invoices from these vendors. Departments processing invoices via IWA, please refer to **IWA Invoices and Construction Payables section**.

Prior year invoices (invoices for goods or services received or rendered to departments on or before September 30) received by Finance Department after noon, Friday, October 3, 2014, will be processed in fiscal year 2015. At the end of the audit cycle, if subsequent period entries are material, an accrual adjusting entry will be posted against the 2014 budget.

As a result of using ADPICS A/P and Construction Payables Modules, the system will refer to invoice date to determine which invoices should be accrued in FY2014. It is important that the posting of invoice date be accurate. Enterprise Funds with separate audits will be provided a payable report to assist with the accrual adjustment.

**Please do not accumulate old year invoices for payment in the New Year. These will be accrued in FY 2014 during the audit process. If an audit adjustment is proposed by external audit we will notify you of amount of accrual.**

### **IWA Invoices and Construction Payables**

IWA Accounts Payable - All invoices that need to be processed for FY2013 must be approved by the department and **must be in Accounts Payable's 'Final Review' IWA queue by Noon, Friday, October 3**. Invoices approved in IWA by the department after the cut-off of noon, Friday, October 3, will be processed in New Year (FY2015).
