

# Miami-Dade County Emergency and Evacuation Assistance Program

## Applicant Instructions and Information

The Emergency and Evacuation Assistance Program (EEAP) is designed for individuals living at home that need assistance with evacuation and sheltering. Additionally, the program may also be utilized post disaster to provide other assistance such as wellness checks. Residents of assisted living facilities (ALF) or nursing homes do not qualify for this program, because these business entities must have their own emergency plans for their clients.

Please note that all Miami-Dade County residents are expected to make their own plans to evacuate their families and pets. It is important that everyone be responsible for their own safety and make a plan that includes where to go, who to contact, what to bring, and how to get there. However, the County realizes that some individuals may need assistance. Individuals meeting one of the following categories are eligible for assistance from the County:

- Those who require specialized transportation and/or have no transportation.
- Those whose medical needs prevent them from evacuating on their own.

*Please note that upon processing your application, a representative from the Miami-Dade County Office of Emergency Management (OEM) will contact you if further clarification is necessary.*

.....  
What You Should Know To Be Evacuation Ready:

- The EEAP registry is used for any emergency requiring evacuation.
- **Do not wait until an evacuation order is given to request being added to the Registry.**
- Resources are limited and pre-registered clients will have priority when an emergency arises.
- Evacuation centers do not offer the same level of care equipment available as health care facilities.
- Only basic medical care and assistance are available.
- Special needs enhanced beds and cots are provided on a limited basis.
- Individuals requiring a higher level of medical care will be placed in participating local hospitals.
- **Due to a limited number of staff, we recommend that a caregiver accompany you and remain with you during your stay at the evacuation center to ensure your needs are met in a timely manners.**
- If you have a special diet, bring those dietary items with you so as you to ensure the highest level of comfort.
- Remember to bring a disaster kit that includes: bedding, medications, and personal supplies (food, water, and medical equipment).
- Ensure that you eat a meal prior to leaving your home.
- All Miami-Dade County evacuation centers accept individuals with service animals.
  - If you have a service animal, please include their food and supplies in your disaster kit.

**All sections of this application must be completed. If you require a higher level of medical care, your primary care physician (PCP) should complete and sign this application prior to submitting it to our office.** If more than one person in your household requires medical assistance during evacuations, each person must complete a separate application. Special instructions will be mailed to you once your application has been processed.

You will be contacted on an semi-annual basis to re-certify your need for this program. You do not need to complete an application every year. Should you have any questions, please call the EEAP Support Line at (305) 513-7700. Please keep a copy of the complete application for your records and mail the original to:
