## FIRE APPROVAL FOR TCO

FIRE APPROVAL FOR ICO	
Date:	
Miami-Dade Fire Rescue Fire Prevention Division New Construction Bureau 11805 S.W. 26 <sup>th</sup> Street, Suite 105 Miami, Florida 33175	Example
Re: Request for Fire Temporary Certificate of Occupancy(TCO)	
Miami Dade County Permit Number: Project Name: Project Address: City, State ZIP	Property Owner Name: Property Owner Address: City, State ZIP Property Owner Contact/Number:
To Fire Prevention Officer In Charge:	
Please accept this correspondence as a request for a fire temporary certificate of occupancy (TCO) for ( <b>Project name</b> ) that Lieutenant ( <b>inspector name</b> ) has recommended on ( <b>inspection date</b> ).  We are requesting a Fire TCO. During this time, we will make every effort to ensure that all pending life safety parameters are met in order to obtain a fire final/CO. If the fire final/ CO is not received during the initial ( <b>time agreed on during Fire TCO inspection</b> ) we acknowledge that an inspection for a TCO extension and stamp of approval will be required in order to continue to occupy. This inspection to request a TCO extension must be scheduled before the previous TCO/TCO extension expires.  (Property Owner) understands that the failure to obtain a fire final/CO or a TCO extension can and will result in fines of \$210.00 - \$21,010.00.  During the time the client is operating under the auspices of a TCO, all life safety parameters will be maintained at all times. All life safety systems shall be maintained and operable. ( <b>Insert property owner name</b> ) will "Hold Harmless" and releases Miami Dade Fire Rescue of all liability that may occur during occupancy under the TCO period.
