General Considerations:

1. The requesting organization must be a non-for-profit 501c(3) in the State of Florida, or other government body or agency
2. Fee waiver, in-kind or fee reduction requests must be consistent with the policy of Miami-Dade County, be used for public purposes and benefit County residents; including safety.
3. Fee waiver or fee reduction requests involving security or permits should be considered carefully before approval.
4. Fee Waiver, fee reduction or requests for in-kind service should be submitted to the applicable department(s), or if sponsored by a County Commissioner through the Public Safety Committee with applicable information attached as part of the resolution.
5. Event organizers must personally meet with MDPD and MDFR representatives to discuss provision of police and/or fire services.
6. Police and Fire in-kind services will be provided to municipalities after the entity has exhausted all internal resources. This will include cancellation of off-duty employment and scheduled annual and training leave to ensure the highest number of available officers to provide basic services.

7. In the case of municipalities, the requesting entity will seek assistance from other appropriate cities pursuant to existing mutual aid agreements.
8. The requesting entity will provide a detailed written request at least 90 business days prior to the event. The request must provide a detailed explanation of requested services. MDPD and MDFR will have sole discretion in determining the appropriate level of support required. The request must:
 - Be typed
 - Include insurance policies and permits (attached)
 - Description of any private security and/or medical services
 - Description of special measures taken to maximize allocation of internal resources
 - Description of prior event incidents related to arrest, vandalism etc.
 - Daily/hourly event schedule and event calendar
 - Expected number of participants and estimated attendance
 - Physical address of event, traffic flow and security concerns & maps
