

MEMORANDUM

Agenda Item No. 7(P)(1)(H)

TO: Honorable Chairperson and Members
Board of County Commissioners

DATE: July 8, 2003

FROM:

George M. Burgess
County Manager

SUBJECT: Road Closing Petition

P-732

Section: 2-53-41

A 20-foot alley East of NW 17 Avenue
between NW 95 Street & Little River Blvd.
Approximately 550-feet

District: 2

RECOMMENDATION

It is recommended that the Board of County Commissioners approve the subject unimproved alley to be vacated. There is indiscriminate dumping and other criminal activities occurring within said alley, that is creating an adverse effect to the health and safety of the residents, as well as the depreciation of their property.

BACKGROUND

Right-of-way to be Closed

The entire 20-foot alley located at Block 17, just east of NW 17th Avenue, between NW 95th Street and Little River Blvd., approximately 550 feet long.

Petitioners

The property owners of the abutting subject right-of-way have signed the attached petition.

Intent of use

The neighbors of Block 17 at the subject location are requesting that the right-of-way be proportionately divided and its content be added to each parcel or lot, to be privately maintained thereafter.

Right-of-way Dedication

The subject alley was dedicated at no cost to Miami-Dade County the plat of MIAMI PARK-SECTION 2, recorded in plat Book 46, Page 23 of the Public Records of Miami-Dade County, Florida. The dedication contains a clause stipulating that the property will revert back to the abutting property owners when the right-of-way is lawfully closed.

Easements

Miami-Dade Water and Sewer Department has no facilities within the right-of-way.

Zoning District

The area to the east of the alley is zoned Residential, the areas west and south are zoned commercial and light industrial.

Departmental Recommendation

The Public Works Department is recommending that the road closing be granted, after a public hearing. Research indicates that motor vehicle traffic is not expected to be negatively impacted. The Miami-Dade Departments of Planning and Zoning, Public Works, Fire Rescue and Water and Sewer have no objection to the right-of-way closing. The Property Appraiser's Office has assessed the adjacent property to this right-of-way ranging from \$1.00 to \$ 3.00 per square foot. Therefore, the appraised value of this right-of-way would be approximately \$1,500 to \$4,500. If this right-of-way is closed and vacated, the right-of-way will be placed on the tax roll, generating an estimated \$6,000 per year in additional property taxes to be paid by the adjoining property owners.

The subject alleyway has never been improved, since its dedication in 1947. Due to the unsupervised nature of an area outside the private property, at present, it is overgrown with wild-vegetation, becoming a site for indiscriminate dumping as well as potential for other criminal activities.

8. INTENT: The undersigned submit as grounds and reason for the utilization of the land sought to be closed (state purpose in detail):

The intent of this petition is to exercise the revision clause within the dedication of the aforementioned-recorded plat. Whereby the parcel shall be proportionally divided among the abutting property owners undersigning herein. This covenant shall run with the land for the perpetual use, care and maintenance of each of the eleven proprietors and/or their successors.

(Petition must be signed by all property owners abutting the road, right-of-way or land to be closed or abandoned)

Respectfully submitted,
