**Subject:** Ratification of Grant Agreement with Metro Aquatics Swimming Foundation

## RECOMMENDATION

It is recommended that the Board ratify the County Manager's action of executing a grant agreement with the Metro Aquatics Swimming Foundation, a non-profit community-based organization (CBO), for purchase and installation of a pre-fabricated building at Tamiami Park Pool, 11201 SW 24<sup>th</sup> Street, in an amount not to exceed \$40,000.

## BACKGROUND

The Metro Aquatics Swimming Foundation, Inc. supports the Metro Aquatic Club that provides swimming programs for youth at Tamiami Park Pool. During the FY 94-95 CBO competitive grant process, the Foundation applied for funding of \$75,000 for construction of a small building for use as a concession stand and weight room; however, received an award of only \$40,000 for the project through Resolution No. R-1599-94.

Subsequently, the Park and Recreation Department, who has responsibility for administration of the grant, reviewed the scope of work and building drawings. The first identified challenge that would delay project implementation for an indefinite period of time was the lack of adequate funding. Other issues included: establishing the physical location of the building; required in depth review and adjustments to the existing plans; determinations about responsibility for the management and staffing of the weight room; provision for and scheduling public access; maintenance of the weight room equipment, etc.

The grant agreement was executed for FY 94-95, but expired on September 30, 1995 because the challenges were unresolved. In 1998, the Foundation applied for additional funding from another source, but did not receive a grant. In 1999, the Foundation approached staff about using the funding for just replacing the existing, deteriorated temporary concession stand with a pre-fabricated building. Staff felt this was a viable idea and the existing funding would be adequate, so they met with the Foundation representatives to discuss detail. Planning meetings followed but lacked continuity because the Foundation's volunteer project leadership changed at different times. In early 2003, the Foundation expressed its commitment by working closely with Department technical staff to begin planning of the

concession facility proposal. The Foundation is now prepared to enter into a new agreement to use the grant funds to purchase and install the prefabricated building and perform associated work. This item was reviewed and approved at the July 21, 2004 Recreation and Cultural Affairs Committee.

1. If the "**Payment Request/Submission of Expenditure Documentation**" form is for an advance of 25% or less of the total grant, the originally signed Payment Request form, provided by the Department, must be submitted and approved by the Department. If the request is for more than 25%, up to 100% of the total grant, the "**Payment Request/Submission of Expenditure Documentation**" form must be accompanied by a letter from the Provider to the Department specifying the reasons and justifications for such payment. Cash receipts must be clearly and officially identified, as to the vendor/service provider showing a zero balance due or all charges paid in full. When original documents cannot be produced, the Provider must adequately justify their absence in writing and furnish copies as proof of the expenditures. If additional time is needed beyond the ninety (90) days, the Provider shall submit a written request for an extension of time to the Department. Failure to provide proof of expenditure and a detailed expenditure report shall be considered a breach of this Agreement.

In the event the Provider cannot submit the appropriate forms and expenditure documentation by the time of requesting release of additional funds, the Provider must submit a written request for the funds and justification for release of the funds to the Department. The release of the funds is at the sole discretion of the Department or its designee.

If the payment request is for reimbursement of expenditures, the Provider shall submit the same forms and proof of expenditure documents as required under Article XIV, Paragraph B., Section 1.b., When original documents cannot be produced, the Provider must adequately justify their absence in writing and furnish copies as proof of the expenditures.

C. No Advance Payment of Subcontractors. In no event shall County funds be advanced directly to any subcontractor hereunder.

D. Processing the Request for Payment. After the Department reviews and approves the payment request, the Department will submit a check request to the County's Finance Department. The County's Finance Department will issue and mail the check directly to the Provider at the address listed on page one (1) of this Agreement, or to the Subcontractor, as indicated by the Provider. The parties agree that the processing of a payment request from date of submission shall take a minimum of thirty (30) days. It is the responsibility of the

Provider to maintain sufficient financial resources to meet the expenses incurred during the period between the provision of services and payment by the County.

E. Final Request for Payment. The Department will accept a final request from the Provider for payment up to forty-five (45) days after the expiration of this Agreement, for expenditures made within the term of the grant agreement. If the Provider fails to comply, all rights to payment shall be forfeited. The request for the final payment may include accruals of the personnel costs listed in Attachment A which the Provider is obligated to pay after the close of the period for services provided within the term of the Agreement.

F. Final Report/Recapture of Funds. Upon the expiration or termination of this Agreement, the Provider shall submit a final report to the Department no more than forty-five (45) days after the expiration or termination of this Agreement. Additionally, if the Provider earned interest on grant funds received under this Agreement, the interest must be used toward the project and documented in the final report.

If after receipt of such a final report, the Department determines that the Provider has been paid funds not in accordance with the Agreement, and to which it is not entitled, the Provider shall return such funds to the County or submit appropriate documentation. The County shall have the sole discretion in determining if the Provider is entitled to such funds and the County's decision on this matter shall be binding. Additionally, any unexpended or unallocated funds shall be recaptured by the County.
