Memorandum

Date:

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Ordinance pertaining to Community Councils requiring attendance at annual orientation, seminars and workshops for new and returning members

This ordinance pertaining to Community Councils and amending Section 20-44 of the Code of Miami-Dade County to require new council members to attend a new member orientation seminar and requiring all Community Council members to attend an annual workshop will have a fiscal impact to Miami-Dade County.

The implementation of the proposed ordinance will require two meetings each year. Currently, Team Metro coordinates one new member orientation/workshop every other year to coincide with the Community Council election cycle. New members appointed between meeting cycles are given one-on-one orientations by the Department of Planning and Zoning, the County Attorney's Office and Team Metro.

The estimated cost to conduct one annual new member meeting and one annual workshop and seminar for existing Community Council members is estimated to cost \$5,000 per workshop, seminar or orientation. The cost is to cover meeting public advertising (\$4,000); postage, and the printing cost of the materials (\$1,000).

The combined cost impact of this proposed ordinance would be \$10,000 per year to Team Metro.
