Subject: Hacienda Grande Estates Multipurpose
Special Taxing District

RECOMMENDATION

It is recommended that the Board approve a petition submitted in accordance with Article 1, Chapter 18 of the Code, for creation of the Hacienda Grande Estates Multipurpose Special Taxing District, which will remain dormant until such time as the Homeowners Association fails to provide the required maintenance services.

BACKGROUND

Commission District:

Nine

Boundaries:

On the North, theo. S.W. 317th Street
and State Road #821 Right-of Way;
On the East, theo. S.W. 157th Avenue;
On the South, S.W. 320th Street;
On the West, theo. S.W. 158th Court.

Number of Parcels:

1 (Tentative plat proposes 88 buildable
single family lots).

Number of Owners:

1

**Number of Owners With Homestead
Exemption Signing Petition:**

None - The petition was submitted by
Turnpike Home, LLC., the sole property
owner and developer.

Preliminary Public Meeting:

None necessary.

Type of Service:

The creation of this district is requested
to maintain a lake (Tract B), lake access
tract (Tract D), a wall, swale area and
entrance features, should the Home-

owners Association fail to provide these services. Failure is defined in a non-exclusive easement granted to Miami-Dade County and recorded in the public record.

Required Referendum:

The creation of the district will be subject only to Board of County Commissioners approval; no election will be necessary as 100 percent of the owners signed the petition.

Preliminary Assessment Roll:

In the event that the Homeowners Association fails to provide the services described above, a hearing to adopt an assessment roll will be conducted in accordance with the procedures defined in Chapter 18 of the Code of Miami-Dade County.

Estimated Completion:

November 2006.

ECONOMIC/FISCAL/HOUSING COSTS IMPACT ANALYSIS

Creation of this district will result in no immediate economic impact on the County's budget. The creation of this district is required if maintenance is not provided by the Homeowners Association. Cost savings are realized from processing a district with 100% owner consent rather than trying to achieve a consensus from an established community through a special election.

In the event that the special taxing district is implemented, the economic impact on the property owners will be a perpetual annual special assessment for the cost of the maintenance program.

At this time there will be no increase or decrease in County staffing due to this district. Increases in staffing levels, to provide the service requirements created by the Hacienda Grande Estates Multipurpose Special Taxing District, may be necessary in the future.

Estimated Initial Billing: November following adoption of the district's assessment roll.

	<u>First Year</u>	<u>Second Year</u>
Estimated Total District Cost:	\$26,750	\$19,330
Method Of Apportionment:	Square Footage	

Estimated Annual Assessments	<u>First Year</u>	<u>Second Year</u>
Cost Per Square Foot:	\$0.0376	\$0.0272
Per Year For A Typical Interior Lot:	\$301.14	\$217.84
Per Year For A Typical Corner Lot:	\$337.84	\$244.39

The annual assessments shown above are representative of costs for typical lots within this district.

State or Federal grants are not applicable to this special taxing district.

Each maintenance special taxing district is unique due to its geographical boundaries, affected property owners, and level of services to be provided. Adoption of a new district to provide this service is the best and most cost-effective method to achieve this benefit.

As required by the provisions of Section 18-3 (c) of the Code, I have reviewed the facts submitted by the Public Works Director and concur with her recommendation that this district be created pursuant to Section 18-22.1 of the Code.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA:

Section 1. In accordance with the provisions of Chapter 18 of the Code of Miami-Dade County, Florida, a special taxing district to be known and designated as the HACIENDA GRANDE ESTATES MULTIPURPOSE SPECIAL TAXING DISTRICT is hereby created and established in the City of Homestead, Florida, pursuant to Resolution No. R-2005-04-58.

Hacienda Grande Estates, Tentative Plat # T-22306).

The area and location of this proposed special taxing district are shown on the map or sketch which is made a part hereof by reference.

Section 3. The service to be provided within this proposed special taxing district will initially consist of the following:

It is estimated that the cost per assessable square foot of real property within the proposed district is \$0.0376 for the first year, and \$0.0272 for the second year. The second and succeeding years' assessments will be adjusted from actual experience.

Section 5. It is hereby declared that said improvements and/or services will be a special benefit to all property within the proposed special taxing district and the total amount of special assessments to be levied as aforesaid will not be in excess of such special benefit.

Section 6. However, multipurpose maintenance services will be provided by the taxing district in accordance with the provisions of this ordinance only if a Homeowners Association and, if applicable, a community development district, have failed to provide these maintenance services and the County has adopted this district's multipurpose maintenance assessment roll.

Section 7. The County Manager is authorized and directed to cause to be made the maintenance and operation of various public improvements to be installed within the district in accordance with the provisions of this Ordinance.

Section 8. **REPORT AND RECOMMENDATIONS
ON THE CREATION OF HACIENDA GRANDE ESTATES
MULTIPURPOSE SPECIAL TAXING DISTRICT
MIAMI-DADE COUNTY, FLORIDA**

Pursuant to Chapter 18 of the Code, and as a result of a detailed investigation of a duly petitioned for special taxing district, the following facts are hereby submitted concerning the creation of Hacienda Grande Estates Multipurpose Special Taxing District.

1. BOUNDARIES OF THIS DISTRICT

The proposed district is located entirely within the municipal limits of the City of Homestead, Florida. Pursuant to Chapter 18 of the Code, Miami-Dade County has received approval from the City of Homestead to create this special district per Resolution No. R-2005-04-58, a copy of which is attached, and the boundaries, as set forth in the petition, are as follows:

Portions of Section 17, Township 57 South, Range 39 East, Miami-Dade County, Florida; being more particularly described as follows:

Lots 23 through 26, Block 1, of "MIAMI LAND AND DEVELOPMENT COMPANY SUB-DIVISION", recorded in Plat Book 5 at Page 10, of the Public Records of Miami-Dade County, Florida, less the following described parcel: Beginning at the northwest corner of Lot 23; thence south 186.33 feet; thence northeasterly 330.12 feet; thence west 277.94 feet to the Point of Beginning (a.k.a. Hacienda Grande Estates, Tentative Plat # T-22306).

The boundaries are shown on the attached plan entitled Hacienda Grande Estates Multipurpose Special Taxing District and hereinafter referred to as Exhibit A.

2. LOCATION AND DESCRIPTION OF THIS DISTRICT

The creation of this district is requested to provide the services specified below regarding maintenance of a lake tract (Tract B), lake access tract (Tract D), a wall, swale area and entrance features. Service will commence following failure of the Homeowners Association to provide these services, and the City of Homestead requests Miami-Dade County to provide service. Miami-Dade County may activate the district by adoption of the district's Assessment Roll at a subsequent public hearing.

3. ESTIMATED COST FOR THIS DISTRICT

The proposed district is to be created to provide maintenance only in the event that the Homeowners Association fails to provide the services as described in Item 2 above. Following commencement of services

by the district, any increase in future maintenance functions may be recommended by a majority of the property owners for consideration by Miami-Dade County as administrator. The deletion of services is subject to maintaining a minimum level of services as determined by the Miami-Dade County Public Works Department.

The County may elect, due to the location and type of maintenance required, to provide landscape maintenance services utilizing an open contract for swale maintenance when significant service cost savings can be realized.

A cost estimate developed by the Public Works Department, based on estimates previously provided by the Park and Recreation Department for similar maintenance taxing districts, indicates the annual cost for the initial maintenance program to be \$15,880 for the first and second years. In addition to that cost, it will be necessary for the County to recover the administrative, processing, billing, and advertising costs incurred in establishing and maintaining the district as provided by Chapter 18 of the Code, as well as provide for contingency and discount costs. This cost is estimated to be \$10,870 the first year and \$3,450 the second year. An annual meeting will be conducted with the owners of real property within the district as an integral part of the annual budget process. This will enable Miami-Dade County, as administrator, to secure suggestions from affected community representatives or association to improve delivery and lower costs of the services provided within the scope of the district's authorized functions as specified in Item 2 above, and to determine the following:

1. Level of service;
2. Areas to be maintained;
3. Approximate effect on cost and rate of assessment for any changes.

Miami-Dade County shall determine the minimum service level (property owners may not delete maintenance altogether).

ESTIMATED ANNUAL COSTS

	<u>First Year</u>	<u>Second Year</u>
Initial Annual Maintenance	\$15,880	\$15,880
Administrative, Processing, Billing and Advertising Costs	7,380	2,530
Contingency/Discount	<u>3,490</u>	<u>920</u>
Total Estimated Cost to District	\$26,750	\$19,330

The above costs are estimated and will be adjusted annually based on actual experience.

4. CONFORMITY TO THE MASTER PLAN OF MIAMI-DADE COUNTY

The proposed district conforms to and in no way conflicts with the Comprehensive Development Master Plan of Miami-Dade County (see attached memorandum from the Department of Planning and Zoning).

5. RECOMMENDATION CONCERNING THE DESIRABILITY OF THIS DISTRICT

The proposed maintenance program is desirable, needed and, in my opinion, provides special benefits to property within the district exceeding the amount of special assessment to be levied upon implementation of the district.

6. ESTIMATE OF ASSESSMENT AGAINST BENEFITED PROPERTY

This district will be held dormant until such time as stated above. Shown below is an estimate of costs if service were to commence in 2006. These costs are included for report purposes only, actual costs to provide services will be determined and presented to the Board of County Commissioners at the assessment roll hearing. The combined cost of the maintenance program, processing and administrative expenses as shown in Item 3 above is to be paid for by special assessments levied against all benefited properties and is to be apportioned to individual properties within the district on the basis of lot or parcel square footage. The cost per assessable square foot to be assessed for this service is estimated as follows:

	<u>First Year</u>	<u>Second Year</u>
Estimated Total District Cost	\$26,750	\$19,330
Estimated Total Assessable Property Square Footage	710,528	710,528
Estimated Cost Per Square Foot of Property	\$0.0376	\$0.0272

SAMPLE ASSESSMENTS

Per Year For A Typical Interior Lot:	\$301.14	\$217.84
Per Year For A Typical Corner Lot:	\$337.84	\$244.39

The annual assessments shown above are representative of costs for typical lots within this district. These costs are based on the above estimated total assessable property square footage and will be adjusted based on costs of services provided at the time of district implementation.

7. RECOMMENDATION

I recommend that this district be created pursuant to Section 18-22.1 of the Code, as 100% of the property owners have signed the petition and no referendum is required. I also recommend that the County Attorney cause to be prepared an ordinance authorizing the creation of the Hacienda Grande Estates Multipurpose Special Taxing District. Pursuant to Section 18-22.1 of the Code, the Board shall receive and hear, at a public hearing, remarks by interested persons on this district, and thereafter may adopt such ordinance. Following failure of the Homeowners Association to provide these services, the Board shall adopt the district's assessment roll to fund these services. Adoption of an assessment resolution will enable the Miami-Dade County Tax Collector to provide the funding necessary to reimburse affected County Agencies involved in the creation and establishment of this district, as well as operate and maintain this district. The ordinance creating the district shall take effect ten (10) days after the date of its adoption unless vetoed by the Mayor, and if vetoed, it shall become effective only upon an override by the Board. My office will also be available to answer any questions from the public or your office in regard to the financial and/or engineering

facts of this project. We further recommend that the County Manager forward this report to the Board of County Commissioners after he has reviewed it and concurred with our findings.

R2005-04-58 AUTHORIZING MIAMI-DADE - CREATION OF A SPECIAL TAXING DISTRICT

MEMORANDUM

To: Aristides Rivera, P.E., P.L.S., Director
Public Works Department

Date: January 15, 2002

From: 
Diane O'Quinn Williams, Director
Department of Planning and Zoning

Subject: Street Lighting, Maintenance of
Landscape, Walls Adjacent to
Double-Frontage Lots and Lakes
Special Taxing Districts

Section: As Required

District: As Required

Council: As Required

Effective September 5, 2001, all tentative plats in the unincorporated area of Miami-Dade County submitted to the Land Development Division of the Public Works Department, must be accompanied by a properly executed petition for all applicable special taxing districts including, but not limited to street lights, maintenance of landscape, walls adjacent to double frontage lots, entrance features and lakes. Final Plats will not be presented to the Board of County Commissioners for consideration until the applicable special taxing districts are created, and all fees have been paid. In that regard, to ensure expeditious processing, this Memorandum may serve as approval for certain future special taxing district application requests as being consistent with the intent and purpose of the adopted 2005-2015 Comprehensive Development Master Plan (CDMP). Policy 4A – Capital Improvement Element states: Appropriate funding mechanisms will be adopted and applied by Miami-Dade County in order to assure the fiscal resources to maintain acceptable levels of service. Such funding mechanisms include special tax districts, municipal taxing service units, local option taxes, user fees, local gas tax, general obligation bond, impact fees, and special purpose authorities, or others as appropriate and feasible (Adopted Components as Amended through April 2001, page IX-10). The provision for services over and above minimum for neighborhoods and communities may be accomplished through the special taxing district as may be prescribed by the code.

The Department of Planning and Zoning (DP&Z) has no objection to a blanket approval with condition to establish future special taxing districts as limited to requests for street lighting, landscape maintenance, walls adjacent to double-frontage lots and lake maintenance districts. The previously noted special taxing districts may be established on the condition that the DP&Z review all landscape maintenance districts for compliance with plantings in public rights-of-way and lake maintenance districts for consistency with Landscape Code (Chapter 18A) Section 18A-6(L) Storm Water Retention/Detention Areas.

SUMMARY OF THE REPORT
 ON THE CREATION OF HACIENDA GRANDE ESTATES
 MULTIPURPOSE SPECIAL TAXING DISTRICT
 MIAMI-DADE COUNTY, FLORIDA

A petition submitted to Miami-Dade County for the creation of a multipurpose special taxing district to be known as the Hacienda Grande Estates Multipurpose Special Taxing District was presented in accordance with the requirements of Section 18-22.1 of the Code of Miami-Dade County.

The proposed district is located entirely within the municipal limits of the City of Homestead, Florida, and its boundaries are set forth as follows:

On the North, theo. S.W. 317th Street and
 State Road #821 Right-of Way;
 On the East, theo. S.W. 157th Avenue;
 On the South, S.W. 320th Street;
 On the West, theo. S.W. 158th Court.

The boundaries are shown on the attached plan entitled Hacienda Grande Estates Multipurpose Special Taxing District and hereinafter referred to as Exhibit A.

The service to be provided under the district will consist initially of a maintenance program to maintain a lake tract (Tract B), lake access tract (Tract D), a wall, swale area and entrance features. Service will commence following failure of the district's Homeowner Association to provide these services, and upon adoption of this district's assessment roll.

Total cost of this maintenance program will be prorated on the basis of lot square footage. The cost per square foot to be assessed for this service is estimated as follows:

	<u>First Year</u>	<u>Second Year</u>
Total Initial Estimated Cost to District	\$26,750	\$19,330
Total Estimated Assessable Property Square Footage	710,528	710,528
Estimated Cost Per Square Foot of Property	\$0.0376	\$0.0272

SAMPLE ASSESSMENTS

	<u>First Year</u>	<u>Second Year</u>
Per Year For A Typical Interior Lot:	\$301.14	\$217.84
Per Year For A Typical Corner Lot:	\$337.84	\$244.39

These costs are based on a preliminary estimate of 710,528 total square feet and will be adjusted from actual experience.

The proposed improvement conforms with the Comprehensive Development Master Plan of Miami-Dade County and will provide benefits to all property within the district exceeding the total amount of special assessments to be levied.

The proposed district will be created and established by the Board of County Commissioners pursuant to Section 18-22.1 of the Code of Miami-Dade County. No referendum is required therefore, it is the responsibility of interested persons to express their views for or against this proposed district at the formal public hearing.
