RESOLUTION DIRECTING THE COUNTY MANAGER TO
CREATE AN EMERGENCY AFFORDABLE HOUSING

REHABILITATION DEVELOPMENTS WITHIN THE
DISTRICT

WHEREAS, there is a severe housing shortage which exist within Miami-Dade County with respect to the supply of housing relative to the need for housing residents with low and moderate incomes; and

WHEREAS, the Housing Element of the Miami-Dade Comprehensive Plan sets as one of its goals that the County ensure the provision of affordable housing products that will meet the spatial and economic necessities of all current and future Miami-Dade County residents regardless of household type and income; and

WHEREAS, nationally public housing authorities, like the County, continue to face challenges, such as tight rental markets and landlords' apprehension to participate in subsidized housing programs such as the Section 8 Housing Choice Voucher and Section 8 Moderate Rehabilitation ("Mod Rehab") programs; and

WHEREAS, statistical estimates demonstrate that there is insufficient affordable housing for very low, low and moderate income households in the County; and

WHEREAS, the tight rental market and landlords' apprehension to participate in federally subsidized rental programs contributes to the lack of sufficient affordable rental housing units for very low, low and moderate income households in the County; and

WHEREAS, the housing crisis is further exacerbated by expiring Housing Assistance Payment contracts (HAP) in Mod Rehab and the unwillingness of some landlords to renew these contracts; and

WHEREAS, participation in Mod Rehab is no longer attractive to some landlords due to the federal requirement that the County must pay lower rents even though the price of housing has increased; and

WHEREAS, many of the Mod Rehab projects are distressed and in need of rehabilitation; and

WHEREAS, some of these landlords lack sufficient funds to rehabilitate these projects; and

WHEREAS, each of these factors results in many Miami-Dade County residents who participate in federally subsidized rental housing programs having difficulty in locating and leasing up affordable rental housing units, which are decent, safe, and which comply with federally mandated quality housing standards; and

WHEREAS, there are currently one thousand one hundred eighty five (1,185) active Mod Rehab units within District 5 administered by the Miami-Dade Housing Agency, the City of Miami and the City of Miami Beach; and

WHEREAS, these Mod Rehab units located within District 5 represent approximately forty percent (40%) of the total number of Mod Rehab units in Miami-Dade County; and

WHEREAS, of the seventeen (17) HAPs administered by the Miami-Dade Housing Agency, two (2) are expected to expire in the next fiscal year, which represents a total of thirty-seven (37) units that will be lost to the program; and

WHEREAS, during the last twelve (12) months, two (2) Mod Rehab owners within District 5 have opted not to renew their HAPs, which represents a net loss of twenty-six (26) units that are no longer available to assist Mod Rehab program participants in District 5; and

WHEREAS, the County relies heavily on its partnerships with the private sector to acquire, construct and/or rehabilitate affordable housing developments through programs such as SHIP, Surtax, HOME, and other affordable housing programs, which are administered through the County's Office of Community and Economic Development and Miami-Dade Housing Agency (MDHA); and

WHEREAS, without the private sectors' assistance and involvement in housing these participants, many of these households will not be housed; and

WHEREAS, there is a need in Miami-Dade County to provide a full range of housing choices, conveniently located in a suitable living environment, for all incomes, ages and family sizes; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board directs:

Section 1. The County Manager to create an Affordable Housing Preservation Fund ("Fund") for District 5.

Section 2.
