RESOLUTION NO. \_\_\_\_\_

RESOLUTION URGING THE U.S. CONGRESS, THE SECRETARY OF U.S. DEPARTMENT OF TRANSPORTATION AND THE ADMINISTRATOR OF THE NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION TO UPDATE CORPORATE AVERAGE FUEL ECONOMY (CAFE) STANDARDS THAT APPLY TO PASSENGER VEHICLES; CLOSE LOOPHOLES THAT CURRENTLY EXEMPT OUT PICKUP TRUCKS AND SPORT UTILITY VEHICLES AND DUAL FUEL VEHICLES; AND MODIFY THE DUAL FUEL LOOPHOLE SO THAT IT ONLY APPLIES TO VEHICLES ACTUALLY OPERATED WITH ALTERNATE FUELS

**WHEREAS**, Corporate Average Fuel Economy (CAFE) standards are the sales weighted average fuel economy, expressed in miles per gallon, of a manufacturer’s fleet of passenger cars manufactured for sale in the United States for any given model year; and

**WHEREAS**, Congress established CAFE standards on automakers by enacting the “Energy Policy Conservation Act” in 1975 in response to the 1973-74 Arab oil embargo, with the goal of doubling new car fuel economy by model year 1985; and

**WHEREAS**, automakers are required to pay a fine if their range of passenger vehicles does not meet the CAFE standards; and

**WHEREAS**, CAFE standards that apply to passenger vehicles today are still based on fuel economy tests used for the 1975 model year, now more than three decades old; and

**WHEREAS**, the EPA has recognized since 1984 that these tests are inaccurate; and

**WHEREAS**, CAFE standards need to be updated to reflect increased congestion, higher speed limits, increased use of air conditioning, more powerful vehicles, and other changes; and

**WHEREAS**, when CAFE standards were first enacted, a lower standard applied to trucks and vans under the assumption that they were not passenger vehicles; and

**WHEREAS**, vehicles commonly used as passenger vehicles have changed over time and this lower CAFE standard now applies to popular sport utility vehicles and pickup trucks even though it is apparent that these vehicles are now frequently used as passenger vehicles; and

**WHEREAS**, lower CAFE standards for trucks and vans should be repealed and these vehicles should be included in the overall CAFE standards for passenger vehicles; and

**WHEREAS**, in 1988, Congress passed the Alternative Motor Fuels Act which provided for a “Dual Fuel Loophole” to the CAFE standards; and

**WHEREAS**, the Dual Fuel Loophole allows manufacturers to produce fleets of cars and trucks with average miles per gallon below that required by the CAFE standards without penalty so long as the manufacturer sells cars and trucks that is capable of running on either gasoline or an alternative fuel, such as E85 (a blend of 85 percent ethanol and 15 percent gasoline); and

**WHEREAS**, a recent federal study concluded that such dual fuel vehicles are rarely actually operated on the alternate fuel; and

**WHEREAS**, the Dual Fuel Loophole should be modified so as to only give the credit to the extent that such vehicles are actually operated on the alternate fuel,

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA**, that this Board:

**Section 1.** Urges the U.S. Congress, Secretary of Transportation and Administrator of the National Highway Traffic Safety Administration to reinstate the original intent of the Energy Policy Conservation Act by:

4

1. Updating Corporate Average Fuel Economy (CAFE) Standards that apply to passenger vehicles so as to reflect current circumstances; and
2. Closing the loophole that currently exempt out pickup trucks and sport utility vehicles; and
3. Modifying the Dual Fuel Loophole so as to only give the automaker a credit from CAFE standards for producing Dual Fuel Vehicles to the extent that such vehicles are actually operated on an alternate fuel.

**Section 2.** Directs the Clerk of the Board to transmit a certified copy of this resolution to the members of the Miami-Dade County Congressional Delegation, the Secretary of U.S. Department of Transportation and the Administrator of the National Highway Traffic Safety Administration.

**Section 3.** Directs the County's federal lobbyists to advocate for the passage of the legislation set forth in Section 1 above, and directs the Office of Intergovernmental Affairs to include this item in the 2007 Federal Legislative Package.

The foregoing resolution was sponsored by Commissioner Katy Sorenson and offered by Commissioner \_\_\_\_\_, who moved its adoption. The motion was seconded by Commissioner \_\_\_\_\_ and upon being put to a vote, the vote was as follows:

Bruno A. Barreiro, Chairman	
Barbara J. Jordan, Vice-Chairwoman	
Jose "Pepe" Diaz	Audrey M. Edmonson
Carlos A. Gimenez	Sally A. Heyman
Joe A. Martinez	Dennis C. Moss
