Agenda Item No. 8(P)(1)(G)

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: 
George M. Burgess
County Manager

Subject: Resolution Authorizing the Execution of a Four-Party Agreement Among Miami-Dade County, DDR Homestead LLC, the State of Florida Department of Transportation Turnpike Enterprise and the City of Homestead for the Relocation of SW 152 Avenue (Kingman Road)

This item was amended at the December 12, 2006, Infrastructure and Land Use Committee meeting to correct a scrivener's error. The correction replaced the word "County" with "City" in the last sentence, second paragraph, of the Background Section of this memorandum.

RECOMMENDATION

It is recommended that the Board of County Commissioners (BCC) approve the subject resolution authorizing the County Manager to execute the attached Four-party Agreement, with DDR Homestead LLC (DDR), a Foreign Limited Liability, the State of Florida Department of Transportation (FDOT) Turnpike Enterprise and the City of Homestead (City) and approving the acceptance of the right-of-way dedication and access easement for the new alignment of SW 152 Avenue (Kingman Road). The agreement provides for the relocation of a portion of Kingman Road, which is an FDOT owned right-of-way. Said right-of-way is located approximately 325 feet south of the intersection of the existing Kingman Road and SW 307 Street, south to SW 312 Street (Campbell Drive) (See Exhibit "A") to a strip of land owned by DDR located west of the present alignment of SW 152 Avenue (See Exhibit "B").

BACKGROUND

The existing FDOT right-of-way (Exhibit "A"), was dedicated and improved in its present location to ensure continued access for certain properties after the construction of the Homestead Extension of the Florida Turnpike (HEFT). DDR is the property owner and intends to subdivide the land immediately west of the aforementioned FDOT property (See Exhibit "A"). In connection with DDR's proposed development, the County desires to have the existing road realigned.

The proposal is for DDR and FDOT to deed the necessary right-of-way to relocate Kingman Road to the location requested by the County (Exhibit "B"). DDR will then construct the portion of Kingman Road as part of this agreement. The portion of the old alignment not being used will be closed and the existing pavement and other improvements will be removed by DDR, including restoration of the right of way, to meet the level of appearance of the adjacent property. Additionally, DDR will grant the City an access easement which will ensure continuous vehicular and pedestrian passage from Kingman Road traffic circle to SW 157 Avenue (Exhibit "E").

It is therefore recommended as in the best interest of the County that the BCC approve the attached four-party agreement among DDR, FDOT, the City and Miami-Dade County. This agreement will be mutually beneficial to all parties involved.

FISCAL IMPACT

Miami-Dade County will be saving a substantial amount of money by the donation of the subject right-of-way from FDOT and on the cost of the improvements that DDR will build for said road. These savings will greatly offset any future maintenance costs that the County may incur for this road. Furthermore, the new alignment of the aforementioned corridor is necessary to substantially improve traffic flow in the immediate area.

WHEREAS, the DEPARTMENT owns certain real property adjoining the DDR property, including a road open to the public known as Kingman Road, which was constructed to ensure continued access for certain properties after the construction of the HEFT, and which is located as shown and depicted on Exhibit "A" attached hereto; and

WHEREAS, DDR is in the process of preparing and obtaining approvals of its subdivision plat of the DDR property, to be recorded in the public records of Miami-Dade County, Florida; and

WHEREAS, in connection with DDR's proposed development, the COUNTY desires to have the existing Kingman Road realigned and improved by and at the expense of DDR, with a portion of the realigned Kingman Road to be included in the recorded subdivision plat of the DDR property as a COUNTY road; and

WHEREAS, the DEPARTMENT has reviewed and approved the proposed realignment of Kingman Road, and the proposed change to the existing limited access right-of-way line for the HEFT in order to accommodate the proposed relocated intersection of Campbell Drive and Kingman Road, determining that all such changes are appropriate and will not interfere with the DEPARTMENT'S future potential uses of the property, such as possible future improvements for the HEFT interchange. (The realigned Kingman

Road and future HEFT right-of-way and limited access line are all as shown and depicted on Exhibit "B" attached hereto); and

WHEREAS, the right-of-way for the realigned Kingman Road will consist entirely of (a) that portion of the DDR property as more particularly described in Exhibit "C" attached hereto, which DDR has agreed to donate to the COUNTY for this purpose; and (b) that portion of the existing right-of way for Kingman Road owned by the DEPARTMENT as more particularly described in Exhibit "D" attached hereto; and

WHEREAS, the COUNTY has agreed to accept ownership and the maintenance obligations of said realigned Kingman Road from the City limits of Homestead to SW 312 Street (Campbell Drive) with the consent of the CITY.

NOW, THEREFORE, in consideration of the covenants and conditions of this Agreement, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Recitals. The above Recitals are true, correct, and form a material part of this Agreement, and are hereby incorporated by reference and made a part hereof.
2. Conveyance by DDR. DDR shall convey to the COUNTY by Special Warranty Deed, in fee simple, free and clear of all liens and encumbrances, that portion of the right-of-way for the realigned Kingman Road that is more particularly described in the attached Exhibit "C", all subject to a right of reverter in the event that Kingman Road is not realigned and improved as set forth herein.
3. Easement by DDR. DDR shall grant to the CITY an access easement which will ensure continuous vehicular and pedestrian passage from the Kingman Road traffic circle to SW 157th Avenue. The access easement agreement is attached as Exhibit "E" and shall be executed and recorded within 30 days of final plat approval by the City of Homestead.
4. Conveyance by DEPARTMENT. The DEPARTMENT shall simultaneously convey to the COUNTY by Quitclaim Deed the property more particularly described in the attached Exhibit "D", and shall also convey the limited access rights associated with the change to the limited access ("L.A.") right-of-way line for that property more particularly described in the attached Exhibit "F", all subject to a right of reverter in the event that Kingman Road is not realigned and improved as set forth herein.
5. Plat of Subdivision. DDR shall be responsible for the preparation and recording of the plat of the subdivision for the DDR property, so that it is consistent in all relevant respects to the terms and conditions of this Agreement, including but not limited to, the accurate location and depiction of the realigned Kingman Road and the limited access right-of-way line for the HEFT. While the parties acknowledge that the DEPARTMENT is an adjoining property owner and not a party joining in the plat of the subdivision, DDR

or the COUNTY will provide a copy of the plat of the subdivision to the DEPARTMENT for review and comment prior to its approval and recording.

6. Improvements by DDR. DDR shall be responsible for obtaining and complying with all required permits, relocating any utilities, and the otherwise satisfactory completion of construction, and construction engineering and inspection services (CEI), consistent with DEPARTMENT and COUNTY roadway standards and specifications, together with all associated costs, for the realigned and improved Kingman Road. No construction within the areas described in the attached Exhibit "D" shall be commenced prior to the above described conveyances of the right-of-way to the COUNTY. Public access for and along Kingman Road shall remain open and available at all times, with any suitable detours on to DDR property as required for the maintenance of traffic.

7. Post Construction. Upon completion of construction of the realigned Kingman Road, that portion of the DEPARTMENT property no longer making up a part of the right-of-way for Kingman Road will be closed, the pavement will be removed by and at the cost of DDR, and the property will be restored to the condition of the adjacent DEPARTMENT right-of-way. The COUNTY shall be responsible for all maintenance obligations associated with the realigned Kingman Road, a COUNTY owned road.

8. Indemnification. DDR agrees to indemnify, defend, and save and hold harmless the DEPARTMENT, the CITY and the COUNTY from all claims, demands, liabilities, and suits of any nature whatsoever and any appeals, including attorneys' fees and costs, arising out of any act, neglect, or omission by DDR, its contractors, subcontractors, agents or employees, in its performance of this Agreement, or because of, or due to the breach of this Agreement by DDR, its contractors, subcontractors, agents or employees.

9. Governing Law. This Agreement shall be governed by the laws of the State of Florida.

10. Enforcement. Enforcement shall be by action against any parties or person violating or attempting to violate any provision herein.

11. Termination of Agreement. The failure of DDR to obtain the necessary approval of, and to properly record, the plat of the subdivision of the DDR property, and to properly construct the realigned Kingman Road, as a County road, all consistent with the terms and conditions of this Agreement by January 1, 2012 shall result in the termination of this Agreement and all responsibilities of the DEPARTMENT hereunder. Further, in the event of such failure, title to the property or property interests quitclaimed by the DEPARTMENT to the COUNTY shall upon that event automatically revert back to the DEPARTMENT pursuant to the right of reverter contained in that Quitclaim Deed described above and title to the property or property interests deeded by DDR to the COUNTY shall upon that event automatically revert back to DDR pursuant to the right of reverter contained in that Special Warranty Deed described above.

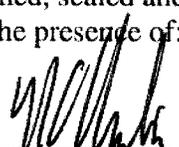

12. Amendment. The parties agree that the provisions of this Agreement may be modified or amended, in whole or in part, only by the written consent of all parties, evidenced by a document that has been fully executed by all parties.

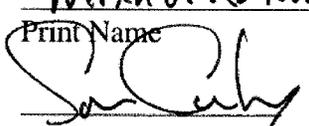

13. Recording. Upon their proper execution, this Agreement, and any modifications or amendments thereto, and the above described deeds to the COUNTY, shall be promptly recorded in the public records of Miami-Dade County, Florida, by DDR and at its expense.

14. Effective Date. This Agreement shall become effective on the date upon which the Agreement has been properly executed by all of the parties hereto.

IN WITNESS WHEREOF, DDR, the COUNTY, and the DEPARTMENT have caused this Agreement to be executed by their duly authorized officers on the dates indicated below.
