SUBCONTRACTING POLICIES STATEMENT PURSUANT TO SECTION 2-8.8(4) OF THE CODE

SUBCONTRACTING POLICY STATEMENT OF AIRPORT PARKING ASSOCIATES

Airport Parking Associates (APA) is a joint-venture between a publicly traded company, and a certified Miami-Dade County DBE Firm. As such, APA is keenly aware of the advantages of looking first to the local community for firms that can provide the products and services that it may require to fulfill the contractual obligations it has with its clients.

The services that APA provides to its clients do not require the use of multiple subcontractors. Nevertheless, when there are services that our clients require, APA looks first to the local business community to fulfill those needs. Because the services that will be contracted are specialized and require specific technical proficiency, APA usually does not advertise in publications of countywide circulation. Instead, APA conducts due diligence to identify local firms that meet the high standards required by APA to service the needs of its clients. In this particular solicitation, APA will be utilizing the services of Affiliated Services, Inc. to perform the following functions:

- Service to Short Term Lot revenue control system

This firm has provided excellent service to Team APA and Miami-Dade County during the life of the current contract that APA has to provide these services to the Miami-Dade County Aviation Department. Based on its proven track record of outstanding service, APA secured a commitment from Affiliated Services, Inc. to continue providing services in this regard, if we are awarded a new contract in this RFP process.
