RESOLUTION NO. _____

RESOLUTION URGING THE FLORIDA LEGISLATURE TO
DEFEAT BILLS THAT WOULD PREEMPT LOCAL
REGULATION AND FRANCHISING OF CABLE PROVIDERS
AND ESTABLISH STATEWIDE CABLE REGULATION

WHEREAS, bills have been filed for the 2007 state legislative session that would preempt local regulation of cable franchises and establish statewide regulation of cable franchises by the Florida Department of State, including HB 529, “the Consumer Choice Act of 2007,” and SB 1772 and HB 855, “the Consumer Broadband Choice Act of 2007”; and

WHEREAS, since 1996, Miami-Dade County has fielded over 230,000 cable-related calls, 10,000 cable complaints and assisted Miami-Dade consumers in getting back over \$250,000 in refunds; and

WHEREAS, despite this strong track record of requiring customer service in Miami-Dade County, SB 1772, HB 529 and HB 855 would eliminate local regulation of cable customer service standards and turn customer service over to the Florida Department of Agriculture and Consumer Services; and

WHEREAS, were SB 1772, HB 529 and HB 855 or similar legislation to pass, local governments could no longer require cable service providers to provide free cable service to public schools, libraries and government buildings; and

WHEREAS, funding now available for existing public, educational and government access channels and the ability to activate previously negotiated channels for future use would be eliminated if the proposed legislation becomes law; and

WHEREAS, Miami-Dade County's current cable franchising ordinance promotes widespread availability of cable service to county residents, establishes minimum standards for the regulation and performance of cable systems in the County, and provides for other valuable consideration by the cable franchise for the use of public rights of way; and

WHEREAS, by preempting local regulation of cable systems, SB 1772, HB 529, HB 855 or similar legislation would reduce or eliminate the benefits that Miami-Dade County's current cable franchising ordinance provides to county residents,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board:

Section 1. Urges the Florida Legislature to defeat legislation that would preempt local regulation and franchising of cable providers and establish statewide cable regulation, including SB 1772, HB 529, HB 855 or similar legislation.

Section 2. Directs the Clerk of the Board to transmit a certified copy of this resolution to the Governor, Senate President, House Speaker, and the Chair and Members of the Miami-Dade County State Legislative Delegation.

Section 3. Directs the County's state lobbyists to advocate against the passage of SB 1772, HB 529, HB 855 or similar legislation as set forth in Section 1 above, and directs the Office of Intergovernmental Affairs to include this item in the 2007 State Legislative Package.
