Each agenda item sponsored by the County Manager shall describe the fiscal impact of the proposed agenda item, if any, as well as the source of funding, if applicable.

Track Record/Monitor

The Department of Cultural Affairs has an excellent record of complying with the State's contractual requirements and has been recognized as one of the top local art agencies in the State of Florida. The Department applies for and receives annual funding from the State of Florida Division of Cultural Affairs to assist with general programs and activities. Michael Spring, Director of the Miami-Dade County Department of Cultural Affairs, is responsible for monitoring the grant contract.

Background

The State of Florida Division of Cultural Affairs' Local Arts Agencies Program operates on a four-year cycle and provides general operating support for local arts agencies. A comprehensive application and review process was conducted by the State for FY2005-2006. The FY2005-2006 grant amount of \$22,734 was intended to define a grant level until FY2008-2009, contingent upon the availability of funding, and upon the Department's fulfillment of interim year application/reporting requirements and accepted as satisfactory by the State.
