

Memorandum

MIAMI-DADE
COUNTY

Date: June 5, 2007

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

Supplement to
Agenda Item No. 8(O)(1)(D) and
Agenda Item No. 8(O)(1)(E)

From: 
Murray A. Greenberg
County Attorney

Subject: Security Services Contract – Agenda Item Nos. 8(O)(1)(D) and 8(O)(1)(E)

Please be advised that subsequent to committee review of the referenced item, the County Manager issued a new recommendation for award of the subject contracts. Although the original Manager's recommendation considered by the committee was not protested, the new Manager's recommendation is subject to a bid protest under Sections 2-8.3 and 2-8.4 of the Code of Miami-Dade County unless waived by 2/3 vote of the members present. To date, the new award recommendation in connection with the two related items, Agenda Item Nos. 8(O)(1)(D) and 8(O)(1)(E), have been protested by 50 State Security Service, Inc., Wackenhut Corporation and Feick Security Corporation. For these reasons, the above agenda items may not be properly considered by this Board absent a two-thirds vote of the members present to waive the Manager's recommendation as set forth in Section 2-8.3 of the Code. Should the Board waive the new Manager's recommendation and consider the items the new bid protests would be moot and the Board may act upon the committee's recommendations by awarding to those vendors recommended by the Committee, amending the award to include other vendors, or rejecting all bids.
