Agenda Item No. 8(P)(1)(D)

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Resolution Designating a Portion of Miami-Dade County Owned Property at Kendall-Tamiami Executive Airport as Road Right-of-Way for SW 120 Street in Section 15-55-39

Recommendation

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution designating a portion of Miami-Dade County owned property at Kendall-Tamiami Executive Airport as road right-of-way for SW 120 Street, in Section 15, Township 55 South, Range 39 East, Miami-Dade County, Florida. The property is under the jurisdiction of the Miami-Dade County Aviation Department ("MDAD") and is a portion of the Kendall-Tamiami Executive Airport. Release of the property described above as a public right-of-way is subject to approval by the Federal Aviation Administration ("FAA"). The Public Works and MDAD Directors support this resolution.

Scope

Kendall-Tamiami Executive Airport is located within Commission District 11.

Fiscal Impact/Funding Source

There is no Fiscal Impact on the County as a result of approving this resolution. Funding for this project will be provided by Century Business Park, LLC (the "Developer"), the developer of a recently approved residential community at the northeast corner of the intersection of SW 137 Avenue and SW 120 Street (the "Residential Project").

Miami-Dade County, Aviation Department will be compensated by the Developer for the value of the land being designated as right-of-way, at fair market value pursuant to an independent real estate appraisal. This designation is subject to review and approval by the FAA.

Track Record/Monitor

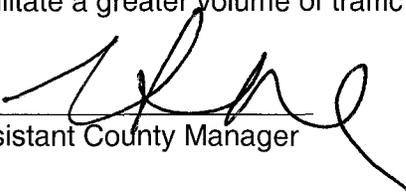

Not Applicable.

Background

The Residential Project was approved pursuant to Resolution Z-39-06 (the "Resolution"), which was adopted on November 9, 2006 by the BCC. The Resolution approved several zoning requests to permit the development of the Residential Project, consisting of four hundred and forty-six (446) dwelling units.

In connection with the Resolution, a Declaration of Restrictions, which was accepted and subsequently recorded at OR 25119, PG 0426 (the "Declaration"), provides that the Developer would be responsible for obtaining the necessary right-of-way and to design and build a dedicated right-turn lane from eastbound SW 120 Street to southbound SW 137 Avenue.

The proposed right-of-way designation (the "Designation") would permit the Developer to construct a right-turn lane on eastbound SW 120 Street onto SW 137 Avenue, in compliance with the above referenced Declaration and Resolution. It is a necessary component for the smooth transition of traffic entering SW 137 Avenue from SW 120 Street. This is a vital transportation corridor, connecting the Coral Reef and Kendall areas of southwest Miami-Dade County, as well as providing access to the proposed West Kendall Regional Park site. The Designation would facilitate a greater volume of traffic and ease the area's traffic congestion.
