Subject: Ordinance amending Section 2-48 of the Code pertaining to publication on County's website of names and qualifications of newly hired or promoted employees

The ordinance pertaining to publication on County's website of names and qualifications of newly hired or promoted employees will have an estimated first year fiscal impact of \$191,000 to Miami-Dade County. The estimate includes a one-time cost of \$125,000 for web site set-up and integration with the web portal. There will be an annual recurring cost of approximately \$91,000 to maintain and update the system. This estimate is based on approximately 17,000 positions (full-time, part-time, temporary, seasonal, promotions and reclassifications) that are filled on an annual basis. Furthermore, the ordinance may deter potential applicants from applying for positions.
