**EXPLANATION:**

The contractor Community Asphalt Corp. currently performed work for PWD at a satisfactory level as reported by the Project Manager. PWD has reviewed the Office of Capital Improvements (OCI) database and found three (3) awarded contracts: two (2) from PWD and one (1) from the Miami Dade Transit (MT). The referenced database also lists two (2) contractor's performance evaluations from PWD with an overall performance rating of satisfactory.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled and the project will be assigned to Mr. Juan Paan, P.E., Construction Coordinator, for day to day responsibilities.

## Background

**BACKGROUND:**

On May 29, 2007, four (4) engineering firms proffered bids for the referenced project. The lowest bidder's price from Community Asphalt Corp., was 15% below the County's base estimate. The second lowest bidder, Horizon Contractors, Inc., was 9% over the lowest bidder. The third lowest bidder APAC-Southeast, Inc., was 40% over the second lowest bidder. The fourth and final bid from Magnum Construction Management Corp. was 29% over the third lowest bid.

Therefore, PWD recommend that Community Asphalt Corp., the lowest responsive, responsible bidder, be awarded the subject contract for the sum of $8,314,420.12.

# Memorandum

MIAMI-DADE COUNTY

**Date:** April 24, 2007

Agenda Item No. 8(P)(1)(C)

**To:** Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

**From:** George M. Burgess
County Manager

**Subject:** Request to Advertise for Roadway Improvements Along NE 2 Avenue, from NE 91 Street to NE 105 Street, Located Within Commission District 3 - Project No: 20060439

---

**Recommendation**
The attached Request to Advertise for a Roadway Improvement Contract along NE 2 Avenue, from NE 91 Street to NE 105 Street, located within Commission District 3 (Project No. 20060439) for Miami-Dade County has been prepared by the Public Works Department (PWD) and is recommended for approval.

**Scope**
The proposed improvements along NE 2 Avenue, from NE 91 Street to NE 105 Street, are located within Commission District 3.

**Track Record Monitor**
Not Applicable – will be provided at the time of award.

**Fiscal Impact/Funding Source**
The fiscal impact will be approximately $8,013,887.00 and will be funded from Road Impact Fee (RIF). The Village of Miami Shores has agreed to participate in the funding of this project for upgrades such as landscape improvements and light fixtures. Other applicable funding sources may subsidize this contract.

**Background**
PWD staff submitted the referenced project to the Department of Business Development's (DBD) Review Committee. The Review Committee met on January 10, 2007, and recommended the following contract measure: 18% Community Small Business Enterprise (CSBE) Subcontractor Goal. The Community Workforce Program (CWP) is not applicable for this project, since it is not within a Designated Target Area (DTA).

PWD has advertised this project twice before, however the proffered bids were well over the engineering estimate by more than 95% on one occasion and 65% on the other.

Subsequently, PWD reviewed the County's estimate and the enhancements requested by the Village of Miami Shores and adjusted their cost estimate, as well as including optional items in the bid form to allow for approval and/or disapproval of the enhancements depending on the prices received.

**Project Name:**
Roadway Improvements along NE 2 Avenue, from NE 91 Street to NE 105 Street

**Project/Contract No:**
20060439

**Project Description:**
The project consists of furnishing all supervision, labor, required materials, equipment and tools and performing all operations necessary for reconstructing the existing four (4) lane roadway. Work in this contract also consists of milling and resurfacing, maintenance of traffic, new sidewalks, curb and gutters, pavement markings, signage, signalization, decorative street lighting, landscaping, irrigation and the installation of a continuous storm drainage system. Additionally, the Village of Miami Shores has agreed to participate in the funding of this project for upgrades such as landscape improvements and light fixtures.

**Project Location:**
NE 2 Avenue, from NE 91 Street to NE 105 Street

### Contract Measure Recommendation

| Measure | Program | Goal Percent |
|---|---|---|
| Goal | CSBE | 17.63% |

### Reason for Recommendation

An analysis of the factors contained in Section VI C of Administrative Order 3-22 indicate that a goal of 18% is appropriate in the trades of signalization, concrete and striping (painting and wall covering contractors).

This project was originally submitted under Project 20050009 on 02/23/05. It was resubmitted under Project No. 20060110 on 04/05/06 because the lowest bid received was 95% over the County's estimate. All bids were rejected. The cost estimate was increased from $4,614,147 to $7,333,831 when presented to the Review Committee on 02/23/05. It is now being resubmitted under Project No. 20060439 because the lowest bid received was more than 65% over the County's estimate. PWD rejected all bids. The estimate has now been increased from $7,333,831 to $8,013,887.

# Miami-Dade County Public Works Department
## Contract/Project Measure Analysis and Recommendation

To: Marsha E. Jackman, Director
Department of Business Development

From: Rodney McMillian
Special Project Administrator
Public Works Department

Date: Thursday, December 28, 2006

Department: Public Works

Contract/Project Title: Proposed Roadway Improvements to NE 2nd Avenue from NE 91st Street to NE 105th Street

Contract/Project No.: 20060439

Estimated Project Cost: $8,013,887.00

Funding Source: Road Impact Fees (RIF)

Project Description:

The project consists of furnishing all supervision, labor, materials, equipment and tools and performing all operations necessary for reconstructing the existing four lane roadway. Work in this contract also consists of milling and resurfacing, maintenance of traffic, new sidewalks, curb and gutter, pavement markings, signage, signalization, decorative street lighting, landscaping, irrigation and installation of a continuous storm drainage system. Additionally, the Village of Miami Shores has agreed to participate in the funding of this project for upgrades such as landscape improvements and light fixtures.

**Contract Measure Recommendation:**

No Measure
**CSBE Subcontractor Goal** **18% (Concrete; Signalization; Pavement Marking and Signs)**
CSBE Set-Aside Level 1 Level 2 Level 3

**Standard Industrial Code (SIC):** 16-Highway Construction

**Reason for Recommendation:**

Analysis of the Ordinance 97-52 indicates that a CSBE Subcontractor Goal is appropriate for this contract.

Gaspar,
That is correct we have 1.5 million set aside for the streetscape improvements including the decorative underground fed street light poles. As a follow up to our meeting in Ester's office last month we agreed that both parties would come up with additional money if needed to award the contract this time if the bids were "reasonable" but higher than originally anticipated. Thanks!

Tom

We are in the process of finalizing two (2) sets of plan options that will be provided to prospective bidders. The plans will be completed by the end of this week, after which the process of bidding will commence. We anticipate receiving/opening Bids in February 2007.

Please confirm, it is our understanding that the Village of Miami Shores will supplement the project with $1.5M for incorporating streetscape improvements.

Thanks, Gaspar

# Memorandum

MIAMI-DADE COUNTY

**Date:** June 4, 2007

**To:** Esther Calas, P.E., Director
Public Works Department

**From:** Penelope Townsley, Interim Director
Small Business Affairs/DPM

**Subject:** CSBE Compliance Review of Project Number 20060439, Proposed Roadway Improvements to NE 2nd Avenue From NE 91st Street to NE 105th Street

---

Small Business Affairs/Department of Procurement Management (SBA/DPM – formerly DBD) has completed its review of the above-referenced project for compliance with the Community Small Business Enterprise (CSBE) Program. The contract measure applicable to this project is a 18% CSBE subcontractor goal.

The Contracts & Specifications Section of the Public Works Department submitted bid documents from Community Asphalt Corporation (Community Asphalt) and APAC-Southeast, Inc. (APAC) for compliance review.

Community Asphalt submitted the required Schedule of Intent (SOI) Affidavits committing to utilize Construct Group Corp., a certified CSBE firm, to perform flatwork (concrete) at 3.6%, Miami Striping & Signs, a certified CSBE firm, to provide striping and signs work at 1.1%, and GMH Utilities Corp., a certified CSBE firm, to provide drainage/pipe construction at 13.4%. Each subcontractor signed its respective SOI Affidavit in agreement with the information listed. As such, Community Asphalt has fulfilled the contract measure requirement and is in compliance with the CSBE Participation Provisions.
