

Memorandum

Date: September 4, 2007

To: Honorable Chairperson Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Agenda Item No. 8(A)(1)(B)

Subject: Ratification of Acceptance and Execution of Supplemental Joint Participation Agreement (SJPA) 25402919401 No. 2 with the Florida Department of Transportation (FDOT) in the amount of \$4,002,878.

RECOMMENDATION

It is recommended that the Board adopt the attached resolution ratifying the actions of the County Manager, pursuant to provisions of the Aviation Department's Expedite Ordinance No. 95-64, codified as Section 2-285 (6) of the Miami-Dade County Code, in accepting and executing a Supplemental Joint Participation Agreement (SJPA) No. 2 between Miami-Dade County and the State of Florida Department of Transportation (FDOT), relating to construction of the New South Terminal at Miami International Airport under Financial Project Number 25402919401 in the amount of \$4,002,878.

SCOPE

The project associated with this SJPA is located within Commission District Six, Commissioner Rebecca Sosa. However, the impact of this project is Countywide in nature as Miami International Airport is a regional asset.

FISCAL IMPACT

This SJPA represents an additional \$4,002,878 in FDOT funding for the subject project.

PROJECT MONITOR

Gary Abernathy, South Terminal Project Manager

BACKGROUND

In Resolution No. R-391-06, the Board ratified the County Manager's execution of a Supplemental Joint Participation Agreement No. 1 under Financial Project Number 25402919401, under which the FDOT provided additional funds in the amount of \$2,202,000 for FY 05/06, \$3,000,000 for FY 06/07 and \$10,439,000 for FY 07/08 totaling \$15,641,000 for funding the County's construction of the New South Terminal at Miami International Airport.

In Resolution No. R-734-05, the Board ratified the County Manager's execution of a Joint Participation Agreement under Financial Project Number 25402919401 relating to FDOT's partial funding of the costs of certain portions of the New South Terminal Project. Those portions involved the

Construction/Rehabilitation/Expansion of Concourse "J" and MIA Terminal South/Terminal Multi-Trade Improvements and Expansion Program, whose project costs were estimated to be \$13,800,000. The FDOT's original funding amounted to \$6,900,000 of such costs.

For FDOT's Fiscal Year 2007-2012 Work Program, the FDOT has programmed an additional \$4,002,878 of state funds over Fiscal Year 2006/2007 to be provided to the County for the entire New South Terminal Project. The current total estimated cost for the New South Terminal Project is \$707.8 million. The scope of work for this additional funding includes construction, construction inspection and other eligible direct rehabilitation costs of five components of the Project, including Program Wide costs, the South Terminal itself, Concourse H, Concourse J, and the Concourse H-J Utility and Pavement work. The FDOT funding for the New South Terminal now amounts to \$26,543,878, consisting of the original funding of \$6,900,000, Supplemental JPA No. 1 of \$15,641,000, and Supplemental JPA No. 2 additional funding of \$4,002,878.

The Supplemental JPA No. 2 funding is described below:

<u>SJPA No. 2</u>	<u>Project Description</u>	<u>Amount</u>	<u>Total FDOT funding for this Project to date</u>
25402919401	Concourse "J" South Terminal at MIA	\$4,002,878	\$26,543,878

These additional FDOT funds are critical to the successful and timely completion of this project and ratification of the County Manager's actions in accepting this SJPA is therefore recommended.
