

Memorandum

Date: September 4, 2007

To: Honorable Chairman Bruno A. Barreiro,
and Members, Board of County Commissioners

From: George A. Burgess
County Manager

Agenda Item No. 8(A)(1)(H)

Subject: Award Recommendation of \$23,057,500 for Airport Signage Fabrication and
Installation RFQ No. MDAD-05-01

RECOMMENDATION

It is recommended that the Board award four (4) non-exclusive contracts in substantially the form on file with the Clerk, an excerpt of which is attached hereto and made a part hereof, for the Airport Signage Fabrication and Installation project for the Miami-Dade Aviation Department (MDAD), to the following qualified firms:

1. Acolite Claude United Sign Co., Inc.
2. Broadway Neon Sign Corp.
3. Baron Sign Manufacturing
4. Architectural Graphics, Inc.

It is recommended that the Board authorize the Mayor or his designee to execute the contracts and to exercise any cancellation, termination and renewal provisions contained therein. The award of each project during the bidding process shall be made to a contractor based on the lowest responsive and responsible bid for a particular signage project. None of the companies are guaranteed any work through this process.

SCOPE

The impact of this agenda item is countywide in nature as it relates to the total Miami-Dade aviation system.

FISCAL IMPACT/FUNDING SOURCE

The amount authorized for the Airport Signage Fabrication and Installation contracts is \$23,057,500, which includes the inspector general audit account of \$57,500. The total program expenditures for all four (4) contracts during the contract term, including any extensions, will not exceed \$23,000,000 in the aggregate and will be paid from revenue bonds and operating funds.

TRACK RECORD/MONITOR

Acolite Claude United Sign Co., Inc., has had four (4) previous contracts with MDAD. Their track record, to date, is satisfactory. Broadway Neon Sign Corp., Baron Sign Manufacturing and Architectural Graphics, Inc. have not previously contracted with MDAD or Miami-Dade County.

All projects under this contract will be monitored by Airport Signage Chief Richard Garcia, R.A.

BACKGROUND

On September 22, 2006, MDAD advertised a Request for Qualifications for this project for no more than four (4) qualified firms to provide airport signage fabrication and installation services, as may be required, at the Miami-Dade County operated airports. The signage fabrication and installation work requested will include the fabrication of signs, engineering, obtaining permits, and installation. The types of signs required will include, but are not limited to, internally illuminated interior and exterior directional signs, interior and exterior static signs, roadway signage, parking garage signage, airfield signage, Americans with Disabilities Act (ADA) signage, identification signage, tactile and braille signage. Some signage work will also require night installation to avoid disruption of airport operations or landside activities.

On November 15, 2006, five (5) responses were received in response to the advertisement for this project from: Acolite Claude United Sign Co.; Broadway Neon Sign Corp; Baron Sign Manufacturing; Architectural Graphics, Inc.; and Big Apple Visual Group.

The review of the five (5) responses received by the Evaluation/Selection Committee determined that Big Apple Visual Group did not meet the minimum qualifications and, therefore, was found non-responsive by the County Attorney's Office. The Evaluation/Selection Committee then proceeded to recommend the remaining responsive/responsible firms for award.

Upon the Board's approval and final execution of the contracts, the contractors will be authorized to participate in the internal bidding process outlined in the contracts. Each of the four (4) contractors will participate in the internal bidding process, which will be initiated as projects are identified.

TERM:	The contract term is four (4) years with an option by MDAD to extend the term for two (2) one-year terms.
CONTRACT AMOUNT:	The amount authorized for the Airport Signage Fabrication and Installation contracts is \$23,057,500, which includes the inspector general account of \$57,500.00. The total program expenditures for all four (4) contracts during the contract term, including any extensions, will not exceed \$23,000,000 in the aggregate.
