Responses to Questions

5. Event Description:

The 2007 NCLR Annual Conference and Latino Expo USA will take place July 21-24, at the Miami Beach Convention Center. For nearly 30 years, the NCLR Annual Conference has represented the largest and most important gathering of the nation's most influential individuals, organizations, institutions, and companies working with the Hispanic community. Conference provides a forum for people to learn about ongoing and emerging issues in the Hispanic community, connect with key community leaders, and generate partnerships with Hispanic community based organizations.

The NCLR Annual Conference consists of four days of the most on-point and cutting-edge workshops addressing critical issues in the Hispanic community, five key meal events before an audience of nearly 2,000, and presentations from speakers of national and international prominence. Conference attracts 4,500-5,000 registered attendees from around the country. It also features special events connecting communities around a specific program or issue, such as the Diabetes Dash, Helen Rodríguez-Trías Health Reception, and Education Training Institutes, and is known for delivering top-notch talent, giving attendees exposure to star performances, and creating lasting memories.

A significant feature of the Conference is Latino Expo USA. Latino Expo USA is a truly unique venue where over 250 companies, agencies, and organizations can build and enhance their relationship with Latino consumers, the fastest growing market with a reputation for brand loyalty. The last time NCLR was in Miami, our Expo received its peak attendance attracting 19,500 people from the greater Miami-Dade area. Since the traffic for the Expo is primarily from the local area, special emphasis in our community outreach work in Miami-Dade is spent in securing exhibitors from local nonprofit organizations, local government agencies, and local small businesses.

Conference and Latino Expo USA attract broad media exposure of NCLR events, speakers, sessions, performers, and attendees from local and national outlets such as *CNN*, *The LA Times*, *The Washington Post*, and the *Sun-Sentinel* of Florida with coverage in Spanish and English.

NCLR connects with key constituencies around issue-related sponsorships (community development, education, health, workforce, NCLR Affiliates, and VIP guests). NCLR's national reputation for integrity, credibility, and impact associate you with a community partner of proven leadership, capacity, and impact in the Hispanic community.

8. Description of regional or local impact:

The NCLR Conference and Latino Expo has been a critical component to showcase and demonstrate the work of NCLR, its partners, Hispanic leadership, and the many friends and supporters who are working to improve opportunities for Latinos and other underserved communities. While NCLR is a national organization, our foundation is built on a network of nearly 300 local community based organizations. Through the Conference and Expo, we take the opportunity to reinforce our mission by having an impact on the local community. Several efforts we are proud of include:

- The Latino Expo USA is FREE to all attendees. The Expo includes a Health Fair and Homeownership Fair providing free services to families who attend, such as health screenings, credit counseling, etc.
- Direct Outreach to:
 - o Community organizations beginning in April to personally engage local community leaders and nonprofit organizations in the planning and outreach for the Conference and Latino Expo USA.
 - o University and college groups to promote and engage participants for our Youth Leadership program at the Conference
 - o Engage Health organizations to encourage participation in the expo hall and promotion of their services
 - o Engage Housing organizations to encourage participation in the expo hall and promotion of their services
 - o Engage small Latino-owned businesses to encourage participation in the expo hall and promotion of their services
- Using local businesses for conference related services where possible: printing, t-shirts, diabetes dash coordination,

In addition, it provides capacity-building assistance to its Affiliates who work at the state and local levels to advance opportunities for individuals and families.

Summary

NCLR is seeking support, assistance, and guidance in providing transportation to our conference delegates from the host hotels in Miami to the Miami Beach Convention Center and from the hotels to our evening venues in Miami.

In recent years (2003, 2004, 2006), the host city of the NCLR Annual Conference covered our conference delegate transportation. Last year, the City of LA covered the cost of transportation for delegates from the hotel to the convention center. In other cities we've been to, the city has worked with us to transport delegates from hotel to convention center and to evening offsite events.

Overview of needs

- Transportation needed Friday, July 20 through Tuesday, July 24
- Transportation for Conference delegates from host hotels in Miami to the Miami Beach Convention Center and to Evening Event venues in Miami.
- Estimated passenger delivery – approximately 1,000 people. (Conference Delegate room block is 700 rooms. Estimate 1.5 people per room to transport.)
- There are peak and non-peak hours. Generally, peak is in the AM to arrive to the Convention Center in time for morning sessions starting at 9:00 a.m., after luncheon program 2:30 p.m., and after Town Hall Program 5:00 p.m.
- Included in this document: Passenger Description, Route information, Pick-Up/Drop-Off Locations, Transportation Schedule

NO SHUTTLE SERVICE WILL BE PROVIDED FROM THE LOEWS HOTEL

Regional Offices: Atlanta, Georgia • Chicago, Illinois • Los Angeles, California • New York, New York
Phoenix, Arizona • Sacramento, California • San Antonio, Texas • San Juan, Puerto Rico

LA RAZA: The Hispanic People of the New World

PASSENGERS

Passenger estimates:

We anticipate transporting approximately 1,000 people staying at our host hotels to the Convention Center Friday, July 20-Tuesday, July 24. For the Sunday evening event, we anticipate transporting approximately 600 people from the hotel to the Carnival Center. For the Monday evening event we anticipate transporting 500 people from the hotel to Bongo's. For the evening events, most will arrive in the first two hours of the event, and most will leave at the close of the event.

ROUTES

Transportation to the Convention Center:

Last year, we had two routes. One loop was from the Wilshire Hotel in downtown LA to the LA Convention Center. The other loop was from the Sheraton Downtown LA to the LA Convention Center. The City proposed this plan to ensure that our guests were able to arrive on time for sessions and not be caught up in traffic. During peak hours there were three 50 passenger buses for each route (a total of 6 in rotation). At off-peak hours there are two 50 passenger buses for each route. Friday, has limited service with a total of three 50 passenger buses servicing both routes throughout the day.

Memorandum

Date: September 4, 2007

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Countywide In-Kind Request Recommendation

The Office of Strategic Business Management (OSBM) has reviewed the attached in-kind request and recommends for the item to move forward to the Board of County Commissioners for consideration. The countywide in-kind reserve balance allows for the funding of this request.

Background

A retroactive waiver for in-kind services has been requested by a not-for-profit organization the National Council of La Raza for their NCLR Annual Conference and Latino Expo USA held on July 21-24, 2007.

In-kind services have been requested in an amount not to exceed \$31,376.10 from the Miami-Dade Transit Agency for transportation services. This event will be funded from the countywide in-kind reserve fund.

In FY 2006-07 the National Council of Raza has not received any County funding.
