Date: **October 16, 2007**

Agenda Item No. 8(A)(1)(A)

To: Honorable Chairman Bruno A. Barreiro  
and Members, Board of County Commissioners

From: George M. Burgess  
County Manager

Subject: Award of Five-Year \$22,226,945 Management Agreement for Employee and Public Remote Parking Lot Shuttle Bus Service at Miami International Airport (MIA), RFP No. MDAD-06-06

## **Recommendation**

It is recommended that the Board approve the award of a Non-exclusive five-year Management Agreement (Agreement) to First Transit, Inc. (First Transit or Operator), for the management and operation of the Employee and Public Remote Parking Lot Shuttle Bus Service at Miami International Airport (MIA). It is further recommended that the Board authorize the Mayor or his designee to execute the Agreement substantially in the form attached hereto and exercise any renewal, termination or cancellation provisions therein.

## **Scope**

Miami International Airport (MIA) is located within Commission District Six. However, the impact of this agenda item is countywide in nature as Miami International Airport is a regional asset.

## **Fiscal Impact/Funding Source**

The annual cost to the Miami-Dade Aviation Department (MDAD) is \$4,445,389 or \$22,226,945 over the five-year contract and is budgeted through Airport Operating Funds. This cost is offset by the collection of fees from the sale of parking decals. The annual cost includes a monthly fee of \$39,011 paid to the operator for managing the operation and providing the required services, including the monthly cost of workers' compensation (\$15,228) and general liability, auto and other insurance (\$23,463).

## **Track Record/Monitor**

First Transit, Inc., is the current Operator for the Employee and Public Remote Parking Lot Shuttle Bus Service at MIA. Under that contract, the track record for First Transit has been satisfactory according to Monica Beltran, MDAD Landside Operations Division Director, who monitors the shuttle bus contract.

## **Background**

The Employee and Public Remote Parking Lot Shuttle Bus Service at MIA, RFP No. MDAD-06-06, was advertised with an issue date of March 7, 2007, for a qualified firm to enter into a Management Agreement to manage and operate the Employee and Public Remote Parking Lot Shuttle Bus Service at MIA. The Shuttle Bus Service is operated twenty-four (24) hours per day, seven (7) days a week for employees of the County, airlines and various companies conducting business at the Airport. The operating schedule is comprised of thirty (30) employee shuttle shifts each day. To support these various transportation systems, the current company maintains twenty-seven (27) County owned

dedicated buses and nine (9) mini-buses/vans to be used for the following shuttles: employee parking lot, Building 5A, and Government Parking (Park 8). The buses are also used by MDAD Airside personnel to provide airline transportation service for passengers on the airside portion of the airport. It is the intention of the County to have the Shuttle Bus managed and operated in a premier, first-class manner, providing prompt, safe and courteous service, and including the maintenance of County-owned buses.

First Transit's was the only response received. The Selection Committee met and reviewed the submitted proposal. The Committee heard a presentation from the firm, opened its sealed compensation offer (monthly fee) and made a recommendation to negotiate with First Transit. First Transit is currently receiving a monthly fee of \$8,120.00, which did not include insurance costs. Under the new contract, First Transit will provide liability, workmen's compensation and auto insurance, resulting in a higher monthly fee but also relieving the County of any increase in insurance cost in those areas over the five years.

At the first negotiation meeting, First Transit presented a cost breakdown of its proposed monthly management fee of \$39,888.00, which included costs for Worker's Compensation, Bodily Injury/Property Damage and Airside insurance. MDAD's Risk Management informed First Transit that it was not necessary to provide airside insurance for buses that are operated by County personnel, as MDAD is self-insured. As a result, First Transit was instructed to revisit its proposed monthly management fee and to submit comparable insurance quotes received from other companies. A second negotiation meeting was held and First Transit presented a reduced monthly management fee of \$39,011.00, which was accepted by the Committee.

The Operator, in making expenditures hereunder, shall not exceed the expenditure percentage and ratios that are approved on an annual basis in each line item of the approved Annual Operating Budget, without the prior approval of the Department. In the event the Operator is required to make expenditures in excess of the amount included in a monthly increment of the approved Annual Operating Budget, because of emergencies or operational necessity and, provided such expenditures are reasonable and are otherwise reimbursable hereunder, the Operator shall request written approval from the Department prior to making such expenditures. The Budget may be modified during any contract year, at the discretion of and through written approval of the Director, or his/her designee.

The Department may, at any time, require the Operator to provide, change, alter or modify any or all of the "employee expenses" defined in Article 3.02 A through E. If any such change, alteration or modification results in an increase or decrease in Employee Expenses, then the Annual Operating Budget and Reimbursable Operating Expenses, as defined in Article 3.01 shall be adjusted accordingly by the Department.

**3.04 Annual Operating Forecast:**

As directed by the Department but no later than July 1<sup>st</sup> of each year of this Agreement, the Operator shall provide a recommended Annual Operating Forecast for the twelve (12) month period beginning October 1<sup>st</sup>.
