DATE: November 6, 2007

TO: Honorable Chairman Bruno A. Barreiro and Members,
Board of County Commissioners

FROM: Carlos Alvarez, Mayor

SUBJECT: Resolution sponsored by Commissioner Joe A. Martinez authorizing a loan to the Bird Lakes Homeowners Association to pay for costs associated with the appointment of a Receiver for the Bird Lakes Estates and allowing for the waiver of the repayment of that loan under certain circumstances - Legistar No. 072880

This memorandum is to express my support of the resolution referenced above sponsored by Commissioner Joe A. Martinez seeking your approval to authorize a loan to the Bird Lakes Homeowners Association to pay for costs associated with the Court-appointed Receiver for the Bird Lakes Estates.

The Receiver's activities have been temporarily halted with the approval of the Court to allow the residents of Bird Lakes and their legal representatives to have an opportunity to sort out among themselves the issues of membership in the BLHOA and issues relating to the maintenance of the Lake and appropriate common areas.

Your consideration and approval of the resolution referenced above is requested.
