

Memorandum

MIAMI-DADE
COUNTY

Date: February 5, 2008

Supplement to
Agenda Item No. 7(E)

To: Honorable Chairman Bruno A. Barreiro
and Members Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Supplement to Agenda Item 7E an Ordinance Amending Section 28-15 of the Code of Miami-Dade County, Florida, to Require the Installation of Guardrails and Other Traffic Barriers.

This supplement is provided to clarify the effect of this Ordinance as requested at the December 12, 2007 Transit Committee meeting.

This Ordinance will appear under Section 28-15 of the code providing that, "Prior to granting of the final approval [of a plat] the subdivider shall have installed or shall have furnished adequate bond...of the cost of improvements for the ultimate installation of the following..." This section of the code applies to new developments; hence, this new code provision would require developers to provide (at the developer's cost) for the installation of guardrail where required.

Assistant County Manager
