RESOLUTION NO. \_\_\_\_\_

RESOLUTION URGING RETAILERS OF TELEVISION SETS TO ACCEPT THE FEDERAL GOVERNMENT COUPONS OF \$40 AS FULL PAYMENT BY CONSUMERS FOR THE DIGITAL-TO-ANALOG CONVERTER BOXES THAT WILL BE REQUIRED AFTER FEBRUARY 17, 2009 TO RECEIVE OVER-THE-AIR TELEVISION SIGNALS

**WHEREAS**, Congress has mandated that, after February 17, 2009, television stations must stop broadcasting analog signals and begin broadcasting digital signals only; and

**WHEREAS**, after these changes occurs, television sets designed to receive analog signals will not be able to receive over-the-air broadcast signals unless they are equipped with special digital-to-analog converter boxes; and

**WHEREAS**, the Department of Commerce's National Telecommunications and Information Administration has launched the Digital-to-Analog Converter Box Coupon Program as authorized in the Digital Television Transition and Public Safety Act of 2005 which provides that, starting January 1, 2008, all U.S. households will be eligible to request up to two coupons, worth \$40 each, to be used toward the purchase of up to two, digital-to-analog converter boxes; and

**WHEREAS**, it appears that the \$40 value of the coupons may not be sufficient to pay for the market cost of the digital-to-analog converter boxes, which means that many persons on fixed incomes, including the elderly, may not be able to afford the converter boxes and therefore will be deprived of access to over-the-air television signals and services,

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA**, that the stores and retailers

in the business of selling television sets and converter boxes are urged to accept the \$40 coupon as full and complete payment of the converter box as a community service to the many persons on fixed incomes, including the elderly, who are not be able to afford the converter boxes and therefore will be deprived of access to over-the-air television signals; and further that it is reasonable to request such a public service from these businesses since they will be a major benefactor of the sales of new digital televisions which are replacing the analog televisions being phased out pursuant to the change in federal law. Information regarding the change in signals form analog to digital and the issuance of coupons is available from resources such as the Federal Communications Commission website [www.dtv.gov](http://www.dtv.gov).
