Subject: Resolution Authorizing Mayor or Designee to Recapture and Reallocate Documentary Surtax Funds for the Postmaster Affordable Housing Development; Correcting Scrivener's Error

RECOMMENDATION

It is recommended that the Board of County Commissioners (BCC) authorize the Mayor or his designee to recapture and reallocate any unexpended Documentary Surtax funds that was allocated to MDHA Development Corporation pursuant to Resolution R-494-02 for the District 10 project known as Postmaster Apartment Project, and to reallocate these funds to Postmaster Associates Ltd. It is also recommended that the BCC authorize the correction of a scrivener's error associated with Resolution R-641-07.

SCOPE

Postmaster Apartments is located at 8800 SW 8 Street in Commission District 10. This project will consist of 55 set-aside units for the elderly and the ground breaking is anticipated for April 2008.

FISCAL IMPACT

This item does not create a negative fiscal impact to the County and secures the funding under one consolidated loan closing, note and mortgage.

MONITORING/TRACK RECORD

As part of the proposed Transitional Agreement between Miami-Dade County and the MDHADC, which is on this same agenda, the Postmaster Apartments project will continue to be developed under the review of the new board of directors of the MDHADC. However, this item consolidates all contracts, loan documents, and funding under the new development team, Postmaster Associated, Ltd.

Because this development is also a recipient of the Florida Housing Finance Corporation (FHFC) tax credit allocations, it is subject to its compliance reviews including, but not limited to, thorough underwriting review, review of all construction contract and working drawings, and regular site visits and construction management review.

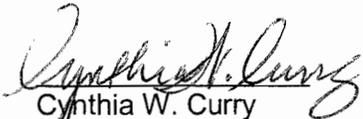

BACKGROUND

On May 21, 2002, the BCC authorized the transfer of \$6 million in Surtax funds to the MDHADC through Resolution R-494-02. The intended use of these funds was to pay for any predevelopment and development activities, including the location and purchase of land, necessary to develop and operate elderly housing developments and to establish subsidiaries and/or affiliated entities necessary for the financing and management of the facilities. The \$6 million was divided evenly across Commission Districts 5, 6, and 10 (\$2 million per Commission District). Land was located and purchased by the MDHADC in March 2005 from the U.S. Postal Service, thereby identifying the project

development as "The Postmaster Project." However, that original \$2 million transfer of funds to MDHADC was never secured by loan documents. As of December 31, 2007, there was \$753,621.00 of unexpended funds in MDHADC's segregated Postmaster account for this project.

In addition, on June 5, 2007, the BCC approved Resolution R-641-07 which allocated \$3 million of gap funding under the 2007 Surtax Mid-Year Cycle Request for Application (RFA) process to Pinnacle Housing Group for the Postmaster Apartments. The recipient of this allocation should have been listed as Postmaster Associates, Ltd.
