#### 1.1.1 MIAMI INTERNATIONAL AIRPORT GENERAL DESCRIPTION

Aviation has been a hometown industry in Miami, having started more than 75 years ago. The first flight from Pan Am Field in 1928 was an international departure. Today, Miami International Airport enjoys top rankings as the leading international freight airport in the USA and the nation's third leading gateway for international passenger traffic.

MIA strengths in international passengers and cargo activity stimulate a host of other companies, such as tourism, the cruise

industry and international banking and commerce. More than 77% of all exports and 80% of all imports between the United States and the Latin American/Caribbean region flow through MIA.

MIA is the port of entry for 79% of all international traffic arriving by air to Florida. The Airport is the world's largest Latin American/Caribbean gateway, offering over 1,100 weekly departures with direct service to 62 destinations in the region. With 46% of total passenger traffic being international, MIA is among the top two airports in the U.S. with the highest international to domestic passenger ratios.

Miami-Dade County operates the world's leading cruise port, and more than 80% of all cruise passengers begin or end their cruise with flights to/from the Airport. In addition, Miami is the leading international financial center in the southeastern United States. The Airport stimulates much of that activity as well, through the financing of international trade facilitated through our Airport. During 2005, trade originating and clearing at MIA amounted to 881,563 tons, valued at \$27.6 billion. This activity represents only 56% of the actual total of 1.58 million tons of international freight, as the remaining 44% was shipped through MIA in-transit to third-country destinations.

Following are "Facts at a Glance" information regarding the Miami-Dade Aviation Department, as of April 2007:

**Miami-Dade Airports:**

- Miami International Airport -MIA
- Opa-locka Executive Airport - OPF
- Kendall-Tamiami Executive Airport - TMB
- Homestead General Aviation Airport - X51
- Dade-Collier Training and Transition Airport - TNT

**Economic Impact:**

The Airport's annual impact on local tourism, cruise, international banking, trade & commerce is \$19.1 billion. The Airport and related aviation industries contribute 242,387 jobs directly and indirectly to the South Florida economy. That equates to one out of 4.3 jobs.

**Parking:** Two long-term parking garages – Dolphin and Flamingo – and two short-term lots provide approximately 7,885 spaces, including those reserved for persons with disabilities. There is also a high-vehicle lot adjacent to the Dolphin Garage.

**Airport Improvements:** The Airport's \$6.2 billion Capital Improvement Program is well under way, encompassing all aspects of Airport operations, from the terminal and roadways to the cargo facilities and the airfield.

**New Runway:** One of the major projects of the CIP was the construction of MIA's Fourth Runway. Operational in September 2003, the new 8,600-foot runway has increased MIA's airfield capacity by 25%, extending the ability of the Airport to sustain growth, while decreasing the cost of delays to airlines and passengers.

**Terminal:** MIA's passenger terminal has grown from 3.5 million square feet in 1995 to 4.7 million square feet. Further development of the North and South Terminals will add 2.7 million square feet for a total of 7.4 million square feet upon completion of Phase One of the CIP, with 100 international gates and 30 domestic gates for a total of 130 gates. The Terminal will have 556 ticket counters and 120 self-service check-in devices.

**Cargo:** MIA's cargo facility development program that began in 1992 has been completed, providing the Airport with over 2.7 million square feet in seventeen new cargo buildings. Apron space has grown to over 3.8

million square feet, capable of handling 17 B747s or 38 DC 10F's.

### **Roadway Improvements**

**Central Boulevard:** To accommodate forecasted growth, improvement programs include: widening of Central Boulevard, new service roads, wider bridges and improved access to parking facilities.

**25<sup>th</sup> Street Viaduct:** N.W. 25<sup>th</sup> Street is the primary connector to the Florida Intrastate and Federal Highway System for ground transportation of air cargo. MDAD has partnered with FDOT and has allocated funding for a project to widen the existing roadway to six lanes and construct an elevated viaduct/roadway between MIA, over SR 826, and out to N.W. 82<sup>nd</sup> Avenue.

**Concession Information:** Part of the Airport CIP will include the refurbishment of Terminal interiors and construction of new locations. There are approximately 124 retail/food and beverage locations at MIA as of October 2007. With the buildout of new concessions, MIA will more than double the number of locations to 250.

The Airport is divided into three terminals: North (currently Terminals A-D), Central Terminals (E, F and G) and South Terminals (H and under construction J).

The **North Terminal** will have approximately 60-65% of the passenger traffic and hosts American Airlines and its One World partners. The North Terminal will become a linear Terminal running from A - D Concourse.

The North Terminal currently has 44,000 square feet of existing concession space. There are three duty free stores, seven news/gifts, three specialty retail stores, one sundries store and twenty-one food and beverage locations.

The North Terminal is in the process of being built out with new food/beverage and retail concessions. Food/beverage locations have been added or renovated in the past two years (Starbucks was added in the Atrium of Concourse A, and a Miami Subs was renovated into a Jose Cuervo Tequilaria). A new Café Versailles has opened at the end of A and a new Islander Grille and Bar is planned across from the new Café. The Concourse A area of North Terminal has currently ceased operations to allow expedited construction of the expanded North Terminal facilities.

The **Central Terminal** is located between the North and South Terminals in the center of the landside area and is now known as Terminals/Concourses E, F and G. Approximately 5-10% of the passenger traffic is expected to flow through the Central Terminal. The majority of the retail space is located on the pre-security portion of the

Airport Terminal.

Existing concessions include five duty free stores, seven news/gifts stores, seven specialty retail stores and thirty-seven food and beverage locations totaling 73,000 square feet.

There is a food court in the Central Terminal with recently changed concepts including Starbucks, California Pizza Kitchen, Great American Bagel, Burger King and Café Bacardi. Additional concepts throughout the landside include Chili's, Café Versailles, Sbarros, Au Bon Pain, and Cozoli's. Concourse concessions include Chili's to Go, Guava-Java, and Burger King.

The **South Terminal** was built to accommodate the Star Alliance and Skyteam Alliance which include United Airlines, U.S. Airways, Delta Airlines and their code share and marketing Alliance partners. Approximately 20-25% of all passenger traffic is expected to flow through the South Terminal with 21 airlines planned to occupy the Terminal.

The existing South Terminal Concourse and Terminal area currently has two existing news/gifts stores, and six food and beverage locations totaling 7,700 square feet. Food and beverage offerings include Café Versailles, Starbucks, Cinnabon, Au Bon Pain and Hurricane Reef bar.

The South Terminal opened on August 29, 2007. This terminal will have approximately 40,000 square feet of locations to be built out with in the next year.

Proposers are hereby notified that all information submitted as part of, or in support of their Proposal will be available for public inspection after opening of Proposals, in compliance with Chapter 119 of the Florida Statutes. The Proposer shall not submit any information in response to this solicitation, which the Proposer considers to be a trade secret, proprietary or confidential. The submission of any information to the County in connection with this solicitation shall be deemed a waiver of any trade secret or other protection, which would otherwise be available to Proposer. In the event that the Proposer submits information to the County in violation of this restriction, either inadvertently or intentionally, and clearly identifies that information in the Proposal as protected or confidential, the County shall endeavor to redact or return that information to the Proposer as practicable, and if appropriate, evaluate the balance of the Proposal. The redaction or return of information pursuant to this clause may render a Proposal non-responsive.

### **3.9 ORDINANCES, RESOLUTIONS AND/OR ADMINISTRATIVE ORDERS**

To request a copy of any ordinance, resolution and/or administrative order cited in this solicitation, the Proposer must contact the Clerk of the Board at (305) 375-5126.

### **3.11 NONEXCLUSIVITY**

## **SECTION 4.0**

### **AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISES (ACDBE)**

#### **4.1 ACDBE REQUIREMENTS PARTICIPATION**

It is the policy of the County that ACDBE's shall have the maximum practical opportunity to participate in the performance of County agreements. As used in the Bid Documents, the term "Airport Concession Disadvantaged Business Enterprises (ACDBE)" means a small business concern, which (a) is at least fifty-one percent (51%) owned by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock which is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it as set forth in 49 CFR Part 23, Code of Federal Regulations.

#### **Airport Concession Disadvantaged Business Enterprises Plan/Provisions for Packages 1 and 2:**

The County has established an ACDBE concession specific goal for Package One (1) of 30% and for Package Two (2) of 30% percent of Gross Revenues. The ACDBE overall goal can be achieved either through the Proposer being an ACDBE itself, a partnership or joint venture, or subcontracting a percentage of Gross Revenues.

The Airport Concession Disadvantaged Business Enterprise (ACDBE) Plan must be submitted with the Proposal in accordance with **Appendix C, Section II** and its supporting documents. The Successful Proposer will be required to submit to the Department's Minority Affairs Division, Monthly Utilization Reports (MUR) reflecting ACDBE revenue and operational expenses, commencing 90 days after beneficial occupancy and monthly thereafter, on or before the 10<sup>th</sup> of every month.

#### 4.2 COUNTING ACDBE PARTICIPATION TOWARD CONTRACT GOALS:

1. When an ACDBE participates in a contract, only the value of the work actually performed by the ACDBE toward the ACDBE goal will be counted.
2. When an ACDBE performs as a participant in a joint venture a portion of the total dollar value of the contract **during the complete contract term**, equal to the clearly defined portion of the work of the contract that the ACDBE performs will be counted toward ACDBE goals as outlined in **Appendix C**.
3. Expenditures to an ACDBE contractor toward ACDBE goals will be counted only if the ACDBE is performing a commercially useful function as defined below:
  - (a) An ACDBE performs a commercially useful function when it is responsible for execution of specific quantifiable work of the contract and is carrying out its responsibilities by actually performing, or managing, or supervising the specific identified work.

MDAD will determine whether an ACDBE is performing a commercially useful function by evaluating the specific duties outlined in the Joint Venture Agreement; the subcontract agreement or other agreements in accordance with industry practices, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and other relevant factors.
  - (b) An ACDBE does not perform a commercially useful function if its role is limited to that of an extra participant in a financial or other transaction, contract, or project through which funds are passed in order to obtain the appearance of ACDBE participation.
  - (c) If an ACDBE does not perform or exercise responsibility for at least their percentage of its participation or if the ACDBE subcontracts a greater portion of the work of a contract than would be expected on the basis of normal industry practice for the

type of work involved, it will be presumed that the ACDBE is not performing a commercially useful function.

- (d) When an ACDBE is presumed not to be performing a commercially useful function as provided in paragraph (c) of this section, the ACDBE may present evidence to rebut this presumption. MDAD will determine that the firm is performing a commercially useful function given the type of work involved and normal industry practices.

4. MDAD's decision on commercially useful function matters are final.

#### **4.3 ACDBE PARTICIPATION ACHIEVED THROUGH JOINT VENTURE("JV") PARTNERING:**

Proposers may decide to satisfy a part of the ACDBE goal by Joint Venturing with an ACDBE. The ACDBE partner must meet the eligibility standards set forth in 49 CFR Part 23. A **"joint venture" or ("JV")** shall mean and may be referred to as an "association" of two or more businesses acting as a concessionaire and performing or providing services on a contract, in which each joint venture or association partner combines property, capital, efforts, skill, and/or knowledge. The Joint Venture agreement must specify the following:

- (1) Each ACDBE joint venture ("JV") partner must be responsible for a clearly defined portion of the work to be performed. The work should be detailed separately from the work performed by the non-ACDBE JV partner.

The work should be submitted as part of this solicitation and annually thereafter to the Aviation Department's Minority Affairs Division. The work to be performed by the ACDBE joint venture partner should be store specific with regards to tasks and location.

The ACDBE Joint Venture partner will be required to spend the minimum amount of aggregate time on-site, focused on the operation of the concession. Such "minimum amount of aggregate time" is defined as ten hours per week.

- (2) Each joint venture partner must submit a notarized Monthly Utilization Report and a notarized Monthly Report of ACDBE Joint Venture Activity providing details of how the performance objectives were achieved and providing documentation of that achievement on the form. This information should include, but not limited to:

- a. Details of training sessions, including class rosters and lesson plans.

- b. Deliverables and work products.
  - c. Time sheets of partner employees used to fulfill objectives. Time sheets must accurately reflect hours worked and compensation earned.
  - d. Proof that employees of partner actually work for them (payroll, payroll tax returns and the like).
- (3) Each ACDBE partner must share in the ownership, control, management, and administrative responsibilities, risks and profits of the JV in direct proportion to its stated level of JV participation.
- (4) Each ACDBE JV partner must perform work that is commensurate with the Lease Agreement.

As described below, each Proposer must submit, as part of its Proposal, a plan for the achievement of the ACDBE goal, including Schedule of Participation and the Letter of Intent from ACDBEs who are Certified or have applied for Certification to the Miami-Dade County Department of Business Development as required by Airport Concession Disadvantaged Business Enterprise Participation Plan (ACDBE).

Without limiting the requirements of the Agreement, the County will have the right to review and approve all agreements utilized for the achievement of these goals. Such agreements must be submitted with the Proposal.

#### **4.4 CERTIFICATION-AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE):**

In order to participate as an ACDBE on this contract, an ACDBE must be certified or have applied for certification to the Miami-Dade County, Department of Small Business Development (SBD) or Florida Uniform Certification Program (FLUCP) at the time of Proposal submittal, but the ACDBE firm must be fully certified on or before the award date.

Application for certification as an ACDBE may be obtained by contacting the Miami-Dade County, Department of Small Business Development (SBD) located at 111 N.W. 1<sup>st</sup> Street, Stephen P. Clark Center, 19<sup>th</sup> Floor, Miami Florida 33128-1974 or by telephone at (305) 375-3111 or facsimile at (305) 375-3160, or visit their website at [www.co.miami-dade.fl.us/SBA/](http://www.co.miami-dade.fl.us/SBA/).

The ACDBE Certification List is maintained and published at least every other week by the Miami-Dade County, Department of Small Business Development (SBD) and contains the names and addresses of currently certified Airport Concession Disadvantaged Business Enterprise (ACDBE's) certified by the agency.

The FLUCP (Florida Unified Certification Program) Directory is available at <http://www.bipincwebapps.com/biznetflorida/>. The Directory lists the firm's name, address, phone number, date of the most recent certification, certifying agency and type of work the firm has been certified to perform. The FLUCP updates the data every 24 hours and revises the Directory regularly. The address for Florida UCP is:

#### **4.5 AFFIRMATIVE ACTION AND AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE PROGRAMS**

The Successful Proposer acknowledges that the provisions of 14 CFR Part 152, Affirmative Action Employment Programs, and 49 CFR Part 23, Airport Concession Disadvantaged Business Enterprise Programs, are applicable to the activities of the Successful Proposer under the terms of the Agreement, unless exempted by said regulations, and hereby agrees to comply with all requirements of the Department, the Federal Aviation Administration and the U.S. Department of Transportation.

In the event it has been determined, in accordance with applicable regulations, that the Successful Proposer has defaulted in the requirement to comply with the provisions of this section and fails to comply with the sanctions and/or remedies then prescribed, the County shall have the right, upon written notice to the Concessionaire, to terminate this Agreement, pursuant to Default language referenced in the Agreement.

The Successful Proposer shall include the following nondiscrimination language in concession related contracts with MDAD:

*"This agreement is subject to the requirements of the US Department of Transportation's Regulations 49 CFR Part 23. The concessionaire or contractor*

*agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR Part 23."*

*"The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23, that it enters and cause those businesses to similarly include the statements in further agreements."*

The Successful Proposer agrees to include the above statements in any subsequent lease and concession agreements.

#### **4.6 ACDBE MENTORING, ASSISTANCE AND TRAINING PROGRAM**

Consistent with the goal of providing ACDBE's with hands-on participation and the responsibility for a clearly defined portion of the Airport Concession operations, subject to **Section 4** "Airport Concession Disadvantaged Business Enterprises" hereof, each ACDBE shall have the duty and responsibility to operate certain areas of the concession(s) following a mentoring period, if needed, which shall include but not be limited to the following specific duties and responsibilities:

The Successful Proposer shall contract with those firm(s) as are listed on the Successful Proposer's ACDBE Participation Plan in the Proposal documents and approved by the Department, and shall thereafter neither (i) terminate such ACDBE firm(s), nor (ii) reduce the scope of the work to be performed, nor (iii) decrease the percentage of participation, nor (iv) decrease the dollar amount of participation by the ACDBE firm(s) without the prior written authorization of the Department.

## SECTION 5.0

### EVALUATION PROCESS

#### 5.1 EVALUATION/SELECTION PROCESS OVERVIEW

Following the opening of the Proposals, the Proposals will be evaluated by an Evaluation/Selection Committee appointed by the County Manager. It is the responsibility of the Evaluation/Selection Committee to ensure that a Proposal submittal complies with all of the requirements of this RFP and assess it accordingly.

#### 5.2 REVIEW OF PROPOSALS FOR RESPONSIVENESS AND RESPONSIBLENESS

Each Proposal will be reviewed to determine if the Proposal is compliant with the submission requirements outlined in this RFP. A responsive Proposal is one which follows the requirements of this RFP, includes all documentation, is submitted in the format outlined in this RFP, is of timely submission, and has the appropriate signatures as required on each document. Failure to comply with these requirements may result in a Proposal being deemed non-responsive by the Office of the County Attorney.

The Evaluation/Selection Committee shall determine if the Proposal is responsible. In making these determinations, the Evaluation/Selection Committee shall have the right to investigate the management, operational experience, financial stability, reputation and business judgment of any Proposer and their management, including the conducting of investigations of the officers, directors, principal, stockholders, other principals, if any, of the business entity of the Proposer, its affiliates and parent company and the proposed management, and to review and investigate all contracts the Proposer has performed for the County or

others. The Proposer agrees to provide upon request any additional information that may be required by the Committee or the Department. In addition, the Evaluation/Selection Committee reserves the right to inspect the Location at which the Proposer conducts its business and provides services.

### 5.3 EVALUATION PROCESS

It is the obligation of the Proposer to provide all information necessary for MDAD's evaluation according to the criteria listed in this RFP document and/or any addenda that may be issued. Evaluation criteria have been established based upon the goals and objectives as provided in this RFP. Based on the Evaluation/Selection Committee's evaluation of the written Technical Proposal and oral presentations, if required, the Committee shall, if there is more than one responsive and responsible Proposer rate and rank the responsive and responsible firms on their Technical Proposal based on the criteria listed below. If there is only one (1) responsive and responsible Proposer, the Committee may, following MAG proposal evaluation, recommend to award or negotiate an Agreement, or to reject the sole or remaining Proposal. The technical criteria listed below may not be of equal value or decision weight nor are they necessarily ranked in order of importance. A Proposer for a particular package may receive the maximum points or a portion of this score depending on the merit of its Proposal, as judged by the Evaluation/Selection Committee member in accordance with the criteria below.

The Packages will be evaluated in sequential order starting with Package One (1), (see also Sub-Section 5.6)

Each Proposer for a particular package will be evaluated on the basis of information provided in the written Proposal submittal using the following criteria. The technical proposal criteria are itemized with their respective weights for a maximum total of eight hundred fifty (850) points per each voting Evaluation/Selection member, for each package. The written Proposal may be verified or clarified by the oral presentation, if any.

**5.4 EVALUATION CRITERIA****TECHNICAL PROPOSAL EVALUATION**

<u>CRITERIA</u>	<u>MAXIMUM PTS</u>
1) Financial Capacity to Perform/Financing	75
2) Experience and Qualifications	150
3) Developing, Designing and Constructing (including, but not limited to the following:)	250
- Merchandising, Design and Layout Plan	
- Facilities Design & Construction Coordination	
4) Managing, Operating and Maintaining (including, but not limited to the following:)	225
- Facility Maintenance Plan	
- Operations	
- Management Plan	
- Local management	
5) ACDBE Participation	100
6) Leasing/Subleasing Plan	<u>50</u>
<b>Total Technical Proposal Maximum Points</b>	<b>850</b>

**MAG EVALUATION**

1) MAG Proposal Maximum Points	<u>150</u>
<b>Total Evaluation Points</b>	<b>1000</b>

After the Evaluation/Selection Committee completes the evaluation of the Technical Proposal, the sealed Minimum Annual Guarantee envelopes will be opened in the presence of the Evaluation/Selection Committee. The Minimum Annual Guarantee Proposal submission will be assigned a maximum of 150 points per voting Evaluation/Selection Committee member, per package.

The MAG Proposal Forms will be evaluated in the following manner:

1. The responsive/responsible proposal with the highest MAG will be given the full weight of one hundred fifty (150) points assigned to the MAG criterion.
2. Every other responsive/responsible proposal will be given points proportionately in relation to the highest responsive/responsible MAG. This point total will be calculated by dividing the MAG of the proposal being evaluated by the highest responsive/responsible MAG with the result being multiplied by the maximum weight for MAG (150 points) to arrive at a MAG Proposal score of less than the full score for the MAG criterion.

Example: Proposer proposed MAG

$$\text{Highest proposed MAG} \times 150 \text{ (Total Points for MAG)} = \text{MAG Score}$$

The MAG Proposal points will be added to the technical score for each voting Evaluation/Selection Committee member to develop the total score for each Proposal.

## 5.5 OVERALL RANKING

After the MAG evaluation, the Evaluation/Selection Committee will then determine the overall ranking for each package by adding the aggregate Minimum Annual Guarantee evaluation score with the aggregate Technical evaluation score and all other applicable additional points specified in this RFP, if any, to determine the overall ranking. The Proposer with the highest points will be ranked first. A Proposer will not be recommended for award for more than one Package.

In the event the overall ranking is calculated and a tie occurs between the highest rated Proposers, then the first tiebreaker will be consideration of local preference. If after the application of Section 2-8.5 of the Code (Local Preference), is applied and a tie still exists, then the Evaluation/Selection Committee shall be reconvened to allocate a maximum of five (5) points per voting Evaluation/Selection Committee member present at the oral presentations, for the construction design presented in the Proposals. Local Preference shall not apply if it results in a Local ACDBE gaining an advantage over a Non-Local ACDBE, a violation of Federal Regulations.

In the event that a Proposer has the highest overall score in multiple

packages, the Committee shall recommend award to the Proposer of the Package which will result taking into account differences in the MAG between the Proposers with the highest cumulative MAG to MDAD for all awarded Packages under this RFP.

## 5.6 NEGOTIATIONS

The County may award the Lease and Concession Agreement for each Package on the basis of initial offers received, without discussion or negotiation. Therefore, each initial offer should contain the Proposer's best terms from a monetary and technical standpoint.

However, if it is determined that negotiations are necessary **or are required as a result of the application of Local Preference (see RFP Sub-Section 5.9)**, upon appointment and authorization by the County Manager, the Negotiation Committee will proceed to negotiate with the recommended Proposer.

The County reserves the right to enter into contract negotiations with the recommended Proposer. If the County and the recommended Proposer cannot negotiate a successful contract, the Negotiation Committee may terminate said negotiations and begin negotiations with the next ranked responsive and responsible Proposer. This process may continue until an agreement is executed or the County may reject all Proposals received. No Proposer shall have any rights against the County arising from such negotiations or termination thereof.

## 5.7 CONTRACT AWARD

The Successful Proposer shall execute the attached Agreement within ten (10) calendar days after the County presents such Agreement to the Successful Proposer. This will occur prior to the filing of the contract award recommendation with the Clerk of the Board.

The contract award, if any, shall be made to the Proposer whose Proposal shall be deemed by the Board to be in the best interest of the County. The Board's decision of whether to make the award and which Proposal is in the best interest of the County shall be final.

**Failure to provide required insurance and bonds, and to execute other required documents prior to award of any Agreement, or failure of the recommended Proposer to execute the Agreement as required above, may constitute a repudiation of the Proposer's Proposal and result in forfeiture of any deposits and bonds provided pursuant to this RFP.**

## 5.8 LOCAL PREFERENCE

Pursuant to Section 2-8.5 of the Code of Miami-Dade, the Local Preference provisions include the following:

1. Local business means the vendor has a valid occupational license issued by Miami-Dade County at least one (1) year prior to bid or proposal submission to do business within Miami-Dade County that authorizes the business to provide the goods, services or construction to be purchased, and a physical business address located within the limits of Miami-Dade County from which the vendor operates or performs business. Post Office Boxes are not verifiable and shall not be used for the purpose of establishing said physical address. In addition to the foregoing, a vendor shall not be considered a "local business" unless it contributes to the economic development and well-being of Miami-Dade County in a verifiable and measurable way. This may include, but not be limited to the retention and expansion of employment opportunities and the support and increase to the County's tax base. Vendors shall affirm in writing their compliance with the foregoing at the time of submitting their bid or proposal to be eligible for consideration as a "local business" under this section. A vendor who misrepresents the Local Preference status of its firm in a proposal or bid submitted to the County will lose the privilege to claim local preference status for a period of up to one (1) year. The County Manager, in his discretion, may also recommend that the firm be referred for debarment in accordance with Section 2-8.4.1 of the Code of Miami-Dade County.
2. Request for proposals, qualifications or other submittals and competitive negotiation and selection. If, following the completion of final rankings (technical and MAG combined, if applicable) by the selection committee, a non-local business is the highest ranked Proposer, and the ranking of a local Proposer is within 5% of the ranking obtained by the non-local Proposer, then the highest ranked local Proposer shall have the opportunity to proceed to negotiations with the County under the applicable sections of the Code. Local Preference shall not apply if it results in a Local ACDBE gaining an advantage over a Non-Local ACDBE, a violation of Federal Regulations.
3. If a tie occurs between two (2) or more local businesses, then contract award on the basis of best and final bids, or the opportunity to proceed to negotiations, shall be made to such local business having the greatest number of its employees that are Miami-Dade County residents.
4. The application of Local Preference to a particular purchase or contract for which the Board of County Commissioners is the awarding authority may be waived upon approval of the Board of County Commissioners.

The application of Local Preference to a particular purchase or contract for which the County Manager is the awarding authority may be waived upon written recommendation of the Director of Procurement Management or successor and approval of the County Manager.

5. The preferences established herein in no way prohibit the right of the Board of County Commissioners to compare quality of materials proposed for purchase and compare qualifications, character, responsibility and fitness of all persons, firms or corporations submitting bids or proposals. Further, the preferences established herein in no way prohibit the right of the County Commission from giving any other preference permitted by law instead of the preferences granted herein.
6. In the event Broward, Palm Beach or Monroe County extend preferences to local businesses, Miami-Dade County may enter into an interlocal agreement with such County wherein the preferences of this section may be extended and made available to vendors that have a valid occupational license issued by Broward, Palm Beach or Monroe County to do business in that County that authorizes the vendor to provide the goods, services or construction to be purchased, and a physical business address located within the limits of that County. Post Office Boxes are not verifiable and shall not be used for the purpose of establishing said physical address. In addition to the foregoing, a vendor shall not be considered a "local business" unless it contributes to the economic development and well-being of Broward, Palm Beach or Monroe County, whichever is applicable, in a verifiable and measurable way. This may include, but not be limited to, the retention and expansion of employment opportunities and the support and increase to that County's tax base. Vendors shall affirm in writing their compliance with the foregoing at the time of submitting their bid or proposal to be eligible for consideration as a "local business" under this section. In no event shall the amount of the preference accorded Broward, Palm Beach or Monroe County firms exceed the amount of preference that such County extends to Miami-Dade County firms competing for its contracts. **Note: An interlocal agreement has been entered into with Broward County.**
7. The Proposer should complete, sign and submit the attached form, **Appendix I**, "Local Business Preference" with the Proposal, in order to be considered for Local Preference.

## 5.9 RIGHTS OF PROTEST

A recommendation for contract award or rejection of award may be protested by a bidder or proposer in accordance with the procedures contained in Sections 2-8.3 and 2-8.4 of the Code, and as established in

A.O. No. 3-21.

As a condition of initiating any protest, the protester shall present to the Clerk of the Board a non-refundable filing fee payable to the Clerk of the Board in accordance with the schedule provided below.

<u>Award Amount</u>	<u>Filing Fee</u>
\$ 25,001- \$100,000	\$ 500
\$100,001- \$500,000	\$1,000
\$500,001- \$5 million	\$3,000
over \$5 million	\$5,000

Any question, issue, objection or disagreement concerning, generated by, or arising from the published requirements, terms, conditions or processes contained or described in the solicitation document shall be deemed waived by the protester and shall be rejected as a basis for protest unless it was brought by that bidder or proposer to the attention, in writing, of the procurement agent, buyer, contracting officer or other contact person in the County department that issued the solicitation document, at least two (2) working days (not less than forty-eight (48) hours) prior to the hour of bid opening or proposals submission.

A protest hereunder may not challenge the relative weight of the evaluation criteria or the formula specified for assigning points therefore contained in bid, request for proposals or request for qualifications specifications which have been approved by the Commission.

#### Award Recommendations Over \$100,000

Award recommendations for contracts and purchases involving the expenditure of over \$100,000 will be in writing, signed by the issuing department to each competing bidder or proposer announcing the proposed award, and a copy shall be deposited with the Clerk of the Board on the same day it is mailed. The bidder or proposer must file a written intent to protest with the Clerk of the Board and shall mail it to all participants in the competitive process and to the County Attorney's Office within three (3) working days of the filing of the Manager's recommendation with the Clerk. Within three (3) working days after the filing of a written intent to protest, the protester shall then file with the Clerk of the Board all pertinent documents, stating with particularity the specific facts and grounds on which the protest is based and shall include supporting evidence, as well as the corresponding filing fee, and shall mail copies to all participants in the competitive process and to the Office of the County Attorney. Other facts, grounds, documentation or evidence not contained in the protester's submission to the Clerk of the Board at the time of filing the protest shall not be permitted in the consideration of the

protest, except for such additional evidence as is allowed during the course of the protest proceedings. A hearing examiner shall be appointed to hear the protest and submit a written report and recommendation to the County Manager within twenty (20) working days of the filing of the protest (maximum 25 working days if hearing examiner consents to an extension request). Failure to timely file the written protest shall constitute a waiver of the right to protest the award recommendation.

Commencing upon the first day of the month after the earlier to occur of (i) Location Commencement Date of each Location or (ii) 365 days from the Effective Date of the Agreement.

**Example for the prorated Minimum Annual Guarantee calculation:**

Commencing upon Location Commencement Date of each Location:

<u>Location</u>	<u>Square Footage</u>	<u>Percent</u>

## ARTICLE 4 – IMPROVEMENTS TO THE LOCATIONS

**4.01 IMPROVEMENTS TO LOCATIONS:** The Master Concessionaire shall be required to invest a minimum of two twenty hundred dollars per square foot (\$220.00 psf), for Approved Improvements for the design, construction, furniture, fixtures and equipment excluding interior signage and inventory for each Location listed in Exhibit A and any additional location taken by the Master Concessionaire pursuant to **Sub-Article 1.07(A) “Addition of Locations”**. Notwithstanding the actual amount of design and engineering costs incurred with respect to improvements for a Location, the maximum proportion of soft costs permitted to be included as Approved Improvements shall be no more than fifteen percent (15%) of the total design and engineering cost. All improvements shall be subject to review and approval by the Department. The Department may, with mutual agreement, fund certain improvements needed to support the concession space and allow the Master Concessionaire to build such improvements in compliance with MDAD TAC procedures.

It is the intent of the parties that Approved Improvements may include but are not limited to the décor, remodeling of the wall and floor coverings, ceiling, lighting, millwork, HVAC, fire detection and fire suppression or such other improvements as are approved by the Department. Such improvements shall be shown in the design detail in the Final Plans, as such term is defined in **Sub-Article 4.02 “Design of Improvements”**.

Improvements not constituting Approved Improvements shall include improvements that (i) are non-fixed, (ii) have not been reimbursed by the Department pursuant to **Sub-Article 4.09 “Cost Documentation”**, and (iii) can be removed without damage to the premises. The Master Concessionaire is liable and shall indemnify the Department for any damage to the Locations which results from the removal of said improvements. This provision shall survive the termination or expiration of this Agreement.

Off-Airport properties used as storage space will not be considered as Locations, as stated in **Article 4 “Improvements to the Locations”** or as an extension of this Agreement, and costs incurred by either the Master Concessionaire or its Sub-tenants to provide such storage space shall not constitute Approved Improvements.

**4.02 DESIGN OF IMPROVEMENTS:** Plans for the design of improvements will be in accordance with Exhibit E “Retail Concessions Design Guidelines”, Exhibit F “Tenant Airport Construction Non-Reimbursable Projects (TAC-N) Design and Construction Procedures” or Exhibit M “Tenant Airport Construction Reimbursable Projects (TAC-R) Design and Construction Procedures”, as applicable, the “MDAD Life Safety Master Plan” and the “MDAD Design Guidelines Manual” ([www.Miami-Airport.com](http://www.Miami-Airport.com)) as may be established for the Concessions Retail Program. As plans for the improvement of individual Locations or common area improvements are completed, the Master Concessionaire shall submit to the Department for review, approval or modification detailed final plans (“Final Plans”) and specifications (including materials, colors, textures and fixtures), construction cost estimates and schedules for the construction of the improvements. The Final Plans shall be prepared by an architectural interior design and/or

- 4.03 REFURBISHMENT OF LOCATIONS:** The Master Concessionaire will be required to refurbish the Locations or cause its Sub-tenants to refurbish their respective Locations to begin no earlier than the sixth (6<sup>th</sup>) Term year of the Agreement and be completed no later than the last day of the sixth (6<sup>th</sup>) Term year of this Agreement.

Approved Improvements for the refurbishment of the Locations shall not be less than fifty dollars per square foot (\$50 psf). There will be no reimbursement or amortization of these costs for refurbishment.

- 4.04 CERTAIN CONSTRUCTION CONTRACT TERMS:** All contracts entered into by the Master Concessionaire and/or its Sub-tenants for the construction of the Improvements shall require completion of the improvements within the schedules submitted pursuant to **Sub-Article 4.02 "Design of Improvements"** and shall contain reasonable and lawful provisions for the payment of actual or liquidated damages to the County in the event the contractor fails to complete the construction on time. The Master Concessionaire agrees that it will use its best efforts and shall also require the Sub-tenants to take all necessary action available under such construction contracts to enforce the timely completion of the work covered thereby.

Prior to the commencement of any installation work by the Master Concessionaire, the Master Concessionaire shall provide or cause to be provided to the County copies of a fixed price contract or contracts for all work to be performed at the Locations. The work to be performed under such contract(s) shall be insured by a Exhibit B, "Surety Performance and Payment Bond" provided by Master Concessionaire to the County in the form contained in Exhibit B "Surety Performance and Payment Bond" in the Lease and Concession Agreement. The Surety Performance and Payment bond shall be in full force throughout the term of the installation contract.

- 4.05 IMPROVEMENTS FREE AND CLEAR:** The improvements, upon completion, shall immediately become the property of the County, free and clear of any liens or encumbrances whatsoever, other than the County's obligation to reimburse the Master Concessionaire for the un-amortized value of the Approved Improvements as provided in this Agreement. The Master Concessionaire agrees that any contract for construction, alteration or repairing of the improvements or Locations or for the purchase of material to be used, or for work and labor to be performed, shall be in writing and shall contain provisions to protect the County (and the Master Concessionaire for contracts entered into by Sub-tenants) from the claims of any laborers, subcontractors or material men against the locations or improvements.

- 4.06 OTHER REQUIREMENTS:** The Master Concessionaire shall or shall cause the Sub-tenants to apply for and obtain a building permit from the County for all appropriate inspections and a Certificate of Occupancy upon completion. Within sixty (60) Days following the completion of construction of the improvements, the Master Concessionaire shall furnish or shall cause the Sub-tenants to furnish to the Master Concessionaire and the County four complete sets each of legible prints (black line), photo mylars and 35 mm

aperture card microfilm of construction drawings, and auto cad files revised to "as built", including all pertinent shop and working drawings, copies of all releases of all claims and a copy of the Certificate of Occupancy provided the Master Concessionaire does not disseminate such information, refer to Transportation Security Regulations (TSR), 49 C.F.R. 1520, et al., Protection of Sensitive Security Information.

No Facility will be allowed to open without obtaining a Temporary Certificate of Occupancy or a Certificate of Occupancy.

Any change in the Location, concept or tenant proposed in response to the Request for Proposals must be approved in writing by the County. The Sub-tenant occupying the Location submitted in response to the Request for Proposal shall be given notice of the proposed change in writing with a copy to the County and an opportunity to respond in writing to the County and have an opportunity to be heard by the County.

- 4.07 REVIEW OF CONSTRUCTION:** The County shall have the right, but not obligation, to periodically observe the construction to ensure conformity with the Final Plans and any changes thereof requested by the Master Concessionaire or the Sub-tenant and approved by the County.
- 4.08 COST DOCUMENTATION:** Within one hundred eighty (180) Days from the date of Beneficial Occupancy, specifically including those improvements described in **Sub-Articles 4.01 "Improvements to Locations"**, and **4.03 "Refurbishment of Locations"**, the Master Concessionaire shall submit to the County a certified audit of the monies actually expended in the design and construction of the Approved Improvements by Location in accordance with the Final Plans, prepared by an independent certified public accounting firm ("Auditor"), approved in advance by the County (the "Certified Audit"). The Master Concessionaire or the Sub-tenants, as the case may be, shall be responsible for documenting for the Auditor that the monies that were expended are true and correct. The costs of design and construction, in accordance with the Final Plans and any changes thereto requested by the Master Concessionaire or the Sub-tenants and approved by the County, including the costs of required bonds, construction insurance and the construction audit, shall not include the cost of any other consultant or accountant fees, financing or legal fees and personal property of the Master Concessionaire or the Sub-tenants, as the case may be. No non-receipted expenditures will be credited. Master Concessionaires not submitting certified audits within the allotted time may be billed a liquidated damage of fifty dollars (\$50.00) per Day. Upon reconciliation, any difference due the County shall also include an administrative fee of ten per cent (10%) of the monies due the County on the build-out of the Locations. The decision of said consulting engineer, acting in good faith, shall be final and binding upon the parties hereto.

The Department shall notify the Master Concessionaire in writing that it has approved or disapproved the certified costs for each Location and the common area improvements

detailed in the Certified Audit within sixty (60) Days from the date of its receipt of the Certified Audit. If the Master Concessionaire fails to submit the Certified Audit within the time prescribed above for any Location, then a liquidated damage will be assessed as noted in **Sub-Article 3.24 "Liquidated Damages"**. The Approved Improvement cost for purposes of calculating the County's obligation to reimburse the Master Concessionaire for un-amortized improvement costs for such Location pursuant to **Sub-Article 4.09 "Amortization Schedule"** shall equal the lesser of two hundred twenty dollars (\$220) per square foot or the square footage rate of improvement costs for such Location certified by the Auditor.

If the approved total receipted amount is below the Master Concessionaire or its Sub-tenant's minimum investment and is depicted as such in the results of the Certified Audit, the Master Concessionaire shall be required to pay to the Department the difference between the expended amount and the minimum investment, within one hundred eighty (180) Days from the date of Beneficial Occupancy of the corresponding Location.

If the approved total receipted amount for Refurbishment of Locations is below the Master Concessionaire's or its Sub-tenant's investment, the Master Concessionaire shall be required to pay the Department the difference between the expended amount and the refurbishment amount within one hundred eighty (180) Days from the date of completion of refurbishment.

The Master Concessionaire shall be entitled to obtain reimbursement of such payments made to the Department from the applicable Sub-tenant(s) who fails to spend the minimum investment or the refurbishment amount for their specific Locations.

**4.09 AMORTIZATION SCHEDULE:** The Master Concessionaire shall amortize its capital investment for a period not to exceed (60) months using the straight-line depreciation method. If, at any time during the Term of the Agreement, excluding any extension, the Department requires the deletion and/or modification of any Location, the Department may designate new Locations at its sole discretion and reimburse the Master Concessionaire the unamortized balance of Approved Improvements for that Location.

Investment subject to such reimbursement shall include the following items only:

1. Directly contracted costs of construction.
2. Stores displays more than \$500 per display, furniture, fixture, equipment and signage purchased and installed for direct use in the facility.
3. Design and engineering costs not to exceed fifteen percent (15%) of the total approved construction, installation, store displays, furniture, fixture, equipment and signage cost.

There will be no other reimbursement.

A certified audit of monies for the above expenditures performed at the expense of the Master Concessionaire will be required to confirm the Minimum Investment within one hundred twenty (120) Days of Beneficial Occupancy for each Location. No non-receipted expenditures will be credited. If the approved total receipted amount is below the (\$220/psf) minimum, the Master Concessionaire will be required to pay the Department the difference between the Minimum Investment amount and the actual receipted expenditure within ninety (90) Days after billing by the Department.

Master Concessionaires not submitting a certified audit within the allotted time may be billed a liquidated damage of fifty dollars (\$50.00) per Day. Upon reconciliation, any difference due the Department shall also include an administrative fee of twenty-five percent (25%) of the monies due the Department on the build-out of the Locations.

Prior to the commencement of any construction installation or work by the Master Concessionaire, the Master Concessionaire shall provide or cause to be provided to the Department copies of a fixed price contract or contracts for all work to be performed at the Locations. The work to be performed under such contract(s) shall be insured by a Performance and Payment Bond provided by Master Concessionaire to the Department in the form contained in Exhibit B "Performance and Payment Bond" in the Agreement. The Performance and Payment Bond shall be in full force throughout the term of the installation / construction contract.

**4.10 CONSTRUCTION PERMIT FEE:** The Master Concessionaire shall pay a permit fee to the Department for improvements which would customarily be paid to the County's Building Department as a condition to issuance of a permit. The permit fee payable by the Master Concessionaire to the Department is an amount equal to one percent (1%) of the estimated construction cost of the improvements. Such fee shall be used to reimburse the Department its costs of maintaining on-site Building Department staff to review Master Concessionaire's and Sub-tenant's plans/specifications. Such fee shall be non-refundable. The Master Concessionaire shall be entitled to require the Sub-tenants to pay their proportionate share for the construction costs for the improvements to be made by the Sub-tenants in each Location.

Pending final decision of a dispute hereunder, the Master Concessionaire shall proceed diligently with the performance of this Agreement and in accordance with the County's decision. Failure to perform in accordance with the decision of the Director or the County Manager shall be cause for termination of this Agreement in accordance with **Sub-Article 12.03 “Other Defaults”**. The failure of the Master Concessionaire to comply with this administrative claim procedure shall be cause for a waiver of claim and an abandonment of any claim arising out of the event.

**13.02 TERMINATION:** The Master Concessionaire shall have the right, upon thirty (30) Days written notice to the County to terminate this Agreement, without liability to the County, at any time after the occurrence of one or more of the following events:

The Successful Proposer will be required to submit to the Department's Minority Affairs Division, Monthly Utilization Reports (MUR) reflecting ACDBE revenue and operational expenses, commencing 90 days after beneficial occupancy and monthly thereafter, on or before the 10<sup>th</sup> of every month.

### 14.02 **COUNTING ACDBE PARTICIPATION TOWARD CONTRACT GOALS:**

When an ACDBE participates in a contract, only the value of the work actually performed by the ACDBE toward the ACDBE goal will be counted.

When an ACDBE performs as a participant in a joint venture a portion of the total dollar value of the contract **during the complete contract term**, equal to the clearly defined portion of the work of the contract that the ACDBE performs will be counted toward ACDBE goals.

Expenditures to an ACDBE contractor toward ACDBE goals will be counted only if the ACDBE is performing a commercially useful function as defined below:

- (a) An ACDBE performs a commercially useful function when it is responsible for execution of specific quantifiable work of the contract and is carrying out its responsibilities by actually performing, or managing, or supervising the specific identified work.

MDAD will determine whether an ACDBE is performing a commercially useful function by evaluating the specific duties outlined in the Joint Venture Agreement; the subcontract agreement or other agreements in accordance with industry

practices, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and other relevant factors.

- (b) An ACDBE does not perform a commercially useful function if its role is limited to that of an extra participant in a financial or other transaction, contract, or project through which funds are passed in order to obtain the appearance of ACDBE participation.
- (c) If an ACDBE does not perform or exercise responsibility for at least their percentage of its participation or if the ACDBE subcontracts a greater portion of the work of a contract than would be expected on the basis of normal industry practice for the type of work involved, it will be presumed that the ACDBE is not performing a commercially useful function.
- (d) When an ACDBE is presumed not to be performing a commercially useful function as provided in paragraph (c) of this section, the ACDBE may present evidence to rebut this presumption. MDAD will determine that the firm is performing a commercially useful function given the type of work involved and normal industry practices.

4. MDAD's decision on commercially useful function matters are final.

**14.03 ACDBE GOAL ACHIEVED THROUGH JOINT VENTURE ("JV") PARTNERING:**

Proposers may decide to satisfy a part of the ACDBE goal by Joint Venturing with an ACDBE. The ACDBE partner must meet the eligibility standards set forth in 49 CFR Part 23. A **"joint venture" or ("JV")** shall mean and may be referred to as an "association" of two or more businesses acting as a concessionaire and performing or providing services on a contract, in which each joint venture or association partner combines property, capital, efforts, skill, and/or knowledge. The Joint Venture agreement must specify the following:

- (1) Each ACDBE joint venture (**"JV"**) partner must be responsible for a clearly defined portion of the work to be performed. The work should be detailed separately from the work performed by the non-ACDBE JV partner.

The work should be submitted as part of this solicitation and annually thereafter to the Aviation Department's Minority Affairs Division. The work to be performed by the ACDBE joint venture partner should be store specific with regards to tasks and locations.

The ACDBE Joint Venture partner will be required to spend the minimum amount of aggregate time on-site, focused on the operation of the concession. Such "minimum amount of aggregate time" is defined as ten hours per week.

- (2) Each joint venture partner must submit a notarized Monthly Utilization Report and a notarized Monthly Report of ACDBE Joint Venture Activity providing details of how the performance objectives were achieved and providing documentation of that achievement on the form. This information should include, but not limited to:
  - a. Details of training sessions, including class rosters and lesson plans.
  - b. Deliverables and work products.
  - c. Time sheets of partner employees used to fulfill objectives. Time sheets must accurately reflect hours worked and compensation earned.
  - d. Proof that employees of partner actually work for them (payroll, payroll tax returns and the like).
- (3) Each ACDBE partner must share in the ownership, control, management, and administrative responsibilities, risks and profits of the JV in direct proportion to its stated level of JV participation.
- (4) Each ACDBE JV partner must perform work that is commensurate with the Lease Agreement.

As described below, each Proposer must submit, as part of its Proposal, a plan for the achievement of ACDBE goal, including Schedule of Participation and the Letter of Intent from ACDBE's who are Certified or have applied for Certification to the Miami-Dade County, Department of Small Business Development (SBD) as required by Airport Concession Disadvantaged Business Enterprise Participation Plan (ACDBE).

Without limiting the requirements of the Agreement, the County will have the right to review and approve all agreements utilized for the achievement of these goals. Such agreements must be submitted with the Proposal.

**18.15 SECURED AREAS/AIRFIELD OPERATIONS AREA (AOA) STERILE AREAS SECURITY:** The Concessionaire acknowledges and accepts full responsibility for compliance with all applicable Federal, State, and Local laws, rules and regulations including those of the Transportation Security Administration (TSA), Homeland Security, FAA, CBP and MDAD as set forth from time to time relating to Contractor's activities at the Miami International Airport (MIA).

In order to maintain high levels of security at MIA, the Concessionaire must obtain MDAD photo identification badges for all the Concessionaire employees working in the Secured/AOA/Security Identification Display Area (SIDA) Sterile Areas or any other restricted areas of the Airport. All Concessionaire employees will be required to obtain photo identification badges and will be subject to fingerprint-based criminal history records checks.

The Concessionaire shall be responsible for requesting MDAD to issue identification badges to all employees who the Concessionaire requests to be authorized access to the Secured/AOA/SIDA/Sterile Areas and any other restricted areas of the airport and shall be further responsible for the immediate reporting of all lost or stolen ID badges and the immediate return of the ID badges of all personnel transferred from Airport assignment or terminated from the employer of the Concessionaire or upon final acceptance of the work or termination of this Agreement. The Concessionaire will be responsible for fees

associated with lost and unaccounted for badges as well as the fee(s) for fingerprinting and ID issuance.

All employees of the Concessionaire who must work within MDAD Secured/AOA/SIDA/Sterile areas or any other restricted areas at MIA shall be supplied with MDAD identification badges as specified above, which must be worn at all times while within the referenced secured areas. Badges shall be worn on outer garments above the waist so as to be clearly visible in order to distinguish, on sight, employees assigned to a particular company area. Each employee must complete the SIDA training program conducted by MDAD and comply with all other TSA, Homeland Security, FAA, CBP and MDAD requirements as specified by the MDAD at the time of application for the ID badge before an ID badge is issued. At the present time, MDAD Security and Safety ID Section regularly provides SIDA Training.

Concessionaire Ramp Permits will be issued to the Concessionaire authorizing vehicle entrance to the Airfield Operations Area (AOA) through specified Miami-Dade Aviation Department guard gates for the term of any Project. These permits will be issued only for those vehicles that must have access to the site during the performance of the work. These permits will be only issued to company owned vehicles or company leased vehicles (leased from a commercial leasing company). AOA decals, passes, or permits to operate within the AOA will not be issued to privately owned or privately leased vehicles. All vehicles operating within the AOA must have conspicuous company identification signs (minimum of three inch lettering) displayed on both sides of the vehicles.

All vehicles operating within the AOA must be provided with the Automobile Liability Insurance required elsewhere in this Agreement. Proof of such insurance is provided to MDAD Airside Operations Division upon request.

Only Concessionaire staff with pictured MDAD ID badges shall be allowed to operate a motor vehicle on the AOA without a MDAD escort. The privilege of a person to operate a motor vehicle on the AOA may be withdrawn by the Department because of violation of AOA driving rules or loss of Florida driver's license.

The Concessionaire agrees that its personnel, vehicles, cargo, goods, and other personal property are subject to being searched when attempting to enter, leave or while on the AOA. It is further agreed that the MDAD has the right to prohibit an individual, agent, or employee of the Concessionaire from entering the AOA, based upon facts which would lead a person of reasonable prudence to believe that such individual might be inclined to engage in theft, cargo tampering, aircraft sabotage, or other unlawful activities, including repeated failure to comply with MDAD's or the TSA, Homeland Security, FAA, CBP, SIDA access control policies, rules and regulations. Any person denied access to the AOA or whose prior authorization has been revoked or suspended on such grounds shall be entitled to a review hearing before the Director or his/her authorized designee within a

reasonable time. Prior to such hearing, the person denied access to the AOA should be advised, in writing, of the reason for such denial.

The Concessionaire acknowledges and understands that these provisions are for the protection of all users of the AOA and are intended to reduce the incidence of thefts cargo tampering, aircraft sabotage, and other unlawful activities at the Airport and to maximize compliance with TSA, Homeland Security, FAA/Federal Inspection Services agencies and MDAD access control policies and procedures.

The Concessionaire understands and agrees that vehicle and equipment shall not be parked/stored on the AOA in areas not designated or authorized by MDAD nor in any manner contrary to any posted regulatory signs, traffic control devices, or pavement markings.

The Concessionaire understands and agrees that all persons entering and working in or around arriving international aircraft and facilities used by the various Federal Inspection Services agencies may be subject to the consent and approval of such agencies. Persons not approved or consented to by the Federal Inspection Services agencies shall not be employed by the Concessionaire in areas under the jurisdiction or control of such agencies. Persons not approved or consented to by the Federal Inspection Services agencies who enter such areas are subject to fines, which shall be borne entirely by the persons and/or the Concessionaire.

Notwithstanding the specific provisions of this Article, the Owner shall have the right to add to, amend, or delete any portion hereof in order to meet reasonable security requirements of MDAD or of the TSA/Homeland Security/FAA/Federal Inspection Services agencies.

The Concessionaire shall ensure that all employees so required participate in such safety, security and other training and instructional programs, as MDAD or appropriate Federal agencies may from time to time require.

Concessionaire agrees that it will include in all contracts and subcontracts with its MIA sub-consultants, service providers, and suppliers an obligation by such parties to comply with all security requirements applicable to their operations at the Airport. The Concessionaire agrees that in addition to all remedies, liquidated damages, and sanctions that may be imposed by TSA, Homeland Security, FAA, Federal Inspection Services Agencies or MDAD upon Concessionaire sub-consultants, suppliers, and their individual employees for a violation of applicable security provisions. The Concessionaire shall be responsible to the Owner for all such violations and shall indemnify and hold the Owner harmless for all costs, fines and liquidated damages arising there from, such costs to include reasonable attorneys' fees.

**18.16 INTENT OF AGREEMENT:** This Agreement is for the benefit of the parties only and does not: (a) grant rights to third party beneficiaries or to any other person; or (b) authorize non-parties to the Agreement to maintain an action for personal injuries, professional liability, or property damage pursuant to the terms or provisions of the Agreement.

**18.17 MODIFICATIONS:** This Agreement may be modified and revised in writing and duly executed by the parties hereto. Such modification may be made unilateral by the Department only as permitted pursuant to **Sub-Article 18.04 “Administrative Modifications”, Sub-Article 21.02 “Right to Amend”, and Sub-Article 21.04 “Right to Modify”**. Any oral representation or modification concerning this Agreement shall be of no force or effect. No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless set forth in writing in accordance with this Agreement.

**18.18 RADON DISCLOSURE:** In accordance with Section 404.056, Florida Statutes, the following disclosure is hereby made: **“Radon Gas: Radon is a naturally occurring radioactive gas. When accumulated in a building in sufficient quantities, it may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.”**

**18.19 TRADEMARKS AND LICENSES:** The Department may, from time to time, require the Master Concessionaire as part of its advertising and marketing program to utilize certain patents, copyrights, trademarks, trade names, logos, computer software and other intellectual property owned by the Department in the performance of this Agreement which patents, copyrights, trademarks, trade names, logos, computer software and intellectual property may have been created pursuant to the terms of this Agreement. Such permission, when granted, shall be evidenced by a nonexclusive license executed by the Master Concessionaire and the Department, on behalf of the Department granting the Master Concessionaire the right, license and privilege to use a specific patent, copyright, trademark, trade name, logo, computer software or other intellectual property without requiring payment of fees therefore. Failure of the parties to execute a formal license agreement shall not vest title or interest in such patent, copyright, trademark, trade name, logo computer software or intellectual property in the using party.

**18.20 HEADINGS:** The headings of the various Articles and Sub-Articles of this Agreement, and its Table of Contents are for convenience and ease of reference only, and shall not be construed to define, limit, augment or describe the scope, context or intent of this Agreement or any part or parts of this Agreement.

**18.21 BINDING EFFECT:** The terms, conditions and covenants of this Agreement shall inure to the benefit of and be binding upon the parties hereto and their successors and assigns. This provision shall not constitute a waiver of any conditions prohibiting assignment or subletting.

**18.22 GOVERNMENTAL DEPARTMENT:** Nothing in this Agreement shall be construed to waive or limit the governmental authority of the County as a political subdivision of the State of Florida.

**18.23 INDEPENDENT CONTRACTOR:** The Master Concessionaire shall perform all services described herein as an independent contractor and not as an officer, agent, servant, or employee of the Department. All personnel provided by the Master Concessionaire in the performance of this Agreement shall be considered to be, at all times, the sole employees of the Master Concessionaire under its sole discretion, and not employees or agents of the Department:

Except as provided in § 2-11.1(s) of the Code, the Master Concessionaire represents and warrants: (i) it has not employed or retained any company or person other than a bona fide employee working solely for the Master Concessionaire to solicit or secure this Agreement; and (ii) it has not paid, or agreed to pay any company or other person any fee, commission, gift, or other consideration contingent upon the execution of this Agreement. A breach of this warranty makes this Agreement voidable by the Department without any liability to the Contractor for any reason.

**18.24 OTHER LIENS:** Master Concessionaire shall not permit any mortgages, deeds of trust or similar liens to be imposed on the Locations, the leasehold, or the furniture, fixtures and equipment or any portion thereof. Master Concessionaire or its Sub-tenants shall not permit or suffer any liens, including mechanics', materialmen's and tax liens to be imposed upon the Locations, or any part thereof, without promptly discharging the same. Notwithstanding the foregoing, Master Concessionaire or its Sub-tenants may in good faith contest any such lien if Master Concessionaire provides a bond in an amount and form acceptable to Department in order to clear the record of any such liens. Master Concessionaire further agrees that it shall not sell, convey, mortgage, grant, bargain, encumber, pledge, assign or otherwise transfer its leasehold interest in the Locations or any personal property or trade fixtures in the Locations, including any furniture, fixtures and equipment or any part thereof or permit any of the foregoing to occur. Master Concessionaire shall assume the defense of and indemnify and hold harmless County against any and all liens and charges of any and every nature and kind which may at any time be established against said Locations and improvements, or any part thereof, as a consequence of any act or omission of Master Concessionaire or its Sub-tenants or as a consequence of the existence of Master Concessionaire's interest under this Lease.

In addition to the foregoing, the County has no obligation to assume any Sub-tenant agreement (i) which does not conform to the requirements of this Agreement unless each non-conforming provision was explained to the Department and specifically approved prior to execution of the Sub-Lease or even if not approved, the non-conforming provisions are not adverse to the Department's interests, as determined in the judgment of the Department, or (ii) the Master Concessionaire does not execute an Assignment Agreement which provides that the Master Concessionaire remains liable for and indemnifies and holds harmless the County for any claims arising out of the performance of the Sub-Lease agreement up to the effective date of the Assignment Agreement.

**19.02 DEPARTMENT'S RIGHTS TO APPROVE SUB-LEASES:** Master Concessionaire shall not Sub-Lease this Agreement or any of the rights and privileges hereunder, or contract for the performance of any of the services to be provided by the Master Concessionaire hereunder without the Department's prior written approval, which approval may be granted or withheld by Department in the exercise of its sole discretion.

**19.04 SUB-TENANT MINIMUM QUALIFICATIONS REQUIREMENT:** The Master Concessionaire must ensure that each Sub-tenant has a minimum of three (3) years continuous experience within the last five (5) years in managing or operating and maintaining one or more retain locations in an airport, transportation center, retail shopping center or marketplace generating a minimum of \$300,000 in gross sales per year per location.

## ARTICLE 20 - WAIVER OF CLAIMS

The Master Concessionaire hereby waives any and all claims it now has or may hereafter have against the County and the Department, and against any member, including, without limitation, all members of the Board of County Commissioners, officers, agents or employees of each, for any loss of anticipated profits caused by any suit or proceeding attacking directly or indirectly the

validity of this Agreement or any part thereof, or by any judgment or award in any suit or proceeding declaring this Agreement or any part thereof, or by judgment or award in any suit or proceeding declaring this Agreement null and void or voidable, or delaying the same or any part thereof from being carried out. The Master Concessionaire hereby further waives any and all claims for compensation for any and all loss or damage sustained by reason of any delay in making the Locations available to the Master Concessionaire or by reason of any defects or deficiencies in the Locations or in the terminal building including any defect or deficiency in the Locations or in the terminal building which substantially impedes the Master Concessionaire's or its Sub-tenants' ability to operate a concession at the Location(s) or because of any interruption in any of the services thereto, including, but not limited to, power, telephone, heating, air conditioning or water supply systems, drainage or sewage systems, and Master Concessionaire hereby expressly releases the County and Department from any and all demands, claims, actions, and causes of action arising from any of such causes.

**21.01 AGREEMENTS WITH STATE OF FLORIDA AND MIAMI-DADE COUNTY:** This Agreement shall be subject to all restrictions of record affecting the Airport and the use thereof, all federal, State, County laws, and regulations affecting the same, and shall be subject and subordinate to the provisions of any and all existing agreements between the County and the State of Florida, or its boards, agencies or commissions, and to any future agreement between or among the foregoing relative to the operation or maintenance of the Airport, the execution of which may be required as a condition precedent to the expenditure of federal, State, County funds for the development of the Airport, or any part thereof. All provisions hereof shall be subordinate to the right of the United States to occupy or use the Airport, or any part thereof, during time of war or national emergency.

**21.02 RIGHT TO AMEND:** In the event that the Federal Aviation Administration or its successors requires modifications or changes in this Agreement as a condition precedent to the granting of its approval or to the obtaining of funds for improvements at the Airport, Master Concessionaire hereby consents to any and all such modifications and changes as may be reasonably required.

### **21.03 MASTER CONCESSIONAIRE COVENANTS AND ASSURANCES:**

#### **A. Covenants Against Discrimination:**

1. Master Concessionaire on behalf of itself, its Sub-tenants, successors in interest and its assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the grounds of race, color or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the Locations or the Airport; (2) that in the installation of any equipment at the Airport and the furnishing or services in connection therewith, no person on the grounds or race, color or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination; and (3) that Master Concessionaire shall operate at the Airport in compliance with all other requirements imposed by or pursuant to Title

49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally assisted programs of the Department of Transportation-effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended. Likewise, Master Concessionaire shall comply with laws of the State of Florida, prohibiting discrimination because of race, color, religion, sex, national origin, age, handicap or marital status. Should Master Concessionaire authorize another person or entity, with Department's prior written consent, to provide services or benefits in or in connection with its rights or obligations under this Agreement, Master Concessionaire shall obtain from such person or entity a written agreement pursuant to which such person or entity shall, with respect to the services or benefits which it is authorized to provide, undertake for itself the obligations contained in this paragraph. Master Concessionaire shall furnish the original or a true copy of such agreement to Department.

2. Master Concessionaire will provide and cause its Sub-tenants to provide all information and reports required by said Code of Federal Regulations, or by directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its locations as may be determined by Department or the Federal Aviation Administration to be pertinent to ascertain whether there has been compliance with said Regulations and directives. Where any information required of Master Concessionaire is in the exclusive possession of another who fails or refuses to furnish this information, Master Concessionaire shall so certify to Department or the Federal Aviation Administration, as appropriate, and shall set forth what efforts it has made to obtain the information.
3. In the event of a breach of any of the above nondiscrimination covenants, Department shall have the right to impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate. Such rights shall include the right to terminate this Agreement and to reenter and repossess the Locations and the improvements thereto, and hold the same as if this Agreement had never been made. The rights granted to Department by the foregoing sentence shall not be effective until the procedures of Title 49, Code of Federal Regulations, Part 21 are followed and completed, including exercise or expiration of appeal rights.
4. Master Concessionaire assures County that no person shall be excluded on the grounds or race, creed, color, national origin or sex from participating in or receiving the services or benefits of any program or activity covered by Title 14, Code of Federal Regulations, Part 152, Subpart E, Federal Aviation Administration, Nondiscrimination in Airport Aid Program, and that it will be bound by and comply with all other applicable provisions of such Subpart E, as it may be amended from time to time. Master Concessionaire also assures County that it will require its covered suborganizations to provide assurances to the same effect and provide copies thereof to the Department.

5. Master Concessionaire further assures County that it and its Sub-tenants will comply with pertinent statutes, Executive Orders and such rules as are promulgated to assure that no person shall on the grounds of race, creed, color, national origin, sex, age or handicap be excluded from participating in any activity conducted at or in connection with its operations at the Locations. Master Concessionaire also assures County that it will require its contractors and Sub-tenants to provide assurances to the same effect and ensure that such assurances are included in contracts and Sub-Lease agreements at all tiers which are entered into in connection with Master Concessionaire's services hereunder.
6. a) This Agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23, Subpart F. Master Concessionaire agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement covered by 49 CFR Part 23, Subpart F.  
  
b) Master Concessionaire agrees to include the above statements in any subsequent concession agreements that it enters and cause those businesses to similarly include the statements in further agreements.
7. County may from time to time be required by the United States Government or one or more of its agencies, to adopt additional or amended provisions including nondiscrimination provisions concerning the use and operation of the Airport, and Master Concessionaire agrees that it will adopt such requirements as part of this Agreement.

**21.04 RIGHT TO MODIFY:** The parties hereto covenant and agree that, during the Term and/or Extension, if applicable, this Agreement may be unilaterally modified by the Department, upon advice of its legal counsel, in order to conform to judicial or Federal Trade Commission or FAA rulings or opinions. This Sub-Article shall not preclude Master Concessionaire from contesting said rulings or opinions, but the Master Concessionaire shall abide by the unilateral change while such a challenge is pending. Except as otherwise specifically provided in this Agreement, this Agreement may not be modified except by a written instrument signed by both parties.

**21.05 TAX EXEMPT STATUS OF DEPARTMENT REVENUE BONDS:** The Master Concessionaire agrees to comply promptly with any applicable provisions of any federal tax statute, and all regulations or other binding authority promulgated or decided hereunder, as required to permit the Department's capital expansion projects to be planned and constructed by the Department with revenue bonds the interest on which is generally exempt from federal income taxation, other than any applicable individual or corporate alternative minimum taxes (and other than during any period while such revenue bonds are held by a "substantial user" of the projects financed by such revenue bonds or a "related person" to a "substantial user"), including, without limitation, the execution by the Master Concessionaire and delivery to the Department of an election not to claim depreciation or
