NOW THEREFORE, the **DIRECTOR**, in consideration of the **OWNERS'** willingness to construct a half width road at a later time upon the **DIRECTOR'S** written request, as specified below, hereby agrees to recommend that a building permit be issued, at this time, without an immediate obligation to construct the usual road improvements within the said existing right-of-way; and

The OWNERS, in consideration of the DIRECTOR'S willingness to temporarily delay the road construction requirement, hereby agree to improve the existing right-of-way, adjacent to the above described property, by constructing a strip of pavement 12 feet in width with asphaltic concrete, 1 inch thick, together with the standard compacted limerock base, meeting Miami-Dade County specifications and standards within 60 days of a written request to do so from the DIRECTOR.

It is understood and agreed by the parties hereto, that should the said OWNERS refuse to improve or fail to make said improvements within said 60 days or be unable to pay for such improvements, the DIRECTOR shall have the right to cause said construction to be completed, adjacent to the OWNERS' property and to recover from OWNERS, a pro rata share of the total road improvement costs on a front footage basis by means of annual special assessments which, until paid, shall constitute a lien upon OWNERS' property to the same extent as the lien for general County taxes, payment of said assessments, as well as the lien and enforcement of said assessments, shall be the same as for Improvement Districts as stated in Chapter 18 of the Code of Miami-Dade County.

This Agreement shall be binding upon the DIRECTOR and the OWNERS so long as the said OWNERS have fee simple title in the hereinabove described property and shall be binding upon their successors and assigns as a covenant running with the land, but in the event of a sale of such property by the said OWNERS, they shall be personally relieved of this obligation.

It is understood and agreed by the parties hereto that the DIRECTOR or MIAMI-DADE COUNTY is not obligated to construct a roadway or provide public access to OWNERS' property referred to herein.

IN WITNESS WHEREOF, the DIRECTOR of the Department of Public Works, has executed this instrument and has caused his execution hereof to be attested and they have hereunto placed their hands and seals this 8th day of, JANUARY A.D. 2008.
