

Memorandum

Date: May 6, 2008

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

Agenda Item No. 9(A)(19)(F)

From: George W. Burgess
County Manager

Subject: Resolution Authorizing Intergovernmental Cooperation Agreement with the City of Homestead

RECOMMENDATION

It is recommended that the Board authorize execution of the attached Intergovernmental Cooperation Agreement between the City of Homestead (the City) and Miami-Dade County to allow the City to utilize the uniform method for the levy, collection and enforcement of non-ad valorem assessments, as prescribed in Sections 197.3632 and 197.3635, Florida Statutes.

SCOPE

The City of Homestead is within Commission Districts 8 and 9. The City has requested that the Property Appraiser and Tax Collector include its proposed or adopted non-ad valorem assessments for storm water, solid waste, recycling and hurricane recovery services on the notice as specified in Section 200.069, Florida Statutes and on the combined notice of ad valorem and non-ad valorem assessments provided for in Section 197.3635, Florida Statutes.

FISCAL IMPACT/FUNDING SOURCE

The City agrees that the County shall be entitled to retain two percent on the amount of special assessments collected and remitted to cover all of the County's associated costs. There is no negative fiscal impact to the County as a result of this Intergovernmental Cooperation Agreement.

TRACK RECORD/MONITOR

The City agrees that all certified assessment rolls will be maintained and transmitted to the Property Appraiser and Tax Collector on compatible electronic medium as defined in Section 197.3632(1), Florida Statutes. The Intergovernmental Cooperation Agreement is managed by the Property Appraiser's Office.

BACKGROUND

In accordance with Sections 197.3632 and 197.3635, Florida Statutes, and the Intergovernmental Cooperation Agreement, the City will charge separate non-ad valorem assessments for the cost of providing storm water, solid waste, recycling and hurricane recovery services. The Intergovernmental Cooperation Agreement between the City and Miami-Dade County affords the City the convenience and financial savings of utilizing the TRIM notice and combined tax bill for collection of its non-ad valorem assessments. Use of the ad valorem method for collection of these assessments could result in issuance of tax certificates, tax deeds and the loss of title to the property, if said assessments are not paid by the property owners. The term of this agreement commences with special assessments collected in FY 2008-09 and continues until cancelled by either party.
