MEMORANDUM MIAMI-DADE COUNTY

Date: May 6, 2008

To: Honorable Chairman Bruno A. Barreiro and Members, Board of County Commissioners

Agenda Item No. 8(M)(1)(B)

From: George M. Burgess, County Manager

Subject: Contract Award Recommendation for Westwind Lakes Park – Bid Waiver and Environmental Remediation and Design-Build - Project No: 492801-05-003 GOB; Contract No: 492801-05-003, to **Recreational Design and Construction, Inc.**

Recommendation

It is recommended that the Board waive formal competitive bid procedures pursuant to Florida Statutes 255.20(a)(10), Section 5.03(D) of the County Charter, and Section 2-8.1(B) of the Code of Miami-Dade County, and award an environmental remediation and design-build contract to **Recreational Design and Construction, Inc. (RDC)**. It is in the best interest of the County to waive the competitive bid process and proceed with a contract for this Park project because the time it would take to competitively bid this project would create an undue hardship on the public health, safety or welfare due to the buried debris, contamination and presence of methane gas on the site that requires immediate remediation and abatement. Additionally, RDC is uniquely qualified to also perform the design-build portion of the work because RDC will already be on-site at Westwind Lakes Park and under contract to perform the environmental remediation.

Delegation of Authority - The authority of the Mayor/County Manager to execute and implement this contract is consistent with those authorities granted under the Code of Miami-Dade County. Additional delegation of authorities requested for this contract are as follows:

There is no additional delegation of authority on this Award Recommendation.

Scope

PROJECT NAME: Westwind Lakes Park – Bid Waiver and Environmental Remediation and Design-Build

PROJECT NO: 492801-05-003 GOB

CONTRACT NO: 492801-05-003

PROJECT DESCRIPTION: Westwind Lakes Park is located at 6805 SW 152 Avenue in Commission District 11. The scope of work for this project involves environmental remediation, including buried debris removal and the required installation of gas monitoring and abatement systems, the construction of picnic shelters with utilities; a lighted and irrigated soccer field; lighted pathways; lighting of existing pathway including security lighting; a lighted skate court; fencing and netting; and associated infrastructure.

Background

Westwind Lakes Park is a 20.74 acre community park serving West Miami-Dade County. The Park is part of a park-school complex, lying adjacent to both Bowman Foster Ashe Elementary and Howard Doolin Middle Schools.

This property formerly served as a construction and demolition landfill and has been partially developed for park use. The Department has tested the site over time to monitor underground gases ensuring the safety of park patrons and safe use of the park's amenities. In preparation to continue development by way of FY'07-'08 approved projects, the site's underground testing services were expanded to include additional test pits, geophysical borings, groundwater and methane gas testing in and around the proposed areas of work. While the Park is safe for activities, the results indicate the existence of high levels of subsurface methane gas conditions, specifically in the soils around the existing recreation center building located adjacent to the proposed lighted skate court that may expose park users to unsafe conditions. While no gases were detected in the building, there is a concern that this colorless, odorless but extremely flammable gas may continue to migrate towards the building and other existing site structures over time. A source of ignition in areas with high levels of methane gas poses a risk to public health, safety, and welfare. This condition is being monitored. The removal of the underground debris in the proposed work areas will reduce the potential for further gas formation and the installation of a gas monitoring and mitigation system will provide the necessary safety measures to protect the public. Therefore, this work needs to be performed as quickly as possible. During the interim period of time until the contract is approved, the County's environmental consultant will continue to monitor the interior of the existing recreation building and adjacent areas to ensure that the gas levels remain acceptable for use. Additionally, the environmental consultant is providing guidance to the A/E and Contractor that are

working on a separate soccer field lighting project, that is currently under construction, to ensure that these light fixtures and electrical connections are sealed and adequately protected against potential gas migration towards the existing soccer field area.

It is in the best interest of the County to waive the Design-Build competitive bid procedures pursuant to Florida Statutes 255.20(a)(10)(II), because of the need to perform the environmental remediation work to prevent gases from penetrating the building's envelope and from migrating to other park facilities. It is further recommended that the County contract with RDC to quickly remove and mitigate the conditions that have now become an undue hardship on the public's health, safety, and welfare and the five (5) month competitive bid cycle would only exacerbate the undue hardship on the public's health, safety, and welfare. Although the Department is seeking a waiver for competitive bidding, it has followed standard County practice for establishing small business measures. The DBD/SBA Review Committee met on October 17, 2007 and determined that a 17.58% SBE construction measure was appropriate for this project.

The Park and Recreation Department identified RDC as a firm who has successfully completed similar projects in parks located in the cities of Doral (Doral Park) and Miami (Grapeland Park). In the last three years RDC, a specialty park Design-Builder, has completed 32 park and recreation projects within Miami-Dade and Broward Counties alone, representing a public investment of over $109 million. Four of these projects have been within municipalities in Miami-Dade County and have involved environmental mitigation as a required part of the project.

This Environmental Remediation and Design-Build agreement will allow RDC to perform the environmental remediation, design, engineering, permitting and construction of improvements to Westwind Lakes Park. This includes the furnishing of all labor, materials, and equipment necessary to complete the project.

Due Diligence

During the course of its due diligence duties, (documents attached to the Contract Award Recommendation package), County staff discovered a recently resolved audit by the City of Ft. Lauderdale regarding a contract the City had with RDC. The audit suggested that the City had overpaid RDC. The City thoroughly investigated the matter and finally determined that they had not overpaid RDC and the matter was closed. Also included in the Contract Award Recommendation package that is part of this item are Letters of Recommendation, a listing of previous work, and a description of recent projects. Refer to exhibits 1 through 8 attached.

RESOLUTION NO. _____

RESOLUTION AUTHORIZING THE WAIVER OF FORMAL COMPETITIVE BID PROCEDURES, PURSUANT TO SECTION 5.03(D) OF THE HOME RULE CHARTER AND SECTION 2-8.1(B) OF THE CODE OF MIAMI-DADE COUNTY AND AS PROVIDED FOR IN SECTION 255.20 OF THE FLORIDA STATUTES BY A TWO-THIRD (2/3) VOTE OF THE BOARD; AUTHORIZING THE COUNTY MAYOR OR HIS DESIGNEE TO EXECUTE AN AGREEMENT IN THE AMOUNT OF $2,673,246.73 WITH RECREATION DESIGN AND CONSTRUCTION, INC. FOR ENVIRONMENTAL REMEDIATION, DESIGN, AND CONSTRUCTION OF IMPROVEMENTS TO WESTWIND LAKES PARK, AND TO EXERCISE ANY AND ALL OTHER RIGHTS CONFERRED THEREIN

WHEREAS, this Board desires to accomplish the purpose outlined in the accompanying memorandum, a copy of which is incorporated herein by reference,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board finds that it is in the best interest of the County to waive formal competitive bid procedures pursuant to Section 5.03(D) of the Home Rule Charter, Section 2-8.1(B) of the Code of Miami-Dade County, and as provided for in Section 255.20 of the Florida Statutes by a two-thirds (2/3) vote of the Board, and authorizes the County Mayor or his designee to execute an agreement with RECREATION DESIGN AND CONSTRUCTION, INC., in the amount of $2,673,246.73, inclusive of allowances and contingency, to conduct environmental remediation, to design, and to construct improvements at Westwind Lakes Park for and on behalf of Miami-Dade County, and to exercise any cancellation and renewal provisions and any and all other rights conferred therein.

The foregoing resolution was offered by Commissioner , who moved its adoption. The motion was seconded by Commissioner and upon being put to a vote, the vote was as follows:

Bruno A. Barreiro, Chairman
Barbara J. Jordan, Vice-Chairwoman

Jose "Pepe" Diaz	Audrey M. Edmonson
Carlos A. Gimenez	Sally A. Heyman
Joe A. Martinez	Dennis C. Moss
Dorrin D. Rolle	Natacha Seijas
Katy Sorenson	Rebeca Sosa
Sen. Javier D. Souto	

The Chairperson thereupon declared the resolution duly passed and adopted this 6th day of May, 2008. This resolution shall become effective ten (10) days after the date of its adoption unless vetoed by the Mayor, and if vetoed, shall become effective only upon an override by this Board.

MIAMI-DADE COUNTY, FLORIDA

Memorandum

Date: March 13, 2008

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: Paul Carey, RLA, Supervisor
Landscape Architect Section
Park and Recreation Department

Subject: Architect Recommendation for: Westwind Lakes Park Bid Waiver and Environmental Remediation and Design-Build Contract Award

---

As the Landscape Architect for this project, I am making this recommendation pursuant to Section 255.20(a) (10) (d), Florida Statutes. I have reviewed the scope of work for Westwind Lakes Park and recommend that the award of a design-build contract to Recreational Construction and Design, Inc. (RDC) by a method other than a competitive selection process be used for the following reasons:

1. The scope of work for this phase of Westwind Lakes Park involves environmental remediation, including buried debris removal and the required installation of gas monitoring and abatement systems, the construction of picnic shelters with utilities; a lighted and irrigated soccer field; lighted pathway; lighting of existing pathway including security lighting; a lighted skate court; fencing and netting; and associated infrastructure. The work will be constructed on land previously used as a landfill. RDC is uniquely qualified to undertake this project because RDC has proven, local experience implementing design-build park and recreational projects requiring environmental remediation of abandoned landfills. For example, RDC has been able to successfully implement projects of this nature in: Doral and Doral Meadows Parks within the City of Doral; Grapeland Park within the City of Miami. The Department has verified that the contamination at Westwind Lakes Park is similar to that found at Doral and Doral Meadows Parks. In total RDC a specialty park design-builder, has completed 32 park and recreational projects in Miami-Dade and Broward counties over the past three years.

2. The continuous monitoring of this former landfill site has found that portions of the property still contain hazardous underground/buried contaminants and methane gas that will impact further development. These conditions expose park users to potentially unsafe conditions and need to be removed as soon and as safely as possible. The award of this contract to RDC by a method other than a competitive selection will allow the County to quickly provide for the removal of buried construction and demolition debris, and to remediate the presence of subsurface methane gas while completing this next phase of Park improvements.

MIAMI-DADE COUNTY
MIAMI-DADE PARK AND RECREATION DEPARTMENT

BID FORM

For: **Westwind Lakes Park – Design Build**
Contract No. 492801-05-003

To: Miami-Dade County
Board of County Commissioners
Miami, Florida

Gentlemen:

We Recreational Design & Construction, Inc. (954) 566- 3885 (954) 566-3335
Bidder's Name Phone Number Fax Number

Company E-mail: info@recreationaldesign.com

have received, have examined and are familiar with the Contract Documents bearing the title : **Westwind Lakes Park – Design Build - Contract No. 492801-05-003,** the forms for the Submittal of Bids and

Addendum No. 1, Dated 12/14/07

Addendum No. 2, Dated 1/8/08

Addendum No. 3, Dated 1/10/08

Addendum No. 4, Dated 2/7/08

(Failure to acknowledge receipt of all addenda may cause the bid to be considered not responsive to the invitation, which would require rejection of the bid), and have included the cost of their provisions, in our Bid. We have examined, are familiar with, and do accept the conditions of the Work site and other conditions affecting the Work.

The undersigned hereby agrees, should we be awarded the Contract on the basis of this Bid, that:

1. This Bid may be neither revoked nor withdrawn after the Bid Opening date but shall remain open for acceptance for a period of 180 calendar days following that date, except that the period of time may be extended by written agreement by and between ourselves and MDC.

2. Should we be notified in writing by mail, telegraph or hand-delivery of the acceptance of this Bid within the time set forth herein after the Bid Opening date, we will execute, within 10 calendar days after receipt of the prescribed forms, a Contract for the Work for the compensation stipulated hereinafter and within the same time period, will finish and deliver the Surety Performance and Payment Bond in the form identified in the Bid Documents, and with surety or sureties acceptable to MDC and authorized to issue surety bonds in the State of Florida. We will concurrently furnish and deliver Certificates of Insurance as stipulated in the Bid Documents.

3. We will commence contract work with adequate forces, material and equipment within 10 consecutive calendar days after the effective date of the Notice to Proceed, and will fully complete the Work within the number of days stipulated in the Bid Documents, from and including that effective date.

4. Should this Bid be accepted within the time set forth herein after the Bid Opening date and we fail to execute a Contract and to furnish and deliver the Surety Performance and Payment Bond and Certificates of Insurance, the obligation of the bid security will remain in full force and effect, and the money payable thereon shall be paid into the funds of MDC as liquidated damages, but not as a penalty, for such failure; otherwise the obligation of the Bid Bond will be null and void. We agree that the amount shown in our Bid Security is the proper compensation for damages which MDC would sustain should we fail to execute the Contract and to furnish and deliver the Surety Performance and Payment Bond and Certificates of Insurance in the event this Bid is accepted. We agree to the stipulations of the Instructions to Bidders regarding the disposition of the Bid Security.

5. We declare that the only persons and firms interested in this Bid, as principals, are those named below; that this Bid is made without collusion with any other person, firm or corporation; and that we are not included on the U.S. Comptroller General's Consolidated List of

Persons or Firms Currently Debarred for Violations of Various Public Contracts. The full names and addresses of persons and firms interested in this Bid, as principals, are as follows:

_____

_____

_____

_____

_____

The following forms must be submitted with the Bid. Failure to submit these forms with the Bid may render the Bid nonresponsive and may require its rejection in accordance with the Instructions to Bidders - Article 6 - Preparation of Bid - Paragraph B.

Bid Form **492801-05-003.**
Bid Bond
Corporate Principal Certificate
Bond Certification
Bidder's (Non-Collusion) Affidavit
Local Preference
Fair Wage Affidavit
Bidder's Statement of Qualification and Business References
County Contractors Employment and Procurement Practices
Criminal Record Affidavit
Miami-Dade County Debarment Affidavit
Miami-Dade County Disclosure Affidavit
Disability Nondiscrimination Affidavit
Drug-Free Workplace Affidavit
Family Leave Plan Affidavit
Listing of First Tier Subcontractors and Suppliers Form (Fair Subcontracting Practices)
Lobbyist Registration for Oral Presentation Affidavit
Sworn Statement Under Section 287.133(3)(a) - Florida Statutes on Public Entity Crimes
Statement of Policies and Procedures for Awarding Subcontracts (See Instructions to Bidders Section).
Code of Business Ethics Affidavit
Prohibition of Contracting With The County While In Arrears Affidavit

Other Bid Requirements:

Construction Schedule (Bar Chart) (If required by Contract Specifications, Section 01310)
Florida Trench Safety Act (If applicable)
Miami-Dade County's "Cone of Silence"

Office of Miami-Dade County Inspector General (IG)

Independent Private-Sector Inspector General (IPSIG)
Clearing House for Posting Notice of Job Opportunities

DBD Requirements (to be submitted with the Bid)

Schedule of Intent – (DBD Form 400)
For projects which contain goals or are "Set-Aside" for CSBE Contractors, submit (1) Schedule of Intent - (DBD Form 400) for each CSBE subcontractor on the project.

(See CSBE Program Requirements – Participation Provisions).

(Note: Complete instructions for preparation and submission of Bids is contained in the Instructions to Bidders portion of the Bid Documents).
The Contractor agrees to abide by the provisions of the Contract Specifications regarding minimum Community Small Business Enterprise Contractor and Subcontractor Goals, proposed below by the Contractor as a percentage of the total Contract Sum and accepted by the County and which are established for this Project as follows:

CSBE Contractor/Subcontractor participation : **17.58%**

The Contractor also agrees to abide by the provisions of the Contract Specifications regarding Section 2-11.16 of the Code of Miami-Dade County – Responsible Wages.

PENALTIES PURSUANT TO ORDINACE 90-143 – Damages in the amount of $200.00 per day for each individual violation of Ordinance No. 90-143, may also be withheld from the Contract Sum due to the Contractor, as further described in the Supplementary Conditions.
Should we be awarded the Contract on the basis of this Bid, we will furnish and install all products; furnish all services, labor, tools, equipment, supplies and transportation; and do the Work in accordance with the Contract Documents for the following prices:

PROJECT TITLE: Westwind Lakes Park – Design Build - Contract No. 492801-05-003

IF THIS PROPOSAL IS ACCEPTED, THE UNDERSIGNED BIDDER AGREES TO COMPLETE ALL WORK UNDER THIS CONTRACT WITHIN 240 CALENDAR DAYS AFTER THE EFFECTIVE DATE OF NOTICE TO PROCEED.

TRENCH SAFETY ACT COMPLIANCE REQUIREMENT; CONTRACTORS STATEMENT: (If Applicable)

A. The current trench safety standards in effect are Occupational Safety Health Administrations (OSHA) excavation safety standards 29 C.F.R. part 1926.650 subpart P, and have been incorporated as the state standard.

We will use:

( ) Sloping (x) Shoring ( ) Trench Box ( ) Other Methods (Specify Which) to comply with the 1990 "Trench Safety Act"

B. The cost of compliance with this trench safety act is included as a part of the lump sum of unit price proposal under section 02000.00 Sitework, on the Bid Form contained in the bid package.

C. The cost of complying with this requirement is:

1. Cost per Linear Feet of trench excavation $ 4.50

2. Cost per Square Feet of shoring used $3.00

foregoing instrument as Joseph C. Cerrone, III President and Steven B. Westervelt as Secretary of the above name Recreational Design & Construction, Inc. a Corporation, and severally acknowledged that they executed such instrument as such _____ President and _____ Secretary, respectively, of said corporation, and that the seal affixed to the foregoing instrument is

the corporate seal of said corporation and that it was affixed to said instrument by due and regular corporate authority, and said instrument is the free act and deed of said corporation.

SUBSCRIBED AND SWORN TO (or affirmed) before me on February 13, 2008 (Date) by Joseph C. Cerrone,III (Affiant)

He/She is personally known to me or has presented _____ as identification
(Type of Identification)

Notary Public Stephanie J. Allen (Signature of Notary) DD 455363 (Serial Number) July 27, 2009 (Expiration Date) Florida (State)

Stephanie J. Allen
(Print or Stamp name of Notary)

Notary Seal:

STEPHANIE J. ALLEN
Notary Public - State of Florida
My Commission Expires Jul 27, 2009
Commission # DD 455363
Bonded By National Notary Assn.

When Bidder is a Joint Venture:

_____
(Printed name of Joint Venture)

_____
(Business address of Joint Venture)

Negative (-) Difference reflects negotiated price lower than P&R Estimate. Positive Difference reflects negotiated price higher than P&R Estimate.
Significant difference between estimate and bid is defined as a difference of >20%. Instances of significant difference are analyzed by contract element.

Analysis of significant difference (design):
Item 0 - P&R estimate for design services was set at 10% of build cost, consistent with the MDC guidance for the necessary basic services of a project of this size; RDC proposed design services at 5% of build cost (without environmental) based upon efficiencies in its operations. All design servcies will be performed to appropriate levels of professional care.

Analysis of significant difference (by project element, as required):
See pages 2-4.

Negative (-) Difference reflects negotiated price lower than P&R Estimate. Positive Difference reflects negotiated price higher than P&R Estimate.
Significant difference between estimate and bid is defined as a difference of >20%. Instances of significant difference are analyzed by contract element.

Analysis of significant difference (build):
Item 12 - P&R estimate based upon current pricing reflects higher unit costs for installation of site furniture than proposed by RDC.

Analysis of significant difference (build):
Item 2 - P&R estimate omitted the following elements proposed by RDC and accepted by the negotiating committee: temporary roadway required during construction ($26,000); and concrete walkway restoration ($4,200).

Analysis of significant difference (build):
P&R estimate for Furnishings & Furniture (Item 12) and Electrical Work (Item 16) reflected unit costs experienced during recent and current projects. The higher estimates increased General Requirements (Item 1) due to projected costs of bonds and insurance. Lower unit prices proposed by RDC resulted in the overall cost being 10.6% below the P&R estimate.

Importance: High

Vivian,

Thanks for sending the signed project worksheet for my contract award recommendation package.

While looking over the Build worksheet, Alina T. Hudak's signed then dated it 10/22/07 while the Design one is left blank without the CMO's signature.
I'm certain this will come up again later during the ensuing reviews, so any assistance you can provide me with responding to this disparity will be greatly appreciated.

Project/Contract Title:	WESTWIND LAKES PARK (SIC 871)		**RC Date:** 10/17/2007
Project/Contract No:	DB-492801-05-003 (DESIGN)	**Funding Source:**	**Item No:** 4-02
Department:	PARKS & RECREATION	GOB	
Estimated Cost of Project/Bid:	$225,720.00		**Resubmittal Date(s):**
Description of Project/Bid:	TO ESTABLISH A CONTRACT FOR DESIGN-BUILD SERVICES FOR THE WESTWIND LAKES PARK. THE SCOPE OF WORK FOR THE DESIGN COMPONENT SHALL INCLUDE A SCHEMATIC LAYOUT BASED ON THE DESIGN CRITERIA PROVIDED, DRY-RUN AND PERMITABLE DRAWINGS.		

Contract Measures Recommendation

Measure	Program	Goal Percent
No Measure	CBE	0.00%

Reasons for Recommendation

This project meets all the criteria set forth in A.O. 3-32, Section V.

Funding source: General Obligation Bonds

An "Availability Study" was conducted on October 12, 2007 reflecting the minimum and special requirements as stipulated by the user department. Of the 1st Tier and 2nd tier CBE firms polled to identify potential opportunities for measures (a goal or a set-aside), none responded satisfying the minimum requirements stipulated; thus, the 17% recommended by MDPR, was lowered to a "No Measure".

Project/Contract Title: WESTWIND LAKES PARK (SIC 16)
Project/Contract No: DB-492801-05-003 (BUILD)
Department: PARKS & RECREATION
Estimated Cost of Project/Bid: $1,909,511.00
Funding Source: GOB
RC Date: 10/17/2007
Item No: 4-01
Resubmittal Date(s):

Description of Project/Bid: To establish a contract for the construction portion of the Design-Build and shall include a lighted, irrigated soccer field including fencing as described, lighting of an existing skate court, three prefabricated picnic shelters including site furniture, concrete walkway, walkway lighting on existing and proposed walkways.

Contract Measures Recommendation

Measure	Program	Goal Percent
Goal	CSBE	17.58%

Reasons for Recommendation

An analysis of the factors contained in section VI C of Administrative Order 3-22 indicate that an 18% CSBE subcontractor goal is appropriate for this project in the trade categories of Concrete Contractors (concrete - 1.05%), Electrical Contractors (electrical - 15.7%) and Roofing Siding, and Sheet Metal Contractors (metals - .83%).

CWP Not Applicable: Not in DTA

Analysis for Recommendation of a Goal

Subtrade	Cat.	Estimated Value	% of Items to Base Bid	Availability
Roofing, Siding, and Sheet Metal Contractors	CSBE	$15,848.94	0.83%	14
Electrical Contractors	CSBE	$299,793.23	15.70%	43

Memorandum

MIAMI-DADE COUNTY

Date: Feburary 14, 2008

To: Jack Kardys, Director
Park & Recreation

From: Penelope Townsley, Director
Department of Small Business Development

Subject: CSBE Compliance Review for Project No. DB-492801-05-003 WestWind Lakes Park

---

The Department of Small Business Development (SBD) has completed its compliance review of the above-referenced project with the Community Small Business Enterprise (CSBE) Program. The contract measure applicable to this project is an 18% CSBE goal.

This project was presented before the 10/17/2007 Review Committee as a design/build bid waiver with Recreational Design & Construction, Inc. As such, the Construction Contracts Section of the Park & Recreation Department has submitted bid documents from Recreational Design & Construction, Inc. for compliance review.

Recreational Design & Construction, Inc. submitted the required Schedule of Intent (SOI) Affidavit form committing to utilize Canseco Electrical Contractors, Inc., a certified CSBE firm, to perform electrical work at 17.1%. Canseco Electrical Contractors, Inc. signed the required SOI Affidavit form confirming the information listed. Recreational Design & Construction, Inc. also committed to utilize Fence Connection, Inc., a certified CSBE firm, to perform fence and soccer barrier work at 3.6 %. Fence Connection, Inc. signed the required SOI Affidavit form confirming the information listed. Recreational Design & Construction, Inc. has fulfilled the contract measure requirement and is in compliance with the CSBE Participation Provisions.

Please note that SBD staff only reviewed and addressed compliance with the CSBE program. The Construction Contracts Section of the Park & Recreation Department is responsible for any other issues that may exist.

Should you have any questions or need any additional information, please do not hesitate to call Caesar E. Suarez at (305) 375-3141.

January 12, 2006

To Whom It May Concern:

This document shall serve as a letter of reference and support for Recreational Design and Construction, Inc. (RDC).

The Broward County School Board and the City of Hallandale Beach partnered to fund a regional stadium complex at Hallandale High School. The stadium complex is designed to serve the educational and interscholastic needs of the students as well as the recreational needs of the community. The primary funding agent for the project was the School Board of Broward County. The City of Hallandale Beach served as the construction manager for the project.

The City of Hallandale Beach hired the design/build firm of Recreational Design and Construction, Inc. for the project. RDC was commissioned to design and build a state of the art facility with the following features:

- 2,500 seat ADA accessible seating
- New press box
- 8 lane, 400 meter, polyurethane track with field events constructed to National High School Federation standards
- New MUSCO lighting
- New field base and turf, graded and crowned, and
- New irrigation and drainage system

The project included the demolition and removal of existing asphalt track and existing field. RDC designed and built an excellent facility that is the pride of Hallandale Beach and the school system. The stadium complex is a first class facility that will be enjoyed by the students and community for years to come. The stadium was designed and constructed in less than a year. This letter serves as evidence that RDC is a quality company that produces quality work.

Sincerely,

Damian Huttenhoff
Director, Athletics and Student Activities

To Whom It May Concern:

It is with great pleasure that I write this letter of recommendation on behalf of Recreational Design & Construction, Inc. RDC is an efficient, cost-effective design-build firm that is well respected for its fully accessible parks and playgrounds. In addition to completing projects on time and on budget, RDC has extensive experience in the public sector and with community service projects.

I have had the pleasure of working with Mike Rozos and Steve Siems while I was a Broward County Commissioner as well as when RDC designed and built my granddaughter's memorial, Kourtney's Korner, in St. Augustine. Kourtney's Korner is a playground accessible to children with all types of mobility impairments allowing them to use their wheelchairs and other support aids while playing. Mike and Steve contacted their suppliers who allowed us to buy equipment at cost. In addition to donating RDC's time, they donated their personal time and drove to St. Augustine to help cook and serve hot dogs at the park's opening. In fact, Mike stored 700 cupcakes in his hotel room for a day and a half prior to the event.

Recreational Design & Construction's broad range of talent, innovation and cost-savings makes it the ideal firm to design and execute recreational and public facilities. RDC's officers and employees always go the extra mile to ensure every project is a success. I highly recommend them to you.

Thank you, in advance, for your favorable consideration of RDC's proposal. If you require additional information, please do not hesitate to call me.

Re: C.B. Smith Aquatics Park Renovation

Dear Joe,

It's been a long journey but we're there...finally. Just a note to express my thanks for a job well done. It was a pleasure working with you and your staff on the C.B. Smith Aquatics Park. Please relay my best wishes to all of them and everyone who took park in the record breaking task you accomplished. I hope we can work together again in the future.

Subject: **Letter of Appreciation**

This letter is in appreciation of your firm's quick, friendly and cooperative working relationship in the construction of the Traffic Engineering Maintenance Facility. Specifically your firm's Project Manager ***Javier Dominguez*** and Site Superintendent ***Mark Jolly*** have demonstrated enthusiasm and motivation that are resulting in a building that we all can be proud of. Their ability to "make the best better" speaks for the quality of work that they have demonstrated on this project. Working with us to meet the project goals attests to their ability to work as a team.

We greatly appreciate the effort being put forth by your firm and its employees in completing this project successfully.

Sincerely

Re: Castaway Island Water Playground

Dear Steve:

I wanted to take this opportunity to share with you all of the compliments Broward County Parks and Recreation Division has received from elected officials and our park users concerning the new Castaway Island Water Playground at T.Y. Park. Everyone who has used this facility or seen it has been very impressed with the many features and bright colors which make it a special attraction in our regional park. This facility will be a major revenue producer for our Division, and I am sure we will be constructing others in the very near future.

In addition to the accolades we have received since its opening, I was most impressed with the behind the scenes cooperation during the actual construction of this facility. All of your staff with whom we came into contact during this period displayed a really sincere effort to make this a quality facility. I was also impressed with the day to day cooperation between our staff and your company's staff in reaching the end product of opening day.

Please share with your staff my thanks for a job well done in constructing a facility we can all be proud of.

Sincerely,

Bob Harbin
Director

Ft. Lauderdale, FL 33309

Joe:

I wanted to take this opportunity to compliment the three members of your team most responsible for the parks improvement program we just completed here in the City of Hallandale Beach. Bill Scott, Scott Greiner and Wayne Trotter were instrumental in making these projects a success for the City and me personally. Bill helped immensely in seeing my vision of each site get articulated on the actual drawings. Scott made sure that that vision was implemented with the actual subcontractors and Wayne made sure that vision actually happened onsite. I can't tell you how much easier project management is when everyone on the contractor/engineering side is on board with what you are trying to do and is working to facilitate that.

I would appreciate if you could make sure that Bill, Scott and Wayne know how much I appreciate their help. I look forward to working with them, you and the rest of RDC's staff on many projects in the future.

Sincerely,

Jeffrey Naftal

Dear Joe:

On behalf of the City of Stuart, I would like to commend your firm for the excellent work in designing and constructing improvements to Flagler Park renovation in Downtown Stuart.

RDC took great care in facilitating our public meetings leading up to this project, incorporating our citizen's and staff recommendations and producing an excellent master plan for future improvements.

More importantly, RDC demonstrated excellent project design skills and construction management services by delivering this project on time and under budget to our City.

Once again, thank you for your excellent performance and another successful project.

Sincerely,

Recreational Design & Construction, Inc.
Attn: Joseph C. Cerrone, III
3990 North Powerline Road
Fort Lauderdale, Fl. 33309

Dear Mr. Cerrone;

It is very exciting to hear that the North Community Park Project is being submitted for the 2000 National Design-Build Award Competition presented by the Design-Build Institute of America. I am very proud of the Park and appreciate the outstanding job that your company did in constructing the Park. The final product has surpassed all our expectations and goals for the facility.

When we started the process of looking for a Design-Build company to construct our park we were looking for a design that would meet the needs of our various Sports Organizations. This required some imagination and engineering skills to make it work properly. We also were looking for the park to be completed in time for our Baseball Season which started in February 2000. During your initial presentation before short listing, your conceptual drawings and time frame met what we were looking for, but we did not know if it would meet our budget. Once you were short listed in the top three and we were able to discuss the project further, it became apparent to City staff that your company was the most qualified for the job. Through further negotiations we were able to reach an agreed upon price that kept us within budget and gave us the facility we required to meet our customers needs.

Throughout the construction project you and your employees did an outstanding job of working with City staff and the City User Groups to make adjustments to assure our goals were met. The final project exceeded everyones expectations, not only are the facilities exceptional, but the project was completed ahead of schedule and within the budget.

Sunday, January 24, 1999

To Whom It May Concern:

Recreational Design & Construction, Inc. (RDC) has completed several projects for the City of Plantation including the construction of an Olympic sized swimming pool. They have completed these projects with competence and professionalism. RDC worked well with our time limitations and always approached inevitable problems that came up with creativity and enthusiasm. From planning to execution, I am extremely pleased with the work RDC has provided to the City of Plantation.

Very truly yours,

Ronald L. Jacobs

To Whom It May Concern:

Recreational Design and Construction, Inc. has just completed a 1.7 million-dollar design-build renovation of our Wellington Community Center Tennis and Aquatics Center. Their presentation and attention to our projects from beginning to end were exceptional. Deadlines for the project were aggressive and they did what was needed to complete the project on time in spite of weather delays during the project.

Both projects were completed on time and within budget.

I would have no problem recommending them for projects of similar size or scope. We are currently negotiating with them for the next phase of our renovations.

Very truly yours,

Gary R Clough

We will concurrently furnish and deliver Certificates of Insurance as stipulated in the Bid Documents.

3. We will commence contract work with adequate forces, material and equipment within 10 consecutive calendar days after the effective date of the Notice to Proceed, and will fully complete the Work within the number of days stipulated in the Bid Documents, from and including that effective date. 94

4. Should this Bid be accepted within the time set forth herein after the Bid Opening date and we fail to execute a Contract and to furnish and deliver the Surety Performance and Payment Bond and Certificates of Insurance, the obligation of the bid security will remain in full force and effect, and the money payable thereon shall be paid into the funds of MDC as liquidated damages, but not as a penalty, for such failure; otherwise the obligation of the Bid Bond will be null and void. We agree that the amount shown in our Bid Security is the proper compensation for damages which MDC would sustain should we fail to execute the Contract and to furnish and deliver the Surety Performance and Payment Bond and Certificates of Insurance in the event this Bid is accepted. We agree to the stipulations of the Instructions to Bidders regarding the disposition of the Bid Security.

5. We declare that the only persons and firms interested in this Bid, as principals, are those named below; that this Bid is made without collusion with any other person, firm or corporation; and that we are not included on the U.S. Comptroller General's Consolidated List of

Persons or Firms Currently Debarred for Violations of Various Public Contracts. The full names and addresses of persons and firms interested in this Bid, as principals, are as follows:

_____

_____

_____

_____

_____

The following forms must be submitted with the Bid. Failure to submit these forms with the Bid may render the Bid nonresponsive and may require its rejection in accordance with the Instructions to Bidders - Article 6 - Preparation of Bid - Paragraph B.

Bid Form **492801-05-003.**
Bid Bond
Corporate Principal Certificate
Bond Certification
Bidder's (Non-Collusion) Affidavit
Local Preference
Fair Wage Affidavit
Bidder's Statement of Qualification and Business References
County Contractors Employment and Procurement Practices
Criminal Record Affidavit
Miami-Dade County Debarment Affidavit
Miami-Dade County Disclosure Affidavit
Disability Nondiscrimination Affidavit
Drug-Free Workplace Affidavit
Family Leave Plan Affidavit
Listing of First Tier Subcontractors and Suppliers Form (Fair Subcontracting Practices)
Lobbyist Registration for Oral Presentation Affidavit
Sworn Statement Under Section 287.133(3)(a) - Florida Statutes on Public Entity Crimes
Statement of Policies and Procedures for Awarding Subcontracts (See Instructions to Bidders Section).
Code of Business Ethics Affidavit
Prohibition of Contracting With The County While In Arrears Affidavit

Other Bid Requirements:

Construction Schedule (Bar Chart) (If required by Contract Specifications, Section 01310)
Florida Trench Safety Act (If applicable)
Miami-Dade County's "Cone of Silence"

Office of Miami-Dade County Inspector General (IG)

Independent Private-Sector Inspector General (IPSIG)
Clearing House for Posting Notice of Job Opportunities

DBD Requirements (to be submitted with the Bid)

Schedule of Intent – (DBD Form 400)
For projects which contain goals or are "Set-Aside" for CSBE Contractors, submit (1) Schedule of Intent - (DBD Form 400) for each CSBE subcontractor on the project.

(See CSBE Program Requirements – Participation Provisions).

(Note: Complete instructions for preparation and submission of Bids is contained in the Instructions to Bidders portion of the Bid Documents).
The Contractor agrees to abide by the provisions of the Contract Specifications regarding minimum Community Small Business Enterprise Contractor and Subcontractor Goals, proposed below by the Contractor as a percentage of the total Contract Sum and accepted by the County and which are established for this Project as follows:

CSBE Contractor/Subcontractor participation : **17.58%**

The Contractor also agrees to abide by the provisions of the Contract Specifications regarding Section 2-11.16 of the Code of Miami-Dade County – Responsible Wages.

PENALTIES PURSUANT TO ORDINACE 90-143 – Damages in the amount of $200.00 per day for each individual violation of Ordinance No. 90-143, may also be withheld from the Contract Sum due to the Contractor, as further described in the Supplementary Conditions.
Should we be awarded the Contract on the basis of this Bid, we will furnish and install all products; furnish all services, labor, tools, equipment, supplies and transportation; and do the Work in accordance with the Contract Documents for the following prices:

IF THIS PROPOSAL IS ACCEPTED, THE UNDERSIGNED BIDDER AGREES TO COMPLETE ALL WORK UNDER THIS CONTRACT WITHIN 240 CALENDAR DAYS AFTER THE EFFECTIVE DATE OF NOTICE TO PROCEED.

Item No.	Description	Estimated Quantity	Unit	Total Price
00000.00	Design Engineering and Construction Administration			$80,570.00
01000.00	General Requirements			$157,196.00
02000.00	Sitework			$635,731
02000.01	Environmental Remediation			$316,404.00
03000.00	Concrete			$224,670.00
04000.00	Masonry			$
05000.00	Metals			$
06000.00	Wood and Plastics			$
07000.00	Thermal and Moisture Protection			$
08000.00	Doors, Windows and Glass			$
09000.00	Finishes			$
10000.00	Specialties			$
11000.00	Equipment			$
12000.00	Furnishings			$176,381.00
13000.00	Special Construction			$
14000.00	Conveying Systems			$
15000.00	Mechanical			$
16000.00	Electrical			$700,229.00

GRAND TOTAL $2,291,181.00

GRAND TOTAL BID PRICE, THE SUM OF Two Million two hundred ninty-one thousand one hundred eighty-one Dollars $2,291,181.00

For uncovered debris (solid waste) within the project area as defined in the Design Criteria with attachments 1-17 but outside the areas defined in addendum 1. Additional work shall be paid at a unit cost of: $35.00 per sq. yd.

THE BIDDER UNDERSTANDS AND AGREES THAT THE ABOVE GRAND TOTAL IS INCLUSIVE OF ALL WORK NECESSARY TO COMPLETE THE WORK AS DESCRIBED IN THE CONTRACT DOCUMENTS, AND IF THIS PROPOSAL IS ACCEPTED, THE UNDERSIGNED BIDDER AGREES TO ENTER INTO AND EXECUTE THE CONTRACT WITH THE NECESSARY BOND AND ACCEPT THE ABOVE TOTAL PRICE AS FULL COMPENSATION FOR THE WORK PERFORMED UNDER THIS CONTRACT.

D. C. CERTIFICATE OF COMPETENCY NO. CGCA21702 BIDDER'S NAME Recreational Design & Construction, Inc.

BIDDER'S TELEPHONE NUMBER 954-566-3885 BIDDER'S ADDRESS: 3990 N. Powerline Rd. Fort Lauderdale, FL. 33309

PROJECT TITLE: Westwind Lakes Park – Design Build.

TRENCH SAFETY ACT COMPLIANCE REQUIREMENT; CONTRACTORS STATEMENT: (If Applicable)

A. The current trench safety standards in effect are Occupational Safety Health Administrations (OSHA) excavation safety standards 29 C.F.R. part 1926.650 subpart P, and have been incorporated as the state standard.

We will use:

( ) Sloping (x) Shoring ( ) Trench Box ( ) Other Methods (Specify Which) to comply with the 1990 "Trench Safety Act"

B. The cost of compliance with this trench safety act is included as a part of the lump sum of unit price proposal under section 02000.00 Sitework, on the Bid Form contained in the bid package.

C. The cost of complying with this requirement is:

1. Cost per Linear Feet of trench excavation $ 4.50

2. Cost per Square Feet of shoring used $3.00

Negative (-) Difference reflects negotiated price lower than P&R Estimate. Positive Difference reflects negotiated price higher than P&R Estimate.
Significant difference between estimate and bid is defined as a difference of >20%. Instances of significant difference are analyzed by contract element.

Analysis of significant difference (design):
Item 0 - P&R estimate for design services was set at 10% of build cost, consistent with the MDC guidance for the necessary basic services of a project of this size; RDC proposed design services at 5% of build cost (without environmental) based upon efficiencies in its operations. All design servcies will be performed to appropriate levels of professional care.

Analysis of significant difference (by project element, as required):
See pages 2-4.

Negative (-) Difference reflects negotiated price lower than P&R Estimate. Positive Difference reflects negotiated price higher than P&R Estimate.
Significant difference between estimate and bid is defined as a difference of >20%. Instances of significant difference are analyzed by contract element.

Analysis of significant difference (build):
Item 16 - P&R estimate based upon current pricing reflects higher unit costs for installation of walkway lighting than proposed by RDC.

No significant difference.

No significant difference.

Negative (-) Difference reflects negotiated price lower than P&R Estimate. Positive Difference reflects negotiated price higher than P&R Estimate.
Significant difference between estimate and bid is defined as a difference of >20%. Instances of significant difference are analyzed by contract element.

Analysis of significant difference (build):
Item 12 - P&R estimate based upon current pricing reflects higher unit costs for installation of site furniture than proposed by RDC.

Analysis of significant difference (build):
Item 2 - P&R estimate omitted the following elements proposed by RDC and accepted by the negotiating committee: temporary roadway required during construction ($26,000); and concrete walkway restoration ($4,200).

Analysis of significant difference (build):
P&R estimate for Furnishings & Furniture (Item 12) and Electrical Work (Item 16) reflected unit costs experienced during recent and current projects. The higher estimates increased General Requirements (Item 1) due to projected costs of bonds and insurance. Lower unit prices proposed by RDC resulted in the overall cost being 10.6% below the P&R estimate.

Andrew,

I thought I had responded to this earlier; there is no (County Manager's) signature required on "No Measures".

Regards,
Vivian, Jr.

Importance: High

Vivian,

Thanks for sending the signed project worksheet for my contract award recommendation package.

While looking over the Build worksheet, Alina T. Hudak's signed then dated it 10/22/07 while the Design one is left blank without the CMO's signature.
I'm certain this will come up again later during the ensuing reviews, so any assistance you can provide me with responding to this disparity will be greatly appreciated.

Project/Contract Title:	WESTWIND LAKES PARK (SIC 871)		**RC Date:** 10/17/2007
Project/Contract No:	DB-492801-05-003 (DESIGN)	**Funding Source:**	**Item No:** 4-02
Department:	PARKS & RECREATION	GOB	
Estimated Cost of Project/Bid:	$225,720.00		**Resubmittal Date(s):**
Description of Project/Bid:	TO ESTABLISH A CONTRACT FOR DESIGN-BUILD SERVICES FOR THE WESTWIND LAKES PARK. THE SCOPE OF WORK FOR THE DESIGN COMPONENT SHALL INCLUDE A SCHEMATIC LAYOUT BASED ON THE DESIGN CRITERIA PROVIDED, DRY-RUN AND PERMITABLE DRAWINGS.		

Contract Measures Recommendation

Measure	Program	Goal Percent
No Measure	CBE	0.00%

Reasons for Recommendation

This project meets all the criteria set forth in A.O. 3-32, Section V.

Funding source: General Obligation Bonds

An "Availability Study" was conducted on October 12, 2007 reflecting the minimum and special requirements as stipulated by the user department. Of the 1st Tier and 2nd tier CBE firms polled to identify potential opportunities for measures (a goal or a set-aside), none responded satisfying the minimum requirements stipulated; thus, the 17% recommended by MDPR, was lowered to a "No Measure".

Contract Measures Recommendation

Measure	Program	Goal Percent
Goal	CSBE	17.58%

Reasons for Recommendation

An analysis of the factors contained in section VI C of Administrative Order 3-22 indicate that an 18% CSBE subcontractor goal is appropriate for this project in the trade categories of Concrete Contractors (concrete - 1.05%), Electrical Contractors (electrical - 15.7%) and Roofing Siding, and Sheet Metal Contractors (metals - .83%).

CWP Not Applicable: Not in DTA

Analysis for Recommendation of a Goal

Subtrade	Cat.	Estimated Value	% of Items to Base Bid	Availability
Roofing, Siding, and Sheet Metal Contractors	CSBE	$15,848.94	0.83%	14
Electrical Contractors	CSBE	$299,793.23	15.70%	43
Concrete Contractors	CSBE	$20,049.87	1.05%	9
	Total	$335,692.03	17.58%	

Living Wages: YES [ ] NO [X] **Highway:** YES [ ] NO [X] **Heavy Construction:** YES [X] NO [ ]
Responsible Wages: YES [X] NO [ ] **Building:** YES [ ] NO [X]

Ordinance 90-143 is applicable to all construction projects over $100,000 that do not utilize Federal Funds

Memorandum

MIAMI-DADE COUNTY

Date: Feburary 14, 2008

To: Jack Kardys, Director
Park & Recreation

From: Penelope Townsley, Director
Department of Small Business Development

Subject: CSBE Compliance Review for Project No. DB-492801-05-003 WestWind Lakes Park

---

The Department of Small Business Development (SBD) has completed its compliance review of the above-referenced project with the Community Small Business Enterprise (CSBE) Program. The contract measure applicable to this project is an 18% CSBE goal.

This project was presented before the 10/17/2007 Review Committee as a design/build bid waiver with Recreational Design & Construction, Inc. As such, the Construction Contracts Section of the Park & Recreation Department has submitted bid documents from Recreational Design & Construction, Inc. for compliance review.

Recreational Design & Construction, Inc. submitted the required Schedule of Intent (SOI) Affidavit form committing to utilize Canseco Electrical Contractors, Inc., a certified CSBE firm, to perform electrical work at 17.1%. Canseco Electrical Contractors, Inc. signed the required SOI Affidavit form confirming the information listed. Recreational Design & Construction, Inc. also committed to utilize Fence Connection, Inc., a certified CSBE firm, to perform fence and soccer barrier work at 3.6 %. Fence Connection, Inc. signed the required SOI Affidavit form confirming the information listed. Recreational Design & Construction, Inc. has fulfilled the contract measure requirement and is in compliance with the CSBE Participation Provisions.

Please note that SBD staff only reviewed and addressed compliance with the CSBE program. The Construction Contracts Section of the Park & Recreation Department is responsible for any other issues that may exist.

Should you have any questions or need any additional information, please do not hesitate to call Caesar E. Suarez at (305) 375-3141.

January 12, 2006

To Whom It May Concern:

This document shall serve as a letter of reference and support for Recreational Design and Construction, Inc. (RDC).

The Broward County School Board and the City of Hallandale Beach partnered to fund a regional stadium complex at Hallandale High School. The stadium complex is designed to serve the educational and interscholastic needs of the students as well as the recreational needs of the community. The primary funding agent for the project was the School Board of Broward County. The City of Hallandale Beach served as the construction manager for the project.

The City of Hallandale Beach hired the design/build firm of Recreational Design and Construction, Inc. for the project. RDC was commissioned to design and build a state of the art facility with the following features:

- 2,500 seat ADA accessible seating
- New press box
- 8 lane, 400 meter, polyurethane track with field events constructed to National High School Federation standards
- New MUSCO lighting
- New field base and turf, graded and crowned, and
- New irrigation and drainage system

The project included the demolition and removal of existing asphalt track and existing field. RDC designed and built an excellent facility that is the pride of Hallandale Beach and the school system. The stadium complex is a first class facility that will be enjoyed by the students and community for years to come. The stadium was designed and constructed in less than a year. This letter serves as evidence that RDC is a quality company that produces quality work.

Sincerely,

Damian Huttenhoff
Director, Athletics and Student Activities

To Whom It May Concern:

It is with great pleasure that I write this letter of recommendation on behalf of Recreational Design & Construction, Inc. RDC is an efficient, cost-effective design-build firm that is well respected for its fully accessible parks and playgrounds. In addition to completing projects on time and on budget, RDC has extensive experience in the public sector and with community service projects.

I have had the pleasure of working with Mike Rozos and Steve Siems while I was a Broward County Commissioner as well as when RDC designed and built my granddaughter's memorial, Kourtney's Korner, in St. Augustine. Kourtney's Korner is a playground accessible to children with all types of mobility impairments allowing them to use their wheelchairs and other support aids while playing. Mike and Steve contacted their suppliers who allowed us to buy equipment at cost. In addition to donating RDC's time, they donated their personal time and drove to St. Augustine to help cook and serve hot dogs at the park's opening. In fact, Mike stored 700 cupcakes in his hotel room for a day and a half prior to the event.

Recreational Design & Construction's broad range of talent, innovation and cost-savings makes it the ideal firm to design and execute recreational and public facilities. RDC's officers and employees always go the extra mile to ensure every project is a success. I highly recommend them to you.

Thank you, in advance, for your favorable consideration of RDC's proposal. If you require additional information, please do not hesitate to call me.

Re: C.B. Smith Aquatics Park Renovation

Dear Joe,

It's been a long journey but we're there...finally. Just a note to express my thanks for a job well done. It was a pleasure working with you and your staff on the C.B. Smith Aquatics Park. Please relay my best wishes to all of them and everyone who took park in the record breaking task you accomplished. I hope we can work together again in the future.

Sincerely,

Bill Kristen

Subject: **Letter of Appreciation**

This letter is in appreciation of your firm's quick, friendly and cooperative working relationship in the construction of the Traffic Engineering Maintenance Facility. Specifically your firm's Project Manager ***Javier Dominguez*** and Site Superintendent ***Mark Jolly*** have demonstrated enthusiasm and motivation that are resulting in a building that we all can be proud of. Their ability to "make the best better" speaks for the quality of work that they have demonstrated on this project. Working with us to meet the project goals attests to their ability to work as a team.

We greatly appreciate the effort being put forth by your firm and its employees in completing this project successfully.

Sincerely

for Jihad El Eid, P.E.
Director

Re: Castaway Island Water Playground

Dear Steve:

I wanted to take this opportunity to share with you all of the compliments Broward County Parks and Recreation Division has received from elected officials and our park users concerning the new Castaway Island Water Playground at T.Y. Park. Everyone who has used this facility or seen it has been very impressed with the many features and bright colors which make it a special attraction in our regional park. This facility will be a major revenue producer for our Division, and I am sure we will be constructing others in the very near future.

In addition to the accolades we have received since its opening, I was most impressed with the behind the scenes cooperation during the actual construction of this facility. All of your staff with whom we came into contact during this period displayed a really sincere effort to make this a quality facility. I was also impressed with the day to day cooperation between our staff and your company's staff in reaching the end product of opening day.

Please share with your staff my thanks for a job well done in constructing a facility we can all be proud of.

Sincerely,

Bob Harbin
Director

Joe:

I wanted to take this opportunity to compliment the three members of your team most responsible for the parks improvement program we just completed here in the City of Hallandale Beach. Bill Scott, Scott Greiner and Wayne Trotter were instrumental in making these projects a success for the City and me personally. Bill helped immensely in seeing my vision of each site get articulated on the actual drawings. Scott made sure that that vision was implemented with the actual subcontractors and Wayne made sure that vision actually happened onsite. I can't tell you how much easier project management is when everyone on the contractor/engineering side is on board with what you are trying to do and is working to facilitate that.

I would appreciate if you could make sure that Bill, Scott and Wayne know how much I appreciate their help. I look forward to working with them, you and the rest of RDC's staff on many projects in the future.

Sincerely,

Jeffrey Naftal

Dear Joe:

On behalf of the City of Stuart, I would like to commend your firm for the excellent work in designing and constructing improvements to Flagler Park renovation in Downtown Stuart.

RDC took great care in facilitating our public meetings leading up to this project, incorporating our citizen's and staff recommendations and producing an excellent master plan for future improvements.

More importantly, RDC demonstrated excellent project design skills and construction management services by delivering this project on time and under budget to our City.

Once again, thank you for your excellent performance and another successful project.

Sincerely,

Albie Scoggins,
Parks and Recreation Director

Dear Mr. Cerrone;

It is very exciting to hear that the North Community Park Project is being submitted for the 2000 National Design-Build Award Competition presented by the Design-Build Institute of America. I am very proud of the Park and appreciate the outstanding job that your company did in constructing the Park. The final product has surpassed all our expectations and goals for the facility.

When we started the process of looking for a Design-Build company to construct our park we were looking for a design that would meet the needs of our various Sports Organizations. This required some imagination and engineering skills to make it work properly. We also were looking for the park to be completed in time for our Baseball Season which started in February 2000. During your initial presentation before short listing, your conceptual drawings and time frame met what we were looking for, but we did not know if it would meet our budget. Once you were short listed in the top three and we were able to discuss the project further, it became apparent to City staff that your company was the most qualified for the job. Through further negotiations we were able to reach an agreed upon price that kept us within budget and gave us the facility we required to meet our customers needs.

Throughout the construction project you and your employees did an outstanding job of working with City staff and the City User Groups to make adjustments to assure our goals were met. The final project exceeded everyones expectations, not only are the facilities exceptional, but the project was completed ahead of schedule and within the budget.

To Whom It May Concern:

Recreational Design & Construction, Inc. (RDC) has completed several projects for the City of Plantation including the construction of an Olympic sized swimming pool. They have completed these projects with competence and professionalism. RDC worked well with our time limitations and always approached inevitable problems that came up with creativity and enthusiasm. From planning to execution, I am extremely pleased with the work RDC has provided to the City of Plantation.

Very truly yours,

Ronald A. Jacobs

To Whom It May Concern:

Recreational Design and Construction, Inc. has just completed a 1.7 million-dollar design-build renovation of our Wellington Community Center Tennis and Aquatics Center. Their presentation and attention to our projects from beginning to end were exceptional. Deadlines for the project were aggressive and they did what was needed to complete the project on time in spite of weather delays during the project.

Both projects were completed on time and within budget.

I would have no problem recommending them for projects of similar size or scope. We are currently negotiating with them for the next phase of our renovations.

Very truly yours,

Gary R Clough
