Subject: Resolution Authorizing the Mayor and the County Attorney to Accept the Dedications and Donations of Land for Right-of-Way Needed for Improvements along NW 138 Street, from NW 107 Avenue to Florida Department of Transportation right-of-way at I-75 on behalf of Miami-Dade County.

GOE  
Substitute to  
Agenda Item No. 2(Q)

**This substitute item differs in that it contains revised legal descriptions.**

## **Recommendation**

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution authorizing the Mayor and the County Attorney to accept Dedications and Donations of land for right-of-way needed for improvements along NW 138 Street, from NW 107 Avenue to Florida Department of Transportation right-of-way at I-75 on behalf of Miami-Dade County. The City of Hialeah, working jointly with Miami-Dade Public Works, acquired the subject properties described in the attached Exhibit "A", and illustrated on the Location Map in Exhibit "B", in fee simple and by canal maintenance easement.

## **Scope**

The majority of the project is located along the common municipal boundary of the Cities of Hialeah and Hialeah Gardens, with the remaining portion located completely within the City of Hialeah. The entire length of the project is within Commission District 12.

The acceptance of these dedications and donations will facilitate the improvements to NW 138 St which include widening the roadway from two (2) to six (6) lanes with sidewalk, curb and gutter, storm drainage system, roadway lighting, signing and pavement markings, signalization, landscaping, raised median, canal relocation, demucking, and Florida Power and Light Company (FP&L) line relocation.

## **Fiscal Impact/Funding Source**

The acceptance of these dedications and donations will have no fiscal impact on the County. The City has agreed to provide the project's construction plans at its sole expense. The County's contribution to the project, including contingencies, is estimated to be \$12,300,000. Funding will be provided by Road Impact Fee (RIF) District 3 funding.

## **Track Record/Monitor**

Not Applicable

## **Background**

The City has requested that the County accept in advance the right-of-way deeds that the City will be acquiring in order to expedite the construction of the NW 138 Street corridor to provide improved transportation access. The City is currently preparing construction plans and they have agreed to bid and construct the project on a reimbursable basis in order to expedite the completion date. A Joint Participation Agreement (JPA) between Miami-Dade County and the City of Hialeah (City) has been drafted and executed by the City and subsequently be presented to the BCC for approval.
