

Memorandum

Date: June 3, 2008

Agenda Item No. 8(0)(1)(D)

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Approval Of The Use Of Charter County Transit System Surtax Funds for the Purchase of Goods and Services

Recommendation

It is recommended that the Board of County Commissioners approve the use of Charter County Transit System Surtax (Surtax) funds for the contract listed in the attached table for goods and services supporting the expanded transit service provided as part of the People's Transportation Plan (PTP). Per Ordinance No. 02-116, the use Surtax funds requires Board and Citizens' Independent Transportation Trust (CITT) approval. The Surtax allocation represents the maximum anticipated spending attributable to the Surtax and does not guarantee that the entire allocation will be expended by Miami-Dade Transit (MDT).

Scope

This contract supports MDT services countywide.

Fiscal Impact/Funding Source

The fiscal impact to the Surtax is listed in the attached table under contract amount and is estimated at approximately \$124,800 based on the June 2008 line-up.

Surtax funding associated with the attached goods and services will support expanded operations associated with the implementation of capital improvements, maintenance, and/or operations as described by the PTP legislation (Ordinance No. 02-116) and its amendments, including but not limited to Resolution No. R-1154-03 adopted on October 9, 2003, which added the Miscellaneous Capital Improvements Projects List and authorized significant infrastructure improvements for existing MDT facilities. Other funding sources such as General Fund, state or federal funding will be utilized, as appropriate. Funding will be expended only if the MDT budget can support the expenditures based on the approved Resource Allocation Plan adopted annually by the Board.

Track Record/Monitor

Robert McClellan, Acting Chief, Infrastructure Engineering & Maintenance, MDT will monitor this contract. In addition to MDT staff, the Office of the Citizens' Independent Transportation Trust (OCITT) monitors the use of Surtax funds in conjunction with the CITT.

Background

The corresponding stand-alone contract being presented to the Board for award, and included on the attached list, may require the use of Surtax funds since this contract supports expanded operations provided as part of the People's Transportation Plan (PTP). As always, the Surtax will be charged only for that portion of costs attributable to the PTP. A detailed justification for the use of PTP funds is provided in the attached.
