

Memorandum

Date: July 1, 2008

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Historic Preservation Ad Valorem Tax Exemption for 1400 South Greenway Drive,
Coral Gables

Agenda Item No. 8(N)(1)(B)

Recommendation

It is recommended that pursuant to the provisions of Florida Statute Section 196.1997 and 196.1998 and Dade County Ordinance 16A-18 that the Board approve the resolution for the Ad Valorem Tax Exemption for the following property: 1400 South Greenway Drive, Coral Gables, Florida.

Scope

Impact of the agenda item is countywide and does not have a separate impact upon one or more commission districts.

Fiscal Impact/Funding Source

Annual taxes to be foregone if this Historic Preservation Exemption application is granted is estimated at \$1628.00 (see attached "Revenue Implications Report").

Track Record/Monitor

County Historic Preservation staff or the Preservation Officer of the municipality in which the property is located will conduct periodic reviews of the property to insure that the improvements are maintained for the duration of the tax abatement.

Background

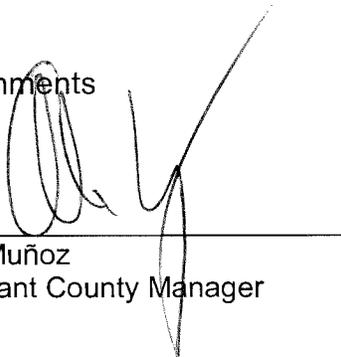

In 1993, the State legislature approved Tax Exemptions for historic properties thereby providing local option property tax exemption for historic properties. Miami-Dade County adopted an ordinance allowing tax exemption in March 1993. The purpose of this legislation is to encourage historic preservation by removing from the assessment the incremental value added by the authorized improvements. This exemption does not apply to assessed land value, only to the value of the "improvements." This exemption applies only to Miami-Dade County's portion of the taxes. Under the rules set forth by the Florida Department of State, Division of Historical Resources, certain criteria must be met for a tax exemption to be allowed:

1. Certification that the property is a historic property.
2. Certification that the property qualifies for the improvement.
3. Determination that the planned improvements are consistent with the Secretary of the Interior's Standards for Rehabilitation.

The tax exemption takes effect on January 1 following substantial completion of the improvement and extends for a ten-year period. Miami-Dade Historic Preservation staff or the Preservation Officer of the municipality in which the property is located will conduct periodic reviews of the property to insure that the improvements are consistent with the Secretary of the Interior's Standards for Rehabilitation. Failure by the owners to adhere to these standards would result in revocation of the exemption. The following property has met the criteria established for the Ad Valorem Tax Exemption:

1. The property located at 1400 South Greenway Drive, Coral Gables, Florida, meets the criteria set forth by the State of Florida. The City of Coral Gables Historic Preservation Board and the Miami-Dade County Historic Preservation Board approved the application for the tax exemption which certifies that the property does qualify for the exemption and that improvements are consistent with the Secretary of the Interior's Standards for Rehabilitation. 1400 South Greenway Drive is a historically contributing property within the Country Club of Coral Gables Historic District. The area was designated a local historic district by the Coral Gables Historic Preservation Board in 1988. The district is known for some of the finest homes within the city belonging to original residents who played an influential role within the City and County. 1400 South Greenway was designed by architect Dudley St. Clair Donnelly, in 1927. The house underwent an alteration by noted architect Phineas Paist in 1929. The improvement project involved restoration and rehabilitation work to the historic structure as well as new construction.
2. The total revenue foregone for the current fiscal year if the exemption applied for is granted is estimated at \$1628.00 by the County's Property Appraiser (see attached "Revenue Implications" report).

years, plus interest on the difference calculated as provided in s.212.12(3),F.S.

6. If the Property is damaged by accidental or natural causes during the Covenant period, the Owner will inform the Local Historic Preservation Office in writing of the damage of the Property, including (1) an assessment of the nature and extent of the damage; and (2) an estimate of the cost of restoration or reconstruction work necessary to return the Property to the condition existing at the time of project completion. In order to maintain the tax exemption, the Owner shall complete the restoration or reconstruction work necessary to return the Property to the condition existing at the time of project completion on a time schedule agreed upon by the Owner and the Local Historic Preservation Office.

7. If the Property has been destroyed or severely damaged by accidental or natural causes, that is, if the historical integrity of the features, materials, appearance, workmanship, and environment, or archaeological integrity which made the property eligible for listing in the National Register of Historic Places or designation under the terms of the local preservation ordinance have been lost or so damaged that restoration is not feasible, the Owner will notify the Local Historic Preservation Office in writing of the loss. The Local

Historic Preservation Office will evaluate the information provided and notify the Owner in writing of its determination regarding removal of the Property from eligibility for tax exemption. If the Local Historic Preservation Office determines that the property should be removed from eligibility for tax exemption, it will notify the Property Appraiser of the county in which the Property is located in writing so that the tax exemption can be cancelled for the remainder of the Covenant period. In such cases, no penalty or interest shall be assessed against the Owner.

8. If it appears that the historical integrity of the features, materials, appearance, workmanship, and environment, or archaeological integrity which made the Property eligible for listing in the National Register of Historic Places or designation under the terms of the local preservation ordinance have been lost or damaged deliberately or through gross negligence of the Owner, the Local Historic Preservation Office shall notify the Owner in writing. The Owner shall have 30 days to respond indicating any extenuating circumstances which show that the damage was not deliberate or due to gross negligence. If the Owner cannot show such extenuating circumstances, he shall develop a plan for restoration of the Property and a schedule for completion of the restoration. In order to maintain the tax

exemption, the Owner shall complete the restoration work necessary to return the Property to the condition existing at the time of project completion on a time schedule agreed upon by the Owner and the Local Historic Preservation Office. If the owner does not complete the restoration work on the agreed upon time schedule, the Local Historic Preservation Office will report such violation to the Property Appraiser and Tax Collector who shall take action pursuant to s.196.1997 (7), F.S. The Owner shall be required to pay the difference between the total amount of taxes which would have been due in March in each of the previous years in which the Covenant was in effect had the property not received the exemption and the total amount of taxes actually paid in those years, plus interest on the difference calculated as provided in s.212.12(3), F.S.

9. The terms of this Covenant shall be binding on the current Property owner, transferees, and their heirs, successors, or assigns.

This Covenant shall be enforceable in specific performance by a court of competent jurisdiction.
