**Agenda Item No. 3(H)**  
**June 10, 2008**

---

**TO:** Commissioner Natacha Seijas  
Chair, Governmental Operations  
and Environment Committee

**DATE:** May 27, 2008

**FROM:** Carlos A. Gimenez  
Commissioner

**SUBJECT:** Discussion Item

---

I am requesting that an item be scheduled on the Governmental Operations and Environment Committee for discussion and report from the Manager relative to the recycling program. Specifically, what is the status of contract negotiations with the collection firms, the materials processor and the supplier of the carts? When will the program be initiated and how will the DSWM manage the unrealized savings in the FY 07/08 budget.
