Agenda Item No. 5(A)

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Resolution Authorizing the Exchange of Real Property between Miami-Dade County and
the South Florida Water Management District
Sections: 30-56-38 and 34-55-38
Commission District: 8 and 9

Recommendation

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution authorizing the County Mayor to execute the attached County Deed, and the County Mayor or his designee to execute a Disclaimer and Agreement to Exchange Real Property, with the South Florida Water Management District (SFWMD), a State Agency. The Agreement involves the exchange of five (5) County-owned strips of land with an approximate area of 3.06 acres located in Section 30, Township 56 South, Range 38 East and Section 34, Township 55 South, Range 38 East (See Exhibits "A (1)" through "A(5)" and "B(1)" through "B(5)"), and a 0.903 acre strip of land owned by the SFWMD, located North of SW 244 Street along theoretical SW 132 Avenue (See Exhibits "C" and "D"). The lands being exchanged are needed by both agencies; no monies will be paid by either party. Said exchange complies with Chapter 125.37 of the Florida Statutes and as such, has been published in a newspaper of general circulation to comply with statutory requirements.

Scope

The subject real properties are located within Commission Districts 8 and 9.

Fiscal Impact/Funding Source

Based on the Appraisals, the combined value for the County properties is assessed at \$195,000; the value for the SFWMD's parcel is assessed at \$210,000. As a result of this property exchange, Miami-Dade County will be saving a substantial amount of money by acquiring the subject parcel.

Track Record/Monitor

Not Applicable.

Background

The County properties, see Exhibits ("A(1)" through "A(5)" and "B(1)" through "B(5)"), were acquired by Miami-Dade County as road dedications or through tax deeds and are no longer needed for road purposes; all the adjacent lands have been acquired by SFWMD for the Everglades Restoration Project. The subject County properties are all that remain for the SFWMD to own 100% of the area. The SFWMD property is located North of SW 244 Street along theoretical SW 132 Avenue and southwesterly of the existing C-102 canal right-of-way.

The proposal is for the SFWMD to exchange its property along theoretical SW 132 Avenue for the various rights-of-way and properties located in Sections 30, Township 56 South, Range 38 East and Section 34, Township 55 South, Range 38 East ("A(1)" through "A(5)" and "B(1)" through "B(5)"). Miami-Dade County will then designate the aforementioned property as public right-of-way, which will grant public access to adjacent properties which are presently landlocked.

It is therefore recommended, as being in the best interest of the County that the BCC approves the attached Agreement to exchange real property with SFWMD, an exchange that will be mutually beneficial to the parties involved.

Assistant County Manager

Note:

The Clerk is directed to publish notice of property exchange in a newspaper of general circulation in Miami-Dade County, one (1) time, at least two (2) weeks prior to the date of said public hearing in conformity with the statutory requirements.

- 1 It is understood and agreed that no cash consideration will be paid by either party. The County will be responsible for providing property descriptions, and parcel sketches which are acceptable to both parties.
- 2 District and the County agree it is the intent of the parties hereto that this transaction does not represent individual sales of properties, but to the contrary, is one interdependent transaction constituting a fair ex-change of properties for good and valuable consideration.
- 3 The County and the District will each be responsible for obtaining its own title evidence with respect to the respective parcels it is acquiring, if it so chooses. In the event that the condition of title is objectionable to the acquiring party for any reason, the owner shall have the right, but not the obligation, to deliver or cause to be delivered to the acquiring party, at the owner’s expense, such deeds, releases, affidavits or other title instruments as may be required to cure the title objections. Should the owner fail, or be unwilling, to cure the title objections within thirty (30) days or such extended period as may be allowed after receipt of written notice of such objections, the acquiring party may elect to terminate this contract by giving written notice of such intent, upon which both parties shall be released of all obligations with respect to each other under this Agreement.

transaction, including but not limited to any escrow fees and
survey cost.
- 6 This shall be deemed to be a continuing offer from the date
executed by the County until accepted or rejected by District;
provided, however, that after one hundred and twenty (120) days
have elapsed from the date hereof the County not having received
notice of acceptance, may consider the offer rejected, and if
District desires to accept that offer after such 120-day period, the
prior written consent of the County shall be obtained.
- 7 That the Deeds referred to hereinabove shall be exchanged within
sixty (60) days after acceptance of this property exchange
agreement by District, unless such a period is extended by written
agreement of the parties.
- 8 The parties shall have the immediate right to possession of the
respective property after recordation of the respective deeds.
- 9 The County and District each represents to the other that it has not
employed or retained any person or agency to solicit or secure this
contract upon any agreement or understanding, for commission,
percentage, brokerage, or contingent fee. Breach of this warranty
shall give the non-breaching party the right to annul the contract
without liability, or in its discretion, to recover from the other the
amount of such commission, percentage, brokerage, or contingent
fee.
- 10 No resident commissioner shall be admitted to any share or part of
