Subject: Resolution Supplementing and Amending Resolution No. R-144-03 Relating to Special Obligation Bonds, Series 2003A&B (Juvenile Courthouse Project)

Recommendation

It is recommended that the Board adopt the attached Resolution (Supplemental Resolution) supplementing and amending Resolution No. R-144-03 (Original Resolution) relating to Fixed Rate Special Obligation Bonds, Series 2003A (Juvenile Courthouse Project) (Series 2003A Bonds) and Auction Rate Special Obligation Bonds, Series 2003B (Juvenile Courthouse Project) (Series 2003B Bonds) to convert the Series 2003B Bonds from auction rate bonds to variable rate bonds. This conversion will have no affect on the Series 2003A Bonds, which were originally issued as fixed rate bonds.

Scope

While the Juvenile Courthouse Project will be located in Commission District 5, the amendment to the Original Resolution will provide a countywide benefit. The adoption of the Supplemental Resolution will in no way impact the Juvenile Courthouse Project.

This Supplemental Resolution approves an amendment to the Original Resolution which will allow the County to convert the Series 2003B Bonds from an auction interest rate mode to another variable interest rate mode (daily, weekly, flexible, index floating) initially and if advantageous to a long term interest rate in the future. The Series 2003B were issued to finance the acquisition, construction and equipping of the Juvenile Courthouse Project and related facilities.

Fiscal Impact/Funding Source

It is anticipated that the conversion to another variable interest rate mode will reduce the County's interest cost on the Series 2003B Bonds. There is no additional fiscal impact on the County by the amendment itself.

The principal and interest on the Series 2003B Bonds are special limited obligations of the County payable solely from Pledged Revenues. Pledged Revenues are defined as (i) Traffic Surcharge (\$15 surcharge on each non-criminal traffic infraction) (ii) a covenant to budget and appropriate from legally available non-ad valorem revenues in the event Traffic Surcharge is insufficient to pay debt service; and (iii) all moneys and investments including investment earnings.

Background

The Series 2003B Bonds were issued in the principal amount of \$45,850,000, all of which are currently outstanding. The final maturity of the Series 2003B Bonds is 2043. The Bonds were issued to provide funds, together with other funds of the County, to finance the acquisition, construction and equipping of the Juvenile Courthouse Project, which includes a juvenile courthouse and related facilities for the

juvenile division and the probate and guardianship division. The Juvenile Courthouse Project is to be located on County owned land at 112 NW 3rd Street in the City of Miami.

Currently, the Series 2003B Bonds are auctioned every 28 days in accordance with the auction rate procedures in Exhibit A attached to the Original Resolution. The Original Resolution permits a change in the interest rate mode from auction rate mode to fixed rate mode only as it relates to the Series 2003B Bonds.

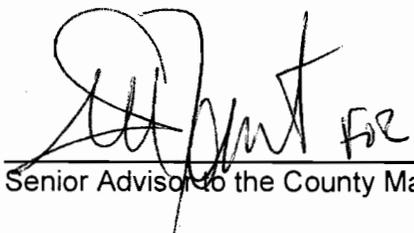

On March 4, 2008, the Board adopted Resolution No. R-216-08 which authorized the Finance Director, as the Mayor's designee, to take all actions necessary to reduce the County's interest rate exposure from auction rate bonds. This action was necessary in order to reduce the County's risk of paying higher interest rates due to the continued instability in the auction rate and variable rate markets which were a result of the liquidity crises and the bond insurance company downgrades.

The Supplemental Resolution approves, authorizes and provides for:

- An initial change in the interest rate mode of the Series 2003B Bonds from the current auction rate mode to a different variable rate mode (daily, weekly, flexible, index floating) to be determined by the by the Finance Director, as the Mayor's designee, after consultation with the Financial Advisor, the County Attorney and Bond Counsel and if economically advantageous, to a long term interest rate mode in the future, after a similar determination by the Finance Director;
- The elimination of an auction rate interest rate mode as an alternative interest rate mode in the future;
- Approval of terms and provisions of Appendix "A" and Appendix "B" which provide the procedures and requirements that are necessary to convert the Series 2008B Bonds to another interest rate mode (daily, weekly, flexible, index floating and long term interest rate mode);
- The delivery and distribution of a Remarketing Circular substantially in the form attached as Appendix "C" to the Supplemental Resolution and a Letter of Credit and Reimbursement Agreement substantially in the form attached as Appendix "D" to the Supplemental Resolution; and
- A waiver of Resolution No. R-130-06.

The Supplemental Resolution further delegates to the Finance Director, as the Mayor's designee, within certain limitations stated in the Supplemental Resolution, the authority to: (i) execute and deliver the Registrar and Paying Agent Agreement, Tender Agent Agreement, Bond Purchase Agreement, Credit Facility Agreement, Investment Agreements, Remarketing Agreement and Hedge Agreements, (ii) appoint one or more Remarketing Agents after a competitive process in connection with the Initial Conversion as needed to carry out the terms and provisions of Appendix A to the Supplemental Resolution after consultation with the County Attorney, Bond Counsel and the Financial Advisor; and (iii) negotiate and secure Credit Facilities and/or Liquidity Facilities after a competitive process with respect to all or a portion of the Series 2003B Bonds and any related agreements.

Resolution No. R-130-06 provides that any County contracts with third parties be finalized and executed prior to their placement on the committee agenda. The remarketing of the Series 2003B Bonds, which will set their final terms which are reflected in the contracts, cannot occur until after the effective date of this Resolution. Therefore, a waiver of Resolution R-130-06 is necessary.

1. From and after the Initial Conversion Date, each Bond, other than Liquidity Bonds, shall be in an Interest Mode designated as provided in Section 2.05 and bear interest at a corresponding interest rate determined as provided in Section 2.04 and Liquidity Bonds shall bear interest at the Liquidity Rate as provided in the applicable Liquidity Facility; provided, however, that in no event shall any interest rate for any such Bonds exceed the Maximum Rate; and, provided, that the Maximum Rate for any Liquidity Bonds shall be the rate described in clause (ii) of paragraph 3 of this Section 2.03. Each Bond in a Flexible Mode shall bear interest during a particular Flexible Period at a rate per annum equal to the interest rate determined above corresponding to the Flexible Period.

Each Bond in a Long Term Mode shall bear interest during a particular Long Term Period at a rate per annum equal to the interest rate determined above corresponding to the Long Term Period.

(b) If, by the second Business Day preceding the 14th day prior to the last day of any Long Term Period with respect to the Bonds, the Registrar has not received either (i) a Mode

Conversion Notice (as defined in Section 2.05.1 below) or (ii) written notice substantially in the form of Annex B-1 (a "Long Term Mode Continuation Notice") from the County electing that, during the next succeeding Rate Period, such Long Term Rate Bonds bear interest at another Long Term Rate, then the next succeeding Rate Period for such Long Term Rate Bonds shall be either (i) the shortest possible Long Term Period, if the County is able to obtain an Opinion of Bond Counsel, or (ii) a Long Term Period of the same duration as the previous Long Term Period, if the County is not able to obtain an Opinion of Bond Counsel, until such time as the interest rate shall be adjusted to a Daily Rate, Weekly Rate, Index Floating Rate, Long Term Rate and/or Flexible Rate in accordance with in Section 2.05 hereof, and such Long Term Rate Bonds shall be subject to mandatory purchase as provided in Section 2.06.4 hereof on the first day of such Long Term Period. The Long Term Rate for any such Long Term Period shall be determined in accordance with Section 2.04.6(a) hereof, provided that if the Remarketing Agent fails to establish the Long Term Rate as required by Section 2.04.6(a) hereof then the Long Term Rate shall be the rate in effect for the immediately prior Long Term Period for a new Long Term Period equal in length to the immediately prior Long Term Period.

7. ***Manner of Determining Interest Rate.*** In determining such interest rates described above, the Remarketing Agent shall have due regard for general financial conditions and such other conditions as, in the judgment of the Remarketing Agent, have a bearing on the interest rate on such Bonds, including the tender provisions applicable to such Bonds during the forthcoming Rate Period.

8. ***Failure to Determine Rate; Invalid Rate.*** In the event that the Remarketing Agent fails to establish the interest rate for any Long Term Period, then the Long Term Rate for such Bonds shall be calculated at a Long Term Rate in accordance with Section 2.04.6(b) above. In the event that the Remarketing Agent fails to establish the interest rate for any Daily Rate Period, Weekly Rate Period or Flexible Rate Period in accordance with this Appendix A, or the interest rate established for any Daily Rate Bonds, Weekly Rate Bonds, Flexible Rate Bonds, Long Term Rate Bonds or Index Floating Rate Bonds is held invalid or unenforceable by a court of law, then the interest rate for such Bonds for such Rate Period shall be: (i) for Bonds bearing interest at Flexible Rate, Weekly Rate, Daily Rate or Long Term Rate, a rate per annum equal to one hundred ten percent (110%) of the SIFMA Index on the date such rate would otherwise have been determined as provided herein for such Rate Period, or (ii) for Bonds bearing interest at the Index Floating Rate, as set forth in the Certificate as to Terms of Index Floating Rate Bonds. If for any reason the interest rate for any Bonds (other than Auction Rate Bonds) cannot be established as provided in the preceding sentence, or such method is held invalid or unenforceable by a court of law, then the interest rate on such Bonds for such Rate Period shall equal the Interest Index. The foregoing provisions shall not apply to any Bonds bearing interest at the applicable Liquidity Rate so long as such Bonds continue to bear interest at such Liquidity Rate.

9. ***Failed Remarketing; Liquidity Failure.*** (a) ***Daily Rate Bonds, Weekly Rate Bonds or Flexible Rate Bonds.*** In the event that any Daily Rate Bonds, Weekly Rate Bonds or Flexible Rate Bonds cannot be remarketed by the Remarketing Agent, and the Liquidity Facility is either unavailable or the Liquidity Facility Provider for any reason fails to make payment thereunder, then such Bonds shall accrue at a rate per annum equal to ten percent (10%) until such time as the Remarketing Agent is able to remarket such Bonds or the Liquidity Facility is

available to pay the Purchase Price of such Bonds or such Bonds are converted to a new Rate Period with the Purchase Price being paid upon Conversion.

(b) *Long Term Rate Bonds.* In the event that any Long Term Rate Bonds cannot be remarketed, then such Delayed Remarketing Bonds shall accrue interest at a rate per annum equal to: (A) with respect to a Long Term Period for which a Liquidity Facility is in effect, one hundred ten percent (110%) of the SIFMA Index on the date such rate would otherwise have been determined pursuant to this Appendix A (which rate shall not exceed the Maximum Rate), and (B) with respect to a Long Term Period for which no Liquidity Facility is in effect, ten percent (10%) per annum, during the Delayed Remarketing Period.

(c) *Index Floating Rate Bonds.* In the event that any Index Floating Rate Bonds cannot be remarketed, then such Index Floating Rate Bonds shall bear interest as provided in the Certificate as to Terms of Index Floating Rate Bonds.

10. ***Special Provisions Relating to Delayed Remarketing Bonds.*** Notwithstanding anything herein to the contrary, the following provisions shall apply with respect to Delayed Remarketing Bonds.

(a) On each Business Day during the Delayed Remarketing Period, the Remarketing Agent shall continue to use its best efforts to remarket the Delayed Remarketing Bonds into the Rate Period designated by the County (or such other Rate Period as the County shall thereafter designate to the Remarketing Agent and the prospective holders of such Bonds). Once the Remarketing Agent has advised the County and the Registrar that it reasonably believes that it is able to remarket all of the Delayed Remarketing Bonds into the designated Rate Period, the Registrar will give notice by mail to the Holders of the Delayed Remarketing Bonds no later than five (5) Business Days prior to the proposed effective date of the new Rate Period (the "Delayed Remarketing Date"), which notice shall state (i) that such Delayed Remarketing Bonds will continue to be calculated at a Long Term Rate or will be adjusted to calculation at a Daily Rate, Weekly Rate, Flexible Rate or Index Floating Rate unless the remarketing proceeds available on the Delayed Remarketing Date is less than the amount required to purchase all of the Delayed Remarketing Bonds at the Purchase Price; (ii) the Delayed Remarketing Date and, with respect to Delayed Remarketing Bonds that shall continue to accrue at a Long Term Rate, the proposed duration and last day of the Long Term Period; (iii) that the Delayed Remarketing Bonds are subject to mandatory tender for purchase on the Delayed Remarketing Date and setting forth the Purchase Price and the place of delivery for purchase of the Delayed Remarketing Bonds; and (iv) that if sufficient funds are not available to pay the Purchase Price of all Delayed Remarketing Bonds on the Delayed Remarketing Date, then such Delayed Remarketing Bonds shall accrue at the rate set forth in Section 2.04.9(b) hereof until all such Delayed Remarketing Bonds are purchased as required in accordance with this Appendix A, and all tendered Delayed Remarketing Bonds shall be returned to their respective Holders. The Registrar shall send a copy of any notice sent to Delayed Remarketing Bond holders pursuant to the preceding sentence to the Tender Agent, the Liquidity Facility Provider (if any), the Remarketing Agent (if any), the Rating Agency (if any) and the Credit Facility Provider.

(b) Delayed Remarketing Bonds are subject to redemption in accordance with Section 2.15.3(b) hereof. The Registrar shall give notice of any such redemption to the Delayed

Remarketing Bond holders at least five (5) Business Days prior to the Redemption Date and otherwise in accordance with Section 304 of the Series 2003 Resolution.

(c) During the Delayed Remarketing Period, interest on Delayed Remarketing Bonds shall be paid to the Holders thereof (i) on each April 1 and October 1 occurring during the Delayed Remarketing Period and (ii) on the last day of the Delayed Remarketing Period. In the case of clause (i), interest on the Delayed Remarketing Bonds shall be paid from the moneys on deposit in the Principal and Interest Account pursuant to the Section 504(a) of the Series 2003 Resolution. In the case of clause (ii), interest on the Delayed Remarketing Bonds shall be payable solely from the proceeds of remarketing such Delayed Remarketing Bonds and without duplication of any payment made pursuant to clause (i).

11. **Liquidity Bonds.** Notwithstanding anything in the Series 2003 Resolution to the contrary, Liquidity Bonds shall bear interest at the Provider Rate for the period commencing from the date that the Liquidity Facility Provider shall have purchased such Bond and, subject to Section 2.11 hereof, continuing until the Liquidity Facility Provider (or a purchaser from the Liquidity Facility Provider other than a purchaser which purchased such Bond through the Remarketing Agent) shall no longer be the owner of such Bond; and such interest shall accrue and be payable on any Interest Payment Date for Liquidity Bonds. Not less than three (3) Business Days prior to each Interest Payment Date for Liquidity Bonds, the Paying Agent shall give telephonic notice, confirmed in writing, to the County of the estimated amount of interest due to the Liquidity Facility Provider on such Interest Payment Date and by 1:30 p.m. on the Business Day preceding each Interest Payment Date for Liquidity Bonds, the Paying Agent shall give telephonic notice, confirmed in writing, to the County of the interest on such Liquidity Bonds due to the Liquidity Facility Provider on such Interest Payment Date.

12. **Notices.** Not later than the day after the date on which the Remarketing Agent determines the interest rate on any Bond, the Remarketing Agent shall give the applicable Tender Agent, the Paying Agent and the County electronic or facsimile notice of the interest rate(s) determined by the Remarketing Agent on such date and the length of any Flexible Period commencing on such date.

13. **Binding Effect.** Each determination of the interest rate for the Bonds, other than Auction Rate Bonds, as provided herein, shall be conclusive and binding upon the Owners of Bonds, the County, the Remarketing Agent, the Paying Agent, the Registrar, the Liquidity Facility Provider and the Credit Facility Provider. Failure of the Remarketing Agent to give any of the notices described in Section 2.05, or any defect therein, shall not affect the interest rate to be borne by any of the Bonds nor the applicable Interest Mode nor in any way change the rights of the Owners of the Bonds to tender their Bonds for purchase in accordance herewith.

SECTION 2.05. Designation of Interest Modes.

1. (a) In order to designate a new Interest Mode for any Bonds of any Authorized Denomination, the County shall, at least two (2) Business Days prior to the date the Registrar is required to mail to Owners of Bonds a Mandatory Tender Notice relating to such mode conversion or adjustment, provide written notice substantially in the form of Annex B-2 (a "Mode Conversion Notice") to the Registrar, the Remarketing Agent, the Broker-Dealer (if any),

the Tender Agent, and the Liquidity Facility Provider (if any), for such Bonds, stating: (i) the Interest Mode or Modes to which the Bonds to be converted to a new Interest Mode are then subject, (ii) the date of the Conversion Date (which if the adjustment is from an Auction Rate Period must be the last Interest Payment Date in respect of the Auction Rate Period), which (A) date shall be at least fifteen (15) days after the date on which the Mode Conversion Notice is given to Owners of Bonds, (B) shall, in the case of Bonds to be adjusted to a new Interest Mode which are then subject to a Flexible Mode, also be a Rate Adjustment Date for such Bonds and (C) shall, in the case of Bonds to be adjusted to a new Interest Mode which are then subject to a Index Floating Mode, also be the day immediately following the last day of the then-current Index Floating Rate Period or a day on which the Index Floating Rate Bonds would otherwise be subject to optional redemption pursuant to Section 2.15.3(a) hereof, (iii) the type of Interest Mode or Modes that will be effective for such Bonds on such Conversion Date. If less than all of the Bonds then subject to a particular Interest Mode or Modes are to be converted to a new Interest Mode or Modes, the particular Bonds which are to be converted to a new Interest Mode or Modes shall be selected by the Registrar in such manner as the Registrar deems appropriate subject to the provisions of this Appendix A regarding Authorized Denominations of Bonds for any Interest Mode; provided that the Registrar shall, subject to the provisions of this Appendix A regarding Authorized Denominations, first select Liquidity Bonds for such conversion to a new Interest Mode before selecting any other of such Bonds for conversion to a new Interest Mode.

(b) No Conversion from one Interest Mode to another Interest Mode shall take effect hereunder unless there shall be in effect a Liquidity Facility if and as required under Section 2.13.1.

(c) If the County desires to convert all or any portion of all the Bonds to an Interest Mode for which no Liquidity Facility will be in effect, the Mode Conversion Notice shall state that such Bonds shall no longer be entitled to the benefits of the Liquidity Facility, if any, at the close of business on the Conversion Date. In the event that the County elects to convert the interest rate on the Bonds to a Long Term Rate, the County shall, by such means as the County deems practicable, give notice to the Registrar, the Tender Agent, the Liquidity Facility Provider and the Remarketing Agent, of the last day of the Long Term Period (which last day shall be either the day immediately prior to the Maturity Date or a day which both immediately precedes a Business Day and is at least 270 days after the effective date thereof) on or prior to the Conversion Date specified pursuant to clause (ii) above.

2. (a) Each Conversion to an Index Floating Mode shall be subject to the delivery of an Opinion of Bond Counsel on the Conversion Date addressed to the County and the Paying Agent and Registrar stating that the change in Interest Mode is authorized or permitted by the Act and the Series 2003 Resolution and will not cause the interest on the Bonds to become includable in gross income for federal income tax purposes.

(b) No Bonds may be converted to an Auction Rate Mode.

3. In the event that (a) the requirements of this Section 2.05 have not been met on a scheduled Conversion Date in respect of any Bonds or (b) on the Business Day preceding a scheduled Conversion Date in respect of any Bonds, the Remarketing Agent notifies the Registrar and the County that any of such Bonds cannot be remarketed, or (c) on or prior to the

Business Day preceding a scheduled Conversion Date, the County notifies the Remarketing Agent and the Registrar that it does not want all Bonds which were proposed to be adjusted to a new Interest Mode on such Conversion Date to be converted to such new Interest Mode, the succeeding Interest Mode for such Bonds proposed to be subject to such Conversion (i) if such Bonds were proposed to be converted from a Daily Mode, a Weekly Mode or a Flexible Mode, shall be the Weekly Mode; (ii) if such Bonds were proposed to be converted from the Auction Rate Mode, shall remain in the Auction Rate Mode but shall bear interest at the Maximum Auction Rate for the Auction Period commencing on the date that was to be the Conversion Date; and (iii) if such Bonds were proposed to be converted from a Long Term Mode, (x) if a Liquidity Facility meeting the requirements hereof with respect to Weekly Rate Bonds is in effect, the Weekly Mode and (y) if no Liquidity Facility meeting the requirements hereof with respect to Weekly Rate Bonds is in effect, the Long Term Mode for the shortest possible Long Term Period. The Registrar shall give prompt notice to the Notice Parties (i) of any event described in the first sentence of this paragraph 3 and (ii) of the succeeding Interest Mode. In no event shall the failure of Bonds to be converted in accordance with the Mode Conversion Notice for any reason be deemed to be a default under the Series 2003 Resolution. In any event, if a Mode Conversion Notice has been mailed to the holders of Bonds as provided in Section 2.05.1 and the County rescinds its election to make such Conversion, then the Bonds (except Auction Rate Bonds) which would have been subject to such Conversion shall continue to be subject to mandatory tender for purchase on the date which would have been the effective date of the Conversion as provided in Section 2.06.3.

4. If, on the second Business Day preceding the 14th day prior to the stated expiration date of the Liquidity Facility then in effect, the County has not advised the Registrar that it expects to obtain a Substitute Liquidity Facility for the Bonds after such stated expiration date, unless the County has already designated pursuant to Section 2.05.1 that all Bonds then payable from the Liquidity Facility shall be converted to an Interest Mode for which no Liquidity Facility is required to be in effect, any Bonds then entitled to the benefits of the Liquidity Facility shall be converted on the Scheduled Tender Date to a Long Term Mode for a Long-Term Period ending on the day immediately prior to their Maturity Date, regardless of whether any other requirements of this Section 2.05 have been met.

5. In connection with any Conversion of all or any portion of the Bonds to a Long Term Mode, the County may specify that all such Bonds shall no longer mature on the date specified in the Series 2003 Resolution but that such Bonds shall mature in such other years, but in no event later than the date specified or described in the Series 2003 Resolution and in such amounts as are specified by the County in a written notice to the Registrar and the Credit Facility Provider; provided, however, that no such specification shall be effective unless the County shall have received and delivered to the Registrar an Opinion of Bond Counsel that such specification will not cause interest on Bonds to be includable in gross income for federal income tax purposes; and provided further that in the event that any such specification becomes effective the aggregate principal amount of Sinking Fund Installments for Bonds due in any year, other than the date specified in the Series 2003 Resolution, shall be reduced by the principal amount of Bonds so specified by the County as maturing in such year.

6. None of the provisions of paragraph 1 of this Section 2.05 regarding required notices to Notice Parties or restrictions on dates on which Bonds may be adjusted to a new Interest Mode shall apply to any Bonds which are Unremarketed Bonds.

7. A Liquidity Facility shall be maintained by the County for Bonds bearing interest at a Weekly Rate, Daily Rate or Flexible Rate and, if and to the extent required by the Credit Facility Provider, for Bonds bearing interest at the Long Term Rate. Such Liquidity Facility shall meet the requirements of Section 2.13.3 as if such Liquidity Facility were a Substitute Liquidity Facility.

8. Prior to the Conversion of any Bonds to an Interest Mode other than (a) a Long Term Mode for a Long Term Period ending on the day immediately prior to the Maturity Date or (b) a Flexible Mode for a Flexible Period ending on the day immediately prior to the Maturity Date, the County shall have obtained the written consent of the Credit Facility Provider to such Conversion, which consent shall not be unreasonably withheld.

9. If, immediately prior to the Conversion of any Bonds to another Interest Mode, there is no Liquidity Facility in place, Conversion shall only occur if the remarketing proceeds of the Bonds subject to mandatory tender for purchase in connection with such Conversion at least equal the aggregate principal amount of the Bonds so subject to mandatory tender for purchase.

SECTION 2.06. Tender, Presentation and Purchase Provisions of the Bonds.

1. ***Mandatory Tender for Purchase of Bonds on a Substitution Date, the Special Mandatory Purchase Date or Scheduled Tender Date.*** Bonds shall be subject to mandatory tender and purchase on a Substitution Date, the Special Mandatory Purchase Date and the Scheduled Tender Date.

2. ***Mandatory Tender for Purchase of Bonds on Conversion Dates.*** Bonds are subject to mandatory tender and purchase on each Conversion Date applicable to such Bonds.

3. ***Mandatory Tender for Purchase on First Day of Each Rate Period.*** (a) The Bonds shall be subject to mandatory tender for purchase on the first day of each Rate Period (or on the day which would have been the first day of an Rate Period had one of the events specified in Section 2.05.3 (b) or (c) hereof not occurred which resulted in the interest rate on such Bonds not being converted) at the Purchase Price, payable in immediately available funds; provided, however, that in the case of any failed Conversion of Bonds from an Auction Rate Mode, no mandatory purchase shall apply. For payment of the Purchase Price on the Purchase Date, a Bond must be delivered at or prior to 10:00 A.M., New York City time, on the Purchase Date. If delivered after that time, the Purchase Price shall be paid on the next succeeding Business Day.

(b) Flexible Rate Bonds shall be subject to mandatory tender and purchase on each Rate Adjustment Date applicable to such Bonds (which is not a Conversion Date on which such Bonds are subject to mandatory tender for purchase pursuant to Section 2.06.2). Long Term Rate Bonds shall be subject to mandatory tender and purchase on the first day of each Long Term Period (which is not a Conversion Date on which such Bonds are subject to mandatory tender for purchase pursuant to Section 2.06.2).

4. ***Mandatory Tender for Purchase Upon Purchase in Lieu of Redemption.*** The Bonds Outstanding shall be subject to mandatory tender for purchase in accordance with Section 2.16 hereof if the County gives written direction to the Tender Agent not less than five (5) days prior to a scheduled optional redemption date to purchase the Bonds rather than redeem them on such date. Such purchase shall be made on the date the Special Purchase Bonds are otherwise scheduled to be redeemed at the Special Purchase Price.

5. ***Mandatory Tender for Purchase With Respect to a Letter of Credit.*** The following shall be mandatory tenders in connection with a Letter of Credit:

(a) The Bonds shall be subject to mandatory tender for purchase upon the occurrence of any event which is an Event of Default under the Letter of Credit Agreement, and receipt by the Paying Agent from the Bank of written notice of such default and a direction to purchase the Bonds for the Bank's own account, which mandatory tender shall occur on the fourth (4th) Business Day following receipt of such notice by the Paying Agent.

(b) The Bonds shall be subject to mandatory tender for purchase upon the occurrence of a Wrongful Dishonor or the Letter of Credit has been repudiated by the Bank, which mandatory tender shall occur on the fourth (4th) Business Day following the date of such Wrongful Dishonor or repudiation.

6. ***Purchase of Bonds In Daily Mode.*** Any Bonds (other than Liquidity Bonds) in the Daily Mode are subject to purchase, on the demand of the Owner thereof, on any Business Day, upon the irrevocable telephonic notice to the Tender Agent and the Remarketing Agent (promptly confirmed in writing by such Owner delivered to the Tender Agent by 11:00 A.M., New York City time, at its office) which states (a) with respect to each such Bond the principal amount being tendered, (b) the Bond numbers and CUSIP numbers, and (c) the Purchase Date. By 11:15 A.M., New York City time, on the date of receipt of any such irrevocable notice from the Owner of a Bond, the Tender Agent shall give telephonic notice to the Remarketing Agent specifying the contents of each such Tender Notice, and such Tender Notice, once transmitted to the Tender Agent, shall be irrevocable with respect to the tender for which such Tender Notice was delivered. The Tender Agent shall also, as soon as is practical, notify the Paying Agent and the Liquidity Facility Provider of the principal amount of Bonds being tendered. The determination by the Tender Agent of the contents of any such irrevocable telephonic Tender Notice shall be conclusive and binding on all parties. Liquidity Bonds are not subject to purchase on the demand of the Owner thereof.

7. ***Purchase of Bonds In Weekly Mode.*** Bonds (other than Liquidity Bonds) in the Weekly Mode are subject to purchase on any Business Day on the demand of the Owner thereof set forth in a properly completed Tender Notice delivered to the Tender Agent and the Remarketing Agent at its principal corporate trust office not less than seven (7) calendar days prior to such Business Day. The Tender Agent shall promptly (but in no event later than the Business Day following receipt of the Tender Notice) give telephonic notice, confirmed in writing not later than the Business Day following, to the Remarketing Agent specifying the contents of each such Tender Notice. The Tender Agent shall also, as soon as practicable, notify the Paying Agent and the Liquidity Facility Provider of the principal amount of Bonds being

tendered. Such Tender Notice, once transmitted to the Tender Agent, shall be irrevocable with respect to the tender for which such Tender Notice was delivered and such tender shall occur on the Business Day specified in such Tender Notice. Liquidity Bonds are not subject to purchase on the demand of the Owner thereof.

8. ***Manner and Timing of Payment for Tendered Bonds.*** Each Owner of any Bonds which are to be tendered pursuant to paragraph 1, 2, 3, 4, 5, 6 or 7 of this Section 2.06 shall be entitled to receive the proceeds of such tender by delivering such Bonds (with an appropriate transfer of registration form executed in blank) to the principal corporate trust office of, or other office designated in writing by, the Tender Agent; provided that in order to receive payment on the Purchase Date, such delivery must be made at any time at or prior to 11:30 A.M., New York City time on the Purchase Date with respect to such Bonds. Owners of Bonds that are delivered to such principal corporate trust office of the Tender Agent after the time stated above shall not be entitled to receive payment from the Tender Agent of the Purchase Price until the later of the next Business Day following (x) the Purchase Date or (y) the date of delivery of such Bond. The Purchase Price of any such tendered Bonds shall be paid in immediately available funds. The Purchase Price of such tendered Bonds (or portions thereof in Authorized Denominations) shall be payable on the Purchase Date applicable thereto by the Tender Agent in immediately available funds by wire transfer (a) to the Liquidity Facility Provider in respect of any Liquidity Bonds at the wire transfer address specified in the Liquidity Facility and (b) to any Owner of at least one million dollars (\$1,000,000) aggregate principal amount of Bonds upon written notice from such Owner containing the wire transfer address (which shall be in the continental United States) to which such Owner wishes to have such wire directed, if such written notice is received with the applicable Tender Notice when such Tender Notice is delivered to the Tender Agent. The Purchase Price of Liquidity Bonds that have been remarketed by the Remarketing Agent pursuant to the provisions of this Appendix A shall be paid by wire transfer to the Liquidity Facility Provider at the wire transfer address specified in the Liquidity Facility.

9. ***Purchase With Respect to Auction Rate Bonds, Flexible Rate Bonds, Index Floating Rate Bonds and Liquidity Bonds.*** There is no right of purchase on demand of an Owner with respect to Auction Rate Bonds, Flexible Rate Bonds, Index Floating Rate Bonds or Liquidity Bonds.

10. ***Agreement to Tender Bonds.*** Any Owner of Bonds, by its acceptance of the Bonds, agrees to tender its Bonds to the Tender Agent for purchase (a) on dates on which such Bonds are subject to mandatory tender in accordance with paragraph 1, 2, 3, 4 or 5 of this Section 2.06 and (b) on dates on which such Bonds are subject to tender and purchase pursuant to a Tender Notice given in accordance with paragraph 5 or 6 of this Section 2.06 at the Purchase Price and, upon such tender, to surrender such Bonds properly endorsed for transfer in blank.

11. ***Notice of Mandatory Tender for Purchase.*** Notice of any mandatory tender of Bonds in substantially the form of Annex C or, in the case of a Substitution Date, Annex D (a "Mandatory Tender Notice") identifying the Bonds to be purchased pursuant to paragraph 1 or 2 of this Section 2.06 shall be provided by the Registrar or caused to be provided by the Registrar by mailing a copy of the notice of mandatory tender by first-class mail at least fifteen (15) days, or forty-five (45) days pursuant to Section 2.13.4, if applicable, prior to the Purchase Date to any

Owner of Bonds subject to such purchase at the address shown on the registration books and to the Remarketing Agent. Such notice of mandatory tender shall identify such Bonds to be tendered, the reason for the mandatory tender for purchase, and specify the Purchase Date, the Purchase Price, the place and manner of payment, and that no further interest will accrue from and after the Purchase Date to such Owner.

In the event a mandatory tender of Bonds pursuant to paragraph 1, 2, 3, 4 or 5 of this Section 2.06 shall occur at or prior to the same date on which a purchase pursuant to paragraph 6 or 7 of this Section 2.06 is scheduled to occur, the terms and conditions of the applicable mandatory tender shall control.

The Registrar shall give a copy of any Mandatory Tender Notice given by it to the County, the Tender Agent, the Remarketing Agent, the Liquidity Facility Provider, the Credit Facility Provider and the Rating Agencies at the same time such Notice is given to Owners of Bonds.

Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner of Bond receives the notice, and the failure of such Owner to receive any such notice shall not affect the validity of the action described in such notice.

12. In the event an Owner of a Bond files with the Tender Agent a Tender Notice with respect to a portion of such Bond in an Authorized Denomination, such Owner shall be required to deliver such Bond to the Tender Agent along with the Tender Notice. The Tender Agent shall promptly provide the Registrar with a copy of the Tender Notice and shall request that the Registrar issue in the name of such Owner a new Bond in the Amount not so purchased. The Tender Agent shall pay the Purchase Price for such portion as provided in this Appendix A and the Registrar shall issue in the name of such Owner a new Bond in the amount not so purchased, which Bond the Tender Agent shall forward to such Owner. Notwithstanding anything to the contrary contained in the Series 2003 Resolution, no Owner of a Bond shall be entitled to tender a portion of such Bond to be purchased unless such portion and the portion of such Bond not to be so purchased shall each be in an Authorized Denomination.

13. The Tender Agent shall hold all Bonds (or portions thereof in Authorized Denominations) delivered to it for purchase pursuant to this Section 2.06 in trust for the benefit of the respective Owners thereof until moneys representing the Purchase Price or redemption price of such Bonds (or portions thereof in Authorized Denominations), as the case may be, shall have been delivered to or for the account of or to the order of the Owners thereof.

14. **Payment of Purchase Price by County.** If all or a portion of the Bonds tendered for purchase cannot be remarketed and the Liquidity Facility Provider, if any, fails to purchase all or any part of the unremarketed portion of such tendered Bonds in accordance with the Liquidity Facility then in effect on a Purchase Date, the County may at its option, but shall never be obligated to, pay to the Tender Agent as soon as practicable on a Purchase Date immediately available funds (together with any remarketing proceeds and any funds provided under the Liquidity Facility) sufficient to pay the Purchase Price on the Bonds tendered for purchase. The Tender Agent shall deposit the amount paid by the County, if any, in the County Purchase

Proceeds Account of the Bond Purchase Fund pending application of the money to the payment of the Purchase Price as set forth in Section 2.09.1 hereof.

SECTION 2.07. Non-delivery of Bonds. In the event that any Bonds with respect to which a Tender Notice has been sent to the Tender Agent pursuant to Section 2.06.6 or 2.06.7 or any Bonds which are subject to mandatory tender for purchase pursuant to Section 2.06.1, 2.06.2, 2.06.3, 2.06.4 or 2.06.5 are not delivered to the Tender Agent at the time, in the manner and at the place required by Section 2.06.8, the Undelivered Bonds will be deemed to have been tendered and purchased by the Tender Agent, and interest accruing on such Bonds on and after the applicable Purchase Date shall no longer be payable to the prior registered Owners thereof. Such prior Owners shall have recourse solely to the funds held by the Tender Agent for the purchase of the Undelivered Bonds, and the Registrar shall not recognize any further transfer of such Undelivered Bonds by such prior Owners. The Registrar or Tender Agent, as the case may be, shall register the transfer of such Bonds to the purchaser thereof and shall issue a new Bond or Bonds and deliver the same pursuant to Section 2.10, notwithstanding such non-delivery.

SECTION 2.08. Remarketing of Bonds.

1. With respect to Bonds for which a Tender Notice has been received pursuant to Section 2.06.6 or 2.06.7 or which are required to be tendered for purchase pursuant to Section 2.06.1, 2.06.2 (other than Bonds to be converted to the Index Floating Mode), 2.06.3, 2.06.4 or 2.06.5, the Remarketing Agent shall offer for sale and use its best efforts to sell such Bonds (including Liquidity Bonds); provided that the Remarketing Agent shall not be required to offer Bonds in a principal amount which will not be in Authorized Denominations on the Business Day immediately following the Purchase Date relating to such tender. Notwithstanding the foregoing, Bonds subject to a Special Mandatory Tender shall not be remarketed unless such Bonds are converted to a Long Term Mode for a Long Term Period ending on the day immediately prior to their Maturity Date, unless a Substitute Liquidity Facility is in full force and effect or unless the Liquidity Facility Provider has reinstated the Liquidity Facility with respect to which such Special Mandatory Tender was declared and such Liquidity Facility is in full force and effect.

2. Except as otherwise provided in Section 2.04.6(a) in connection with a Conversion to or continuation of a Long Term Rate, the Remarketing Agent shall offer for sale for the account of the Owner and use its best efforts to sell the Bonds referred to in paragraph 1 above, at a price equal to the Purchase Price thereof, on the Purchase Date of such Bonds or as soon thereafter as possible. The Remarketing Agent may not, however, when remarketing Bonds pursuant to the preceding sentence, sell any such Bonds at a discount or, except as otherwise provided in Section 2.04.6(a), at a premium. If the Remarketing Agent is able to sell all or any portion of such Bonds at such price, the Remarketing Agent shall deliver or cause to be delivered the Bonds so resold in accordance with Section 2.10(a) and shall cause the Tender Agent to deposit the proceeds of the sale of such Bonds in immediately available funds in the Remarketing Proceeds Account by 12:30 P.M., New York City time (or such later time as the Paying Agent and the Tender Agent shall permit, but in no event later than such time as shall be necessary to enable the Paying Agent to comply with the provisions of Section 2.09.4), on such Purchase Date. In the case of Bonds remarketed on a Purchase Date occurring during a Daily Mode or a Flexible Mode, the Remarketing Agent shall notify the Tender Agent and the Paying

Agent on each Purchase Date of the amount of Bonds to be sold pursuant to this paragraph 2 by 12:00 Noon, New York City time (or such later time as the Paying Agent and Tender Agent shall permit), and the denominations thereof, and the names, addresses and taxpayer identification numbers of the purchasers of such Bonds by 12:30 P.M., New York City time (or such later time as the Paying Agent and Tender Agent shall permit). In the case of Bonds remarketed on a Purchase Date occurring during a Weekly Mode, the Remarketing Agent shall notify the Paying Agent and the Tender Agent by 4:00 P.M., New York City time, on the Business Day preceding the Purchase Date, to the extent such information is then available, of the principal amount of Bonds to be sold pursuant to this paragraph 2, the denominations thereof, and the names, addresses and taxpayer identification numbers of the purchasers of such Bonds.

SECTION 2.09. Procedure for Purchase of Bonds.

1. On the date any Bonds are to be purchased pursuant to Section 2.06, the Tender Agent shall purchase, but only from the funds and in the order of priority listed below, such Bonds at the Purchase Price:

(a) amounts on deposit in the Remarketing Proceeds Account derived from the remarketing of Bonds other than Index Floating Rate Bonds;

(b) amounts on deposit in the Remarketing Proceeds Account derived from the remarketing of Index Floating Rate Bonds;

(c) amounts on deposit in the Liquidity Facility Proceeds Account derived from a demand for purchase under the applicable Liquidity Facility, if any (provided that moneys derived from a demand for purchase under the Liquidity Facility shall not be used to purchase Liquidity Bonds); and

(d) amounts, if any, furnished by the County at its option and in its sole discretion to the Tender Agent in the County Purchase Proceeds Account for the purchase of Bonds by the County.

2. In the event that a portion of the Bonds bears interest in an Interest Period not covered by a Liquidity Facility while a portion of Bonds bears interest in an Interest Period covered by a Liquidity Facility, the Purchase Price of the Bonds not covered by such Liquidity Facility shall not be paid with draws on such Liquidity Facility. In such event, separate Liquidity Facility Proceeds Accounts and Remarketing Proceeds Accounts of the Bond Purchase Fund established pursuant to Section 4.01 hereof shall be created for each particular Interest Period to which Bonds are subject.

3. If the Purchase Price of all such Bonds tendered or deemed tendered on any Purchase Date cannot be paid from the sources listed above, unless all such Bonds tendered or deemed tendered on such Purchase Date which cannot be purchased from the sources listed above shall be redeemed (which redemption shall be in the sole discretion of the County) on such Purchase Date, no such Bonds tendered or deemed tendered shall be purchased and all Bonds then Outstanding and entitled to the benefit of a Liquidity Facility shall bear interest from such Purchase Date at the rate per annum provided in Section 2.04.9 hereof from the date of such failed purchase until all such Bonds are purchased as required in accordance with this Appendix

A, and the Tender Agent shall immediately (a) return all tendered Bonds to the Owners thereof, (b) return all money received for the purchase of such Bonds to the persons who provided such moneys, and (c) provide written notice of such event to all Owners of Bonds and the Notice Parties. Notwithstanding any other provision of the Series 2003 Resolution, such failed purchase and return shall not constitute an Event of Default.

4. The Paying Agent shall promptly take all action in accordance with the Liquidity Facility and the Series 2003 Resolution necessary to demand under the Liquidity Facility in accordance with Article III that the Liquidity Facility Provider provide an amount sufficient to pay the Purchase Price of the Bonds pursuant to Section 2.09.1(b) on the Purchase Date. At a minimum, therefore, the Paying Agent shall demand a payment under the Liquidity Facility by 12:45 P.M., New York City time, on each Purchase Date of an amount equal to the Purchase Price of all Bonds to be purchased on such Purchase Date less amounts described in Section 2.09.1(a). The Liquidity Facility Provider shall honor any timely demand for payment made by the Paying Agent pursuant to this paragraph in immediately available funds by not later than 2:45 P.M., New York City time. In addition, if the demand for purchase is being made on a Purchase Date which is a Substitution Date, the demand for purchase shall be made under the Liquidity Facility which is being replaced.

5. IN NO EVENT SHALL THE COUNTY OR THE INSURER PROVIDER BE REQUIRED TO PROVIDE FUNDS FOR THE PAYMENT OF THE PURCHASE PRICE OF BONDS.

SECTION 2.10. Disposition of Purchased Bonds. Bonds tendered to the Paying Agent or the Tender Agent, as the case may be, for purchase pursuant to Section 2.06 or deemed tendered for purchase pursuant to Section 2.07 shall be made available by the Paying Agent or the Tender Agent, as the case may be, as follows:

(a) Bonds purchased with money described in Section 2.09.1(a) shall be made available to the Remarketing Agent for delivery to the purchasers thereof against payment therefor;

(b) Bonds purchased with money described in Section 2.09.1(b) shall be delivered to the order of the purchaser or purchasers thereof identified in writing by the County to the Tender Agent; and

(c) Bonds purchased by the Tender Agent with moneys described in Section 2.09.1(c) shall be registered in the name of the Liquidity Facility Provider and delivered in certificated form to the Liquidity Facility Provider as soon as practical following their purchase or held by the Tender Agent as agent for the Liquidity Facility Provider, as directed by the Liquidity Facility Provider.

Bonds delivered as provided in this Section 2.10 shall be registered in the manner directed by the recipient thereof.

When any Liquidity Bonds are remarketed, the Tender Agent shall not release Bonds so remarketed to the Remarketing Agent until the Tender Agent has received and forwarded to the

Liquidity Facility Provider the proceeds of such remarketing and (unless the Liquidity Facility is no longer to remain in effect) the Liquidity Facility has been reinstated.

Notwithstanding the foregoing, so long as the Book-Entry Only System is in effect, Bonds delivered pursuant to this Section 2.10 shall be delivered in conformity with the Book-Entry Only System.

SECTION 2.11. Certain Additional Provisions Applicable to Liquidity Bonds.

1. In accordance with the applicable Liquidity Facility, the County hereby authorizes the Tender Agent to agree to hold such Liquidity Bonds in trust for the account of the applicable Liquidity Facility Provider as stated in Section 2.10(c).

2. The Liquidity Facility Provider (or any subsequent owner of a Liquidity Bond) shall have the right, by written notice or by telephonic notice, promptly confirmed in writing to the Remarketing Agent, the County, the Registrar and the Tender Agent, to elect not to sell the Liquidity Bonds or any portion thereof. From and after any sale by the Remarketing Agent and receipt by the Tender Agent on behalf of the Liquidity Facility Provider (or any subsequent owner of the Liquidity Bonds) of the Purchase Price therefor, or any such election not to sell the Liquidity Bonds, such Bonds shall cease to be Liquidity Bonds and shall bear interest as provided herein for Bonds other than Liquidity Bonds.

3. Interest on any Liquidity Bonds shall be paid by wire transfer to the Liquidity Facility Provider at the wire transfer address specified in the Liquidity Facility and in such other manner as is provided in the Liquidity Facility.

4. In the event of a redemption of any Liquidity Bonds, the Paying Agent shall remit to the applicable Liquidity Facility Provider the Redemption Price of such Liquidity Bonds.

SECTION 2.12. Authorized Denominations. Notwithstanding anything in the Series 2003 Resolution to the contrary, a Bond may be tendered in whole or in part provided that (i) any such tendered Bond or portion thereof must be in an Authorized Denomination, and (ii) no portion of any Bond may be tendered if the principal amount of the Bond to be retained by the Owner of the Bond thereafter is not in an Authorized Denomination.

SECTION 2.13. Liquidity Facility; Substitute Liquidity Facility; Substitute Credit Facility.

1. **Requirement of Liquidity Facility.** A Liquidity Facility in an amount equal to the sum of outstanding principal and interest calculated at the Maximum Rate for 35 days, or such other amount as may be approved by the Insurer if the Policy and each Rating Agency, and having an initial term of at least 364 days shall be maintained by the County with respect to Weekly Rate Bonds, Daily Rate Bonds or Flexible Rate Bonds and, if required by the Insurer, for Long-Term Rate Bonds; provided that no Liquidity Facility is required for Long Term Rate Bonds in a Long Term Period ending on the day immediately prior to the Maturity Date. If Bonds are converted to any Interest Mode other than a Daily Rate Mode or a Weekly Rate Mode, and a Liquidity Facility is required to be in place pursuant to this Section 2.13.1, each Rating Agency then rating the Bonds must approve the number of days of interest coverage to be

included in the Liquidity Facility. Notwithstanding the foregoing, subject to the consent of the Insurer, no Liquidity Facility shall be required in any Interest Mode during which Bonds receive a rating from each Rating Agency in the highest short-term category without regard to gradations within such category which rating is not based on a Liquidity Facility. The suspension of a Liquidity Facility shall not be deemed a failure to provide a Liquidity Facility.

2. ***Surrender of Liquidity Facility.*** If a Substitute Liquidity Facility is delivered to the Paying Agent in accordance with Section 2.13.4 hereof, then the Paying Agent shall accept the Substitute Liquidity Facility and surrender the Liquidity Facility previously held for cancellation, provided that no Liquidity Facility shall be surrendered until after the date on which Bonds required to be purchased pursuant to Section 2.06.1 have been purchased in accordance herewith. If a Liquidity Facility automatically terminates, the Paying Agent shall surrender such Liquidity Facility to the issuer thereof for cancellation in accordance with the terms of the Liquidity Facility. Upon the defeasance of all Bonds secured by such Liquidity Facility pursuant to the Series 2003 Resolution (including and at such time as all Bonds secured by such Liquidity Facility are no longer subject to tender for purchase, the Paying Agent shall surrender the Liquidity Facility, if any, to the Liquidity Facility Provider for cancellation in accordance with the terms of that Liquidity Facility. The Paying Agent shall comply with the procedures set forth in each Liquidity Facility relating to the termination thereof and shall deliver any certificates reducing the stated amount of the Liquidity Facility in accordance with the provisions thereof.

Other than in connection with a Substitute Liquidity Facility, neither the Paying Agent nor the County shall terminate or surrender the Liquidity Facility prior to (a) the defeasance of all Bonds secured by such Liquidity Facility pursuant to the Series 2003 Resolution or (b) the conversion of all Bonds secured by such Liquidity Facility to a Interest Mode for which no Liquidity Facility need be in effect. In the event that Bonds have been retired in part or have been converted in part to an Interest Mode not requiring a Liquidity Facility and the stated amount of the Liquidity Facility is to be reduced accordingly, the Paying Agent shall take such action as is necessary under the Liquidity Facility to reduce the amount available to be drawn thereunder and, if permitted by the terms of the Liquidity Facility, may exchange the Liquidity Facility for a revised form of Liquidity Facility

3. ***Notices.*** (a) If, at any time before the second Business Day preceding the 15th day prior to the Liquidity Facility Expiration Date, the County obtains a renewal or extension of the Liquidity Facility (or a written commitment which evidences such renewal or extension) on substantially the same terms, the County shall promptly give notice to the Notice Parties of such renewal or extension. Any such renewal or extension shall not require notice to the Owners of Bonds.

(b) If at any time fifteen (15) days plus two Business Days remain until the Liquidity Facility Expiration Date and the Liquidity Facility has not been renewed, extended or replaced or the County has not obtained a written commitment for such renewal, extension or replacement, the Paying Agent shall promptly give to the Owners of the Bonds, the Remarketing Agent and the Tender Agent notice that (i) the Liquidity Facility is scheduled to expire and stating the date of such expiration; (ii) the County has not obtained a renewal, extension or substitution of said Liquidity Facility; and (iii) the

Bonds shall be subject to mandatory tender pursuant to Section 2.06.1 and explaining the terms of such mandatory tender.

(c) If, at any time, the County provides for a Substitute Liquidity Facility by (a) delivering to the Paying Agent a Substitute Liquidity Facility, and (b) complying with the requirements set forth in clause (b) above or paragraph 4 below, then the Paying Agent shall give prompt notice to the Tender Agent, the Remarketing Agent, each Rating Agency, the County and the Owners of Bonds (such notice to Owners to be substantially in the form of Annex D at least fifteen (15) days prior to the effective date of such Substitute Liquidity Facility) then entitled to the benefits of the Liquidity Facility that the County has obtained a Substitute Liquidity Facility and that the then-current Liquidity Facility for which a substitute has been obtained will be cancelled on the Substitution Date. The County shall forward to the Paying Agent and the Remarketing Agent upon receipt any rating letters from any Rating Agency with respect to the Bonds and the Substitute Liquidity Facility. The notice to Owners of Bonds referred to in this Section 2.13.3(c) shall be given as provided in Section 2.06.11.

4. ***Delivery of Substitute Liquidity Facility.*** Prior to the expiration or termination of a Liquidity Facility relating to Bonds, in accordance with the terms of such Liquidity Facility, the County may provide for the delivery to the Paying Agent of a Substitute Liquidity Facility. Except to the extent permitted by Section 2.13.3(b) above, any Substitute Liquidity Facility shall meet the following criteria:

(a) Any Substitute Liquidity Facility shall provide that funds may be made available for the purposes, in the amounts and at the times provided in Articles II and III and shall contain administrative provisions satisfactory to the Paying Agent and the Tender Agent.

(b) Any Substitute Liquidity Facility shall have a term of not less than the lesser of 364 days or the remaining term of the Bonds to be supported thereby.

(c) Any Substitute Liquidity Facility shall be in form and substance acceptable to and shall meet the requirements of the Insurer.

(d) On or prior to the date of the delivery of the Substitute Liquidity Facility to the Paying Agent, the County shall furnish to the Paying Agent (i) if the Substitute Liquidity Facility is issued by a Liquidity Facility Provider other than a domestic commercial bank, an Opinion of Counsel satisfactory to the Paying Agent, the Remarketing Agent and the Insurer that no registration of the Substitute Liquidity Facility is required under the Securities Act, and no qualification of the Series 2003 Resolution is required under the Trust Indenture Act, or that all applicable registration or qualification requirements have been fulfilled and (B) an Opinion of Counsel satisfactory to the Paying Agent, the Remarketing Agent and the Insurer to the effect that such Substitute Liquidity Facility is a valid and enforceable obligation of the issuer thereof.

(e) In lieu of the Opinion of Counsel required by clause (d) above, there may be delivered an Opinion of Counsel reasonably satisfactory to the County, the

Remarketing Agent, the Tender Agent and the Insurer to the effect that either (i) at all times during the term of the Substitute Liquidity Facility, the Bonds secured by such Substitute Liquidity Facility will be offered, sold and held by holders in transactions not constituting a public offering of such Bonds or the Substitute Liquidity Facility under the Securities Act, and accordingly no registration under the Securities Act, nor qualification of the Series 2003 Resolution under the Trust Indenture Act, will be required in connection with the issuance and delivery of the Substitute Liquidity Facility or the remarketing of such Bonds with the benefits thereof, or (ii) the offering and sale of such Bonds, to the extent evidencing the Substitute Liquidity Facility, has been registered under the Securities Act and any indenture required to be qualified with respect thereto under the Trust Indenture Act has been so qualified. If the opinion described in clause (i) of this paragraph is given, such Bonds and any transfer records relating to such Bonds shall be noted indicating the restrictions on sale and transferability described in such clause (i).

5. ***Delivery of Substitute Liquidity Facility Upon Rating Downgrade of Liquidity Facility Provider.*** In the event that the Liquidity Facility Provider is downgraded below the top two short-term ratings by S&P or the highest short term rating by Moody's (to the extent such rating agency is then rating the Liquidity Facility Provider), the County may, and at the direction of the Insurer shall, provide for delivery of a Substitute Liquidity Facility that meets the criteria set forth in Section 2.13.4 above. Any Substitute Liquidity Facility delivered to the Paying Agent pursuant to this subparagraph shall contain administrative provisions reasonably acceptable to the Paying Agent.

6. ***Delivery of Substitute Credit Facility.*** Subject to the provisions of Section 2.13.7 below, if at any time the County provides for a Substitute Credit Facility by delivering to the Paying Agent (a) notice of its intent to deliver a Substitute Credit Facility no less than fifteen days plus two (2) Business Days before the proposed effective date of the Substitute Credit Facility, which notice shall specify the name of the provider of the Substitute Credit Facility and the proposed effective date of the Substitute Credit Facility and (b) a Substitute Credit Facility on the date specified in the notice delivered pursuant to clause (a) of this paragraph, then the Paying Agent shall give prompt notice to the Tender Agent, the Remarketing Agent, the Liquidity Facility Provider, each Rating Agency, the County and the Owners of Bonds (such notice to Owners to be substantially in the form of Annex D hereto) that the County has obtained a Substitute Credit Facility and that the then-current Credit Facility for which a substitute has been obtained will be cancelled on the date the Substitute Credit Facility becomes effective. The County shall forward to the Paying Agent and the Remarketing Agent receipt any rating letters from any Rating Agency with respect to the Bonds and the Substitute Credit Facility. The notice to Owners of Bonds referred to in this Section 2.13.6 shall be given as provided in Section 2.06.11.

7. There shall be no substitution of the Credit Facility or of the Credit Facility Provider as insurer of the Bonds or surrender, cancellation, termination or modification in any material respect of the Credit Facility, without the prior written consent of the Liquidity Facility Provider and confirmation from each Rating Agency that such action will not result in the withdrawal or downgrade of the ratings on the Bonds.

8. No additional Credit Facility shall be delivered unless the County has first obtained the written consent of each Credit Facility Provider of a Credit Facility then in existence and which will remain in existence following delivery of the additional Credit Facility.

9. Other than in connection with a Substitute Credit Facility, neither the Paying Agent nor the County shall cancel, terminate or surrender the Credit Facility or accept or permit any augmentation, modification, amendment or supplement of the Credit Facility prior to the discharge of the Series 2003 Resolution in accordance with the Series 2003 Resolution with respect to all Bonds.

10. Any provision herein requiring notice to or from a Liquidity Facility Provider or the consent thereof prior to any action by the Tender Agent, the Paying Agent, the Registrar or the County shall have no force or effect with respect to such Liquidity Facility Provider (a) following (i) the termination or expiration of such Liquidity Facility, and (ii) the repayment of all amounts owed to such Liquidity Facility Provider pursuant to the credit or reimbursement agreement pursuant to which such Liquidity Facility was issued and its cancellation or (b) following the failure or refusal of such Liquidity Facility Provider to honor a properly presented and conforming draw under such Liquidity Facility, except with respect to all rights accruing to the Liquidity Facility Provider with respect to unreimbursed draws on the Liquidity Facility.

SECTION 2.14. Procedures for Tender and Purchase of Book-Entry Bonds. Notwithstanding any provisions here to the contrary, at any time while the Bonds are book-entry Bonds, the provisions of this Article II are modified as follows:

(a) Any notice pursuant to Section 2.06.6 or 2.06.7 shall be given to the Securities Depository and the Paying Agent by any direct participant in the Securities Depository acting on behalf of either any owner of a beneficial interest in the Bonds or any indirect participant in the Securities Depository acting on behalf of such an owner, provided that any such notice shall not be required to contain the bond number of Bonds to be tendered for purchase and the Paying Agent may conclusively rely on any written certification or representation by a person, firm, corporation or other entity that it is acting as a direct participant in the Securities Depository for the Bonds for the purposes of giving any such notice.

(b) Delivery of Bonds to the Paying Agent, as provided in Section 2.06.8, shall be effected by book-entry credit to the account of the Paying Agent on the records of the Securities Depository, at or prior to 1:00 p.m., New York time, on the date Bonds or portions thereof are required to be tendered to the Paying Agent for purchase, of a beneficial interest in the Bonds to be purchased on such date.

SECTION 2.15. Redemption Prices and Terms. In addition to the mandatory sinking fund redemptions contemplated in the Series 2003 Resolution, subject to the provisions of Section 2.05.5, the Bonds are also subject to redemption in whole or in part prior to maturity upon such notice, at such times, and upon such additional terms and conditions as described in this Section 2.15. The County shall furnish to each Rating Agency the notice provided in Section 7.01, but the failure to provide such notice shall not affect the validity of any such redemption.

1. **General Optional Redemption of Daily Rate Bonds, Weekly Rate Bonds and Flexible Rate Bonds.** At the option of the County, any Daily Rate Bonds, Weekly Rate Bonds and Flexible Rate Bonds are subject to redemption prior to maturity, in whole or in part (but if in part in the Authorized Denomination applicable to such Interest Mode) on any date (except that any Flexible Rate Bond shall not be redeemed pursuant to this paragraph on any date other than a Rate Adjustment Date) at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Bonds to be redeemed plus accrued and unpaid interest not otherwise payable on such date. Before selecting any Bonds for such optional redemption, the Paying Agent shall first apply any amounts to be applied to such optional redemption to redeem Liquidity Bonds.

2. The County shall not optionally redeem any Bonds pursuant to the provisions of Section 2.15.1 unless the County shall have received an Opinion of Counsel of recognized expertise in matters relating to federal bankruptcy laws to the effect that the payment of the principal of and interest on the Bonds to be optionally redeemed will not constitute an avoidable preference under the federal bankruptcy laws as then in effect in a case commenced by or against the County in which the County is the debtor.

3. **General Optional Redemption of Index Floating Rate Bonds and Long Term Rate Bonds.** (a) Index Floating Rate Bonds. Any Index Floating Rate Bonds are subject to redemption prior to their stated maturity at the option of the County at the times and otherwise as described in the Certificate as to Terms of Index Floating Rate Bonds.

(b) Long Term Rate Bonds. Long Term Rate Bonds are subject to optional redemption prior to their stated maturity at the option of the County in whole or in part (i) on the first day of the applicable Long Term Period, at a Redemption Price equal to one hundred percent (100%) of the principal amount of Long Term Rate Bonds to be redeemed plus accrued and unpaid interest not otherwise payable on such date, and (ii) at the times and at the prices set forth below, and in such amounts and of such maturities (treating sinking fund redemption dates as maturities for such purpose) as the County may direct, plus interest accrued to the Redemption Date (or such other Redemption Dates and/or Redemption Prices as shall be determined by the County on or prior to the Conversion to a Long Term Period and applicable during such Long Term Period, without the consent of any of the Bondholders, and accompanied by an Opinion of Bond Counsel to be delivered to the Paying Agent to the effect that such other Redemption Dates and/or Redemption Prices (i) are authorized or permitted by the Series 2003 Resolution, and (ii) will not cause the interest on the Bonds to become includable in gross income for federal income tax purposes; provided that any modification to the redemption provisions which does not result in substantially level Principal and Interest Payments on the Bonds together with the Principal and Interest Payments on the Series 2003A Bonds shall require the prior written consent of the Credit Facility Provider):

Years from Conversion Date until end of Long Term Period	First Day of Redemption Period	Redemption Price
More than fifteen	Tenth anniversary of Conversion Date	101%, declining by 1% on each anniversary of the Conversion Date to 100%
More than ten but not more than fifteen	Seventh anniversary of Conversion Date	101%, declining by 1% on each anniversary of the Conversion Date to 100%
More than seven but not more than ten	Fifth anniversary of Conversion Date	101%, declining by 1% on each anniversary of the Conversion Date to 100%
More than four but not more than seven	Third anniversary of Conversion Date	100.5%, declining by 0.5% on each anniversary of the Conversion Date to 100%
Four or fewer	Second anniversary of Conversion Date	100%

(d) Liquidity Bonds. Liquidity Bonds are subject to redemption prior to their stated maturity at the option of the County, in whole or in part at any time, upon one Business Day's notice of redemption to the Liquidity Facility Provider, the Registrar and the Paying Agent, unless a longer notice period is required by the Liquidity Facility, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Liquidity Bonds to be redeemed plus accrued interest, if any, to the Redemption Date.

4. ***Mandatory Redemption at Direction of Bank***. The Bonds are subject to redemption prior to maturity at the direction of the Bank upon an Event of Default as defined in the Letter of Credit Agreement, in whole on any date at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Bonds to be redeemed plus accrued and unpaid interest not otherwise payable on such date.

5. Notwithstanding any other provision of this Section 2.15, so long as the Credit Facility is in effect and the Credit Facility Provider is not in default thereunder, the Registrar shall not deliver any notice of redemption in respect of any Bonds other than a redemption from Sinking Fund Installments, unless (a) the County shall have paid or caused to be paid to the Paying Agent an amount which, in addition to other amounts available therefor and held by the Paying Agent, is sufficient to redeem, on the redemption date at a Redemption Price equal to 100% of the principal amount thereof, plus premium, if applicable, all of the Bonds to be redeemed; such amounts shall either be held uninvested by the Paying Agent or be invested at the written direction of the County only in direct obligations of or obligations unconditionally guaranteed by the United States of America having a maturity date on or prior to the redemption date; or (b) such notice states that the redemption is conditioned on the receipt of moneys for such redemption by the Paying Agent on or prior to the redemption date. In the event that a

conditional notice of redemption is given and such moneys are not timely received, the redemption for which such notice was given shall not be undertaken. In the event the County elects to redeem less than all of the Outstanding Bonds pursuant to paragraph 1 of this Section 2.15, the County shall instruct the Paying Agent in writing by facsimile transmission to, and upon such instruction the Paying Agent shall, redeem Liquidity Bonds prior to selecting any other Bonds for redemption pursuant to Section 2.15.6.

6. In the event of redemption of less than all of the Outstanding Bonds (except as otherwise provided in Section 2.15.5), the Registrar shall assign to each such Outstanding Bond to be redeemed a distinctive number for each unit of the principal amount of such Bond equal to the minimum Authorized Denomination and shall select the particular Bonds or portions thereof to be redeemed in accordance with industry practice; provided, however, the portion of such Bonds to be redeemed and the portion of such Bonds to be retained by the Owner thereof shall be in the principal amount of an Authorized Denomination for the Rate Period to which such Bonds are then subject, and, provided, further, that if the Bonds are subject to two or more different Rate Periods at the time of the redemption of less than all of the Bonds, the Registrar shall select the Bonds to be redeemed which are subject to different Rate Periods in the order of priority specified by the County, but shall choose the particular Bonds or portions of Bonds subject to a particular Rate Period in such manner as the Registrar in its discretion may determine. New Bonds representing the unredeemed balance of the principal amount of any such Bond shall be issued to the registered Owner thereof, without charge therefor. Any new Bond or Bonds issued pursuant to this paragraph shall be executed by the County and authenticated by the Registrar and shall be in any Authorized Denominations in an aggregate unpaid principal amount equal to the unredeemed portion of the Bond surrendered.

7. In the case of any redemption of Bonds pursuant to paragraphs 1 or 3 of this Section 2.15, the County shall give written notice to the Registrar of its election or direction so to redeem, of the redemption dates and of the principal amounts of the Bonds to be redeemed. Such notice shall be given to the Registrar (a) in the case of any redemption of Bonds pursuant to paragraph 3 of this Section 2.15, at least twenty-five (25) days plus two (2) Business Days prior to the date on which such Bonds are to be redeemed, (b) in the case of any redemption of Bonds pursuant to paragraph 1 of this Section 2.15, at least fifteen (15) days plus two (2) Business Days prior to the date on which such Bonds are to be redeemed, or (c) in any case, such lesser number of days prior to such redemption date as shall be acceptable to the Registrar. In the case of any redemption of Bonds pursuant to paragraph 1 of this Section 2.15, such notice shall also be given by the County to the other Notice Parties.

8. When the Registrar shall receive notice from the County pursuant to paragraph 6 of this Section 2.15, the Registrar shall give notice, in the name of the County, of the redemption of such Bonds, which notice shall specify the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Bonds are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds so to be redeemed, and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such redemption date there shall become due and payable upon each Bond to be redeemed, the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of registered Bonds to be redeemed in part only and that from and

after such date interest on each Bond to be redeemed shall cease to accrue and be payable. The Registrar shall mail a copy of such notice, postage prepaid, (i) for Index Floating Rate Bonds and Long Term Rate Bonds, not less than twenty-five (25) days before the redemption date if such Bonds and (ii) for Daily Rate Bonds, Weekly Rate Bonds and Flexible Rate Bonds, not less than fifteen (15) days before the redemption date, to the registered Owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses, if any, appearing upon the Bond Register, but receipt of such notice shall not be a condition precedent to such redemption and failure to receive any such notice shall not affect the validity of the proceedings for the redemption of Bonds as to which proper mailing was made. No notice of redemption need be given if the Owners of all Bonds to be called for redemption waive notice thereof in writing, and such waiver shall be filed with the Registrar not later than two (2) Business Days prior to the redemption date. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the registered owner actually receives the notice.

The Registrar shall give a copy of any notice of redemption given by it pursuant to the preceding paragraph to the County, the Tender Agent, the Remarketing Agent, the Liquidity Facility Provider, the Credit Facility Provider and the Rating Agencies at the same time such Notice is given to Owners of Bonds.

9. In the event any Bond (other than Long Term Rate Bonds) previously called for redemption shall be tendered for purchase or delivered for registration of transfer or exchange thereof prior to the redemption date, notation by endorsement or otherwise shall be made upon such Bond (or any Bond authenticated in substitution therefor) of such call for redemption. Each successive Bond authenticated in substitution for a Bond which has been called for redemption shall be deemed to be the Bond called for redemption.

10. Notice having been given in the manner provided in paragraph 7 of this Section 2.15, the Bonds, or principal portion thereof, called for redemption shall become due and payable on the redemption date specified in said notice at the Redemption Price, plus interest accrued and unpaid to the redemption date and, upon presentation and surrender of the Bonds so to be redeemed at the office specified in such notice, such Bonds, or principal portions thereof, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date; provided, however, that if the redemption date for any Bonds is on or after the Record Date for any Interest Payment Date and on or prior to such Interest Payment Date, interest on such Bonds shall be paid to the Owner on such Record Date in the normal course. If, on the redemption date, moneys for the redemption of all Bonds or principal portions thereof to be redeemed, together with interest to the redemption date, shall be held by the Paying Agent so as to be available therefor on said date and if notice of redemption shall have been given or waived as aforesaid, then, from and after the redemption date, interest on such Bonds or principal portions thereof so called for redemption shall cease to accrue and become payable. All moneys held by or on behalf of the Paying Agent for the redemption of particular Bonds or principal portions thereof shall be held in trust for the account of the Owners of such Bonds or principal portions thereof so to be redeemed. If said moneys shall not be so available on the redemption date, such Bonds or principal portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

11. Liquidity Bonds shall be redeemed prior to any other Bonds pursuant to any mandatory or optional redemption.

SECTION 2.16. Purchase in Lieu of Redemption. If all or a portion of the Bonds are called for redemption pursuant to Section 2.15 hereof and a conditional notice of redemption is sent pursuant to Section 2.15.5 hereof, the Bonds called for redemption may, in lieu of such redemption, be purchased by the Tender Agent, at the written direction of the County to the Tender Agent, given not less than five (5) days prior to the scheduled optional Redemption Date, in which case the Special Purchase Bonds shall be subject to mandatory tender in accordance with Section 2.06.4 hereof. The Tender Agent shall give immediate notice of such direction to the Paying Agent, the Registrar, the Remarketing Agent and the Liquidity Facility Provider, if any; provided, however, that no notice (other than the notice of optional redemption) of a Special Purchase Date shall be given to Bondholders. Such purchase shall be made on the date the Special Purchase Bonds are otherwise scheduled to be prepaid at the Special Purchase Price.

SECTION 2.17. Special Mandatory Tender and Purchase of Bonds.

1. Prior to all of the Outstanding Bonds having been converted to an Interest Mode for which no Liquidity Facility will be in effect, if on any Business Day the Paying Agent receives a Termination Notice from the Liquidity Facility Provider as a result of the occurrence of a Termination Event, then the Paying Agent shall, after consultation with the County, immediately select a date on which all Outstanding Bonds supported by such Liquidity Facility will be required to be tendered for purchase which is not less than five (5) Business Days prior to the date on which the Liquidity Facility Provider's commitment to purchase Bonds shall expire as specified in the Termination Notice (the "Special Mandatory Purchase Date"). The Registrar shall mail a Mandatory Tender Notice to the Remarketing Agent and Owners of Bonds subject to such purchase in accordance with Section 2.06.11 not less than fifteen (15) days prior to the Special Mandatory Purchase Date. On the Business Day immediately preceding such Special Mandatory Purchase Date the Paying Agent shall deliver a Notice of Purchase in order to receive by 2:45 P.M., New York City time, on the Special Mandatory Purchase Date in immediately available funds an amount sufficient to pay in full the Purchase Price of all Bonds required to be purchased on the Special Mandatory Purchase Date. If all such Outstanding Bonds are converted to an Interest Mode for which no Liquidity Facility will be in effect at any time prior to the Special Mandatory Purchase Date, such Special Mandatory Purchase Date shall be cancelled.

2. If Bonds are required to be tendered pursuant to this Section 2.17, then the County shall immediately designate a new Interest Mode for such Bonds, which new Interest Mode shall not require that a Liquidity Facility be in effect, to which the Bonds shall be converted on a Business Day selected by the County which is no less than five (5) Business Days prior to the Special Mandatory Purchase Date and the County, as soon as reasonably practicable, shall direct the Remarketing Agent to remarket all such Bonds in the Interest Mode in accordance with the provisions of the Remarketing Agreement on such Business Day.

3. All Bonds required to be tendered on the Special Mandatory Purchase Date pursuant to paragraph 1 of this Section 2.17 will be purchased by the Tender Agent on the Special Mandatory Purchase Date only from any funds provided to the Tender Agent by or on behalf of the Liquidity Facility Provider pursuant to the Liquidity Facility. If the funds provided

by the Liquidity Facility Provider are insufficient to purchase all Bonds required to be tendered on such Special Mandatory Purchase Date, then the provisions of Section 2.09.3 shall govern.

SECTION 2.18. Notices. Any notice required to be delivered in writing to any Notice Party by any other Notice Party pursuant to this Article II shall be deemed delivered in writing if sent by facsimile transmission.

ARTICLE III

LIQUIDITY FACILITY; DEMANDS FOR PURCHASE THEREUNDER

SECTION 3.01. Demands for Purchase under Liquidity Facility for Purchase of Bonds. If any Bonds are to be tendered for purchase pursuant to Section 2.06.1, 2.06.2, 2.06.3, 2.06.4, 2.06.5, 2.06.6 or 2.06.7 and the Remarketing Agent shall not then have provided the Tender Agent with sufficient funds to make such purchase by depositing in the Remarketing Proceeds Account immediately available funds by no later than the time provided in the applicable Liquidity Facility for presentation of drafts in order to receive payment in immediately available funds by 2:45 P.M. (New York City time) on the date such Bonds are required to be purchased, then the Paying Agent shall, subject to the provisions of Section 3.04, deliver a Notice of Purchase under the Liquidity Facility by no later than the time provided in the Liquidity Facility for presentation of Notices of Purchase in order to receive payment in immediately available funds by 2:45 P.M. (New York City time) on such day, of an amount sufficient to pay the Purchase Price of such Bonds. No presentation of the Notice of Payment under any Liquidity Facility pursuant to this Section 3.01 shall be made if a Substitute Liquidity Facility shall be effective and available to make demands for purchase thereunder on the date of such presentation in respect of such purchase. All demands for purchase on the Liquidity Facility pursuant to this Section 3.01 shall be made by the Paying Agent irrespective of whether the Paying Agent shall have received any fee, compensation or indemnification it may be entitled to receive under the Series 2003 Resolution.

SECTION 3.02. Amendments to Liquidity Facility; Notice of Termination or Suspension of Liquidity Facility.

1. Except with the consent of all the Owners of the Bonds entitled to the benefits of the Liquidity Facility given as provided in the Series 2003 Resolution, the Paying Agent shall not permit any amendment, supplement, modification or waiver to the Liquidity Facility which would result in the Liquidity Facility having terms and conditions less favorable to such Owners of the Bonds than the terms and conditions of the Liquidity Facility then in effect; provided, however, no such amendment which changes the stated expiration or termination date of the Liquidity Facility then in effect shall become effective unless the County shall deliver to the Paying Agent an Opinion of Bond Counsel stating that such change in the stated expiration or termination date will not adversely affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. Such Opinion of Bond Counsel shall also be delivered to the Remarketing Agent, but the failure to deliver such Opinion shall not affect the validity of any such amendment. Upon the amendment of the Liquidity Facility pursuant to this Section 3.02.1, the County shall furnish to each Rating Agency the notice provided in Section 7.01, but the failure to provide such notice shall not affect the validity of any such amendment.

2. If at any time the Liquidity Facility is suspended or terminated by the Liquidity Facility Provider pursuant to the terms of the Liquidity Facility or otherwise, the Paying Agent shall send notice thereof to the Owners of Bonds and the Remarketing Agent immediately.

SECTION 3.03. Paying Agent to Reduce and Terminate Liquidity Facility.

1. The Paying Agent shall, in accordance with the applicable provisions of the Liquidity Facility, take such action as shall be required to reduce the amounts available for demands for purchase thereunder in respect of principal portion of the Purchase Price and the interest portion of the Purchase Price on such Bonds to reflect any permanent reduction, whether by conversion of Bonds to a Long Term Mode for a Long Term Period ending on the day immediately prior to the Maturity Date, by payment upon redemption, by defeasance or otherwise, in the amount of Bonds Outstanding. The amount available to be drawn in respect of the payment of principal portion of the Purchase Price on the Bonds shall be reduced in an amount equal to the principal amount of such Bonds so converted or so paid or deemed paid and the amount available to be drawn in respect of the payment of interest portion of the Purchase Price on such Bonds shall be reduced by a percentage equal to the percentage by which the amount available to be drawn in respect of the payment of principal is reduced as aforesaid.

2. As soon as practicable on the first day after any such payment, conversion or defeasance, the Paying Agent shall, in accordance with the applicable provisions of the Liquidity Facility, take such action as shall be required to terminate the Liquidity Facility as a result of the payment or defeasance of all of the Bonds or the conversion of the interest rate on all Bonds to the Long Term Mode for a Long Term Period ending on the day immediately prior to the Maturity Date.

SECTION 3.04. No Demands to Pay Purchase Price of Bonds Held by the County or Certain Others. No demands for purchase under the Liquidity Facility shall be made, or be used, to pay an amount on or in respect of Bonds held by or for the account of the Liquidity Facility Provider or the County.

ARTICLE IV

AUTHORIZATION OF ESTABLISHMENT AND MAINTENANCE OF OTHER FUNDS, ACCOUNTS AND SUBACCOUNTS AND APPLICATION THEREOF

SECTION 4.01. Authorization of Establishment of Liquidity Facility Proceeds Account and Remarketing Proceeds Account.

1. In accordance with Section 507 of the Series 2003 Resolution, there is hereby created and established with the Tender Agent a trust fund to be designated "Miami-Dade County Special Obligation Bonds, Series 2003B (Juvenile Courthouse Project) Bond Purchase Fund". The Tender Agent shall further establish within the Bond Purchase Fund (a) one or more separate trust accounts each described as the "Liquidity Facility Proceeds Account" plus such additional designation as may be appropriate to distinguish it, (b) one or more separate trust accounts each described as the "Remarketing Proceeds Account" plus such additional designation as may be appropriate to distinguish it and (c) one or more separate trust accounts

each described as the "County Purchase Proceeds Account" plus such additional designation as may be appropriate to distinguish it.

2. Each Liquidity Facility Proceeds Account shall not constitute a Fund or Account within, and shall be held separate and apart from all Funds and Accounts under, the Series 2003 Resolution. Amounts on deposit in each Liquidity Facility Proceeds Account shall not be commingled with the amounts held in any other fund or account under the Series 2003 Resolution or in any Remarketing Proceeds Account. All proceeds of drawings on a Liquidity Facility shall be deposited in any applicable Liquidity Facility Proceeds Account as provided in Article III and shall be used only for payments of the Purchase Price of Bonds Outstanding which are entitled to the benefits of the Liquidity Facility in respect of which such proceeds were made available under the Liquidity Facility in the manner and at the times set forth in Article III. The Paying Agent shall make all amounts on deposit in the Liquidity Facility Proceeds Account available to the applicable Tender Agent at the times and in the amounts required hereunder. Any amounts deposited in the Liquidity Facility Proceeds Account and not needed with respect to any Purchase Date for the payment of the Purchase Price for any Bonds shall be immediately returned to the Liquidity Facility Provider.

3. Each Remarketing Proceeds Account shall not constitute a Fund or Account for purposes of the Series 2003 Resolution. Amounts on deposit in each Remarketing Proceeds Account shall not be commingled with the amounts held in any other fund or account under the Series 2003 Resolution or in any Liquidity Facility Proceeds Account. All amounts received by any Tender Agent from the applicable Remarketing Agent (or, in the case of Bonds to be converted to the Index Floating Rate, from the purchaser or purchasers identified by the County to the Tender Agent in writing) representing the purchase price of Bonds remarketed by the Remarketing Agent (or, in the case of Bonds to be converted to the Index Floating Rate, the Purchase Price of Bonds paid by the purchaser or purchasers thereof identified in the Certificate as to Term of Index Floating Rate Bonds) shall be deposited in the applicable Remarketing Proceeds Fund and shall be used only for payments of the Purchase Price of the Bonds so remarketed as provided in Section 2.08.

4. Upon receipt from the County under Section 2.06.14 of any funds for the purchase of tendered Bonds, the Tender Agent shall deposit such money, if any, in the County Purchase Proceeds Account of the Bond Purchase Fund for application to the Purchase Price of the Bonds required to be purchased on a Purchase Date in accordance with Section 2.09.1(d) to the extent that the money on deposit in the Remarketing Proceeds Account and the Liquidity Facility Proceeds Account of the Bond Purchase Fund shall not be sufficient. Only moneys received from the County shall be deposited into the County Purchase Proceeds Account and such moneys shall not be commingled with moneys derived from any other sources. Each County Purchase Proceeds Account shall not constitute a Fund or Account for purposes of the Series 2003 Resolution. Any amounts deposited in the County Purchase Proceeds Account and not needed with respect to any Purchase Date for the payment of the Purchase Price for any Bonds shall be immediately returned to the County.

5. All moneys deposited in any Liquidity Facility Proceeds Account, any County Purchase Proceeds Account and any Remarketing Proceeds Account shall be held in trust by the Paying Agent or the Tender Agent, as appropriate, and applied only in accordance with the

provisions of this Appendix A, and each Liquidity Facility Proceeds Account, each County Purchase Proceeds Account and each Remarketing Proceeds Account shall each be a trust fund for the purposes thereof. Amounts on deposit in any Liquidity Facility Proceeds Account, any County Purchase Proceeds Account and any Remarketing Proceeds Account shall not be commingled with any other funds held by the Paying Agent or the Tender Agent.

6. Amounts on deposit in any Liquidity Facility Proceeds Account and any Remarketing Proceeds Account shall either be held uninvested by the Paying Agent or the Tender Agent, as applicable, or be invested at the written direction of the County only in direct obligations of or obligations unconditionally guaranteed by the United States of America, rated in the highest rating category by Moody's and S&P having a maturity of the lesser of thirty (30) days or when needed. Unless otherwise provided in the applicable Bond Series Certificate, investment earnings on amounts on deposit in any Liquidity Facility Proceeds Account and any Remarketing Proceeds Account shall be deposited in the Revenue Fund. Subject to the requirements of any applicable law to the contrary, any amounts on deposit in any Liquidity Facility Proceeds Account and any Remarketing Proceeds Account which remain unclaimed for two years after the date such moneys were so deposited shall at the written request of the County be paid by the Paying Agent and the Tender Agent, as applicable, to the County as its absolute property and free from trust, and the Tender Agent shall thereupon be released and discharged with respect thereto and the Owners of such Bonds shall look only to the County for the payment of the Purchase Price of such Bonds; provided, however, that before being required to make any such payment to the County the Paying Agent and the Tender Agent, as applicable, may, at the expense of the County, cause to be published at least twice, at an interval of not less than 7 days between publications, in a daily newspaper of general circulation authorized by the County, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of the first publication of such notice, the balance of such moneys then unclaimed will be returned to the County.

Notwithstanding anything in the Series 2003 Resolution to the contrary, neither the Paying Agent nor the Tender Agent shall have any right to, or lien whatsoever upon, any of the amounts on deposit in any Liquidity Facility Proceeds Account or any Remarketing Proceeds Account or any County Purchase Proceeds Account for any payment of fees, expenses or other compensation due and owing by the County to the Paying Agent or any Tender Agent, respectively, for any services rendered under the Series 2003 Resolution.

ARTICLE V

THE TENDER AGENT, THE REMARKETING AGENT AND THE PAYING AGENT

SECTION 5.01. Tender Agents.

1. The Paying Agent shall act as the Tender Agent for the Bonds, unless the County shall subsequently appoint a successor Tender Agent.

2. The Tender Agent agrees to:

(a) hold all Bonds properly tendered to it for purchase hereunder as agent and bailee of, and in escrow for the benefit of, the respective Owners of the Bonds which shall have so tendered such Bonds until moneys representing the Purchase Price of such Bonds shall have been delivered to or for the account of or to the order of such Owners of the Bonds;

(b) hold all moneys delivered to it hereunder for the purchase of Bonds as agent and bailee of, and in escrow for the benefit of, the Person which shall have so delivered such moneys, until the Bonds purchased with such moneys shall have been delivered to or for the account of such Person;

(c) keep such books and records as shall be consistent with prudent industry practice and make such books and records available for inspection by the other Notice Parties;

(d) to hold Liquidity Bonds for the account of the applicable Liquidity Facility Provider in accordance with Section 2.10(c); and

(e) provide to the Paying Agent as soon as practicable after the close of business on each Record Date prior to all Bonds being in a Long Term Mode for a Long Term Period ending on the day immediately prior to the Maturity Date, but in no case later than 1:00 p.m., New York City time, on the applicable Interest Payment Date, a list of the names and addresses of the Owners of the Bonds, for which it serves as Tender Agent as of such Record Date; and

(f) give notices as required hereunder at the times and in the manner specified herein.

3. Upon receipt by any Tender Agent of any Tender Notice and the Bonds delivered pursuant to it for purchase in accordance with the Series 2003 Resolution, the Tender Agent shall deliver to the Person delivering the Tender Notice and the Bonds written evidence of the Tender Agent's receipt of such materials. Such Tender Agent shall promptly return any Tender Notice (together with the Bonds submitted in connection therewith) that is incomplete or improperly completed or not delivered by the date and time required hereunder to the Person submitting such notice upon surrender of the receipt, if any, issued therefor. The Tender Agent's determination of whether a Tender Notice is properly completed or delivered on a timely basis shall be binding on the County and the Owner of the Bonds submitted therewith.

4. Each Tender Agent shall be a commercial bank having trust powers or a trust company organized under the laws of a state or a national banking association having a combined capital stock, surplus and undivided profits of at least \$50,000,000 and authorized by law to perform all the duties imposed upon it by the Series 2003 Resolution. Each Tender Agent shall, wherever the Bonds are not subject to a book-entry only system, have an office or agency in New York, New York at which its duties hereunder are to be performed. Each Tender Agent shall be acceptable to the Liquidity Facility Provider and Credit Facility Provider. Each Tender Agent may at any time resign and be discharged of the duties and obligations created by the

Series 2003 Resolution by giving at least sixty (60) days' notice to the other Notice Parties. Each Tender Agent may be removed at any time by the County upon at least seven (7) days' notice to the other Notice Parties and the Owners of the Bonds. No such resignation or removal shall take effect until the appointment of, and the acceptance of such appointment by, a successor Tender Agent. Successor Tender Agents may be appointed from time to time by the County. Upon the resignation or removal of the Tender Agent, such Tender Agent shall deliver any Bonds and moneys held by it in such capacity to its successor.

5. Each Tender Agent, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Appendix A, shall examine such instrument to determine whether it conforms to the requirements of this Appendix A and shall, in the absence of negligence or willful misconduct on the part of such Tender Agent, be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. Each Tender Agent may consult with counsel and the written opinion of such counsel (which may be an Opinion of Bond Counsel) shall be full and complete authorization and protection in respect of any action taken or suffered by it under the Series 2003 Resolution in good faith and in accordance therewith.

6. Whenever any Tender Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under the Series 2003 Resolution, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of the Finance Director, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Appendix A upon the faith thereof; but in its discretion such Tender Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable.

7. Except as otherwise expressly provided in the Series 2003 Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision of this Appendix A by the County to any Tender Agent shall be sufficiently executed in the name of the County by the Finance Director.

8. In the event that any Tender Agent is required to act pursuant to the terms of this Appendix A upon the receipt of telephonic notice, such notice shall be promptly confirmed in writing. If such notice shall not be so confirmed, such Tender Agent shall be entitled to rely upon such telephonic notice for all purposes whatsoever.

9. In purchasing Bonds hereunder, each Tender Agent shall be acting as a conduit and shall not be purchasing such Bonds for its own account.

10. Unless otherwise provided by contract with a Tender Agent, the County shall pay to such Tender Agent, from time to time, reasonable compensation for all services rendered by it under the Series 2003 Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements and those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under the Series 2003 Resolution. None of the provisions contained in the Series 2003 Resolution shall require any Tender Agent to expend or

risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

11. Upon any change in any Tender Agent, the County shall furnish to each Rating Agency the notice provided in Section 7.01, but the failure to provide such notice shall not affect the validity of any change in such Tender Agent.

12. Regardless of any other provisions of this Appendix A, the Paying Agent and the Tender Agent shall at all times be the same entity.

SECTION 5.02. Remarketing Agents.

1. The County may appoint from time to time one or more Remarketing Agents for the Bonds when the Bonds are being adjusted to an Interest Mode for which a Remarketing Agent is required. Each Remarketing Agent shall accept the duties and obligations thereof under the Series 2003 Resolution by execution and delivery of an agreement with the County under which such Remarketing Agent will agree, among other things, to keep such books and records regarding the remarketing of the applicable Bonds and determining the interest rates on such Bonds as provided herein as shall be consistent with prudent industry practice and to make such books and records available for inspection by the County at all reasonable times.

2. The Remarketing Agent shall be a member of the National Association of Securities Dealers, Inc., having a capitalization of at least Fifty Million Dollars (\$50,000,000) and be authorized by law to perform all the duties imposed upon it by the Series 2003 Resolution. Each Remarketing Agent shall be acceptable to the Liquidity Facility Provider and Credit Facility Provider. Each Remarketing Agent may at any time resign and be discharged of its duties and obligations under the Series 2003 Resolution and the Remarketing Agreement upon providing at least sixty (60) days' written notice to the other Notice Parties and as otherwise provided in the applicable Remarketing Agreement. The County shall use its best efforts to appoint a successor Remarketing Agent acceptable to the Credit Facility Provider prior to the effective date of such resignation; provided, that, (1) if during such sixty (60) day period, the County shall have so appointed a Remarketing Agent, subject only to confirmation by the governing board of the County, such sixty (60) day period shall be extended until the governing board of the County shall have convened a regular meeting at which to consider such confirmation, and (2) if on or before the Business Day immediately preceding the end of such sixty (60) day period (as such period may have been extended pursuant to clause (1) immediately preceding), the County shall not have appointed a successor Remarketing Agent, the effective date of such resignation shall be extended to the earlier of an additional sixty (60) days or the date of the appointment of a successor Remarketing Agent, but not to exceed in any event 120 days from the date the Remarketing Agent shall have first provided notice of its resignation in the manner set forth in this Section 5.02.2. During such additional period, the Bank shall use its best efforts to appoint a successor Remarketing Agent acceptable to the County and the Insurer. The County and the Insurer agree that, if the Bank appoints the Bank or an affiliate of the Bank as Remarketing Agent, such appointment shall be acceptable to the County, provided that the Bank agrees to act as Remarketing Agent on substantially the same terms as those under which the resigning Remarketing Agent acted or the Bank and the County agree to other terms. The Bank and the County agree to act reasonably in negotiating such other terms, taking into account

prevailing economic and market conditions at the time. The Remarketing Agent's resignation shall be effective on the earlier of (i) the date on which a successor is appointed by the County or the Bank, as the case may be, or (ii) whether or not a successor has been appointed, the end of such additional sixty (60) day period.

3. Each Remarketing Agent may be removed at any time by the County, or in the event of failure of the Remarketing Agent to satisfactorily perform its obligations under the Remarketing Agreement, by the Credit Facility Provider, upon at least two (2) Business Days' written notice to the other Notice Parties. Prior to all applicable Bonds being converted to a Long Term Mode for a Long Term Period ending on the day immediately prior to the Maturity Date, no such removal shall be effective until a successor Remarketing Agent shall have been appointed and shall have accepted such appointment. A successor Remarketing Agent may be appointed from time to time by the County with the consent of the Credit Facility Provider, which consent shall not be unreasonably withheld.

4. If the Remarketing Agent resigns or is removed, such Remarketing Agent shall pay over, assign and deliver any moneys and Bonds held by it in such capacity, other than Bonds held for its own account, to its successor. Upon any change in any Remarketing Agent, the County shall furnish to each Rating Agency the notice provided in Section 7.01, but the failure to provide such notice shall not affect the validity of any change in such Remarketing Agent.

SECTION 5.03. Dealings in Bonds. The Paying Agent, the Registrar, the Tender Agent, the Liquidity Facility Provider, a Credit Facility Provider, the Remarketing Agent, the County, the Auction Agent, or the Broker-Dealer, each in its individual capacity, may in good faith and to the extent otherwise permitted by law, buy, sell, own, hold and deal in any of the Bonds, and may join in any action which any Owner of the Bonds may be entitled to take with like effect as if it did not act in any capacity hereunder. The Paying Agent, the Registrar, the Liquidity Facility Provider, a Credit Facility Provider, the Tender Agent or the Remarketing Agent, each in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other transaction with the County, and may act as depository, trustee, or agent for any committee or body of Owners of any Bonds secured hereby or other obligations of the County as freely as if it did not act in any capacity hereunder or under the Liquidity Facility or the Credit Facility.

SECTION 5.04. Additional Provisions Relating to the Paying Agent.

1. As long as the Purchase Price of any Bonds is payable from a Liquidity Facility, (a) the Paying Agent may be removed at any time, at the request of the Liquidity Facility Provider, for any breach of the trust set forth herein; (b) every successor appointed shall be a subsidiary of, or under common control with, a bank with trust powers, a trust company or a national banking association with trust powers, having capital stock, surplus and undivided earnings aggregating at least \$50,000,000 and acceptable to the Credit Facility Provider, and (c) the Paying Agent may not resign or be replaced unless a successor acceptable to the Credit Facility Provider shall have been appointed and have accepted such appointment and be acting as Paying Agent under the Series 2003 Resolution and such Liquidity Facility shall have been transferred to such successor. The Paying Agent agrees that it will transfer any Liquidity Facility to any successor Paying Agent in accordance with any terms of such Liquidity Facility.

2. Any successor Paying Agent, if applicable, shall not be appointed unless the Credit Facility Provider approves such successor in writing.

3. The Paying Agent agrees that, whenever required by the Series 2003 Resolution and in accordance therewith, it will (i) make all payments due on or in respect of the Bonds and (ii) cause to occur any mandatory tender without seeking any consent or approval of any Liquidity Facility Provider and without seeking any indemnity prior to so acting.

4. The Paying Agent shall not give any consent or make any demand or request under any Liquidity Facility, other than a demand or request for payment of the Purchase Price of Bonds, without the written direction of the Finance Director.

5. Notwithstanding any other provision of this Series 2003 Resolution, in determining whether the rights of the Bondholders will be adversely affected by any action taken pursuant to the terms and provisions of this Series 2003 Resolution, the Paying Agent shall consider the effect on the Bondholders as if there were no Credit Facility.

SECTION 5.05. Notices. The Paying Agent shall, within twenty-five (25) days of the resignation or removal of the Remarketing Agent or the Tender Agent or the appointment of a successor Remarketing Agent or Tender Agent give notice thereof by first class mail, postage prepaid, to the owners of the Bonds.

SECTION 5.06. Several Capacities. Anything herein to the contrary notwithstanding, the same entity may serve hereunder as the Paying Agent, the Tender Agent and a Remarketing Agent, and in any combination of such capacities to the extent permitted by law. Any such entity may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owners may be entitled to take with like effect as if such entity were not appointed to act in such capacity, under the Series 2003 Resolution.

ARTICLE VI

The Bondholders shall have no claim against the Insurer to the extent such Bondholder receives payment by the Bank pursuant to the terms of the Letter of Credit, however, County's obligation with respect to such payment shall not be extinguished until the County reimburses the Bank pursuant to the Letter of Credit Agreement or reimburses the Insurer to the extent the Insurer pays the Bank pursuant to the Financial Guaranty Insurance Policy.

(c) The County hereby covenants and agrees that it shall reimburse the Insurer for any amounts paid by the Insurer to the Bank and the holders of the Bonds under the Policy and all costs of collection thereof and enforcement of the Series 2003 Resolution, and any other documents executed in connection with the Series 2003 Resolution, together with interest thereon, from the date paid or incurred by the Insurer until payment thereof in full by the County, payable at the Insurer Payment Rate (as hereinafter defined), including without limitation (to the extent permitted by applicable law) interest on claims paid by the Insurer in respect of interest on the Bonds. Amounts drawn pursuant to subsection (i) in the preceding sentence shall be deposited into the Credit Facility Fund and shall be held in such account uninvested. Amounts in the Credit Facility Fund shall be used to pay the principal or redemption price of and interest on the Bonds when due.

The Bonds are special limited obligations of the County, payable solely (1) from Pledged Revenues, consisting primarily of Traffic Surcharge Revenues (as defined herein), and (2) funds made available as a result of the County's covenant to budget and appropriate annual amounts from legally available non-ad valorem revenue of the County, subject to limitations described in this Remarketing Circular.

NEITHER THE FAITH AND CREDIT OF THE STATE OF FLORIDA (THE "STATE"), THE COUNTY NOR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE ARE PLEDGED TO THE PAYMENT OF PRINCIPAL OF AND INTEREST ON THE BONDS. THE ISSUANCE OF THE BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATED THE STATE, THE COUNTY OR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE TO LEVY OR TO PLEDGE ANY FORM OF AD VALOREM TAXATION WHATSOEVER, NOR SHALL THE BONDS CONSTITUTE A CHARGE, LIEN OR ENCUMBRANCE, LEGAL OR EQUITABLE, UPON ANY PROPERTY OF THE STATE, THE COUNTY OR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE. NO HOLDER OF THE BONDS WILL HAVE THE RIGHT TO REQUIRE OR COMPEL THE EXERCISE OF THE AD VALOREM TAXING POWER OF THE STATE, THE COUNTY OR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE FOR PAYMENT OF THE BONDS, OR BE ENTITLED TO PAYMENT OF SUCH AMOUNT FROM ANY OTHER FUNDS OF THE COUNTY, OTHER THAN THE PLEDGED REVENUES, THE COVENANT REVENUES AND THE FUNDS IN ACCOUNTS CREATED UNDER THE BOND ORDINANCE IN THE MANNER AND TO THE EXTENT PROVIDED IN THE BOND ORDINANCE.

On and after the Conversion Date, the principal of, the interest on and the purchase price of the Bonds will be payable from an irrevocable, direct-pay letter of credit (the "Letter of Credit") issued by Commerce Bank, N.A.

[BANK LOGO]

pursuant to which the Paying Agent will be permitted to draw up to (a) an amount equal to the aggregate principal amount of the Bonds outstanding for the payment of the principal of the Bonds or the principal component of the purchase price of the Bonds plus (b) an amount equal to 35 days' interest on the Bonds outstanding (computed at a rate of 12% per annum based on a 365-day year for the payment of interest on the Bonds, or the interest component of the purchase price of the Bonds, all as further described herein. The Letter of Credit will expire on August ____, 2011, unless extended or earlier terminated. See "LETTER OF CREDIT."

The payment of principal of and interest on the Bonds when due also is insured by a bond insurance policy previously issued by Ambac Assurance Corporation. See "BOND INSURANCE" and "APPENDIX F—FORM OF FINANCIAL GUARANTY INSURANCE POLICY." See the inside cover page for information on the terms of the Bonds upon their conversion.

REMARKETING CIRCULAR

MIAMI-DADE COUNTY, FLORIDA

For the Remarketing of

\$45,850,000

[Variable Rate] Special Obligation Bonds,
Series 2003B
(Juvenile Courthouse Project)

INTRODUCTION

This Remarketing Circular (which includes the cover page, the inside cover page and Appendices) sets forth information in connection with the conversion and remarketing of the Miami-Dade County, Florida [Variable Rate] Special Obligation Bonds, Series 2003B (Juvenile Courthouse Project), in the principal amount of \$45,850,000 (the "Bonds"). The Bonds were issued on March 27, 2003, as authorized by Ordinance No. 02-172 enacted by the Board of County Commissioners of Miami-Dade County, Florida (the "Board") on September 24, 2002 (the "Ordinance"), as supplemented by Resolution No. R-144-03 adopted by the Board on February 20, 2003 (the "Series 2003 Resolution" and, together with the Ordinance, the "Original Bond Ordinance"). The Original Bond Ordinance was amended by Ordinance No. 04-117 enacted by the Board on May 25, 2004 (the "2004 Ordinance"), which is discussed in "SECURITY FOR THE BONDS."

The Bonds are being reoffered upon their conversion to a [Weekly] Rate Mode (the "Conversion"). The Conversion is being undertaken pursuant to the Original Bond Ordinance and Resolution No. R-___-08, adopted by the Board on _____, 2008 (the "2008 Resolution" and, together with the Original Bond Ordinance and the 2004 Ordinance, the "Bond Ordinance").

The Bond Ordinance [all parts?] is appended to this Remarketing Circular, as "APPENDIX C - THE BOND ORDINANCE." All capitalized terms not otherwise defined in this Remarketing Circular shall have the meanings assigned to them in the Bond Ordinance.

On _____, 2008 (the "Conversion Date"), the Bonds will be secured, in addition to the security described below, by an irrevocable direct-pay letter of credit (the "Letter of Credit") to be issued by Commerce Bank, N.A. (the "Liquidity Facility Provider"), which will secure payment of the Bonds and provide for the payment of the principal and Tender Price of and interest on the Bonds.

Upon the Conversion, payment of principal of and interest on the Bonds will remain secured by (1) Pledged Revenues, consisting primarily of Traffic Surcharge Revenues, and (2) the County's covenant, to the extent permitted by and in accordance with applicable law and budgetary process, to budget and appropriate legally available non-ad valorem revenues of the County. See "SECURITY FOR THE BONDS," "TRAFFIC SURCHARGE REVENUES" and "COVENANT TO APPROPRIATE NON-AD VALOREM REVENUES." Payment of principal and interest on the Bonds also remains secured by the financial guaranty insurance policy (the "Insurance Policy") issued by Ambac Assurance Corporation ("Ambac") upon the issuance of the Bonds. See "BOND INSURANCE."

The Bonds are secured on a parity basis with the County's Fixed Rate Special Obligation Bonds, Series 2003A (Juvenile Courthouse Project) (the "Series 2003A Bonds"), currently outstanding in the principal amount of \$ _____. Payment of the Series 2003A Bonds is not secured by the Letter of Credit.

Attached as Appendix B are the audited annual financial statements for the County for the fiscal year ended September 30, 2007. **The County, however, has only a limited obligation to pay the Bonds consisting of (1) the pledge of Pledged Revenues, consisting primarily of Traffic Surcharge Revenues, and (2) the County's obligation, subject to limitations described herein, to budget and appropriate legally available non-ad valorem revenues of the County.**

Upon the Conversion certain amendments will be made to the Bond Ordinance with consent to such amendments being provided by the Bond Insurer as permitted by the Bond Ordinance.

This introduction is intended to serve only as a brief description of the Bonds and matters related to the reoffering of the Bonds. An investor should review the entire Remarketing Circular, including Appendices, for more details concerning the Bonds, their issuance and the security therefor. The references, excerpts and summaries

of all documents referred to in this Remarketing Circular do not purport to be complete statements of the provisions of such documents, and reference is made to all of these documents for full and complete statements of all matters relating to the Bonds. Any statements made in this Remarketing Circular involving matters of opinion or of estimates, whether or not expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of such estimates will be realized.

PROJECT FINANCED

Proceeds of the Bonds and the Series 2003A Bonds are being expended, together with other available funds of the County, to: (i) finance the acquisition, construction and equipping of a juvenile courthouse and related facilities (the "Project"); (ii) provide for the funding of the Reserve Fund and Supplemental Reserve Fund; and (iii) pay costs of issuance of the Bonds, including premiums in respect of the Insurance Policy securing the Bonds and the Reserve Facility.

THE BONDS

The following is a summary of certain provisions of the 2008 Resolution describing the Bonds. See "APPENDIX C—THE BOND ORDINANCE" for a complete description of the Bonds.

The information presented below describes the Bonds bearing interest at a Weekly Rate or Daily Rate. If the Interest Mode were to convert from a Weekly Mode to another Interest Mode (including the Daily Mode), the Bonds would be subject to mandatory tender for purchase.

A new Remarketing Circular would be prepared in connection with a conversion to an Interest Mode other than a Weekly Mode or Daily Mode.

General

Upon their remarketing, the Bonds will bear interest at a Weekly Rate determined as described below under the subheading "Weekly Mode" until converted to any other Interest Mode; provided, however, that from _____, 2008, to and including _____, 2008, the Weekly Rate for the Bonds will be established by the Remarketing Agent.

The Bonds are dated March 27, 2003 and are issuable only as fully registered bonds without coupons in denominations of \$100,000 or any integral multiple of \$5,000 in excess of \$100,000 during the Daily or Weekly Rate Periods.

Principal and interest on the Bonds in the Daily or Weekly Modes shall be paid in arrears on each Interest Payment Date. Interest on the Bonds shall be computed upon the basis of a 365-day year (or 366 days in a leap year) for the number of days actually elapsed for the period to which such interest relates.

In no event shall any interest rate for any such Bonds exceed the Maximum Rate. Anything in the Bonds or in Appendix A to the 2008 Resolution ("Appendix A") to the contrary notwithstanding, the obligations of the County in respect of the Bonds shall be subject to the limitation that payments of interest or other amounts on the Bonds shall not be required to the extent that receipt of any such payment by an Owner of a Bond would be contrary to the provisions of law applicable to such Owner that would limit the maximum rate of interest that may be charged or collected by such Owner or a Bond.

Weekly Rate

The Weekly Rate for the Bonds in a Weekly Mode shall be determined by Commerce Bank, N.A., the Remarketing Agent, at or before 5:00 P.M., New York City time, each Wednesday, or if any Wednesday is not a Business Day, the next Business Day thereafter. Such interest rate shall be that interest rate which, in the sole and exclusive judgment of the Remarketing Agent, would equal (but not exceed) the interest rate necessary to enable the Remarketing Agent to sell such Bonds (exclusive of accrued interest, if any) on the relevant Rate Adjustment Date and for such Rate Period at a price equal to 100% of the principal amount thereof. The interest rate so determined shall be effective on the next succeeding Thursday or if such date of determination shall be a Thursday on such Thursday and shall in any case continue in effect through the next succeeding Wednesday, provided that if the Bonds shall be converted to another Interest Mode prior to such Wednesday, such Weekly Rate for the Bonds shall continue in effect only until the day preceding the applicable Conversion Date.

Daily Rate

The Daily Rate for the Bonds in a Daily Mode shall be determined by the Remarketing Agent on or before 10:00 A.M., New York City time, on each Business Day for such Business Day. Such interest rate shall be that interest rate which, in the sole and exclusive judgment of the Remarketing Agent, would equal (but not exceed) the

interest rate necessary to enable the Remarketing Agent to sell such Bonds (exclusive of accrued interest, if any) on the relevant Rate Adjustment Date and for such Rate Period at a price equal to 100% of the principal amount thereof. With respect to any day that is not a Business Day, the interest rate shall be the same rate as the interest rate established for the immediately preceding day.

Failure To Establish Interest Rate

In the event the Remarketing Agent fails to establish the interest rate of the Bonds in accordance with Appendix A, or the interest rate for any Bonds during any Rate Period cannot be established, or is held invalid or unenforceable by a court of law, the interest rate for such Bonds shall be a rate per annum equal to one hundred ten percent (110%) of the SIFMA Index on the date such rate would otherwise have been determined as provided in Appendix A for such Rate Period. If for any reason the interest rate for any Bonds cannot be established as provided in the preceding sentence, or such method is held invalid or unenforceable by a court of law, then the interest rate on the Bonds for such Rate Period shall equal the Interest Index. The provisions summarized in the foregoing do not apply to any Bonds bearing interest at the applicable Liquidity Rate so long as such Bonds continue to bear interest at such Liquidity Rate.

Conversion To Different Interest Modes

In order to designate a new Interest Mode for any Bonds of any Authorized Denomination, the County shall, at least two (2) Business Days prior to the date the Registrar is required to mail to Owners of Bonds a Mandatory Tender Notice relating to such mode conversion or adjustment, provide written notice to the Registrar, the Remarketing Agent, the Tender Agent and the Liquidity Facility Provider, stating: (i) the Interest Mode or Modes to which the Bonds to be converted to a new Interest Mode are then subject, (ii) the date of the Conversion Date, which (a) date shall be at least fifteen (15) days after the date on which the Mode Conversion Notice is given to Owners of Bonds, (b) shall, in the case of Bonds to be adjusted to an Interest Mode that are then subject to a Flexible Mode, also be a Rate Adjustment Date for such Bonds and (c) shall, in the case of Bonds to be adjusted to a new Interest Mode which are then subject to an Index Floating Mode, also be the day immediately following the last day of the then-current Index Floating Rate Period or a day on which the Index Floating Rate Bonds would otherwise be subject to the optional redemption and (iii) the type of Interest Mode or Modes that will be effective for the Bonds on such Conversion Date. If less than all of the Bonds then subject to a particular Interest Mode or Modes are to be converted to a new Interest Mode or Modes, the particular Bonds which are to be converted to a new Interest Mode or Modes shall be selected by the Registrar in such manner as the Registrar deems appropriate subject to the provisions of Appendix A regarding Authorized Denominations of Bonds for any Interest Mode; provided that the Registrar shall, subject to the provisions of Appendix A regarding the Authorized Denominations, first select Liquidity Bonds for such conversion to a new Interest Mode before selecting any other Bonds for conversion to a new Interest Mode.

Each Conversion to an Index Floating Mode shall be subject to the delivery of an Opinion of Bond Counsel on the Conversion Date addressed to the County and the Paying Agent and Registrar stating that the change in Interest Mode is authorized or permitted by the Act and the Series 2003 Resolution and will not cause the interest on the Bonds to become includable in gross income for federal income tax purposes.

In the event that (a) the requirements of Appendix A have not been met on a scheduled Conversion Date or (b) on the Business Day preceding a scheduled Conversion Date, the Remarketing Agent notifies the Registrar and the County that any of such Bonds cannot be remarketed, or (c) on or prior to the Business Day preceding a scheduled Conversion Date, the County notifies the Remarketing Agent and the Registrar that it does not want all Bonds which were proposed to be adjusted to a new Interest Mode on such Conversion Date to be converted to such new Interest Mode, the succeeding Interest Mode for such Bonds proposed to be subject to such Conversion shall be the Weekly Mode. The Registrar shall give prompt notice to the Notice Parties (i) of any event described in the first sentence of this paragraph and (ii) of the succeeding Interest Mode. In no event shall the failure of Bonds to be converted in accordance with the Mode Conversion Notice for any reason be deemed to be a default under the Series 2003 Resolution.

If, on the second Business Day preceding the 14th day prior to the stated expiration date of the Liquidity Facility then in effect, the County has not advised the Registrar that it expects to obtain a Substitute Liquidity Facility for the Bonds after such stated expiration date, unless the County has already designated that all Bonds then payable from the Liquidity Facility shall be converted to an Interest Mode for which no Liquidity Facility is required to be in effect, any Bonds then entitled to the benefits of the Liquidity Facility shall be converted on the Scheduled Tender Date to a Long Term Mode for a Long-Term Period ending on the day immediately prior to their Maturity Date.

A Liquidity Facility shall be maintained by the County for Bonds bearing interest at a Weekly or Daily Rate. Such Liquidity Facility shall meet the requirements of Appendix A as if such Liquidity Facility were a Substitute Credit Facility.

If, immediately prior to the Conversion of any Bonds to another Interest Mode, there is no Liquidity Facility in place, the Conversion shall only occur if the remarketing proceeds of the Bonds subject to mandatory tender for purchase in connection with such Conversion at least equal the aggregate principal amount of the Bonds so subject to mandatory tender for purchase.

Tenders for Purchase

Optional Tenders

Bonds in the Daily Mode are subject to purchase, on the demand of the Owner thereof, on any Business Day, upon the irrevocable telephonic notice to the Tender Agent and the Remarketing Agent (promptly confirmed in writing by such Owner delivered to the Tender Agent by 11:00 A.M., New York City time, at its office) which states (a) with respect to each such Bond the principal amount being tendered, (b) the Bond numbers and CUSIP numbers, and (c) the Purchase Date.

Bonds in the Weekly Mode are subject to purchase on any Business Day on the demand of the Owner thereof set forth in a properly completed Tender Notice delivered to the Tender Agent and the Remarketing Agent at its principal corporate trust office not less than seven (7) calendar days prior to such Business Day. Such Tender Notice, once transmitted to the Tender Agent, shall be irrevocable with respect to the tender for which such Tender Notice was delivered and such tender shall occur on the Business Day specified in such Tender Notice.

Mandatory Tenders

The Bonds shall be subject to mandatory tender and purchase on a Conversion Date, Substitution Date, the Special Mandatory Purchase Date and the Scheduled Tender Date.

The Bonds shall be subject to mandatory tender for purchase on the first day of each Rate Period at the Purchase Price, payable in immediately available funds.

The Bonds Outstanding shall be subject to mandatory tender for purchase if the County gives written direction to the Tender Agent not less than five (5) days prior to a scheduled optional redemption date to purchase the Bonds rather than redeem them on such date. Such purchase shall be made on the date the Special Purchase Bonds are otherwise scheduled to be redeemed at the Special Purchase Price.

Any Owner of Bonds, by its acceptance of the Bonds, agrees to tender its Bonds to the Tender Agent for purchase (a) on dates on which such Bonds are subject to mandatory tender and (b) on dates on which such Bonds are subject to tender and purchase pursuant to a Tender Notice given in accordance with Appendix A at the Purchase Price and, upon such tender, to surrender such Bonds properly endorsed for transfer in blank.

Notice of any mandatory tender of Bonds identifying the Bonds to be purchased shall be provided by the Registrar or caused to be provided by the Registrar by mailing a copy of the notice of mandatory tender by first-class mail at least fifteen (15) days (or forty-five (45) days in the event of delivery of a Substitute Liquidity Facility), prior to the Purchase Date to any Owner of Bonds subject to such purchase at the address shown on the registration books and to the Remarketing Agent. Such notice of mandatory tender shall identify such Bonds to be tendered, the reason for the mandatory tender for purchase, and specify the Purchase Date, the Purchase Price, the place and manner of payment, and that no further interest will accrue from and after the Purchase Date to such Owner.

In the event a mandatory tender of Bonds shall occur at or prior to the same date on which an optional tender is scheduled to occur, the terms and conditions of the applicable mandatory tender shall control.

Manner and Timing of Payment for Tendered Variable Rate Bonds

Each Owner of any Bonds that are to be tendered as described in the preceding subheadings shall be entitled to receive the proceeds of such tender by delivering such Bonds (with an appropriate transfer of registration form executed in blank) to the principal corporate trust office of, or other office designated in writing by, the Tender Agent; provided that in order to receive payment on the Purchase Date, such delivery must be made at any time at or prior to 11:30 A.M., New York City time on the Purchase Date with respect to such Bonds. Owners of Bonds that are delivered to such principal corporate trust office of the Tender Agent after the time stated above shall not be entitled to receive payment from the Tender Agent of the Purchase Price until the later of the next Business Day following (x) the Purchase Date or (y) the date of delivery of such Bond. The Purchase Price of any such tendered Bonds shall be paid in immediately available funds. The Purchase Price of such tendered Bonds (or portions thereof in Authorized Denominations) shall be payable on the Purchase Date applicable thereto by the Tender Agent in

immediately available funds by wire transfer (a) to the Liquidity Facility Provider in respect of any Liquidity Bonds at the wire transfer address specified in the Liquidity Facility and (b) to any Owner of at least one million dollars (\$1,000,000) aggregate principal amount of Bonds upon written notice from such Owner containing the wire transfer address (which shall be in the continental United States) to which such Owner wishes to have such wire directed, if such written notice is received with the applicable Tender Notice when such Tender Notice is delivered to the Tender Agent.

Notwithstanding and in lieu of the foregoing, while Bonds are held by a securities depository, payment of principal and interest and redemption premium, if any, shall be made by the Registrar to the Owner by wire transfer without the necessity of presentation and surrender of such Bonds and the notation of payment on the records by the Registrar and the securities depository pursuant to the Bond Ordinance shall be conclusive and binding on the Owner.

Variable Rate Bonds Deemed Tendered

In the event that any Bonds that are subject to optional or mandatory tender for purchase are not delivered to the Tender Agent at the time, in the manner and at the place required, the Undelivered Bonds will be deemed to have been tendered and purchased by the Tender Agent, and interest accruing on such Bonds on and after the applicable Purchase Date shall no longer be payable to the prior registered Owners thereof. Such prior Owners shall have recourse solely to the funds held by the Tender Agent for the purchase of the Undelivered Bonds, and the Registrar shall not recognize any further transfer of such Undelivered Bonds by such prior Owners. The Registrar or Tender Agent, as the case may be, shall register the transfer of such Bonds to the purchaser thereof and shall issue a new Bond or Bonds and deliver the same, notwithstanding such non-delivery.

Liquidity Facility

See "THE LETTER OF CREDIT."

Remarketing Agent

Citigroup Global Markets, Inc. ("Citi") has been appointed by the County as the Remarketing Agent for the reoffering of the Bonds pursuant to the Remarketing Agreement ("Remarketing Agreement") between the County and Citi, as Remarketing Agent, dated as of the delivery date for Bonds. The Remarketing Agent will determine the interest rates on the Bonds, will use its best efforts to remarket the Bonds and will effect purchases of the Bonds. Under the terms of the Remarketing Agreement the Remarketing Agent may resign upon providing the County, the Registrar, and the Liquidity Facility Provider with 30 days' prior written notice. The Remarketing Agent may be removed at any time, at the direction of the County upon the giving of not less than 15 days' prior written notice.

[Additionally, the Bond Insurer can cause the County to terminate the Remarketing Agreement in the event of the Remarketing Agent's failure to satisfactorily perform its obligations under the Remarketing Agreement upon giving not less than two days' prior written notice.]

The Registrar shall within 25 days of the resignation or removal of the Remarketing Agent or the Tender Agent or the appointment of a successor Remarketing Agent or Tender Agent give notice thereof by first class mail, postage prepaid, to the Owners of the Bonds.

Book-Entry-Only System

General

The description which follows of the procedures and record keeping with respect to beneficial ownership interests in the Bonds, payment of interest and principal on the Bonds to DTC Participants (as defined in this Remarketing Circular) or Beneficial Owners (as defined in this Remarketing Circular) of the Bonds, confirmation and transfer of beneficial ownership interests in the Bonds and other related transactions by and between DTC, the DTC Participants (as defined in this Remarketing Circular) and Beneficial Owners of the Bond is based solely on information furnished by DTC to the County for inclusion in this Remarketing Circular. Accordingly, the County does not make any representations concerning these matters.

DTC, New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully registered bonds, without coupons, registered in the name of Cede & Co., as nominee of DTC, as registered owner. One fully registered certificate for each maturity of the Bonds will be issued and deposited with DTC. So long as Cede & Co., as nominee of DTC, is the registered owner of all the Bonds, all bond certificates will be immobilized in the custody of DTC. Purchasers of the Bonds, as Beneficial Owners (hereinafter defined) will not receive physical delivery of certificates. By purchasing a Bond, a Beneficial Owner shall be deemed to have waived

the right to receive a certificate, except under the circumstances described under this caption "Book-Entry Only System."

DTC, the world's largest depository, is a limited purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over two (2) million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues and money market investments from over eighty-five (85) countries that Participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation, (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their transaction, but Beneficial Owners are expected to receive written confirmation providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Bonds with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds, DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds. Under its usual procedures, DTC will mail an Omnibus Proxy to the County as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the County or the Paying Agent on the payable

date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, DTC's nominee, the Paying Agent, or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the County or the Paying Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE HOLDER OF THE BOND OR REGISTERED OWNERS OF THE BONDS SHALL MEAN DTC AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE BONDS.

The County can make no assurances that DTC will distribute payments of principal of, redemption price, if any, or interest on the Bonds to the Direct Participants, or that Direct and Indirect Participants will distribute payments of principal of, redemption price, if any, or interest on the Bonds or redemption notices to the Beneficial Owners of such Bonds or that they will do so on a timely basis, or that DTC or any of its Participants will act in a manner described in this Limited Offering Memorandum. The County is not responsible or liable for the failure of DTC to make any payment to any Direct Participant or failure of any Direct or Indirect Participant to give any notice or make any payment to a Beneficial Owner in respect to the Bonds or any error or delay relating thereto.

The rights of holders of beneficial interests in the Bonds and the manner of transferring or pledging those interests is subject to applicable state law. Holders of beneficial interests in the Bonds may want to discuss the manner of transferring or pledging their interest in the Bonds with their legal advisors.

For every transfer and exchange of the Bonds, the Beneficial Owner may be charged a sum sufficient to cover any tax or other governmental charge that may be imposed in relation to such transfer or exchange.

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC. The County does not guarantee the accuracy or completeness of such information.

NEITHER THE COUNTY, THE BOND REGISTRAR NOR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE BONDS IN RESPECT OF THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT, THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT IN RESPECT OF THE PRINCIPAL OF, REDEMPTION PRICE OF OR INTEREST ON THE BONDS, ANY NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO BONDHOLDERS UNDER THE [BOND RESOLUTION], THE SELECTION BY DTC OR ANY DTC PARTICIPANT OR ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE BONDS, OR ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS BONDHOLDER.

Discontinuance of Book-Entry-Only System

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the County. Under such circumstances, in the event that a successor securities depository is not obtained, the Bonds are required to be printed and delivered. The County may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, the Bonds will be printed and delivered.

In the event that the book-entry-only system is discontinued in accordance with the terms of the Series 2003 Resolution, the Beneficial Owners shall receive certificated bonds which will be subject to registration of transfer or exchange as set forth below. Transfer of any Bonds may be registered upon the registration books maintained by the Registrar and the Paying Agent upon surrender of such Bond to the Registrar and Paying Agent, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Registrar and Paying Agent and duly executed by, the registered owner or the attorney of such owner duly authorized in writing with signature guaranteed by a member firm of STAMP, SEMP or MSP signature guaranty medallion program. Upon any exchange or registration of transfer, the County shall execute and the Registrar and Paying Agent shall authenticate, date and deliver in the name of the transferee or transferees a new Bond or Bonds of the same series and maturity, of Authorized Denominations, for the same aggregate principal amount and of like tenor. The County and the Registrar and Paying Agent may charge each Bondholder requesting an exchange, change in registration or registration of transfer a sum not exceeding the actual cost of any tax, fee or other governmental charge required to be paid with respect to such exchange, registration or transfer, except in the case of the issuance of a definitive Bond for a temporary Bond and except in the case of the issuance of a Bond or Bonds for the

unredeemed portion of a Bond surrendered for redemption or tendered for purchase. For any Bond bearing interest at the Fixed Rate, the Registrar and Paying Agent shall not be required to register the transfer of or exchange any Bond after the mailing of notice calling such Bond or portion thereof for redemption has occurred, or during the period of fifteen days next preceding the giving of notice calling any Bonds for redemption.

SECURITY FOR THE BONDS

Payment of the Bonds and the Series 2003A Bonds (together the "Parity Bonds") is secured on a parity basis by (1) Pledged Revenues, consisting primarily of Traffic Surcharge Revenues, as defined below, and (2) the County's covenant to budget and appropriate legally available non-ad valorem revenues of the County, subject to limitations described below. Upon their issuance, the Parity Bonds were secured by a pledge of certain filings and service charges and fines and forfeitures collected in County civil cases and proceedings (collectively, the "Original Pledged Revenues"). As a result of legislation effective July 1, 2004, the County was unable thereafter to utilize such Original Pledged Revenues to pay debt service on the Parity Bonds. Prior to July 1, 2004, however, the Legislature adopted legislation permitting the County to impose a \$15 surcharge on certain traffic infractions (the "Traffic Surcharge"), and on May 25, 2004, the County enacted the 2004 Ordinance imposing the Traffic Surcharge and pledging the revenues therefrom (the "Traffic Surcharge Revenues") to payment of the Parity Bonds as described below.

The 2004 Ordinance amended the Original Ordinance to provide, among other things, that: (i) Pledged Revenues do not include Original Pledged Revenues but do include the Traffic Surcharge Revenues; (ii) the Bonds are further secured by a covenant by the County to budget annually from non-ad valorem revenues in the event the Traffic Surcharge Revenues are insufficient to meet debt service on the Parity Bonds; (iii) the Traffic Surcharge shall not be abolished until the Parity Bonds have been fully paid and retired and (iv) all Traffic Surcharge Revenues shall be deposited in the _____ to be used in accordance with the flow of funds established in the Original Bond Ordinance as modified by the 2004 Ordinance. See "TRAFFIC SURCHARGE REVENUES" for information on the collection of Traffic Surcharge Revenues. See "COVENANT TO APPROPRIATE NON-AD VALOREM REVENUES" for a description of such covenant and its limitations and information on the County's Non-Ad Valorem Revenues.

Special, Limited Obligations of the County

THE BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE COUNTY PAYABLE SOLELY FROM (1) CERTAIN PLEDGED REVENUES AND (2) LEGALLY AVAILABLE NON-AD VALOREM REVENUES OF THE COUNTY BUDGETED AND APPROPRIATED ANNUALLY SUBJECT TO THE LIMITATIONS DESCRIBED IN THIS REMARKETING CIRCULAR AND ACTUALLY DEPOSITED IN THE DEBT SERVICE ACCOUNT AND THE RESERVE ACCOUNT CREATED UNDER THE BOND ORDINANCE. NEITHER THE FAITH AND CREDIT OF THE STATE OF FLORIDA (THE "STATE"), THE COUNTY NOR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE ARE PLEDGED TO THE PAYMENT OF PRINCIPAL OF AND INTEREST ON THE BONDS. THE ISSUANCE OF THE BONDS SHALL NOT DIRECTLY, INDIRECTLY OR CONTINGENTLY OBLIGATED THE STATE, THE COUNTY OR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE TO LEVY OR TO PLEDGE ANY FORM OF AD VALOREM TAXATION WHATSOEVER, NOR SHALL THE BONDS CONSTITUTE A CHARGE, LIEN OR ENCUMBRANCE, LEGAL OR EQUITABLE, UPON ANY PROPERTY OF THE STATE, THE COUNTY OR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE. NO HOLDER OF THE BONDS WILL HAVE THE RIGHT TO REQUIRE OR COMPEL THE EXERCISE OF THE AD VALOREM TAXING POWER OF THE STATE, THE COUNTY OR ANY AGENCY OR POLITICAL SUBDIVISION OF THE STATE FOR PAYMENT OF THE BONDS, OR BE ENTITLED TO PAYMENT OF SUCH AMOUNT FROM ANY OTHER FUNDS OF THE COUNTY, OTHER THAN THE COVENANT REVENUES AND THE ACCOUNTS CREATED UNDER THE BOND ORDINANCE IN THE MANNER AND TO THE EXTENT PROVIDED IN THE BOND ORDINANCE.

Reserve Fund

Under the Series 2003 Resolution, the County is required to maintain on deposit in the Reserve Fund an amount equal to the Reserve Fund Requirement for the Parity Bonds, which is defined in the 2003 Resolution as an amount equal to the least of: (i) the maximum Principal and Interest Requirements on the Bonds in the current or any future Fiscal Year; (ii) 125% of the average annual Principal and Interest Requirement for the Bonds; (iii) 10% of the proceeds of the Bonds; and (iv) any lesser amount as may be necessary in order to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes. Upon the original delivery of the Bonds,

the Reserve Fund was funded in an amount equal to the Reserve Fund Requirement by the deposit of a Reserve Facility. [See “ – Reserve Facility” in this Remarketing Circular. The Reserve Facility and any funds on deposit in the Reserve Fund are to be used by the County to make up any deficiencies in the Principal and Interest Account with respect to the Bonds. In the Series 2003 Resolution, the County covenants to maintain in the Reserve Fund cash and/or one or more Reserve Facilities in an amount equal to the Reserve Fund Requirement.]

The Series 2003 Resolution provides that not later than each Interest Payment Date for any Series of Bonds then Outstanding, the Finance Director shall transfer from the Reserve Fund to the Principal and Interest Account, or draw upon any Reserve Facility in accordance with its terms:

(a) if such Interest Payment Date is not a principal payment date, the amount, if any, required to increase the amount then held to the credit of the Principal and Interest Account for the payment of interest on the Bonds to an amount equal to the amount of interest scheduled to become due on such date; and

(b) if such Interest Payment Date is also a principal payment date, the amount under (a) above plus the amount, if any, required to increase the amount then held for the credit of the Principal and Interest Account for the payment of principal of or Sinking Fund Installments on the Bonds to an amount equal to the sum of (1) the aggregate principal amount of the Serial Bonds that will become due and payable on such date, and (2) the amount of the Sinking Fund Installment for the Term Bonds due and payable on such date.

The Series 2003 Resolution further provides that if the amount transferred from the Reserve Fund to the Principal and Interest Account pursuant to the foregoing provisions shall be less than the amount required to be transferred under such provisions, any amount thereafter deposited to the credit of the Reserve Fund shall be immediately transferred to the Principal and Interest Account as, and to the extent, required to make up any such deficiency.

Pursuant to the Series 2003 Resolution, moneys credited to the Reserve Fund, including available balances under any Reserve Facility, available to be drawn upon under the Series 2003 Resolution are solely pledged as security for, and shall be used only for the purpose of making payments of principal of and interest on, the Bonds and only when all moneys in any other fund or account held pursuant to the Series 2003 Resolution and available for such purpose pursuant to the Series 2003 Resolution (including, without limitation, the Supplemental Reserve Fund) are insufficient for that purpose. Moneys in each such account shall also be used to make payments due to the issuer of a Reserve Facility on account of a draw upon such Reserve Facility. All cash on deposit in any such account shall be utilized prior to drawing under a Reserve Facility.

In the event that any moneys shall be withdrawn from the Reserve Fund for payments into the Principal and Interest Account, such withdrawals shall be subsequently restored, in such sums as shall be at least sufficient to pay an amount equal to one-thirty-sixth (1/36th) of the difference, if any, between the Reserve Fund Requirement and the amount, if any, credited to the Reserve Fund (including the available balance under any Reserve Facility) on the Issue Date. If a disbursement or drawing is made under a Reserve Facility, the County must either reinstate the maximum limits of such Reserve Facility immediately following disbursement or drawing into the Reserve Fund from legally available moneys of the County, or deposit funds in the amount of the disbursement made under such policy or the drawing made under such Reserve Facility, or a combination of such alternatives. See the Series 2003 Resolution included in APPENDIX C – “THE BOND ORDINANCE.”

[RESERVE FACILITY?]

Supplemental Reserve Fund

[On the date of issuance of the Bonds, the Finance Director transferred to the Supplemental Reserve Fund \$4,447,771 of Incremental Filing and Service Charge Revenues then available.

The Series 2003 Resolution provides that not later than each Interest Payment Date for any Series of Bonds then Outstanding and before resorting to such amounts as may be available for such purpose in the Reserve Fund in accordance with the Series 2003 Resolution, the Finance Director shall transfer sums from the Supplemental Reserve Fund to the Principal and Interest Account:

(a) if such Interest Payment Date is not a principal payment date, the amount (to the extent available), if any, required to increase the amount then held to the credit of the Principal and Interest Account for the payment of interest on the Bonds to an amount equal to the amount of interest scheduled to become due on such date; and

(b) if such Interest Payment Date is also a principal payment date, the amount (to the extent available) under (a) above plus the amount, if any, required to increase the amount then held for the credit of the Principal and Interest Account for the payment of principal of or Sinking Fund Installments on the Bonds to an amount equal to the sum of (1) the aggregate principal amount of the Serial Bonds that will become due and payable on such date, and (2) the amount of the Sinking Fund Installment for the Term Bonds due and payable on such date.

The Series 2003 Resolution further provides that moneys credited to the Supplemental Reserve Fund and available to be drawn upon under the Series 2003 Resolution are solely pledged as security for, and shall be used only for the purpose of making payments of principal of and interest on, the Bonds and only when all moneys in any other fund or account held pursuant to the Series 2003 Resolution (other than the Reserve Fund) and available for such purpose pursuant to the Series 2003 Resolution are insufficient for that purpose.

The County is under no obligation to replenish all or any portion of amounts transferred from the Supplemental Reserve Fund in accordance with the Series 2003 Resolution. See the Series 2003 Resolution included in APPENDIX C – “THE BOND ORDINANCE.”]

Additional Parity Indebtedness

The Bond Resolution provides that the County may incur additional indebtedness secured on a parity with the Bonds as to the Pledged Revenues for the primary purpose of completing the Project (the “Parity Debt”), if, and only if, the County shall first have delivered to the County Clerk a certificate of the Finance Director showing:

- (i) the amount of the Pledged Revenues in each of the preceding eighteen months and the maximum total amount of such Pledged Revenues in any twelve consecutive months of such preceding eighteen months (such twelve consecutive months hereinafter referred to as the “Computation Period”);
- (ii) that the total amount of Pledged Revenues during the Computation Period is at least equal to the sum of 1.00 times the maximum Principal and Interest Requirements for any Fiscal Year for all Bonds then Outstanding under the Series 2003 Resolution, any other Parity Debt outstanding incurred pursuant to the Series 2003 Resolution, the Parity Debt then proposed to be issued (For purposes of making such computation, the term “Principal and Interest Requirements” are deemed to apply to all such Parity Debt as though the same were “Bonds” within the meaning of such term in the Series 2003 Resolution); and
- (iii) the total outstanding principal amount of bonds outstanding under the Ordinance for the Project after the issuance of the Parity Debt then proposed to be issued will not exceed \$120 million.

Refunding Bonds

Before incurring any parity indebtedness under the Series 2003 Resolution to refund any of the Bonds or other Parity Debt incurred pursuant to the Bond Resolution, the County:

- (i) shall have satisfied the defeasance requirements of Section 1201 of the Series 2003 Resolution with respect to the Bonds or other Parity Debt to be refunded (as though such Section 1201 applied to such other parity indebtedness to be refunded); and
- (ii) shall have delivered to the County Clerk either (A) a certificate of the Finance Director showing that during the years in which any of the Bonds or other Parity Debt not so refunded are Outstanding, the maximum Principal and Interest Requirements on account of all Bonds and other Parity Debt Outstanding (after the issuance of such refunding indebtedness and after the redemption or provision for payment of the Bonds or other Parity Debt to be refunded) for any Fiscal Year following the Fiscal Year in which such refunding indebtedness is to be incurred shall not exceed the maximum Principal and Interest Requirements on account of all the Bonds or other Parity Debt Outstanding (including the Bonds or other Parity Debt to be refunded) immediately prior to the issuance of such refunding indebtedness for any Fiscal Year following the Fiscal Year in which such refunding indebtedness is to be incurred; or (B) a certificate of the Finance Director showing that after the issuance of such refunding indebtedness and after the redemption or provision for payment of the Bonds or other Parity Debt to be refunded, the total Principal and Interest Requirements for such refunding indebtedness and any Bonds that then remain Outstanding shall be less than the total Principal and Interest Requirements for the Bonds, were such refunding indebtedness not to be issued. (For the purpose of making the computations required for either such certificate, the term “Principal and Interest Requirements” shall be deemed to apply to all such refunding indebtedness as though the same were “Bonds” within the meaning of such term.)

COVENANT TO APPROPRIATE NON-AD VALOREM REVENUES

Covenant To Budget and Appropriate

In the 2004 Ordinance, the County covenanted and agreed, to the extent permitted by and in accordance with applicable law and budgetary processes, to prepare, approve and appropriate in its annual budget for each fiscal year, by amendment if necessary, legally available non-ad valorem revenues of the County (“Legally Available Non-Ad Valorem Revenues”) in an amount (the “Appropriated Amount”) that, together with the projected Traffic Surcharge Revenues for said fiscal year, are equal to an amount necessary to make the projected total of Traffic Surcharge Revenues and the Appropriated Amount equal to the Principal and Interest Requirements (as defined in the 1994 Ordinance and the 2003 Resolution) on the [Parity Bonds] for such fiscal year, plus an amount sufficient to satisfy all other payment obligations of the County under the 1994 Ordinance and the 2003 Resolution for such fiscal year, including, without limitation, the obligations of the County to fund and cure deficiencies in the funds and accounts created in Article V of the 1994 Ordinance and the 2003 Resolution, as and when the same become due by depositing such Appropriated Amount in the Revenue Fund created by the 1994 Ordinance. [Any amendments?] The covenant and agreement of the County to budget and appropriate sufficient amounts of Legally Available Non-Ad Valorem Revenues is cumulative, and continues until such Legally Available Non-Ad Valorem Revenues in amounts, together with any other legally available revenues budgeted and appropriated for such purposes, are sufficient to make all required payments on the Parity Bonds as and when due, including any delinquent payments, shall have been budgeted, appropriated and actually paid into the 1994 Revenue Fund.

Nothing contained in the 2004 Ordinance precludes the County from pledging any of its Legally Available Non-Ad Valorem Revenues or other revenues to other obligations of the County or places limitations on the County’s ability to make such pledges. The County has pledged its Legally Available Non-Ad Valorem Revenues to other obligations of the County and anticipates doing so in the future. See the tables under “Legally Available Non-Ad Valorem Revenues.”

The County’s covenant to budget and appropriate Legally Available Non-Ad Valorem Revenues as set for in the 2004 Ordinance is not a pledge by the County of such Legally Available Non-Ad Valorem Revenues, and Bondholders do not have any prior claim on the Legally Available Non-Ad Valorem Revenues until such amounts are actually deposited in the accounts created under the Bond Ordinance. Such covenant to budget and appropriate is subject in all respects to the payment of obligations secured by a pledge of such Legally Available Non-Ad Valorem Revenues previously or subsequently incurred, including payment of debt service on bonds or other obligations. Such covenant to budget and appropriate is subject to the provisions of applicable State law, which preclude the County from expending moneys not appropriated or in excess of its current budget revenues. The obligation of the County to budget, appropriate and make payments under the 2004 Ordinance from its Legally Available Non-Ad Valorem Revenues is subject to the availability of Legally Available Non-Ad Valorem Revenues of the County after satisfying funding requirements for essential governmental services of the County and paying obligations secured by any and all of the revenue sources that make up Legally Available Non-

Ad Valorem Revenues. Such covenant does not require the County to levy and collect any particular source of Legally Available Non-Ad Valorem Revenues nor to maintain or increase any fees or charges with respect to any particular source of Legally Available Non-Ad Valorem Revenues.

Legally Available Non-Ad Valorem Revenues

The 2004 Ordinance defines “Legally Available Non-Ad Valorem Revenues” as all available revenues and taxes of the County derived from any source whatsoever other than ad valorem taxation on real and personal property but including “operating transfers in” and appropriable fund balances within all Funds of the County over which the Board has full and complete discretion to appropriate the resources therein. As used above, “Funds” means all governmental, proprietary and fiduciary funds and accounts of the County as defined by generally accepted accounting principles.

The amounts and availability of any source of Legally Available Non-Ad Valorem Revenues to the County are subject to change, including reduction or elimination by change in State law or changes in the facts or circumstances according to which certain of the Legally Available Non-Ad Valorem Revenues are allocated to the County. The amount of Legally Available Non-Ad Valorem Revenues collected by the County is directly related to the general economy of the County. Accordingly, adverse economic conditions could have a material adverse effect on the amount of such Legally Available Non-Ad Valorem Revenues collected by the County. Additionally, the amount and types of Legally Available Non-Ad Valorem Revenues that would be available under applicable law may be limited or restricted with respect to certain projects (such as gas tax revenues that must be limited to transportation projects).

Continued receipt of Legally Available Non-Ad Valorem Revenues is dependent upon a variety of factors, including, but not limited to, formulas specified in State law for the distribution of such revenues that take into consideration the ratio of residents in incorporated areas of the County to total County residents. The incorporation of new municipalities, aggressive annexation policies by the municipalities in the County or growth in such municipalities without corresponding growth in the unincorporated areas of the County could have an adverse effect on Legally Available Non-Ad Valorem Revenues.

The County can discontinue or change any of its fees, rates and charges and may discontinue any of the activities of the County that generate user service charges, regulatory fees or any other Legally Available Non-Ad Valorem Revenues. Any of these activities could have a significant adverse effect on the funds that otherwise might be available to pay maturing debt service on the Bonds.

[2007 Capital Asset OS mentioned possibility of property tax reform by the 2007 legislature that could reduce amount of ad valorem taxes that cities & counties collect, thus increasing need to use non-ad valorem revenues to fund essential County services. Status of legislation?]

The following table sets forth the sources and total amounts of non-ad valorem revenues that have been available to the County for the fiscal years ended September 30, 2003 through September 30, 2007.

- (1) The increase in Fiscal Year 2003 reflects the County's issuance of the Series 2002 Bonds. The decrease starting in Fiscal Year 2004 reflects the final payment of the Series 1996 Bonds made on November 1, 2003 from available carry-over funds.

- (4) These Bonds/Loans are serviced by the benefiting departments.

- (7) These loans are being serviced by Seaport Revenues.
- (8) Of the total loan amount, \$34 million is being serviced by the County's Transit Agency with Federal Grants. In Fiscal Year 2006, the total amount paid in debt service was \$4.550 million, of which, the Transit Agency paid \$3.157 million.

- (11) On September 26, 2006, the County entered into a loan agreement with the Sunshine State Governmental Financing Commission in the aggregate principal amount of \$232,060 million for the restructuring of five Seaport Sunshine Loans, extending final maturities of the individual loans. Like the other Seaport Sunshine Loans, this loan will be serviced with Seaport Revenues.
- (12) These loans are paid by tax increment receipts generated from the Naranja Lakes CRA.
- (13) These revenues are also used to pay operating expenses during the Fiscal Year.

The presentation of the information in the tables above is historical and should not be construed as a representation that the County will continue to have available to it Legally Available Non-Ad Valorem Revenues in the historical amounts shown in the tables above.

THE LETTER OF CREDIT

THE LIQUIDITY FACILITY PROVIDER

Limited information regarding the Liquidity Facility Provider is set forth in Appendix E. The information has been provided by the Liquidity Facility Provider, and the County does not guarantee the accuracy or completeness of such information.

BOND INSURANCE

The Bond Insurance Policy

Payment of the scheduled principal of and interest on the Bonds when due is insured by a Financial Guaranty Insurance Policy issued by Ambac Assurance Corporation (the "Bond Insurer") upon the original issuance of the Bonds.

Payment Pursuant to Financial Guaranty Insurance Policy

Ambac Assurance Corporation ("Ambac Assurance") has made a commitment to issue a financial guaranty insurance policy (the "Financial Guaranty Insurance Policy") relating to the Bonds, effective as of the date of issuance of the Bonds. Under the terms of the Financial Guaranty Insurance Policy, Ambac Assurance will pay to The Bank of New York, in New York, New York, or any successor thereto (the "Insurance Trustee"), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Obligor (as such terms are defined in the Financial Guaranty Insurance Policy). Ambac Assurance will make such payments to the Insurance Trustee on the later of the date on which such principal and/or interest becomes Due for Payment or within one business day following the date on which Ambac Assurance shall have received notice of Nonpayment from the Trustee. The insurance will extend for the term of the Bonds and, once issued, cannot be canceled by Ambac Assurance.

The Financial Guaranty Insurance Policy will insure payment only on stated maturity dates and on mandatory sinking fund installment dates, in the case of principal, and on stated dates for payment, in the case of interest. If the Bonds become subject to mandatory redemption and insufficient funds are available for redemption of all outstanding Bonds, Ambac Assurance will remain obligated to pay the principal of and interest on outstanding Bonds on the originally scheduled interest and principal payment dates, including mandatory sinking fund redemption dates. In the event of any acceleration of the principal of the Bonds, the insured payments will be made at such times and in such amounts as would have been made had there not been an acceleration, except to the extent that Ambac Assurance elects,

in its sole discretion, to pay all or a portion of the accelerated principal and interest accrued thereon to the date of acceleration (to the extent unpaid by the Obligor). Upon payment of all such accelerated principal and interest accrued to the acceleration date, Ambac Assurance's obligations under the Financial Guaranty Insurance Policy shall be fully discharged.

In the event the Trustee has notice that any payment of principal of or interest on a Bond that has become Due for Payment and that is made to a holder by or on behalf of the Obligor has been deemed a preferential transfer and theretofore recovered from its registered owner pursuant to the United States Bankruptcy Code in accordance with a final, non-appealable order of a court of competent jurisdiction, such registered owner will be entitled to payment from Ambac Assurance to the extent of such recovery if sufficient funds are not otherwise available.

The Financial Guaranty Insurance Policy does **not** insure any risk other than Nonpayment (as set forth in the Financial Guaranty Insurance Policy). Specifically, the Financial Guaranty Insurance Policy does **not** cover:

1. payment on acceleration, as a result of a call for redemption (other than mandatory sinking fund redemption) or as a result of any other advancement of maturity;
2. payment of any redemption, prepayment or acceleration premium; and
3. nonpayment of principal or interest caused by the insolvency or negligence of the Trustee, Paying Agent or Bond Registrar, if any.

If it becomes necessary to call upon the Financial Guaranty Insurance Policy, payment of principal requires surrender of the Bonds to the Insurance Trustee together with an appropriate instrument of assignment so as to permit ownership of such Bonds to be registered in the name of Ambac Assurance to the extent of the payment under the Financial Guaranty Insurance Policy. Payment of interest pursuant to the Financial Guaranty Insurance Policy requires proof of holder entitlement to interest payments and an appropriate assignment of the holder's right to payment to Ambac Assurance.

Upon payment of the insurance benefits, Ambac Assurance will become the owner of the Bond, appurtenant coupon, if any, or right to payment of the principal of or interest on such Bond and will be fully subrogated to the surrendering holder's rights to payment.

The Financial Guaranty Insurance Policy does not insure against loss relating to payments made in connection with the sale of the Bonds at auctions or losses suffered as a result of a holder's inability to sell the Bonds.

The Financial Guaranty Insurance Policy does not insure against loss relating to payments of the purchase price of the Bonds upon tender by a registered owner thereof or any preferential transfer relating to payments of the purchase price of the Bonds upon tender by a registered owner thereof.

The insurance provided by the Financial Guaranty Insurance Policy is not covered by the Florida Insurance Guaranty Association.

108

Ambac Assurance has obtained a ruling from the Internal Revenue Service to the effect that the insuring of an obligation by Ambac Assurance will not affect the treatment for federal income tax purposes of interest on such obligation and that insurance proceeds representing maturing interest paid by Ambac Assurance under policy provisions substantially identical to those contained in the Financial Guaranty Insurance Policy shall be treated for federal income tax purposes in the same manner as if such payments were made by the Obligor.

Ambac Assurance makes no representation regarding the Bonds or the advisability of investing in the Bonds and makes no representation regarding, nor has it participated in the preparation of, this Official Statement other than the information supplied by Ambac Assurance and presented under the heading "BOND INSURANCE".

TAX MATTERS

[Update - to describe (1) original opinion and (2) no adverse effect opinion.]

In the opinion of Greenberg Traurig, P.A. and Edwards and Associates, P.A., Bond Counsel, under existing law, (i) interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and is not an item of tax preference under Section 57 of the Code for purposes of the alternative minimum tax imposed on individuals and corporations, and (ii) the Bonds and the income thereon are exempt from taxation under the laws of the State of Florida, except estate taxes imposed by Chapter 198, Florida Statutes, as amended, and net income and franchise taxes imposed by Chapter 220, Florida Statutes, as amended, on interest, income or profits on debt obligations owned by "corporations", "banks" and "savings associations" as such terms are defined in that Chapter. Bond Counsel will express no opinion as to any other tax consequences regarding the Bonds.

The opinion on federal tax matters will be based on and will assume the accuracy of certain representations and certifications, and compliance with certain covenants, of the County to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Bonds are and will remain obligations the interest on which is excluded from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations.

The Code prescribes a number of qualifications and conditions for the interest on state and local obligations to be and to remain excluded from gross income for federal income tax purposes, some of which require future or continued compliance after issuance in order for the interest to be and to continue to be so excluded from the date of issuance. Noncompliance with these requirements by the County may cause the interest on the Bonds to be included in gross income for federal income tax purposes and thus to be subject to federal income tax retroactively to their date of issuance. The County has covenanted to take the actions required of it for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, and not to take any actions that would adversely affect that exclusion.

Under Code provisions applicable only to certain corporations (as defined for federal income tax purposes), a portion of the excess of adjusted current earnings (which includes interest on all tax-exempt obligations, including the Bonds) over other alternative minimum taxable income is included in alternative minimum taxable income that may be subject to a corporate alternative minimum tax. In addition, interest on the Bonds may be subject to a branch profits tax imposed on certain foreign corporations doing business in the United States and to a tax imposed on excess net passive income of certain S corporations.

Under the Code, the exclusion of interest from gross income for federal income tax purposes may have certain adverse federal income tax consequences on items of income, deduction or credit for certain taxpayers, including financial institutions, certain insurance companies, recipients of Social Security and Railroad Retirement benefits, those that are deemed to incur or continue indebtedness to acquire or carry tax-exempt obligations, and individuals otherwise eligible for the earned income tax credit. The applicability and extent of these or other tax consequences will depend upon the particular tax status or other tax items of the owner of the Bonds. Bond Counsel will express no opinion regarding those consequences.

Purchasers of the Bonds at other than their original issuance at the respective prices indicated on the cover should consult their own tax advisers regarding other tax considerations such as the consequences of market discount.

From time to time, there are legislative proposals pending in Congress that, if enacted, could alter or amend one or more of the federal tax matters described in this Remarketing Circular or adversely affect the market value of the Bonds. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, it would apply to obligations (such as the Bonds) issued prior to enactment.

CONTINUING DISCLOSURE

The County has covenanted in the Series 2003 Resolution, in accordance with the provisions of, and to the degree necessary to comply with the secondary disclosure requirements of Rule 15c2-12 (the "Rule") of the Securities and Exchange Commission (the "SEC") to provide or cause to be provided for the benefit of the beneficial owners of the Bonds (the "Beneficial Owners") to each nationally recognized municipal securities information repository ("NRMSIR") and to the appropriate state information depository ("SID"), if any, designated by the State, the information set forth in the Series 2003 Resolution, commencing with the fiscal year ending September 30, 2003. Such information includes Pledged Revenues for the prior fiscal year of the type and in a form which is generally consistent with the presentation of such information in this Remarketing Circular, [non-ad

valorem revenues] annual financial statements and notice of the occurrence of certain material events. The County has, in the Series 2003 Resolution, reserved the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the County; provided that the County has agreed that any such modification will be done in a manner consistent with the Rule. See the Series 2003 Resolution included in "APPENDIX C-THE BOND ORDINANCE."

The County has complied in all material respects with all continuing disclosure commitments previously made by the County with respect to previous Bonds and other obligations.

The County's obligation described above is to supply limited information at specified times and may not provide all information necessary to determine the value of the Bonds.

FINANCIAL STATEMENTS

Included as APPENDIX B to this Remarketing Circular are the Audited Annual Financial Report of Miami-Dade County for the Fiscal Year ended September 30, 2007. Such financial statements have been audited by KPMG, LLP, independent certified public accountants, as set forth in their report dated [_____, 2008], which report is also included in APPENDIX B to this Remarketing Circular. Such audited financial statements, including the notes thereto, should be read in their entirety. KPMG LLP (1) has not been engaged to perform and has not performed since the date of its report on such financial statements any procedures with respect to such financial statements and (2) has not performed any procedures relating to this Remarketing Circular. The County's obligation to provide for payment of the Bonds is limited to those funds described in "SECURITY FOR THE BONDS."

RATINGS

[TO COME]

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Bonds upon an Event of Default under the Bond Resolution are in many respects dependent upon regulatory and judicial actions which are often subject to discretion and delay. Under existing laws and judicial decisions, the remedies provided for under the Bond Resolution may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified to the extent that the enforceability of certain legal rights related to the Bonds is subject to limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the enforcement of creditors' rights generally and by equitable remedies and proceedings generally.

FINANCIAL ADVISOR

Public Financial Management, Inc., Coral Gables, Florida (the "Financial Advisor") served as the Financial Advisor to the County with respect to the conversion and reoffering of the Bonds. The Financial Advisor has assisted the County in the preparation of this Remarketing Circular and has advised the County in other matters relating to the planning, structuring, conversion and reoffering of the Bonds. The Financial Advisor is not obligated to undertake, and has not undertaken to make, an independent verification or to assume responsibility for the accuracy, completeness or fairness of the information contained in this Remarketing Circular.

Public Financial Management, Inc. is an independent advisory firm and is not engaged in the business of underwriting, trading or distributing municipal or other public securities.

RELATIONSHIP OF PARTIES

[Any to report?]

REMARKETING

Citigroup Global Capital Markets, Inc. ("Citi") is acting as Remarketing Agent for the Bonds pursuant to a Remarketing Agreement with the County. The Remarketing Agent will receive a remarketing fee of _____. [Explain name distinction.]

CERTAIN LEGAL MATTERS

[Description and reference to Bond Counsel opinions] In connection with the Conversion, certain legal matters will be passed upon for the County by the Office of the Miami-Dade County Attorney. Certain matters relating to disclosure will be passed upon for the County by Hunton & Williams LLP, Miami, Florida, and Law

Offices of Thomas H. Williams, Jr., P.L., Miami, Florida, whose opinions, substantially in the form attached hereto as APPENDIX H, will be delivered upon the Conversion. Certain legal matters will be passed upon for the Remarketing Agent by its counsel, Tripp Scott, P.A., Fort Lauderdale, Florida, and for the Liquidity Facility Provider by its counsel, Bryant Miller Olive, Orlando, Florida.

LITIGATION

There is not now pending any litigation restraining or enjoining the Conversion or reoffering of the Bonds or questioning or affecting the validity of the Bonds or the proceedings and authority under which they are issued or to be converted. Neither the creation, organization or existence, nor the title of the present members of the Board, the Mayor, or other officers of the County to their respective offices, is being contested. There is no litigation pending or to the knowledge of County officials threatened which, if it were decided against the County, would have a materially adverse effect upon the financial affairs of the County.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Florida law requires the County to make a full and fair disclosure of any bonds or other debt obligations which it has issued or guaranteed and which are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served as a conduit issuer). The County is not and has not been in default as to principal and interest on bonds or other debt obligations which it has issued as the principal obligor.

There are several special purpose governmental authorities that serve as conduit issuers of private activity bonds for purposes such as housing, industrial development, higher education and health care. Defaults have occurred in connection with some of those private activity bonds; however, such defaults affect only the defaulted issues and will have no effect on the payment of the Bonds. The County has no obligation to pay such bonds and the conduit issuers had only a limited obligation to pay such bonds from the payments made by the underlying obligors with respect to such issues. Defaults relating to conduit issuers are not material with regard to the Bonds.

FORWARD-LOOKING STATEMENTS

This Remarketing Circular, including Appendix A, contains certain "forward-looking statements" concerning the County, including projected debt service coverage on the Bonds. These statements are based upon a number of assumptions and estimates which are subject to significant uncertainties, many of which are beyond the control of the County. The words "may," "would," "could," "will," "expect," "anticipate," "believe," "intend," "plan," "estimate" and similar expressions are meant to identify these forward-looking statements. Actual results may differ materially from those expressed or implied by these forward-looking statements.

MISCELLANEOUS

This Remarketing Circular is not to be construed as a contract with the purchasers of the Bonds. The references, excerpts and summaries of all documents referred to in this Remarketing Circular do not purport to be complete statements of the provisions of such documents, and reference is directed to all such documents for full and complete statements of all matters relating to the Bonds, the security for the payment of the Bonds and the rights and obligations of the Owners of the Bonds.

The information and expressions of opinion in this Remarketing Circular are subject to change without notice and neither the delivery of this Remarketing Circular nor any sale made shall under any circumstances create any implication that there has been no change in the matters referred to in this Remarketing Circular since its date.

APPENDIX A

GENERAL INFORMATION REGARDING MIAMI-DADE COUNTY

Set forth below is certain general information concerning County government and certain governmental services provided by the County.

History

Miami-Dade County, Florida (the "County") is the largest county in the southeastern United States in terms of population. The County currently covers 2,209 square miles, located in the southeastern corner of the State of Florida (the "State"), and includes, among other municipalities, the cities of Miami, Miami Beach, Coral Gables and Hialeah. In 2007, the population of the County was estimated to have been 2,468,000.

The County was created on January 18, 1836 under the Territorial Act of the United States. It included the land area now forming Palm Beach and Broward Counties, together with the land area of the present County. In 1909, Palm Beach County was established from the northern portion of what was then Dade County. In 1915, Palm Beach County and the County contributed nearly equal portions of land to create what is now Broward County. There have been no significant boundary changes to the County since 1915.

County Government

The State Legislature in 1955 approved and submitted to a general election a constitutional amendment designed to give a new form of government to the County. The amendment was approved in a statewide general election in November 1956. A Dade County Charter Board was constituted and, in April 1957, completed a draft charter for the County. The proposed charter (the "Charter") was adopted in a countywide election in May 1957 and became effective on July 20, 1957. The electors of the County were granted power to revise and amend the Charter from time to time by countywide vote. The most recent amendments were in January 2007 and 2008. The County has home rule powers, subject only to the limitations of the Constitution and general laws of the State. The County, in effect, is both (1) a county government with certain powers effective throughout the entire County, including 35 municipalities, and (2) a municipal government for the unincorporated area of the County. The County has not displaced or replaced the cities, but supplements them. The County can take over particular activities of a city's operations if the services fall below minimum standards set by the Board of County Commissioners of Miami-Dade County (the "Board"), or with the consent of the governing body of a particular city.

On January 23, 2007, the electors of the County approved an amendment to the Home Rule Charter which established a "strong mayor" form of government. This amendment expands the Mayor's power over administrative matters. The County Manager, who previously was chief administrator, now reports directly to the Mayor, who has the authority to hire, fire and set the salary of the County Manager. Under this new system, the Mayor also appoints all department heads.

On January 29, 2008 the electors of the County amended the Charter to provide that (i) the two week qualifying period for candidates shall commence three weeks earlier in order to be in line with the State; and (ii) the Property Appraiser shall be elected rather than appointed.

The County has assumed responsibility on a countywide basis for an increasing number of functions and services, including the following:

(a) Countywide police services, complementing the municipal police services within the cities and providing full-service police protection for the unincorporated areas of the County, with direct access to the National Crime Information Center in Washington, D.C. and the Florida Crime Information Center.

(b) Uniform system of fire protection, complementing the municipal fire protection services within five municipalities and providing full-service fire protection for the Miami-Dade Fire and Rescue Service District, which includes the unincorporated area of the County and the 29 municipalities which have consolidated their fire departments within the Miami-Dade Fire and Rescue Department. The Miami-Dade Fire and Rescue Department also provides emergency medical services by responding to and providing on-site treatment to the seriously sick and injured.

(c) Certain expenses of the State's consolidated two-tier court system (pursuant to Florida Statutes 29.008), are the responsibility of the County. The two-tier court system consists of the higher Circuit Court and the lower County Court. The Circuit Court handles domestic relations, felonies, probate,

civil cases where the amount in dispute is \$15,000 or more, juvenile cases, and appeals from the County Court. The County Court handles violations of municipal ordinances, misdemeanors and civil cases where the amount in dispute is less than \$15,000.

(d) Countywide water and sewer system operated by the Water and Sewer Department.

(e) Jackson Memorial Hospital ("JMH") which is operated, maintained and governed by an independent governing body called the Public Health Trust (the "Trust"). Based on the number of admissions to a single facility, JMH is one of the nation's busiest medical centers. The Board appoints members of the Board of Trustees for the Trust and also approves the budget of the Trust. The County continues to subsidize treatment of indigent patients on a contractual basis with the Trust.

(f) Unified transit system, consisting of various surface public transportation systems. In May, 1985, the 20.5 miles Phase I of the County's rapid rail transit system was completed and placed into operation. An extension opened in May 2003 expanding the rail service along the north section from the Okeechobee station to the Palmetto station, making the system 22.4 miles long. In April 1986, the Metromover component of the rapid rail transit system commenced operation, with 1.9 miles of an elevated double-loop system. Two extensions were subsequently constructed extending the service 1.4 miles south to the Brickell Avenue area and 1.1 miles north to the area known as Omni, for a total of 4.4 miles of service. These extensions were placed in service in May 1994.

(g) Combined public library system consisting of the Main Library, 41 branches and 4 mobile libraries offering educational, informational and recreational programs and materials. Four newly constructed libraries will open in 2008. On an annual basis, more than 6 million people visit the libraries, and check out more than 7.5 million items such as books, DVDs, books on tape, CDs and other library materials, while reference librarians answer over 6.4 million questions. The Library system is the largest free Internet provider in South Florida, registering more than 2 million Internet sessions. Its web page offers an extensive digital library of more than 1500 downloadable e-books, videos and music that is available 24/7.

(h) Property appraisal services are performed by the County's Property Appraiser's office. Tax collection services are performed by the Miami-Dade Tax Collector. All collected taxes are distributed directly to each governmental entity, according to its respective tax levy. The municipalities, the Board of Public Instruction and several State agencies use data furnished to them by the Miami-Dade Tax Collector for the purpose of budget preparations and for their governmental operations.

(i) Minimum standards, enforceable throughout the County, in areas such as environmental resources management, building and zoning, consumer protection, health, housing and welfare.

(j) Garbage and trash collection, and disposal services, consisting of garbage and trash collection services to an average of 319,000 households during Fiscal Year 2007 within the unincorporated area and certain municipalities of the County, and disposal services to public and private haulers countywide.

(k) The Dante B. Fascell Port of Miami (the "Port") is owned and operated by the County through the Seaport Department. The Port is the world's largest multi-day cruise port in terms of cruise passengers, handling over 3,787,410 passengers in Fiscal Year 2007. As of September 2007, the Port had the largest container cargo port in the State, and is within the top ten in the United States in total number of containers held.

(l) The following airport facilities: (i) the Miami International Airport the principal commercial airport serving South Florida; (ii) the Opa-locka Executive Airport, a 1,810 acre facility; (iii) the Opa-locka West Airport, a 420 acre facility that has been decommissioned, (iv) the Kendall-Tamiami Executive Airport, a 1,380-acre facility, (v) the Homestead General Aviation Airport, a 960-acre facility; and (vi) the Training and Transition Airport, a facility of approximately 24,300 acres located in Collier and Miami-Dade Counties. All of these facilities are County-owned and operated by the Miami-Dade Aviation Department.

(m) Several miscellaneous services, including mosquito and animal control.

Economy

The County's economy has transitioned from mixed service and industrial in the 1970s to a service economy. The shift to services is led by expansion of international trade, the tourism industry, and health services. Wholesale and retail trade have become stronger economic forces in the local economy, and are projected

to continue. This reflects the County's position as a wholesale center in Southeast Florida, serving a large international market. The tourism industry remains one of the largest sectors of the local economy.

In an effort to further strengthen and diversify the County's economic base, the County commissioned a private consulting firm in 1984 to identify goals and objectives for various public and private entities. The Beacon Council was established as a public private partnership to promote these goals and objectives.

International Commerce

The Greater Miami Area is the center for international commerce for the southeastern United States. Its proximity to the Caribbean, Mexico, Central and South America makes it a natural center for trade to and from North America. Approximately, 1,200 multinational corporations are established in South Florida. In addition, the international background of many of its residents is an important labor force characteristic for multinational companies which operate across language and cultural differences.

Trade with Latin America, Europe and Caribbean countries has generated substantial growth in the number of financial institutions conducting business in the County. The large Spanish-speaking labor force and the County's proximity to Latin America have also contributed to the growth of the banking industry in the County. According to the Federal Reserve Bank of Atlanta, as of September 30, 2007, there were 12 Edge Act Banks throughout the United States; five of those institutions were located in the County with over \$10.8 billion on deposit. Edge Act Banks are federally chartered organizations offering a wide range of banking services, but limited to international transactions only. These banking institutions are: American Express Bank International; Bancafe International; Banco Itau Europa International, Banco Santander International; and HSBC Private Bank International.

The County had the highest concentration of international bank agencies on the east coast south of New York City, with a total of 31 foreign chartered banks and over \$14.9 billion on deposit as of September 30, 2007, according to the Florida Department of Financial Services, Office of Financial Regulations.

Corporate Expansion

The favorable geographic location of the County, a well-trained labor force and the favorable transportation infrastructure have allowed the economic base of the County to expand by attracting many national and international firms doing business with Latin America, the Caribbean, the United States and the rest of the world. Among these corporations are: Carnival Cruise Lines, Elizabeth Arden, Federal Express Corporation, Kraft Foods International, Parfums Christian Dior, Porsche Latin America, Telefonica, AIG, and Caterpillar.

Significant strides have been made in attracting knowledge-based companies to the County. Some of the national firms with established international operations located in the County are: ASTAR Air Cargo, Burger King, Ryder System, Lennar, Oracle Corporation, The Gap, Starboard Cruise Services and the William Morris Agency.

Industrial Development

The role of the Miami-Dade County Industrial Development Authority (the "IDA") is the development and management of the tax-exempt industrial development revenue bond program which serves as a financial incentive to support private sector business and industry expansion and location. Programs developed are consistent with the IDA's legal status and compatible with the economic development goals established by the Board and other economic development organizations operating in the County.

Between 1979 and the creation of the Beacon Council in 1986, the IDA provided expansion and location assistance to 195 private sector businesses, accounting for a capital investment of \$695 million and the creation of over 11,286 new jobs.

The IDA's principal program, the Tax-Exempt Industrial Development Revenue Bond Program, has generated 424 applications through December 2007. From 1986 to January 2008, bonds for 211 company projects have been issued in an aggregate principal amount in excess of \$1.4 billion. Approximately 9,357 new jobs have been generated by these projects. The IDA continues to manage approximately 54 outstanding Industrial Development Revenue Bond Issues, approximating \$775 million in capital investment.

Other Developmental Activities

In October 1979, the Miami-Dade County Health Facilities Authority (the "Health Authority") was formed to assist local not-for-profit health care corporations to acquire, construct, improve or refinance health care projects located in the County through the issuance of tax-exempt bonds or notes. Since its inception, the Health Authority has issued 24 series of revenue bonds for 17 projects and 17 refundings. As of September 2007, the total amount of revenue bonds issued by the Health Authority is over \$1.9 billion.

In October 1969, the Board created the Miami-Dade County Educational Facilities Authority (the "EFA") to assist institutions of higher learning within the County to have an additional means to finance facilities and structures needed to maintain and expand learning opportunities and intellectual development. As of September 2007, the EFA had issued 39 series of revenue bonds for 27 projects and 24 refundings, totaling over \$1.4 billion.

In December 1978, the Housing Finance Authority of Miami-Dade County (Florida) (the "HFA") was formed to issue bonds to provide the HFA with moneys to purchase mortgage loans secured by mortgages on single family residential real property owned by low and moderate income persons residing in the County.

As of September 2007, under the HFA's Multi-Family Mortgage Revenue Bond Program, revenue bonds aggregating approximately \$917 million had been issued for new construction or rehabilitation of 16,752 units.

The bonds issued by the foregoing authorities and the IDA are not debts or obligations of the County or the State or any political subdivision thereof, but are payable solely from the revenues provided by the respective private activity borrower as security therefor.

Film Industry

Miami-Dade County's film and entertainment industry experienced a strong surge in 2007, with location filming revenues up 20% over the previous year to more than \$153 million. Television remains the strongest production sector, with USA Networks' "Burn Notice" filming its 13 episodes season entirely in South Florida, added to recurring production from "CSI:Miami," numerous reality series like "Hogan Knows Best" and "Miami Ink" and the very active Spanish language television business. Spanish language telenovelas (soap operas) and other formats contributed more than \$50 million to the total industry economic impact in 2007. In addition, Spanish language commercial productions were heavily represented among the more than 180 commercials shot in Miami-Dade County last year, contributing another \$23 million to the bottom line. In all, nearly 2,000 productions shot on location in Miami-Dade County in 2007.

Surface Transportation

The County owns and operates through its Transit Agency (a County department), a unified multi-modal public transportation system. Operating in a fully integrated configuration, the County's Transit Agency provides public transportation services through: (i) Metrorail - a 22.4-mile, 22-station elevated electric rail line connecting South Miami-Dade and the City of Hialeah with the Downtown and Civic Center areas, providing 17.5 million passenger trips annually; (ii) Metromover - a fully automated, driverless, 4.4-mile elevated electric double-loop people-mover system interfaced with Metrorail and completing approximately 8.6 million passenger trips annually throughout 20 stations in the central business district and south to the Brickell international banking area and north to the Omni area; and (iii) Metrobus, including both directly operated and contracted conventional urban bus service, operating over 35.6 million miles per year, interconnecting with all Metrorail stations and key Metromover stations, and providing over 111 million passenger trips annually.

The County also provides Para-transit service to qualified elderly and handicapped riders through its Special Transportation Service, which supplies over 1.6 million passenger trips per year in a demand-response environment.

Additionally, the County's Transit Agency is operating the Bus Rapid Transit (BRT) on the South Miami-Dade Busway, a dedicated-use BRT corridor that runs parallel to US1/South Dixie Highway. Service commenced in 1997 and was extended from North Kendall Drive/SW 88th Street to SW 264th Street. A final segment is currently under construction. Upon completion, the South Miami-Dade Busway will traverse over twenty miles, connecting Florida City (SW 344th Street) with the Metrorail system, with connection to downtown Miami.

Airport

The County owns and operates the Miami International Airport (the "Airport"), the principal commercial airport serving Southeast Florida. The Airport has also the third highest international passenger traffic in the U.S. It is currently handling approximately 33,278,000 passengers and 2,099,000 tons of air freight annually and is classified by the Federal Aviation Administration as a large hub airport, the highest classification given by that organization. The Airport is also one of the principal maintenance and overhaul bases, as well as a principal training center, for the airline industry in the United States, Central and South America, and the Caribbean.

Seaport

The Port is an island port, which covers 640 acres of land, operated by the Seaport Department. It is the world's largest multi-day cruise port. Embarkations and disembarkations on cruise ships totaled over 3.7 million passengers for Fiscal Year 2007. With the increase in activity from the Far-East markets and South and Central America, cargo tonnage transiting the Port amounted to approximately 7.8 million tons for Fiscal Year 2007.

The following table sets forth a five-year summary of both cruise passengers served and cargo handled:

Tourism

The Greater Miami Area is a leading center for tourism in the State. Miami was the primary destination for domestic air travelers after Orlando according to the Florida Division of Tourism of the Department of Commerce. It is also the principal port of entry in the State for international air travelers. During 2007, approximately 80% of international air travelers (excluding travelers from Canada) entering the State arrived through the Airport. The Airport has the third highest international passenger traffic behind New York's John F. Kennedy International and Los Angeles International Airports.

The visitors market in the County is shifting away from the traditional tourist market to a "convention group market." This is reflected in the expansion and renovation of lodging facilities as well as in the marketing efforts of South Florida hoteliers. The City of Miami Beach, with the assistance of the County, is

(d) The Borrower may prepay on any day the outstanding amount of any Liquidity Advance or Term Loan in whole or in part, together with accrued interest to the date of such prepayment on the date such amount is prepaid. (h) If the Bank shall make any payment of the prepayment price of the Series 2003B Bonds upon an optional prepayment at the direction of the Bank pursuant to Section 4.5 hereof, the amount so drawn shall convert to a bank loan (the "*Bank Loan*"). The Borrower agrees that the principal amount of the Bank Loan shall be payable in five equal annual installments (the "*Bank Loan Installments*") due on the anniversary of the drawing. Interest to the extent accrued shall be payable on monthly the first day of each month and on each principal installment due date. The outstanding balance of the Bank Loan shall bear interest at the rate of Prime plus 2.0%. If an Event of Default should occur and be continuing, the Bank Loan will bear interest at the Default Rate until the Event of Default is cured or the Bank Loan is paid in full.
