Agenda Item No.

Recommendation

It is recommended that the Board of County Commissioners (BCC) grant the attached Road Closing Petition following a public hearing. The Miami-Dade County Departments of Planning and Zoning, Public Works, Water and Sewer and Fire Rescue have no objection to this right-of-way being closed.

Scope

This road closing petition is located within Commission District 2.

Fiscal Impact/Funding Source

The Property Appraiser's Office has assessed the adjacent property to this right-of-way at \$7.50 per square foot. Therefore, the estimated value of the right-of-way being closed would be approximately \$24,007.50. If this right-of-way is closed and vacated, the land will be placed on the tax roll, generating an estimated \$446 per year in additional property taxes. The fee for this road closing is \$3,200.75.

Track Record/Monitor

Not Applicable.

Background

The property owners abutting the alley from NW 18 Avenue to NW 111 Street have joined in signing the petition to close this right-of-way in order to incorporate it to their property to be enhanced and maintained. The right-of-way being closed has never been improved nor maintained by Miami-Dade County. Therefore, this action will not adversely impact traffic flow or continuity of traffic in the area.

The subject right-of-way was dedicated in 1926, by the plat of "GOLF PARK SEC-2", recorded in Plat Book 23, Page 46, of the Public Records of Miami-Dade County, Florida. The area surrounding the subject right-of-way is zoned RU-1 (Single Family Residential).
