1B PLEDGE OF ALLEGIANCE

1C ROLL CALL

Report: *The following staff members were present:
Assistant County Manager Ysela LLort; Assistant
County Attorneys David Murray and Cynji Lee;
and Deputy Clerk Judy Marsh.*

*County Commission Vice-Chairwoman Barbara
Jordan was also present.*

*Chairman Diaz noted a quorum would not be
present as Commissioners Heyman, Martinez and
Sosa would not be attending today's meeting.*

*In response to Chairman Diaz, Assistant County
Attorney David Murray noted the Committee
members could hear the reports on today's (7/10)
agenda, but could not take action.*

*Due to lack of a quorum, Chairman Diaz
indicated he would consider asking staff to
prepare the appropriate memorandum to County
Commission Chairman Bruno Barreiro requesting
that the Board's Rules and Procedures be waived
as there were several items that might need to be
heard at the July 17, 2008 Commission meeting.*

082076 Report

ORAL REPORT: GREATER MIAMI CONVENTION & VISITORS BUREAU (County Manager)

Report Received

Report: *Mr. Bill Talbert, President and Chief Executive Officer, Greater Miami Convention & Visitors Bureau (GMCVB), provided an oral report on the activities of the GMCVB. He noted in two days the GALA Chorus meeting would occur in downtown Miami. Mr. Talbert expressed appreciation to Cultural Affairs Director Michael Spring for partnering in this meeting and noted the GMCVB could not have facilitated this meeting in Miami without the Adrienne Arsht Center for the Performing Arts. He noted the GALA Chorus was headquartered in Pittsburgh and would be in Miami for eight days, beginning Saturday, July 12, 2008. Mr. Talbert said approximately 6,000 people were expected to attend and the economic impact was projected to be approximately \$7.6 million for the eight days. He welcomed GALA delegates who may be watching today's proceedings, to Greater Miami and the Beaches, on behalf of Miami-Dade County and the GMCVB. Mr. Talbert said delegates included representatives from Germany, Ireland, Australia, Canada, England and every state within the United States.*

Mr. Talbert said Miami ranked second in hotel rates and occupancy among the top 25 destinations in the United States throughout May 2008. He noted Miami Spa Month would be held during the month of July in preparation for Miami Spice, which would be held August through September 2008. Mr. Talbert said the GMCVB was cautiously optimistic about the future and noted GMCVB'S customers were not so much affected by gasoline prices as they were by jet fuel prices. He referenced Senior Vice-President of American Airlines Peter Dolaro's assurance that American would be adding service to its Miami hub.

Mr. Talbert said the GMCVB was partnering with American Airlines, the Beacon Council, the Miami-Dade Aviation Department and the Port of Miami regarding a "Live, Work and Play Program." He noted this was a cash investment not only by the GMCVB but by American Airlines who was bringing marketing dollars to the table to promote Miami as a destination.

Mr. Talbert noted Pow Wow, the number one tourism show within the United States, would be held in Miami-Dade County in May 2009 and the GMCVB looked forward to working with the Committee regarding its assistance for this show.

Chairman Diaz noted he would ask Senior Vice-President of American Airlines Peter Dolaro to repeat the presentation he made at the June 12, 2008 Committee meeting at Miami International Airport (MIA) regarding American Airlines' commitment to MIA, at the Committee meeting scheduled for September 11, 2008.

In response to Commissioner Gimenez' inquiry whether Miami had the convention facilities to be a Class 1 tourist destination, Mr. Talbert said the GMCVB had engaged world-class consultants to submit a project proposal for the Miami Beach Convention Center to be a competitive facility. He noted this proposal would be presented to the County Commission. Mr. Talbert said Miami-Dade County Mayor Carlos Alvarez and City of Miami Beach Mayor Matti Bower had pledged to make the Convention Center competitive for meetings and conventions. He noted the GMCVB was excited about the commitment from the political leaders of the City of Miami Beach as the City owned and managed the Center. Mr. Talbert pointed out the City had an agreement with the County for funding the Center with allocations from the Convention Development Tax. He noted one of the most critical elements of a convention center was the availability of adjacent hotels.

Mr. Talbert noted discussions had previously occurred regarding expanding the parking lot on the west side of the Convention Center ("P" Lot) to provide approximately 300,000 additional square feet of exhibit space, however, he pointed out the boat show was held at that site and he was not sure if both lots could be paved.

Commissioner Gimenez said the focus should be on utilizing Convention Development Tax (CDT) proceeds for convention development. He noted he felt Miami-Dade County needed to take advantage of the fact that the American dollar was weak while the Euro was strong and Europeans liked to visit Miami.

Commissioner Gimenez asked Mr. Talbert to provide the Committee with a report regarding the

amount of business that was lost because large conventions could not be accommodated within the Convention Center.

Mr. Talbert noted the last time a significant change was made to the Convention Center was during George H. Bush's tenure as president. He concurred with Commissioner Gimenez that the CDT should be used to support convention development facilities; however, he noted the top two elected officials had pledged to make the Center competitive.

Chairman Diaz referenced an ordinance recently adopted by the Board that provided a process for unsolicited proposals for construction of public infrastructure, where people who had the foresight and companies that were global companies that saw the need Commissioner Gimenez had addressed could come up with ventures. He noted once that information was made available he felt there would be a lot of interest from the industry regarding the Convention Center.
