

Memorandum

Date: October 15, 2008
To: Honorable Chairman Bruno A. Barreiro and Members, Board of County Commissioners
From: George M. Burgess, County Manager
Subject: Resolution Regarding Walden Pond Apartments

EDHS
Agenda Item No. 3(G)

RECOMMENDATION

It is recommended that the Board of County Commissioners (BCC) approve a resolution authorizing: 1) the purchase and rehabilitation of Walden Pond Apartments by Walden Pond Preservation, LP (Walden Preservation) from Walden Pond Associates, Ltd (Walden Associates); 2) assumption of the three existing HOME loans totaling \$3.3 million by Walden Preservation from Walden Associates; 3) an amendment to the existing HOME loan terms for a 40-year amortization period with a new 30-year repayment term for all outstanding balances; and 4) approving an increase in the area median income (AMI) requirement from 50 percent to 60 percent and an increase in the number of low-income set-aside units from 58 to 100.

SCOPE

The development is located at 20880 NW 7th Avenue, Miami Gardens, Florida, in Commission District 1.

FISCAL IMPACT

This resolution does not change the funding amount previously awarded. It does, however, extend the repayment term period with a new 30-year term.

TRACK RECORD

Walden Associates and Walden Preservation are Florida limited partnerships. The limited partnership for Walden Associates was originally formed December 1992. This proposed transaction will transfer the development to a new ownership entity, as detailed below, and the general partners will be affiliates of The Related Group (Related).

Walden Pond Preservation, LP

- General Partner 1: Walden Pond Preservation GP, LLC
- General Partner 2: Walden Pond Preservation GP II, LLC
- Limited Partner: Centerline Investor LP, LLC
- Special LP: Centerline SLP, LLC

The limited partnerships are affiliates of Related, and its principals managers are Stephen M. Ross and Jorge Perez.

The portfolio of projects by Related includes Related Club West Apartments, Riverside Apartments, Congress Building and Winchester Gardens Apartments.

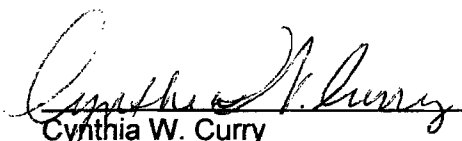

BACKGROUND

Walden Pond Apartments was originally developed by Related with nine percent Low Income Housing Tax Credits ("LIHTC") issued by Florida Housing Finance Corporation ("FHFC") and three HOME loans totaling \$3.3 million awarded through Miami Dade County. It is a 290-unit rental housing development with 58 units set aside for residents earning 50 percent or less of AMI. Construction of the development was completed in 1994 with initial occupancy beginning in the same year. The tax credit compliance period is scheduled to expire in 2009 and the HOME loans will mature on November 29, 2013.

Related, through its limited partnership, is proposing an acquisition and rehabilitation of Walden Pond Apartments using tax-exempt bonds, four percent LIHTCs and the existing HOME loans. As part of the funding package, Related is requesting the County allow an assumption of the HOME loans and an amendment to the existing terms. The proposed terms set a 40-year amortization period with a 30-year repayment term for all outstanding balances. Related in turn, will preserve the affordability of the development by initiating a new 30-year affordability period thereby helping preserve the affordable housing stock in Miami-Dade County. Additionally, the development will convert 100 units to 60 percent AMI whereas the current loan documents have 58 units at 50 percent of AMI. The financing structure allows the developer to perform substantial renovations, needed repairs and improving energy efficiency water use.

The financing of the proposed transaction will consist of tax-exempt bonds, four percent LIHTCs and the HOME loans. The sales proceeds from this transaction will be used to pay off the existing first mortgage, pay transaction costs, pay outstanding obligations, and partially repay equity. It is not anticipated that the sale will result in any profits to the seller; however, this transaction is contingent on the successful receipt of the required tax-exempt bonds, LIHTCs and assumption of the existing HOME loans.

The proposed renovation budget for Walden Pond Apartments is \$4.804 million. Walden Preservation is not requesting any additional funding from Miami-Dade County.
