DONALD E. W. KRESSLY**Kressly Corporation – 10415 N. W. 7th Avenue – Miami, FL 33150 – 305.758.4411****E-mail: G7AI@aol.com**

Mr. Kressly has been a building contractor and developer in Miami since 1967, building homes, warehouses, churches and commercial buildings for clients as well as for his own corporation's commercial use.

In 1972, Mr. Kressly took notice of the under utilization and lack of recognition of the N.W. 7th Avenue and I-95 corridor and began to invest in this area - not only in the financial regard, but in developing business and residential associations to try to advance the area's image.

Kressly Corporation formed KFI and K2F partnerships and began to develop Warehousing where there were deteriorating and derelict buildings existing along the 7th Avenue and I-95 corridor. One of these properties was the old Bowling Palace, at 10855 N.W. 7th Avenue, that fell to disuse and became a haven for the homeless and a place for drug transactions. This building was termite ridden and in total disrepair. Under Mr. Kressly's direction the building was rezoned and developed as the 1st storage building in this area – called the Extra Closet. At a later date it was taken over by Public Storage, who now operate it.

Mr. Kressly also built a 3-building, 13 bay warehouse at 118th Street and I-95, off of 7th Avenue. In addition, he built an 11-bay warehouse at 107th Street and 7th Avenue, as well as remodeling a complete block of stores at N.W. 104th Street and 7th Avenue. These stores have become an example for this area on how to improve store fronts. He was also a partner and investor in developing a restaurant for 'Checkers' at 135th Street and 7th Avenue, bringing them to this area.

1967 - President of Kressly Corporation (a building contract firm). Built and remodeled for Winn Dixie throughout the State of Florida. Also built churches, apartments, stores, warehouses, restaurants throughout Dade County. Over 200 building projects over the last 40 years.

1975 - Obtained Real Estate license/managing properties

1987-1990 Founding President of the Greater 7th Avenue Improvement Association (G7AIA). Group was developed as other organizations and governmental agencies continuously overlooked this area.

1987 - Represents G7AIA on the Business Development Board of North Miami Chairman for 9 years and Vice-Chairman for 5 years

1992 - Created and maintained successful anti-graffiti program thru G7AIA

- 1995 - Developed & published G7AIA Business Directory for 7th Avenue**
- 1998-2001 Member of G7AIA Water & Sewer Development Program, that success-
Fully obtained water and sewer lines for 7th Avenue from N.W.79th
Street to N. W.119th Street.**
- 2000-2002 President G7AIA**
- 2003 - Coordinator & Assistant to President G7AI**

Mr. Kressly has a vested interest in the 7th Avenue community, as evidenced by his continued efforts for the further development of the 7th Avenue corridor for the past 20 years. He has unusual and outstanding credentials as regards 7th Avenue development, so that he should be considered as a serious candidate for membership on the Greater 7th Avenue CRA Board.

Thank you.
