The construction of this segment of roadway was completed by MDX, and is now open to traffic.

Included in this JPA was a provision that FDOT would assume responsibility for the operation and maintenance of the roadway upon formal transfer of the roadway to the State. In accordance with Florida Statute Section 335.0415, this transfer must be mutually agreed upon between FDOT and the County before the roadway can be formally transferred from the County Roads System to the State Roads System. The County is required to provide to FDOT, rights-of-way maps as the instrument of conveyance of the property, recorded in the public records of Miami-Dade County. **WITNESSETH:**

**WHEREAS**, MDX was established by Ordinance No. 94-215, adopted on December 13, 1994, as amended, by the Board of County Commissioners of the COUNTY, pursuant to the Florida Expressway Authority Act (Part I of Chapter 348, Florida Statutes, as amended) (the "Act"); and

WHEREAS, the final, signed and sealed design and construction documents for the Project that have been accepted by the County ("Project Design Documents"), which are attached hereto and incorporated herein as Exhibit "A" to this Agreement; and

WHEREAS, MDX and the COUNTY have discussed the construction of the Project as part of MDX's Project No. 83605 (the "83605 Project") and

WHEREAS, MDX and the COUNTY acknowledge that it is the intention of the Florida Department of Transportation ("FDOT" or the "Department") to functionally reclassify SW/NW. 137<sup>th</sup> Avenue from SW 8<sup>th</sup> Street to NW 12<sup>th</sup> Street to a state road and, in that event, the operation and maintenance responsibilities for SW/NW. 137<sup>th</sup> Avenue will be transferred to FDOT subsequent to the completion and final acceptance of the 83605 Project;

WHEREAS, MDX and the COUNTY desire to enter into an agreement to set forth the respective duties and obligations of MDX and the COUNTY in connection with the construction and completion of the Project;

The obligations of MDX under this Agreement are valid and enforceable in accordance with their terms, except to the extent that such enforceability may be subject to bankruptcy, insolvency, moratorium, and other laws affecting creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

(b) There is no litigation pending or, to the knowledge of MDX, threatened which will affect the performance by MDX of its obligations under this Agreement.

(c) No default exists with respect to the obligations of MDX under this Agreement, and the execution and delivery by MDX of this Agreement does not constitute a violation of applicable law or regulations or a breach of or default under any other agreement to which MDX is a party or an event that, with the passage of time, would become a breach of or default under any such agreement.
