

Memorandum

Date: January 22, 2009

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

From: George M. Burgess
County Manager 

Subject: FPL Easement at Bill Bird Marina in Haulover Park

Agenda Item No. 8(M)(1)(A)

Recommendation

It is recommended that the Board approve the attached resolution authorizing the execution of an easement document for the Florida Power and Light Company (FPL) to install and maintain electric power facilities at the Bill Bird Marina in Haulover Park, located at 10801 Collins Avenue.

Scope

Haulover Park is located in Commission District 4. The easement will allow FPL to maintain electric power facilities in the marina area currently under redevelopment.

Fiscal Impact/Funding Source

The easement will not create any financial impact to Miami-Dade County.

Track Record/Monitor

The County has given easements to FPL in the past. The Planning and Research Section of the Park and Recreation Department (MDPR) will process the easement document for execution once the installation of facilities has been verified.

Background

MDPR is developing the Bill Bird Marina at Haulover Park with new facilities that will require electric transformers to reduce the voltage from the nearest power line. FPL has agreed to provide these facilities in exchange for an easement to allow access to install and maintain them.
