MEMORANDUM

MIAMI-DADE COUNTY

Date: January 22, 2009

To: Honorable Chairman Dennis C. Moss and Members, Board of County Commissioners

Agenda Item No. 8(P)(1)(K)

From: George M. Burgess, County Manager

Subject: Contract Award Recommendation in the Amount of $10,007,270.12 between Acosta Tractors, Inc. and Miami-Dade County for the People's Transportation Plan (PTP) Project Entitled Roadway Improvements along SW 157 Avenue, from SW 136 Street to SW 120 Street and along SW 136 Street, from the new SW 157 Avenue to SW 152 Avenue, Located Within Commission District 11 (Project No: 20070626 PTP; Contract No: 20070626)

Recommendation

This Recommendation to Award Construction Contract No. 20070626 has been prepared by the Public Works Department (PWD), in conjunction with the Water and Sewer Department (WASD) and is recommended for approval. Proceeds from the Charter County Transit System Sales Surtax (the Surtax) will be used to fund the PWD portion of this project, therefore, approval by the Board of County Commissioners (BCC) and the Citizens' Independent Transportation Trust (CITT) is required. This project is specifically listed in the Stimulus Plan.

Delegation of Authority - The authority of the County Mayor or County Mayor's designee to execute and implement this contract is consistent with those authorities granted under the Code of Miami-Dade County. No additional authority has been sought within the body of this contract.

Scope

PROJECT NAME: PTP Roadway Improvements along SW 157 Avenue, from SW 136 Street to SW 120 Street and along SW 136 Street, from the new SW 157 Avenue to SW 152 Avenue

PROJECT NO: 20070626 PTP ESP

CONTRACT NO: 20070626

PROJECT DESCRIPTION: The work under this contract consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment and tools to perform all operations necessary for the construction of a new four (4) lane roadway along SW 157 Avenue, from SW 136 Street to SW 120 Street and improvements along SW 136 Street, from the new SW 157 Avenue to SW 152 Avenue (Additive #1). Work consists of new sidewalks, curb and gutters, median, stormwater drainage, new signage, pavement markings, signalization and roadway lighting.

The project also includes the construction of a new 36-inch sewer force main along SW 157 Avenue, from SW 136 Street to SW 120 Street; and along SW 136 Street, from the new SW 157 Avenue to the existing SW 157 Avenue as part of the overall wastewater master plan to continue the connection north of SW 112 Street.

PROJECT LOCATION: SW 157 Avenue, from SW 136 Street to SW 120 Street and along SW 136 Street, from the new SW 157 Avenue to SW 152 Avenue

PROJECT SITES:

LOCATION	DIST	ESTIMATE	T-S-R

PRIMARY COMMISSION DISTRICT: District 11 Joe A. Martinez

APPROVAL PATH: Board of County Commissioners Economic Stimulus Plan

USING DEPARTMENT: Public Works Department and Water & Sewer Department

MANAGING DEPARTMENT: Public Works Department

Fiscal Impact / Funding Source

OPERATIONS COST IMPACT/FUNDING: The estimated annual operations cost is approximately $8,998.00 to be funded from the Maintenance of Roads & Bridges, Budget Project No. 6031221 and the Street Lighting Maintenance, Budget Project No. 6031231. The estimated annual maintenance cost for WASD is approximately $10,000.00. The total annual operations cost will be $18,998.00.

MAINTENANCE COST IMPACT/FUNDING: The estimated annual maintenance cost for PWD is approximately $21,853.88 to be funded from the Maintenance of Roads & Bridges, Budget Project No. 6031221 and the Street Lighting Maintenance, Budget Project No. 6031231. The estimated annual maintenance cost for WASD is approximately $297.00. The total annual maintenance cost will be $22,150.88.

LIFE EXPECTANCY OF ASSET: The life expectancy is approximately 30 years for the roadway portion of the project and between 40 to 50 years on the sewer force main.

FUNDING SOURCES:

SOURCE	AMOUNT
Wastewater Connection Charges and WASD Revenue Bonds	$2,614,956.20
PTP revenues, including but not limited to the Charter County Transit System Sales Surtax, financing proceeds as listed in Ordinance No. 02-116, provision for implementation of the PTP. This contract, like all PTP contracts, will not be awarded without approval of the Citizens' Independent Transportation Trust (CITT).	$7,392,313.92

The proposed improvements qualify under the allowable work categories included in the PTP Major Highway and Roadway Improvements Section. This project is listed in Exhibit 1 of the PTP Ordinance under the Board Requested Projects in Commission District 11. Any other applicable funding source except General Obligation Bond (GOB) as noted below, may subsidize this contract subject to Board approval.

Total Funding: $10,007,270.12

Track Record / Monitor

SBD HISTORY OF VIOLATIONS:	Yes- Report Attached.	No open violations on file, however, there are two (2) closed violations with an outstanding make-up amount of $43,913.28. As per SBD the contractor has submitted a make-up plan for such amount and the plan was approved by SBD.

EXPLANATION: This contract contains some optional bid items (Additive #1) for the construction of the segment of the roadway illustrated on the plans for SW 136 Street, from the new SW 157 Avenue to SW 152 Avenue. Construction of this segment, or part thereof, is at the option of the County and shall be pursuant to written authorization from the County.

The project's RTA for $11,420,956.27, which is inclusive of the contingencies, allowances and WASD portion, was approved on February 8, 2008. However, after approval of the RTA the project's cost estimate increased due to the addition of the aforementioned additive items for the PWD portion of the work. Consequently, the project's base estimate increased from $10,067,372.00 to $11,994,355.33; with the total estimated cost increasing from $11,420,956.27 to $13,579,177.69.

On May 21, 2008, 14 engineering contractor firms proffered bids for the referenced project. The three (3) lowest responsive, responsible bids were as follows: the lowest bidder, Acosta Tractors, Inc., proffered a base bid of $8,776,358.08, 26% below the County's cost estimate; the second lowest bidder, Downrite Engineering Corp., proffered a base bid of $8,857,948.00, 1% over the lowest bidder; the third lowest bidder, H & R Paving, Inc. proffered a base bid of $9,557,363.90, 8% over the second lowest bidder.

Due to the slowing economy, contractors have been providing increasingly competitive prices. For this reason, the bidders' participation for this contract provided lower prices as compared to the Engineer's cost estimate.

Therefore, PWD recommends that Acosta Tractors, Inc., the lowest responsive, responsible bidder, be awarded the subject contract for the sum of $10,007,270.12 which is inclusive of Additive #1.

The contractor, Acosta Tractors, Inc. is currently performing work for PWD at a satisfactory level as reported by the Project Manager. PWD has reviewed the Office of Capital Improvements (OCI) database and found six (6) awarded contracts. Two (2) contracts from each of the following Departments: PWD, the Department of Environmental Resource Management (DERM) and WASD. The referenced database also lists five (5) contractor performance evaluations with an overall performance rating of satisfactory (3.6) out of a possible superior performance (4) rating. The evaluation for the remaining PWD project has not been submitted since the project is in the preliminary stage.

	Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. Throughout all PTP projects, the responsible staff person for PWD will be the PTP Coordinator, Mr. Frank Aira, P.E. Following completion of the award process, the project will be assigned to Mr. Juan Paan, P.E., for day to day responsibilities.

Background

BACKGROUND: This project is listed in Exhibit 1 of the PTP Ordinance under the Board Requested Projects in Commission District 11. This project is necessary to construct and improve roads, install a sewer force main and appurtenances along the proposed roads. The coordination of departmental projects will minimize the impact to the public and provide the most cost effective means to accomplish the described work. A Memorandum of Agreement (MOA) between WASD and PWD detailing the scopes of work and the responsibilities for each department was approved and attached herein for reference.

RESOLUTION NO _____

RESOLUTION APPROVING A CONTRACT AWARD RECOMMENDATION IN THE AMOUNT OF $10,007,270.12 BETWEEN ACOSTA TRACTORS, INC. AND MIAMI-DADE COUNTY FOR THE PEOPLE'S TRANSPORTATION PLAN (PTP) PROJECT ENTITLED ROADWAY IMPROVEMENTS ALONG SW 157 AVENUE, FROM SW 136 STREET TO SW 120 STREET AND ALONG SW 136 STREET, FROM THE NEW SW 157 AVENUE TO SW 152 AVENUE, LOCATED WITHIN COMMISSION DISTRICT 11 (PROJECT NO. 20070626)

WHEREAS, this Board desires to accomplish the purposes outlined in the accompanying memorandum, a copy of which is incorporated herein by reference,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board approves the Contract Award Recommendation in the amount of $10,007,270.12 between Acosta Tractors, Inc. and Miami-Dade County for the People's Transportation Plan (PTP) Project Entitled Roadway Improvements along SW 157 Avenue, from SW 136 Street to SW 120 Street and along SW 136 Street, from the new SW 157 Avenue to SW 152 Avenue, located within Commission District 11 (Project No. 20070626) in substantially the form attached hereto and made a part hereof.

The foregoing resolution was offered by Commissioner , who moved its adoption. The motion was seconded by Commissioner and upon being put to a vote, the vote was as follows:

Dennis C. Moss, Chairman
Jose "Pepe" Diaz, Vice-Chairman

Bruno A. Barreiro	Audrey M. Edmonson
Carlos A. Gimenez	Sally A. Heyman
Barbara J. Jordan	Joe A. Martinez
Dorrin D. Rolle	Natacha Seijas
Katy Sorenson	Rebeca Sosa
Sen. Javier D. Souto	

The Chairperson thereupon declared the resolution duly passed and adopted this 22nd day of January, 2009. This resolution shall become effective as follows: (1) ten (10) days after the date of its adoption unless vetoed by the Mayor, and if vetoed, shall become effective only upon an override by this Board, and (2) either i) the Citizens' Independent Transportation Trust (CITT) has approved same, or ii) in response to the CITT's disapproval, the County Commission re-affirms its award by two-thirds (2/3) vote of the Commission's membership and such reaffirmation becomes final.

Re: Bid Extension Letter
Project No. 20070626 – People's Transportation Plan (PTP)
Roadway Improvements along S.W. 157th Avenue, from
S.W. 136th Street to S.W. 120th Street

Dear Mr. Acosta:

The Public Works Department (PWD) is in the final stages of the Recommendation on the referenced project. However, we require additional time to finalize our process. Therefore, PWD requests your firm, if wishing to remain in consideration for the award of this contract, extend the bid prices an additional fifty (50) calendar days honoring the unit prices and other terms and conditions as originally submitted on May 23, 2008 for the referenced project.

Please acknowledge your concurrence by signing in the space provided below no later than December 8, 2008. Should your concurrence not be received by the stated deadline, it will be an affirmation that your firm does not wish to be considered for award. Should you have any questions call me at 305-375-2930.

Sincerely,

Frank Aira, P.E., CFM
Manager, PWD

By committing your signature below, your firm hereby extends the unit prices an additional 50 calendar days from January 12, 2009 to March 3, 2009, and hereby commits to furnish a revised bid bond in 14 calendar days from the date this letter is returned.

Delivered to: **Public Works Department, Contracts and Specifications Section 15th Floor, or Facsimile (305) 375-2931,** followed by original document, Attn: **Frank Aira.**

Memorandum

Date: July 10, 2008

To: Esther Calas, P.E., Director
Public Works Department

From: Penelope Townsley, Director
Department of Small Business Development

Subject: CSBE Compliance Review of Project Number 20070626, SW 157 Avenue From SW 136 Street to SW 120 Street

---

The Department of Small Business Development (SBD) has completed its review of the referenced project for compliance with the Community Small Business Enterprise (CSBE) Program. The contract measure applicable to this project is a 15% CSBE subcontractor goal.

The Contracts & Specifications Section of the Public Works Department submitted bid documents from Acosta Tractors, Inc. (Acosta), Downrite Engineering Corp. (Downrite), and H & R Paving, Inc. (H & R) for compliance review.

Acosta submitted the required Schedule of Intent (SOI) Affidavits committing to utilize Construct Group Corp., a certified CSBE firm, to perform concrete, sidewalk, and curb work at 13.13%, All Quality Electrical Services, Inc., a certified CSBE firm, to perform electrical/signalization work at 4.01%, and J & M Parking Lot Maintenance, Inc., a certified CSBE firm, to perform paving marking and signage at 0.85%. Each subcontractor signed its respective SOI Affidavit in agreement with the information listed. Acosta has fulfilled the contract measure requirement and is in compliance with the CSBE Participation Provisions. Acosta has a goal deficit make-up in the amount of $43,913.28 from Project No. ML 044533075. A goal deficit make-up plan has been submitted and approved. Please note the aforementioned does not impact the firm's pre-award compliance on this project.

Downrite submitted the required SOI Affidavits committing to utilize Magesco, Inc., a certified CSBE firm, to perform traffic signal, roadway lighting electrical service work at 15% and Berlo Industry, Inc., a certified CSBE firm, to perform pavement marking and signage work at 0.8%. Each subcontractor signed its respective SOI Affidavit in agreement with the information listed. Downrite has fulfilled the contract measure requirement and is in compliance with the CSBE Participation Provisions.

H & R Paving, Inc. submitted the required SOI Affidavit committing to utilize CEB Construction, a certified CSBE firm, to perform drainage work, site work, and restoration work at 15%. CEB Construction, Inc. signed the SOI Affidavit in agreement with the information listed. H & R has fulfilled the contract measure requirement and is in compliance with the CSBE Participation Provisions. H & R has a goal deficit make-up in the amount of $24,562.00 from Project No. RM-6-01/03, $131,487.00 from Project No. 20030256 (651007), and $64,933.00 from Project No. 20030249. A goal deficit make-up plan has been submitted and approved. Please note the aforementioned does not impact the firm's pre-award compliance on this project.

SBD staff only reviewed and addressed compliance with the CSBE program. The Contracts & Specifications Section of the Public Works Department is responsible for any other issues that may exist. Should you have any questions or need any additional information, please do not hesitate to call Kelly Duncombe at (305) 375-3136.

NOTE FOR PIPE CUVERT:

BIDDER AGREES TO SUPPLY THE PIPE MATERIAL INDICATED BELOW THAT MEETS MIAMI-DADE COUNTY AND FDOT SPECIFICATIONS FOR THE ABOVE REFERENCED ITEM NUMBERS.

PIPE MATERIAL-SELECT ONE (FILL IN SELECTION WITH AN X)

( ) REINFORCED CONCRETE PIPE
( ) CORRUGATED ALUMINUM PIPE
(X) CORRUGATED ALUMINIZED STEEL PIPE

443-70-6E	7,240.0000	L.F.	FRENCH DRAIN (36" Diameter) (includes the cost of perforated pipe, ballast rock, excavation, plastic filter fabric and back filling with selected fill material)	Seven Thousand Two Hundred Fourty	$167.00	$1,209,080.00

NOTE FOR PERFORATED PIPE (FRENCH DRAIN):

BIDDER AGREES TO SUPPLY THE PIPE MATERIAL INDICATED BELOW THAT MEETS MDC AND FDOT SPECIFICATIONS FOR THE ABOVE REFERENCED ITEM NUMBER.

THE WORK SHALL INCLUDE TRENCH EXCAVATION, INSTALLATION OF PIPE, CONNECTING BANDS, FILTER BLANKET AND BALLAST ROCK ETC. THE SELECTED PERFORATED PIPE MUST MEET ALL MDC AND FDOT SPECIFICATIONS:

PERFORATED PIPE MATERIAL- SELECT ONE:
(1) SLOTTED CONCRETE **(2) CORRUGATED BITUMEN COATED GALVANIZED STEEL** **(3) CORRUGATED ALUMINUM**

515-1-2A	1,592.0000	L.F.	PIPE HANDRAIL - GUIDERAIL (Aluminum)	One Thousand Five Hundred Ninety Two	$6.00	$9,552.00

MEMORANDUM

MIAMI-DADE COUNTY

183311

2008 FEB -8 AM 11:47

CLERK OF THE BOARD
MIAMI-DADE COUNTY, FLA.

CLERK OF COURTS
MIAMI-DADE COUNTY, FLA.

Date: 1/15/2008

To: George M. Burgess
County Manager

From: Esther L. Calas, P.E.
Director
Public Works Department

Attn: Johnny Martinez, P.E.
Office of Capital Improvements

Subject: Request to Advertise for People's Transportation Plan (PTP) Roadway Improvements Along SW 157 Avenue, from SW 136 Street to SW 120 Street - Project No: 20070626 PTP; Contract No: 20070626

Recommendation

This Request to Advertise for Construction Contract No. 20070626 has been prepared by the Public Works Department (PWD) on behalf of the Water and Sewer Department (WASD) and is recommended for approval pursuant to Section 2-8.1 of the Code of Miami-Dade County.

Scope

PROJECT NAME: PTP Roadway Improvements along SW 157 Avenue, from SW 136 Street to SW 120 Street

PROJECT NO: 20070626 PTP

CONTRACT NO: 20070626

PROJECT DESCRIPTION: The work under this contract consist of, but is not limited to, furnishing all supervision, labor, required materials, equipment and tools to perform all operations necessary for the construction of a new four (4) lane roadway along SW 157 Avenue, from SW 136 Street to SW 120 Street and along SW 136 Street, from the new SW 157 Avenue to the existing SW 157 Avenue. Work consists of new sidewalks, curb and gutters, median, storm water drainage, new signage, pavement markings, signalization and roadway lighting. The project also includes the construction of a new 36" force main along SW 157 Avenue, from SW 136 Street to SW 120 Street; and along SW 136 Street, from the new SW 157 Avenue to the existing SW 157 Avenue as part of the overall wastewater master plan to complete a connection north of SW 112 Street.

Memorandum of Agreement Between Public Works and Water and Sewer Departments of Miami-Dade County for Road and Sewer Utility Improvements Along SW 157th Avenue between SW 136th and SW 120th Streets

The execution of this Memorandum of Agreement represents the desire between Miami-Dade County Public Works Department (PWD) and Miami-Dade Water and Sewer Department (WASD) to enter into a joint project agreement to construct roads, install a sewer force main and appurtenances along the proposed road "SW 157th Avenue from SW 136th Street to SW 120th Street (sta. 100+00 to sta. 160+00) and SW 136th Street from the new SW 157th Avenue to the existing SW 157th Avenue (from sta. 202+00 to sta. 215+17.35).

This Memorandum of Agreement, when approved and accepted by the directors of the departments, shall set forth the terms and conditions under which said road improvements, sewer force main design, installations and construction be administered, performed, paid and executed, as follows:

1. PWD has a road development project scheduled for the area along SW 157th Avenue from SW 136th Street to SW 120th Street and SW 136th Street from the new SW 157th Avenue to the existing SW 157th Avenue within the People's Transportation Plan. PWD is in charge of developing the construction documents for proposed road relocation of SW 157th Avenue from SW 136th Street to SW 120th Street (from sta. 100+00 to sta. 160+00) and the proposed SW 136th Street from the new SW 157th Avenue to existing SW 157th Avenue (from sta. 202+00 to 215+17.35). WASD is in charge of developing the construction documents for a proposed 36-inch sewer force main installation along the new SW 157th Avenue from SW 136th Street to SW 120th Street (from sta. 100+00 to sta. 160+00) and along SW 136th Street from the new SW 157th Avenue to the existing SW 157th Avenue (from sta. 202+00 to sta. 215+17.35) as part of the overall wastewater master plan to complete a connection north of SW 112th Street.

2. PWD will perform final constructability reviews of the PWD proposed road and the WASD design documents for the sewer force main installation. WASD will also review the design documents for the road development project. Conflicts will be discussed and modifications made to accommodate the work of both departments. WASD design documents will be jointly incorporated into the official PWD construction contract documents.

3. WASD will provide PWD with the Bid Plans, Technical Specifications and Special Provisions for the sewer force main. These specifications and provisions shall be incorporated into the County construction contract documents and enforced by the PWD project manager and WASD project manager.

4. PWD will administer the project from bid notification to contract completion. WASD will review its respective utility related bid tabulation items to determine the equitability and acceptance of the bid as it relates to the utility installation within the PWD time requirements. PWD will conduct and administer a Mandatory Pre-Bid meeting for all

86

contractors who are interested in submitting bids. WASD shall provide an Engineer of Record for the utility portion of the project for consultation on any technical changes.

5. The bid form will be divided into two sections, grouped by WASD bid items and PWD bid items. Bid items that affect all work segments will be identified and allocated by mutual agreement in writing and approved by both Department Directors.

6. In the event the lowest bidder's cost for the utility installation portion of the project is substantially higher than the budgeted utility cost, and WASD decides not to proceed with the utility installation, the PWD roadway project shall continue independently and without interruption.

7. PWD will administer the entire construction phase of the project. WASD will provide an on site project manager and/or inspector to oversee the utility installations and ensure the utility installations are performed in accordance with WASD specifications and standards, which include but is not limited to; installation, pressure testing and certification of the sewer facilities. PWD's Engineer of Record will provide certification of the sewer force main installation, as it may be required by WASD. It is understood that the entire project will be managed in such a manner that it will not be a detriment to each department's portion of contract work and with the County's best interest in mind at all times.

8. WASD shall have the right to review and approve any design deviations, requests for information and other technical issues prior to any field changes for its respective utility installation portions of the project. WASD will provide extra funding to cover any design deviations for its respective utility installation portion and time approval of deviations, limited to the monetary contractual provisions of the PWD construction contract.

9. WASD will require that the installed sewer utility lines be tested in accordance with the prescribed WASD specifications before any additional installation is continued. This requirement will be in the sewer utility specifications that will be provided to PWD to be incorporated in the County construction contract documents and sequence of construction.

10. WASD will participate in the approval of all utility installation related bid items that are submitted on the progress payment request. PWD and WASD will address, process and approve any time extensions, additional work, claims or change orders which arise within the scope of this project. PWD shall consult WASD in all additional work, claims or change orders related to the utility installations prior to agreeing to any such additional work, claims or change orders. PWD shall incorporate WASD in its written approval process as it relates to time extensions, extra work, claims or change orders generated by its respective utility installations. WASD will actively participate and comply with the entire PWD approval process, requirements and procedures.

11. The PWD construction contractor shall provide complete and certified as-builts to WASD in the prescribed manner as required in the WASD Technical Specifications. PWD shall not release any payment, including the final payment that will prejudice the preparation of the as-builts until WASD has approved and accepted the as-builts.

12. Funding responsibilities are as follows:

- PWD will be responsible for funding design and construction of the proposed SW 157th Avenue from SW 136th Street to SW 120th Street (sta. 100+00 to sta. 160+00) and SW 136th Street from the new SW 157th Avenue to the existing SW 157th Avenue (from sta. 202+00 to sta. 215+17.35) attributable to the People's Transportation Plan as funding source, BCC Resolution R-334-06.
- WASD will be responsible for the funding of the design and construction of the proposed 36" sewer force main along the new SW 157th Avenue from SW 136th Street to SW 120th Street (sta. 100+00 to 160+00) and along SW 136th Street from the new SW 157th Avenue to the existing SW 157th Avenue (from sta. 202+00 to sta.215+17.35).

13. WASD will transmit the funding of its respective utility installations to PWD upon the issuance of the Recommendation of Award to the successful bidder. Upon completion and acceptance of construction, any remaining monies allocated for the WASD portion of the project shall be returned to the respective Department.

14. All issues that arise while executing this project will be resolved with the County's best interest in mind.

Agreed and Accepted by:

John W. Renfrow, P.E. MDWASD Director — Date: 4-27-07

Esther Calas, P.E. MDPWD Director — Date: 5-29-07

BID TABULATION REPORT
July 17, 2008 3:38 PM

Project Name: SW 157 Avenue from SW 136 Street to SW 120 Street

Project No: 20070626

Bid Open Date: 05/21/2008

Name: H&R PAVING INC.

Address: 1955 NW 110 AVE.

City/ST/Zip: MIAMI, FL 33172

Item No	Description	Unit	Quantity			
1A	For furnish and delivery to the Department 36-inch ductile iron pipe and fittings for sewage force main.	L.F.	7,260.00	171.00	1,241,460.00	1,241,460.00
2A	For installing 36-inch ductile iron pipe and fittings for sewage force main.	L.F.	7,260.00	60.75	441,045.00	441,045.00
3A	For furnish and delivery to the Department 36-inch plug valves (No substitution with resilient seated gate valves allowed).	EA.	6.00	83,500.00	501,000.00	501,000.00
4A	For installing 36-inch plug valve complete with valve box and riser pipe.	EA.	6.00	7,000.00	42,000.00	42,000.00
5A	For making a cut-in connection to the existing 36-inch ductile iron force main at Sta. 215+57 approx. including cutting and removing pipe length and furnishing and installing cross and short pipe lengths.	L.S.	1.00	40,000.00	40,000.00	40,000.00
6A	For making connection to the existing 36-inch ductile iron force main at Sta. 157+86 approx.	L.S.	1.00	10,000.00	10,000.00	10,000.00
7A	For constructing Air Release Valve Assemblies (ARV's) at the locations shown on the Plans.	EA.	5.00	7,500.00	37,500.00	37,500.00
8A	For trench overcut in 1-foot depth increments.	L.F.	1,200.00	2.00	2,400.00	2,400.00
9A	For furnishing and installing polyethylene encasement for any size D.I. pipe, fitting or valve, If ordered by the Engineer.	L.F.	7,260.00	2.00	14,520.00	14,520.00
