

Memorandum

Date: March 3, 2009

To: Honorable Chairman Dennis C. Moss
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Miami Sunshine Transfer & Tours, Corp. application for a transfer of Passenger
Motor Carrier Certificate of Transportation No. 228

Agenda Item No. 8(C)(1)(A)

RECOMMENDATION

It is recommended that the Board approve the transfer of Passenger Motor Carrier (PMC) Certificate of Transportation No. 228 from Ideal Transportation, Inc. to Miami Sunshine Transfer & Tours, Corp.

SCOPE

This PMC Certificate of Transportation is countywide, allowing the license holder to operate in unincorporated and incorporated areas of Miami-Dade County.

FISCAL IMPACT/FUNDING SOURCE

There is no fiscal impact to the County.

TRACK RECORD/MONITOR

Applicant is a new service provider. The Consumer Services Department will be responsible for monitoring this company. There has been no enforcement history within the last five years.

BACKGROUND

On February 17, 1981, the Board of County Commissioners adopted Ordinance 81-17, subsequently amended by Ordinance 85-20 on April 16, 1985, which regulates the passenger motor carrier industry in Miami-Dade County under Chapter 31 of the Code of Miami-Dade County.

Section 31-103 (m) of the Code provides the procedures to be followed by Miami-Dade County in processing transfer applications. No certificate may be sold, assigned or transferred to another until the proposed sale, assignment, or transfer has been approved by the Board. In considering the proposed transfer of ownership or control of the certificate, the Board shall determine whether or not said transfer is contrary to the public interest, upon evidence submitted at the February 13, 2009 Government Operations Committee meeting (Attachment A). The Board may approve or refuse to approve said transfer upon such terms and conditions or may reasonably alter, restrict or modify the terms and provisions of such transfer if in the public's interest.

Ideal Transportation, Inc. has filed an application to transfer PMC Certificate of Transportation No. 228 to Miami Sunshine Transfer & Tours, Corp. Originally issued on February 4, 1997 via Resolution R-126-97 (Attachment B), PMC No. 228 authorizes Special Operations Service. This class of service is defined as transportation of persons in a motor vehicle to a common destination or series of common destinations where the person may be charged as an individual or as part of a group, including but not limited to charter, sightseeing, or subscription service, not between fixed terminals or on a regular route.

The company is required to adhere to the terms of the resolution, which approved the initial certificate (R-126-97, attached). Miami Sunshine Transfer & Tours, Corp. seeks to continue transporting resident and tourist groups to and from various locations throughout Miami-Dade County.

Miami Sunshine Transfer & Tours, Corp. located at 3267 NW 70 Terrace, Miami, Florida 33018, seeks to continue providing this class of service by transporting resident and tourist groups to and from various locations throughout Miami-Dade County 24-hours a day, seven days a week. Transportation is required to be pre-arranged at least 24-hours prior to service, using chauffeur driven vehicles with a seating capacity of nine or more, but less than 28 passengers, excluding the driver. The company is required to adhere to the terms of the resolution which approved the initial certificate in 1997. The proposed rates are listed on the rate schedule (Attachment C).

The management plan submitted by Hector Gonzalez, President of Miami Sunshine Transfer & Tours, Corp., includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards adequately meet passenger transportation and comfort needs. A background investigation reveals no criminal conviction for the applicant or any corporate officers within five years of the date of the application.

As required by the Code, the applicant has provided disclosure of the terms and conditions regarding the transfer of the certificate. A Sales Agreement (Attachment D) between Manuel Calzadilla, President of Ideal Transportation, Inc., and Hector Gonzalez, President of Miami Sunshine Transfer & Tour, Corp., establishes the acquisition by Hector Gonzalez of PMC Certificate of Transportation No. 228 for a total price of \$2.00.

RECOMMENDATION

It is recommended that the Board approve the transfer of Passenger Motor Carrier Certificate of Transportation No. 228 from F & A International, Inc. to Ideal Transportation, Inc.

BACKGROUND

On February 17, 1981, the Board of County Commissioners adopted Ordinance 81-17, subsequently amended by Ordinance 85-20 on April 16, 1985, which regulates the passenger motor carrier industry in Dade County under Chapter 31 of the Code of Miami-Dade County.

No certificate may be sold, assigned or transferred to another until the proposed sale, assignment, or transfer has been approved by the County Commission. The Commission, in considering the proposed transfer of ownership or control of the certificate shall determine, upon evidence submitted by the parties or any other party or person affected by the proposed transfer, whether or not said transfer is contrary to the public interest. The Commission may approve said transfer or refuse to approve said transfer upon such terms and conditions or may reasonably alter, restrict or modify the terms and provisions of such transfer where the same may best serve the public interest.

ANALYSIS

F & A International, Inc. has filed an application to transfer Passenger Motor Carrier (PMC) Certificate of Transportation No. 228 to Ideal Transportation, Inc. The Code requires that such transfers be approved by the Board. PMC No. 228, originally issued on February 4, 1997, authorizes PMC special operations service. Ideal Transportation, Inc., located at 3267 West 70 Terrace, Hialeah, Florida, 33018, seeks to continue providing this class of service.

The company is required to adhere to the terms of the resolution which approved the initial certificate (R-126-97, attached). Ideal Transportation, Inc. will continue transporting tourist and resident groups to and from various locations throughout Miami-Dade County.

Transportation will be pre-arranged on a 24 hours minimum basis. These services will be provided 24 hours a day, seven days a week, using chauffeur driven vehicles with a seating capacity of nine or more, but less than 28 passengers, excluding the driver. The proposed rates are listed on the attached rate schedule.

The management plan submitted by Manuel Calzadilla, President of Ideal Transportation, Inc., includes maintenance, communication, and record keeping systems and meets the requirements of the Code. All required financial statements and credit references have been submitted and the proposed service standards adequately meet passenger transportation and comfort needs. A background investigation reveals no criminal conviction for the applicant or any corporate officers within five years of the date of the application.

As required by the Code, the applicant has provided disclosure of the terms and conditions regarding transfer of the certificate. A Sales Agreement between Ideal Transportation, Inc. and F & A International, Inc., establishes the acquisition by Ideal Transportation, Inc. of PMC Certificate of Transportation No. 228 for a total price of ten thousand dollars (\$10,000.00).

In accordance with Section 31-103(e) of the Code, a 20-day notice of application was provided to all affected municipalities within Miami-Dade County, all passenger motor carrier certificate holders and interested parties. No protests were filed.
