Subject: Sunset Review of County Boards for 2009 – Living Wage Commission

Pursuant to Section 2-11.40 of the Miami-Dade County, I am submitting the 2009 Sunset Review of County Boards Report for the Living Wage Commission for transmittal to the Board of County Commissioners. The Living Wage Commission approved the attached report at its meeting of December 11, 2008.

It is respectfully recommended that the Board of County Commissioners approve the continuation of the Living Wage Commission.

BACKGROUND

The Living Wage Commission was established on May 11, 1999 by the Board of County Commissioners through the adoption Ordinance No. 99-44. The purpose of the Living Wage Commission is to review the effectiveness of the Living Wage Ordinance, review certifications submitted by covered employers to the County, and to make recommendations to the Mayor and the County Commission regarding matters relating to the Living Wage Ordinance.

The Living Wage Commission has consistently reviewed the effectiveness of the ordinance and made recommendations to the Mayor and the County Commission with a goal of enhancing effectiveness of the ordinance. In pursuit of this goal the Living Wage Commission has reviewed reports developed by departments charged with enforcement of the ordinance and made recommendations to the staff for procedural changes making the reports more comprehensive and enforcement more effective. Recommendations by the Living Wage Commission to the Board of County Commissioners have led to the adoption of amendments to the ordinance better defining health insurance requirements; revising and making progressive, penalty provisions for violators of the ordinance; and expanding the scope of the ordinance to include "in-warehouse cargo handlers." Recommendations from the Living Wage Commission led to a study of the effects of the Living Wage Ordinance on the Miami-Dade community. The study, commissioned by Commissioner Seijas, and conducted by professors at Florida International University, confirmed the beneficial effects on the community. Since its establishment, the Living Wage Commission has provided the public with confidence that affected employees' right to a living wage under the ordinance will be preserved and protected. In summary, the LWC has performed an essential role as a conduit between the business community; the affected employees; the public; the Department of Small Business Development staff; the Jackson Health Trust staff; and the Board of County Commissioners.

REPORT: In response to Commissioner Carey-Shuler's inquiry, the Assistant County Attorney advised that State and Federal Agencies that provided services to the county would not be required to comply with the provisions of the foregoing ordinance unless the agency was responding to an RFP for one of the services specified within the ordinance. Commissioner Diaz de la Portilla spoke in support of the foregoing ordinance and addressed concerns raised regarding the impact implementation of the foregoing ordinance would have on the county's budget. He stated the county's budget would best benefit from improvement of oversight, ensuring that the bid process was truly competitive and exposing and correcting fraud, mismanagement and corruption. Commissioner Moss requested the county investigate using any additional resources available for the purpose of hiring the unemployed in the community.

TITLE

ORDINANCE CREATING SECTION 2-8.9 OF THE CODE OF MIAMI-DADE COUNTY, FLORIDA ESTABLISHING A LIVING WAGE REQUIREMENT FOR COUNTY SERVICE CONTRACTS AND FOR COUNTY EMPLOYEES; PROVIDING SEVERABILITY, INCLUSION IN THE CODE, AND AN EFFECTIVE DATE

BODY

WHEREAS, the County awards private firms contracts to provide services for the public. The County also provides financial assistance to promote economic development and job growth. Such expenditures of public money also serve the public purpose by creating jobs, expanding the County's economic base, and promoting economic security for all citizens;
 WHEREAS, such public expenditure should be spent only with deliberate purpose to promote the creation of full-time, permanent jobs that allow citizens to support themselves and their families with dignity. Sub-poverty level wages do not serve the public purpose. Such wages instead place an undue burden on taxpayers and the community to subsidize employers paying inadequate wages by providing their employees social services such as health care, housing, nutrition, and energy assistance. The County has a responsibility when spending public funds to set a community standard that permits full-time workers to live above the poverty line. Therefore, contractors and subcontractors of County service contracts should pay their employees nothing less than the living wage herein described; and
 WHEREAS, in addition to requiring living wages for County services provided by private firms, the County wishes to serve as an example by providing a living wage to County employees to be determined consistent with budgetary, pay plan and bargaining unit considerations.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA:

Section 1. Section 2-8.9 of the Code of Miami-Dade County, Florida, is hereby created as follows:
 Sec. 2-8.9. Living Wage Ordinance For County Service Contracts and County Employees.

- (D) "Covered Employer" means any and all Service Contractors and subcontractors of Service Contractors.
- (E) "Service Contractor" is any individual, business entity, corporation (whether for profit or not for profit), partnership, limited liability company, joint venture, or similar business that is conducting business in Miami-Dade County or any immediately adjoining county and meets the following criteria:
- (1) the Service Contractor is paid in whole or part from one or more of the County's general fund, capital project funds, special revenue funds, or any other funds either directly or indirectly, whether by competitive bid process, informal bids, requests for proposals, some form of solicitation, negotiation, or agreement, or any other decision to enter into a contract;
 - (2) the Service Contractor is engaged in the business of, or part of, a contract to provide, a subcontractor to provide, or similarly situated to provide, Covered Services, either directly or indirectly for the benefit of the County. - (F) "Covered Services" are the type of services purchased by the County that are subject to the requirements of the Living Wage Ordinance which are one of the following:
- (1) County Service Contracts
Such Covered Services are contracts involving the County's expenditure of over \$100,000 per year for the following types of services:
 - (i) food preparation and/or distribution;

LIVING WAGE

(A) Living Wage paid.

(1) Service Contractors.

All Service Contractors as defined by this Chapter, including MIA General Aeronautical Service Permittees (subject to restrictions if any applicable to such permit), performing Covered Services with Miami-Dade County shall pay to all of its employees providing Covered Services, a Living Wage of no less than \$8.56 per hour with health benefits as described in this section, or otherwise \$9.81 per hour.

(2) County Employees

For County employees under the County pay plan, the County will begin to pay a living wage consistent with the goals of this Ordinance on a phase-in basis beginning in the 2000-2001 County budget year increasing on an annual basis incrementally so that the Living Wage is fully implemented for County employees in the 2002-2003 County budget year as adjusted for inflation pursuant to subsection (C) below. Thereafter, the Living Wage to be paid by the County to its employees shall not be subject to the annual indexing required under subsection (C) below and instead is subject to negotiation within the collective bargaining structure.

(B) Health Benefits. For a Covered Employer or the County to comply with the Living Wage provision by choosing to pay the lower wage scale available when a Covered Employer also provides Health Benefits, such Health Benefits shall consist of payment of at least \$1.25 per hour towards the provision of health care benefits for employees and their dependents. If the health benefit plan of a Covered Employer or the County requires an initial period of employment for a new employee to be eligible for Health Benefits (eligibility period) such Covered Employer or the County may qualify to pay the \$8.56 per hour wage scale during a new employee's initial eligibility period provided the new employee will be paid Health Benefits upon completion of the eligibility period. Proof of the provision of Health Benefits must be submitted to the awarding authority to qualify for the wage rate for employees with health benefits.

(C) Indexing. The Living Wage will be annually indexed to inflation as defined by the Consumer Price Index calculated by the U.S. Department of Commerce as applied to the County of Miami-Dade. The first indexing adjustment shall occur for the 2001-2002 County budget year using the Consumer Price Index figures provided for the calendar year ended December 31, 2000, and thereafter on an annual basis.

(D) Certification required before payment. Any and all contracts for Covered Services shall be void, and no funds may be released, unless prior to entering any agreement with the County for a service contract, the employer certifies to the Applicable Department that it will pay each of its employees no less than the living wage described in (A). A copy of this certificate must be made available to the public upon request. The certificate, at a minimum, must include the following:

- (2) the amount of the contract and the Applicable Department the contract will serve;
- (3) a brief description of the project or service provided;
- (4) a statement of the wage levels for all employees; and

- (5) a commitment to pay all employees a living wage, as defined by paragraph (A).

Every employee shall be paid not less than bi-weekly, and without subsequent deduction or rebate on any account (except as such payroll deductions as are directed or permitted by law or by a collective bargaining agreement). The employer shall pay employees wage rates in accordance with federal and all other applicable laws such as overtime and similar wage laws.
(F) Posting. A copy of the living wage rate shall be kept posted by the employer at the site of the work in a prominent place where it can easily be seen by the employees and shall be supplied to the employee within a reasonable time after a request to do so. In addition, Service Contractors shall forward a copy of the requirements of this Ordinance to any person submitting a bid for a subcontract on any Service Contract covered by this Chapter. Posting requirements will not be required where the employer prints the following statements on the front of the individual's first paycheck and every six months thereafter: "You are required by Miami-Dade County law to be paid at least [insert applicable rate under this Chapter] dollars an hour. If you are not paid this hourly rate, contact your supervisor or a lawyer." All notices will be printed in English, Spanish, and Creole.
(G) Collective Bargaining. Nothing in this Chapter shall be read to require or authorize any employer to reduce wages set by a collective bargaining agreement or as required under any prevailing wage law.

IMPLEMENTATION

- (A) Procurement Specifications. The Living Wage shall be required in the procurement specifications for all County service contracts for Covered Services on which bids or proposals shall be solicited on or after the effective date of this Ordinance. The procurement specifications for applicable contracts shall include a requirement that Service Contractors agree to produce all documents and records relating to payroll and compliance with this Ordinance upon request from the Applicable Department or as otherwise provided by the County Manager by Administrative Order.
(B) Information distributed. All requests for bids or requests for proposals for service contracts, whether advertised or informally solicited, shall include appropriate information about the requirements of this Ordinance.
(C) Maintenance of Payroll Records. Each Covered Employer shall maintain payrolls for all Covered Employees and basic records relating thereto and shall preserve them for a period of three (3) years. The records shall contain:

Upon request, the Covered Employer shall produce for inspection and copying its payroll records for any or all of its Covered Employees for the prior three (3) year period. It shall be the responsibility of the Applicable Department to examine all payrolls for compliance within sixty (60) days of receipt.
(E) Reporting employment activity. Every six (6) months, the Covered Employer will file with the Applicable Department reports of employment activities to be made publicly available, including:
(1) race and gender of employees hired and terminated; and
(2) zip code of employees hired and terminated; and
(3) wage rate of employees hired and terminated.

COMMISSION ON A LIVING WAGE, ESTABLISHMENT AND RESPONSIBILITY

- (A) Establishment. The County Commission shall establish a fifteen (15) person commission entitled the "Living Wage Commission" the purpose of which shall be to review the effectiveness of this Chapter, review certifications submitted by Covered Employers to the County, review complaints filed by employees and to make recommendations to the County Mayor and the County Commission regarding the above listed matters.
(B) Members. The Commission shall be composed of fifteen (15) members provided that no more than six (6) members are representatives of the business community or affected employer groups selected for a term of two (2) years in the following manner:
(1) Two (2) members of the commission shall be selected by the County Mayor; and
(2) One (1) member shall be selected by each of the County Commissioners.
(C) Meetings. The Living Wage Commission shall meet quarterly and in special session as required. All meetings of the Living Wage Commission shall be open to the public and will allow for public testimony on policies or conduct relating to this Chapter.
(D) Staff Support. The County Manager as more fully delineated by Administrative Order shall provide staff support for the compliance and enforcement of this Ordinance and as is necessary to support the activities of the Living Wage Commission.

COMPLIANCE AND ENFORCEMENT

- (A) Service Contractor to Cooperate. The Service Contractor shall permit County employees, agents, or representatives to observe work being performed at, in, or on the project or matter for which the Service Contractor has a contract. The County representatives may examine the books and records of the Service Contractor relating to employment and payroll to determine if the Service Contractor is in compliance with the provisions of this Chapter.
(B) Complaint Procedures and Sanctions. An employee who believes that this Chapter applies or applied to him or her and the Service Contractor is or was not complying with the requirements of this Chapter has a right to complain by filing a written complaint. The County Manager shall establish by Administrative Order the procedures and requirements for filing a complaint and for the processing and resolution of complaints under this Ordinance including the sanctions to be imposed for violations of this Ordinance. The County Manager shall also by Administrative Order establish a procedure applicable to complaints by County employees regarding non-compliance with this Ordinance.
(C) Private Right of Action Against Service Contractors. Any Covered Employee of a Service Contractor, or any person who was formerly a Covered Employee of a Service Contractor, may instead of the County administrative procedure set forth in this Ordinance but not in addition to such procedure, bring an action by filing suit against the Covered Employer in any court of

competent jurisdiction to enforce the provisions of this Chapter and may be awarded back pay, benefits, attorney's fees, and costs. The applicable statute of limitations for such a claim will be two (2) years as provided in Florida Statutes section 95.11(4) (c) in an action for payment of wages. The court may also impose sanctions on the employer, including those persons or entities aiding or abetting the employer, to include wage restitution to the affected employee and damages payable to the Covered employee in the sum of up to \$500 for each week each employer is found to have violated this Chapter.

(D) Sanctions Against Service Contractors. For violations of this Ordinance as determined pursuant to the procedures set forth by Administrative Order, the County may sanction a Service Contractor for violations of this Ordinance by requiring the Service Contractor to pay wage restitution to the affected employee. The County may also sanction the Service Contractor in at least one of the following additional ways:

(1) Damages payable to the County in the sum of up to \$500 for each week for each Covered Employee found to have not been paid in accordance with this Chapter;

(2) The County may suspend or terminate payment under the contract or terminate the contract with the Service Contractor;

(3) The County may declare the Covered Employer ineligible for future service contracts for three (3) years or until all penalties and restitution have been paid in full, whichever is longer. In addition all employers shall be ineligible under this section where principal officers of the employer were principal officers of an employer who has been declared ineligible under this Chapter; and.

(4) All such sanctions recommended or imposed shall be a matter of public record.

(E) Retaliation and Discrimination Barred. An employer shall not discharge, reduce the compensation or otherwise discriminate against any employee for making a complaint to the Living Wage Commission, the Applicable Department, the County, or otherwise asserting his or her rights under this Chapter, participating in any of its proceedings or using any civil remedies to enforce his or her rights under the Chapter. Allegations of retaliation or discrimination, if found by the County Manager pursuant to procedures set forth by Administrative Order or by a court of competent jurisdiction under paragraph (C), shall result in an order of restitution and reinstatement of a discharged employee with back pay to the date of the violation or such other relief as deemed appropriate. In addition, the County Manager or the Court may impose an additional sanction of up to \$500 for each week since the Covered Employee was discharged as a result of prohibited retaliation under this Chapter.

(F) Remedies Herein Non-Exclusive. No remedy set forth in this Chapter is intended to be exclusive or a prerequisite for asserting a claim for relief to enforce the right under this Chapter in a court of law.

Section 2. If any section, subsection, sentence, clause or provision of this ordinance is held invalid, the remainder of this ordinance shall not be affected by such invalidity.

Section 3. It is the intention of the Board of County Commissioners, and it is hereby ordained that the provisions of this ordinance, including any sunset provision, shall become and be made a part of the Code of Miami-Dade County, Florida. The sections of this ordinance may be renumbered or relettered to accomplish such intention, and the word "ordinance" may be changed to "section," "article," or other appropriate word.

Section 4. This ordinance shall become effective one hundred eighty days (180) days after the date of enactment unless vetoed by the Mayor, and if vetoed, shall become effective only upon an override by this Board.

Section 5. This ordinance does not contain a sunset provision.

Commissioner Seijas noted the foregoing ordinance was indicative of a labor of love and had been thoroughly reviewed and analyzed to ensure fairness. She asked that the related Agenda Item 9A2 be considered with Item 4B. Responding to Commissioner Cancio's comments that all businesses must adopt consistent laws including the airport, Commissioner Seijas noted the language of the proposed ordinance stated "across the board level playing field". Hearing no further discussion, the Board proceeded to vote on the foregoing proposed ordinance as presented.

REPORT: Commissioner Seijas, sponsor, appeared before the committee in support of the foregoing proposed ordinance. The Assistant County Attorney confirmed that the foregoing proposed ordinance did not provide for exemptions and included airlines providing a service, such as fuel services, to other airlines. Staff responded to Commissioner Cancio's inquiry regarding the fiscal impact of the proposed ordinance. Commissioner Cancio noted at the Board's meeting of July 23, 2002, he had made a motion to defer an item requesting approval to advertise for bids on the gas matter, for a period of 12 months. He requested clarification as to whether that motion provided for the extension of the existing contract. Assistant County Attorney Abigail Price Williams advised that a specific motion would have to be made by the Board of County Commissioners to approve an extension of the current agreements, which would expire in October 2002. Commissioner Cancio requested a resolution be prepared that would extend the gas contract for 12 months.

REPORT: During consideration of changes to today's agenda, Commissioner Rolle requested to be listed as a co-sponsor of the foregoing proposed ordinance. Assistant County Attorney Eric Rodriguez advised the Living Wage Advisory Board had recommended the foregoing proposed ordinance be amended to add the following language to Section B, Health Benefit Plan, on handwritten page 6: "..., provided that the employee is not required to pay a premium contribution for employee-only coverage." The sentence would now read: "The Service Contractor may require that all employees enroll in a Health Benefit Plan offered by the Service Contractor, provided that the employee is not required to pay a premium contribution for employee-only coverage." It was moved by Commissioner Seijas that the foregoing proposed ordinance be adopted as amended. This motion was seconded by Commissioner Jordan for discussion. Commissioner Sosa expressed concern regarding the cost of health insurance and the impact on small businesses. She noted while the County had a responsibility to offer health care options, she questioned who would be affected by the foregoing proposed ordinance. Responding to Commissioner Sosa, Assistant County Attorney Rodriguez advised the foregoing proposed ordinance did not mandate that any of the contractors who were subject to the ordinance, pay health insurance. Commissioner Edmonson asked what would be the effect if the language on handwritten page 8 under (D) relating to the violation was switched from "may" to "shall." Assistant County Attorney Rodriguez advised the difference between "may" and "shall" would be to remove the discretion from the Department of Business Development in terms of imposing a violation and granting a notice of violation. Commissioner Moss said small businesses and non-profit organizations were experiencing a health care crisis because of spiraling health care costs. Commissioner Seijas asked Assistant County Attorney Rodriguez to discuss with the Living Wage Advisory Board the possibility of joining with Miami-Dade County and utilizing the County's insurance providers. Referring to health care in general, Commissioner Barreiro suggested the Board study Massachusetts' model for developing a statewide insurance coverage plan. Upon being put to a vote, the motion to adopt the foregoing proposed ordinance passed by a vote of 11-0, (Commissioners Sosa and Souto were absent).

BODY

WHEREAS, the Board of County Commissioners on May 11, 1999, enacted Ordinance 99-44 establishing a Living Wage requirement for specified County service contracts, specified permittees and for County employees, which was codified in the County Code as Section 2-8.9 ("Living Wage Ordinance"); and

FLORIDA:

Section 1. Section 2-8.9 of the Code of Miami-Dade County, Florida, is hereby amended as follows:
 Sec. 2-8.9. Living Wage Ordinance For County Service Contracts and County Employees.

(B) Health >>Benefit Plan<< [[Benefits]].

>>(1)<< For a Covered Employer or the County to comply with the Living Wage provision by choosing to pay the lower wage scale available when a Covered Employer also provides >a<< Health Benefit >>Plan<<, such Health Benefit >>Plan<< shall consist of payment of at least \$1.25 per hour towards the provision of a >>Health Benefit Plan<< [[health care benefits]] for employees and >>, if applicable,<< their dependents. [[If the health benefit plan of a covered employer or the County requires an initial period of employment for a new employee to be eligible for health benefits (eligibility period) such covered employer or the County may qualify to pay the \$8.56 per hour wage scale during a new employee's initial eligibility period provided the new employee will be paid health benefits upon completion of the eligibility period.]]. >>The minimum amount of payment by a Service Contractor for the provision of a Health Benefit Plan on a per-hour basis will be calculated based on a maximum of a 40-hour work week. Overtime hours will not require additional payments towards the provision of a Health Benefit Plan. If the Service Contractor pays less than the required amount for providing a Health Benefit Plan provided in this section, then the Service Contractor may comply with the Living Wage requirements by paying the difference between the premium it pays for the Health Benefit Plan of the Covered Employee and the minimum amount required by this section for a qualifying Health Benefit Plan. The Service Contractor may require that all employees enroll in a Health Benefit Plan offered by the Service Contractor, provided that the employee is not required to pay a premium contribution for employee-only coverage.<< Proof of the provision of a Health >>Benefit Plan<< [[Benefits]] must be submitted to the awarding authority to qualify for the wage rate for employees with a Health Benefit Plan. [[health benefits]]. >>Health Benefit Plan for purposes of complying with this section shall qualify if it includes the benefits contained in a standard health benefit plan meeting the requirements set forth in §627.6699(12)(a) Florida Statutes.

(2) To the extent a Covered Employer seeks to pay the lower Living Wage rate for employers providing a qualifying Health Benefit Plan during the initial eligibility period applicable to new employees, the Living Wage requirement may be complied with as follows during the eligibility period:

(a) Provided the Covered Employer will be providing a qualifying Health Benefit Plan to a new employee upon the completion of such employee's eligibility period required under the Covered Employer's Health Benefit Plan and the Covered Employer has taken the necessary steps to effectuate coverage for such employee, a Covered Employer may only qualify to pay the Living Wage rate applicable to employees with a Health Benefit Plan for a term not to exceed the first ninety (90) days of the new initial employee's eligibility period, said term commencing on the employee's date of hire.

(b) If the Covered Employee is not provided with a qualifying Health Benefit Plan within ninety (90) days of initial hire, then the Covered Employer commencing on the ninety first (91st) day of the new employee's initial eligibility period, must commence to pay the applicable Living Wage rate for Covered Employees without a Health Benefit Plan and must retroactively pay the Covered Employee the difference between the two Living Wage rates for the term of the eligibility period.<<

COMPLIANCE AND ENFORCEMENT

(D) Sanctions Against Service Contractors. For violations of this Ordinance as determined pursuant to the procedures set forth by Administrative Order, the County may sanction a Service Contractor for violations of this Ordinance by requiring the Service Contractor to pay wage restitution to the affected employee. The County may also sanction the Service Contractor in at least one of the following additional ways:
