Agenda Item No. 8(P)(1)(I)

**To:** Honorable Chairman Dennis C. Moss  
and Members, Board of County Commissioners

**From:** George M. Burgess  
County Manager

**Subject:** Resolution Authorizing Execution of an Amendment Authorizing Extending the Original Expiration Date and Providing Additional Funds for the Existing Joint Participation Agreement (JPA No. 250610-1-58-01) Between Miami-Dade County and the Florida Department of Transportation

**RECOMMENDATION**

It is recommended that the Board of County Commissioners approve the attached resolution authorizing execution of an amendment extending the original expiration date and providing additional funds for the existing Joint Participation Agreement (JPA No. 250610-1-58-01), between Miami-Dade County (County) and the State of Florida Department of Transportation (FDOT). The agreement establishes the terms and conditions for disbursement of FDOT grant monies to MDC for the cost of design and landscape installation along various FDOT maintained roadways.

**SCOPE**

The work for this Project will be performed within FDOT rights of way along FDOT roadways throughout Miami-Dade County.

**FISCAL IMPACT/ FUNDING SOURCE**

This project will have no fiscal impact to the County as the funding source is through a grant provided to the County by FDOT as stipulated in the aforementioned JPA.

**TRACK RECORD/ MONITOR**

The person responsible for assuring that all aspects of the JPA are complied with is Mr. David Cardenas, Chief, Public Works Department, Right-of-Way Aesthetic and Assets Division.

**BACKGROUND**

At the Board of County Commissioners (BCC) meeting of October 2, 2007, the BCC authorized execution of a JPA (Resolution No. R-1106-07) between the County and FDOT, providing for disbursement of grant monies in the amount of \$1,400,000 to the County for landscaping improvements. The FDOT wishes to extend the support to the County's roadway landscaping beautification efforts, by amending the original JPA to include landscaping in other sites within the County, extend the original expiration date to June 30, 2012 and to supplement the original project agreement with additional funds in the amount of \$500,000 bringing the total contract amount to \$1,900,000.

This agreement provides for the County to prepare landscape plans for mutually agreed locations and for FDOT's review and approval of said plans prior to landscape installation. The County must also obtain all necessary permits and execute a landscape maintenance agreement, with FDOT, for each location. The list of sites to be landscaped pursuant to this agreement will be presented to the Miami-Dade County Landscape Committee and the FDOT for approval.
