Subject: Rejection of all Bids Under Solicitation No. 8568-GS: Hydraulic Cranes for
Miami-Dade Public Works Department

RECOMMENDATION

It is recommended that the Board of County Commissioners approve the rejection of all bids received under the following solicitation:

BID NUMBER: 8568-GS
TITLE: Hydraulic Cranes for Miami-Dade Public Works Department
DESCRIPTION: This solicitation was for the purchase of two hydraulic cranes for the Department of Public Works, Road, Bridge and Canal Maintenance Division.

TERM: One-time purchase
CONTRACT AMOUNT: \$1,323,000

VENDOR(S) RECOMMENDED FOR AWARD: None

VENDOR(S) NOT RECOMMENDED FOR AWARD:

Vendor	Address	Principal
Kelly Tractor Co. (Local Vendor)	8255 NW 58 th Street, Miami, FL 33152	Nicholas D. Kelly

LIVING WAGE: The services being offered are not covered under the Living Wage Ordinance.
USER ACCESS PROGRAM: The User Access Program Provision applied to this solicitation.

Honorable Chairman Dennis C. Moss and Members,

Page 2

LOCAL PREFERENCE: Applied in accordance with the Ordinance, but did not affect the outcome.

CONTRACT MANAGER(S): Pablo Martinez, Department of Procurement Management
Martin Dareff, General Services Administration
Manny Hervis, Public Works Department

REASON FOR REJECTION

The solicitation was issued to all enrolled and registered vendors, and advertised on the County website, on November 27, 2007. A "no bid" offer was received and opened on January 16, 2008. Staff inadvertently extended the opening date to February 6, 2008, even though a "no bid" offer had been received from Kelly Tractor. An extension of time should not follow an opening, even if it results in a "no bid" offer. During the extension period, one proposal was received from Kelly Tractor.

In consultation with the County Attorney's Office, it was determined that due to the inadvertent error in accepting a proposal after the bid opening, the bid received from Kelly Tractor must be rejected. Upon Board approval to reject this bid, DPM will re-solicit bids or access another agency's competitive contract, whichever is in the County's best interest.

Authorization is requested for additional spending authority for the MDPD to install equipment and software at additional facilities. This modification will allow upgrades to existing imaging software and purchases of additional equipment to ensure adequate backup should power outages occur.

A portion of the additional allocation will be utilized by MDPD to proceed with several proposed equipment/software expansions within the Miami-Dade Corrections Department (MDCR) facilities which will facilitate the booking and intake processes. Expansion of the Photo Imaging System at Jackson Memorial Hospital, Ward D location, and the implementation of a mobile booking station will require funding and final project authorization from the MDCR.

The remaining additional allocation will be utilized by MDPD for equipment replacement and software enhancements to the existing Photo Imaging System maintained by MDPD, along with software enhancements to the Juvenile Services Department system.
